3. The meeting started with welcome of all members by the convenor who apprised the participants that the meeting is being held to discuss common issues concerning

both the Centre and State GST. Thereafter, discussions were held on action taken on the issues detailed as under:

3.1 **Verification of taxpayers covered under various Anveshan Reports**: The members were informed by the convenor that the Directorate General of Analytics and Risk Management (DGARM) has been regularly sharing lists of taxpayers identified through detailed data analytics based on various risk parameters for the purpose of field verification and investigation. It was highlighted that a substantial number of taxpayers included in the Anveshan Reports are registered under the Delhi State GST jurisdiction. However, delays in the receipt of verification reports from the Delhi State GST authorities have resulted in the non-submission of consolidated verification and investigation reports to DGARM within the prescribed timelines.

In response, the Commissioner, Delhi State GST acknowledged the concern and requested that a comprehensive list of all taxpayers whose verification reports are pending from the State GST authorities be shared with the department and assured that the pending cases would be reviewed on priority and necessary directions would be issued to the concerned field formations to expedite verification and furnish the reports at the earliest. It was further agreed that close coordination between the Central and State GST authorities would be maintained to ensure timely completion of verifications and prompt submission of reports to DGARM.

3.2. **Taxpayer Services and Awareness camps for Registration:**The Commissioner, Delhi State GST, informed the Committee that the State GST had recently organized taxpayer outreach and GST registration camps, which received an encouraging response from the public. It was further informed that registration camps conducted over a period of one to three days had resulted in significantly higher public participation and improved registration outcomes compared to camps of shorter duration.

It was felt that coordinated outreach initiatives undertaken jointly by the Central and State GST administrations would further strengthen taxpayer awareness, facilitate new GST registrations, and promote voluntary compliance. Accordingly, it was decided to look into the possiblity of joint taxpayer outreach-cum-registration programmes may be organized on a regular basis, with focused interventions in geographical areas exhibiting comparatively low GST registration, with a view to expanding the taxpayer base and improving GST coverage.

3.3 **Exchanging of details Nodal Officers of State GST and Central GST authorities for intelligence sharing and coordination:** It was felt that, With a view to further strengthening the existing mechanism for intelligence sharing and coordination, the Additional Commissioner, PCCO, Delhi Zone, and the Assistant Commissioner, Policy

& Research Branch, Delhi State GST, may be designated as the Nodal Officers for coordination between the Central GST and Delhi State GST.

3.4 **Issues faced by Goods and Service Tax Counsel:** Ms. Shaifali G. Singh, Commissioner (In situ), GST Council Secretariat, informed that the requisite reports were not being received from the Delhi State GST authorities within the prescribed timelines, resulting in delays in their submission to the GST Council Secretariat. The delay was noted by the Committee. The Delhi State GST authorities were requested to ensure timely submission of all requisite reports to the GST Council Secretariat in future so as to facilitate effective monitoring and timely compliance with the prescribed reporting requirements.

3.5 **Issue raised by the DGGI:** Sh. Vikram Vijay Wanere, Joint Director, DGGI, Delhi Zonal Unit, highlighted delays in the suspension of GST registrations and the blocking of Input Tax Credit (ITC) in cases warranting such action under the provisions of the GST law. The matter was deliberated, and the Committee emphasized the need for timely and coordinated action by the concerned authorities to ensure effective enforcement and safeguard Government revenue.

The State GST authorities informed the Committee that a Standard Operating Procedure (SOP) will be formulated to streamline the process and ensure uniformity in the handling of such cases.

4. In conclusion, it was emphasized by both the Co-chairs that coordination between the Central and State GST authorities should continue throughout the year and should not be limited to quarterly coordination meetings. All officers were encouraged to remain in regular contact and resolve operational issues through mutual consultation.

The meeting ended with a vote of thanks to the participants.
