Minutes of 1st meeting of Assam State GST Co-ordination Committee for 2026-27 held through Hybrid mode on 20.05.2026.

1. The 1st meeting (Qtr. ending June, 2026) of the Assam State Co-ordination Committee for 2026-27 was held on 20.05.2026 at the Conference Hall, Room No.503, 5th Floor, GST Bhawan, Kedar Road, Guwahati. The meeting was co-chaired by Shri Kul Prakash Singh, Chief Commissioner of CGST Guwahati Zone and Shri Jitu Doley, Commissioner, State Taxes, Assam who is the co-chair to the committee. The following other Members of the Committee also attended the meeting:

Sl. No.	Names (S/Shri)	Designation
1.	Kul Prakash Singh	Chief Commissioner, Guwahati Zone.
2.	Jitu Doley	Commissioner, State Taxes, Assam
3.	Anil Kumar Jalan	Special Commissioner of State Taxes, Assam
4.	G. Machunlung Kamei	Commissioner, CGST Guwahati
5.	J.P. Singh	Additional Commissioner, CCO, Guwahati
6.	Vikas Jhajharia	Additional Commissioner, CCO, Guwahati
7.	Hemanga Phukon	Additional Commissioner, CCO, Guwahati
8.	Vinay Kumar Thammi	Joint Commissioner, Dibrugarh
9.	Nikhil Jain	Inspector, CCO, Guwahati

2. To begin with, the Chief Commissioner welcomed all present in the meeting. Then discussion happened about checking of railway consignments for the GST offences based on information/intelligence received. The Chief Commissioner suggested that in case of such consignment, concerned CGST/SGST officer at the destination point should be informed for the necessary action of checking/seizing etc. Further, he remarked that for the real time access of the FOIS system enabling monitoring of consignments, we should again request GST Council Secretariat and GST Policy Wing to take up this issue at the Ministry Level.

3. The Chief Commissioner then desired to know the present status of Biometric Aadhaar Authentication Kiosk for GST registration in GST Bhawan, Guwahati. On this, Additional Commissioner, CCO CGST intimated that presently it is not possible to set up a kiosk for the Biometric Aadhaar Authentication Kiosk in GST Bhawan, Guwahati, due to the mapping related issue. Further, the Commissioner, SGST informed that they don't have required equipment for the same as all the procured equipment have been already utilized; so, if CGST procured such equipment then they will help in installation of the same at the GST Bhawan. The Chief Commissioner affirmed that setting up the same by procuring machines (IRIS scanner etc.) is not a big issue and same may be explored.

4. The Commissioner, State GST (Assam) pointed that there were huge number of fake registrations happening in Assam. He said that this led to Fake ITC being passed from one firm to another leading to huge loss of revenue and only 10% of such cases come under State Jurisdiction, rest are under Central Jurisdiction. He informed that after field visit and Panchnama, they are sending such details to the CGST office on which quick actions are required. The Chief Commissioner suggested a two-prong strategy for this problem. He remarked that nodal officers be nominated today from CGST Guwahati and Dibrugarh, as a dedicated point of contact (For Fake Registration Issues) with whom information may be shared for quick actions on their email. Also, He requested that in case of any emergency, information may directly be passed through Whatsapp group, which is also required to be made. The Chief Commissioner affirmed preventing bogus/fake registration be kept a top priority by CGST and SGST officials.

5. The Chief Commissioner informed that this office is sharing important Audit bulletin with SGST counterpart which will help them in detection of cases. Further, he discussed about the data mining being done by CGST officials to filter out the suspicious GST registrations. These suspicious registrations are being shared with the concerned CGST and SGST jurisdiction authorities for necessary actions to reduce the chances of revenue leakage. In this regard, Commissioner, SGST stated that data mining is also being done by SGST officials and is being shared with CGST Officials to curb such registrations.

6. On the matter of association of CGST officials with SGST officials in important Court cases, the Chief Commissioner pointed out that a common stand is necessary on law points raised in any case, therefore a nodal officer as a dedicated point of contacts for this should also be designated both in CGST as well in SGST office. State taxes counterpart informed that they have already ensured cooperation in this context.

7. The Chief Commissioner then enquired about the GST awareness and outreach program. He suggested to make small videos catchy enough (e.g. having Assamese Jingle) so as to capture both children and adults' interest in GST compliances.

8. To conclude, the Chief Commissioner thanked all the participants for attending the meeting.

9. This issue with the approval of both the co-chairs.
