

Agenda for

25th GST Council Meeting

Volume – 1

18 January 2018

File No: 297/25th GSTC Meeting/GSTC/2017
GST Council Secretariat

Room No.275, North Block, New Delhi
Dated: 22 December, 2017

Notice for the 25th Meeting of the GST Council scheduled on 18 January 2018

The undersigned is directed to refer to the subject cited above and to say that the 25th Meeting of GST Council will be held on **Thursday, 18 January 2018 from 12:20 pm onwards** at Hall No 2-3, Vigyan Bhavan, New Delhi. Before the meeting of the GST Council, Union Finance Minister will have discussions with the Finance Ministers of States on the budget proposals for the Union Budget 2018-19 from 10:00 am to 12:00 noon at the same venue.

2. The Meeting of the GST Council shall be followed by Cultural Programme and Dinner to be hosted by Government of NCT of Delhi from 7:00 pm to 10:00 pm on 18 January 2018.

3. The detailed agenda items for the 25th Meeting of the GST Council will be communicated in due course of time.

4. The main agenda in the GST Council Meeting will be to discuss the draft Amendment to CGST Act, SGST Act and IGST Act. In order to have detailed discussions on the draft proposals for amendment, Union Finance Secretary will take a separate meeting of Officers of State and Central Government from **11:00 am onwards on Thursday, 11 January 2018** at Hall No 2-3, Vigyan Bhavan, New Delhi.

5. Please convey the invitation to the Hon'ble Members of the GST Council to attend the Meeting on 18 January 2018.

(-Sd-)

(Dr. Hasmukh Adhia)

Secretary to the Govt. of India and ex-officio Secretary to the GST Council

Tel: 011 23092653

Copy to:

1. PS to the Hon'ble Minister of Finance, Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
2. PS to Hon'ble Minister of State (Finance), Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
3. The Chief Secretaries of all the State Governments, Delhi and Puducherry with the request to intimate the Minister in charge of Finance/Taxation or any other Minister nominated by the State Government as a Member of the GST Council about the above said meeting.
4. Chairperson, CBEC, North Block, New Delhi, as a permanent invitee to the proceedings of the Council.
5. Chairman, GST Network

Agenda Items for the 25th Meeting of the GST Council on 18 January 2018

1. Confirmation of the Minutes of 24th GST Council Meeting held on 16 December 2017
2. Revenue collected in the month of November and December 2017 under Goods and Services Tax, including the revenue accruing to Centre and States through settlement of funds
3. Deemed ratification by the GST Council of Notifications, Circulars and Orders issued by the Central Government
4. Decisions of the GST Implementation Committee (GIC) for information of the Council
5. Minutes of 4th and 5th Meeting of Group of Ministers (GoM) on IT Challenges in GST Implementation for information of the Council and discussion on GSTN issues
6. Recommendations of the 'Committee on Returns Filing' on Simplification of Returns under GST
7. Issues recommended by the Law Committee for consideration of the GST Council
8. Recommendations of the Committee on Handicrafts
9. Changes proposed to be made in the CGST Act, 2017, SGST Acts, the IGST Act, 2017 and the GST (Compensation to States) Act, 2017
10. Issues recommended by the Fitment Committee for the consideration of the GST Council
11. Carry forward items from the previous Council Meeting
 - i. Presentation on GST in Real Estate sector
 - ii. Incentivising Digital Payments in GST regime
12. Transfer of shares of Empowered Committee (EC) in GSTN to the State of Telangana
13. Any other agenda item with the permission of the Chairperson
14. Date of the next Meeting of the GST Council

Discussion on Agenda Items

Agenda Item 1: Confirmation of Minutes of 24th GST Council Meeting held on 16 December 2017

Draft Minutes of the 24th GST Council Meeting held on 16 December, 2017

The twenty fourth Meeting of the GST Council (hereinafter referred to as ‘the Council’) was held on 16 December, 2017 through video conferencing under the Chairpersonship of the Hon’ble Union Finance Minister, Shri Arun Jaitley (hereinafter referred to as the Chairperson). The list of the Hon’ble Members of the Council who attended the meeting through video conference is at **Annexure 1**. The list of officers of the Centre, the States and the GST Council who attended the meeting through video conference is at **Annexure 2**.

2. The following agenda items were listed for discussion in the 24th Meeting of the Council: –
 1. Confirmation of the Minutes of 23rd GST Council Meeting held on 10 November 2017.
 2. Introduction of a nationwide e-Way Bill System with effect from 01.01.2018.
 3. Any other agenda item with permission of the Chairperson.
 - (i) Refund of provisionally accepted input tax credit.
3. The Hon'ble Chairperson welcomed the Members of the Council and then took up discussion on the agenda items.

Discussion on agenda items:

Agenda item 1: Confirmation of the Minutes of the 23rd GST Council Meeting held on 10 November, 2017

4. The Hon'ble Chairperson stated that the Minutes of the 23rd Meeting of the Council could be taken up for confirmation during this Meeting or in the next meeting. Dr. Hasmukh Adhia, Union Finance Secretary and Secretary to the Council (hereinafter referred to as the ‘Secretary’) informed that written comments had been received from the Governments of Rajasthan and Gujarat with regard to replacement of their versions. The Government of Rajasthan in its letter No. F. 17(105) ACCT/GST/2016/2936 dated 15.12.2017 had suggested the following changes in the Minutes:

- 4.1. In paragraph 17, reference of ‘granite’ may be added in the statement of the Hon'ble Minister from Rajasthan and that his statement may read as follows: ‘The Hon'ble Minister from Rajasthan observed that marble and **granite** were neither luxury items nor sin goods and that a large number of persons were engaged in marble and **granite** industry. He added that marbles and **granite** were of different grades and quality. He argued to keep marble and **granite** tiles in the rate slab of 18%’.
- 4.2. In paragraph 17.22, the following statement marked in bold may be added after the statement ‘The Hon'ble Minister from Rajasthan stated that kota stone was a variant of sand stone and should not be taxed at the rate of 18%; **GST rate on kota stone may be reduced to 5%.**’

4.3. In paragraph 19.3, instead of the words ‘He stated that there would also be no import of such statues’, the following statement of the Hon’ble Minister may be incorporated: “He stated that idols of deities were exempted across world, be it USA, UK, Canada, Malaysia, Singapore, etc. This was an item of local importance and small artisans of the State were engaged in this field. Therefore, these items may be exempted.”

4.4. The Government of Gujarat by an email dated 15.12.2017 had suggested to replace the whole of paragraph 21.4 of the Minutes with the following: ‘Secretary (EA), Government of Gujarat, Shri Sanjeev Kumar and Dr. P.D. Vaghela, CCT, Gujarat, stated that there was a requirement of clarification with regard to tamarind kernel powder. As far as phosphoric acid was concerned, the Gujarat State Fertilizer Corporation(GSFC) had represented that as the phosphoric acid was taxed at the rate of 18% and the rate of tax on fertilizers had been reduced to 5%, this had resulted into huge working capital blockage as GSFC could claim refund only after filing of returns. The Gujarat Chamber of Commerce and Industry had represented that the organizations running effluent treatment plants and having benefit of Section 12AA of the Income Tax Act, 1961 were exempted from payment of tax on such plants. This did not allow such organizations to claim input tax credit. Its representation was that there should be a tax for such organizations at the rate of 5% so that they could claim input tax credit. The Secretary suggested that the Fitment Committee could examine these issues. The Council agreed to this suggestion.’

4.5. The Secretary stated that the changes proposed in the Minutes by the Governments of Rajasthan and Gujarat only involved changing their versions recorded in the Minutes and the Council could agree to the same. The Council agreed to the suggestion. The Secretary further stated that in case there were no other comments, the Council could approve the Minutes but if Members felt that more discussion was required on the Minutes, it could be deferred and taken up for discussion during the next meeting of the Council. There were no other comments on the Minutes. The Hon’ble Ministers from Kerala, Goa and Tamil Nadu suggested to confirm the Minutes during this meeting itself. The Council agreed to the same.

5. For **agenda item 1**, the Council decided to adopt the Minutes of the 23rd Meeting of the Council with the following changes:

5.1. To replace the version of the Hon’ble Minister from Rajasthan in paragraph 17 of the Minutes with the following: ‘The Hon’ble Minister from Rajasthan observed that marble and granite were neither luxury items nor sin goods and that a large number of persons were engaged in marble and granite industry. He added that marbles and granite were of different grades and quality. He argued to keep marble and granite tiles in the rate slab of 18%.’

5.2. To replace the version of the Hon’ble Minister from Rajasthan in paragraph 17.22. of the Minutes with the following: ‘The Hon’ble Minister from Rajasthan stated that kota stone was a variant of sand stone and should not be taxed at the rate of 18%; GST rate on kota stone may be reduced to 5%.’

5.3. To replace the bracketed version of the Hon’ble Minister from Rajasthan in paragraph 19.3. of the Minutes (‘He stated that there would also be no import of such statues’) with the following: ‘He stated that idols of deities were exempted across world, be it USA, UK, Canada, Malaysia, Singapore, etc. This was an item of local importance and small artisans of the State were engaged in this field. Therefore, these items may be exempted.’

5.4. To replace the whole of paragraph 21.4 of the Minutes with the following: ‘Secretary (EA), Government of Gujarat, Shri Sanjeev Kumar and Dr. P.D. Vaghela, CCT, Gujarat, stated that there was

a requirement of clarification with regard to tamarind kernel powder. As far as phosphoric acid was concerned, the Gujarat State Fertilizer Corporation had represented that as the phosphoric acid was taxed at the rate of 18% and the rate of tax on fertilizers had been reduced to 5%, this had resulted into huge working capital blockage as GSFC could claim refund only after filing of returns. The Gujarat Chamber of Commerce and Industry had represented that the organizations running effluent treatment plants and having benefit of Section 12AA of the Income Tax Act, 1961 were exempted from payment of tax on such plants. This did not allow such organizations to claim input tax credit. Its representation was that there should be a tax for such organizations at the rate of 5% so that they could claim input tax credit. The Secretary suggested that the Fitment Committee could examine these issues. The Council agreed to this suggestion.'

Agenda item 2: Introduction of a nationwide e-Way Bill System with effect from 01.01.2018

6. Introducing this agenda item, the Secretary stated that during a detailed review meeting on revenue collection/trend in GST regime held in Vigyan Bhawan, New Delhi, on 9 December, 2017, the officers of the Centre and the States present during the meeting agreed that the absence of a nationwide e-Way Bill System was causing significant leakage of tax revenue. He recalled that during the 22nd Meeting of the Council, it was decided to roll out e-Way Bill System from 1 January, 2018 in a staggered manner in State after State and to implement it across the country from 1 April, 2018. He stated that during the meeting held on 9 December, 2017, the view of the officers was to start inter-State e-Way Bill System from a uniform date. In view of this, an urgent meeting of the Council had been convened through video conference. He stated that prior to the Council Meeting, detailed consultation was also held with GSTN and NIC (National Informatics Centre). During review, it was revealed that the hardware had been installed but the software licence had come only yesterday, and therefore, NIC needed some more time for all India roll out of e-Way Bill System. NIC requested that roll out could be done from 16 January, 2018 instead of 1 January, 2018. NIC had also suggested a staggered approach for implementing e-Way Bill System for inter-State and intra-State movement of goods. The Secretary stated that additional 15 days could be provided for all-India roll out of e-Way Bill System for inter-State movement of goods so that technical glitches could be avoided. He recalled that the initial glitches with the GSTN system had invited a lot of flak for the GST and the same should be avoided during implementation of e-Way Bill System. He added that after 16 January, 2018, an additional 15 days' trial period could be provided for the taxpayers and the transporters to file e-Way Bills for inter-State movement of goods on voluntary basis in order to sort out any initial problems and the e-Way Bill System for inter-State movement of goods could be made mandatory on all-India basis from 1 February, 2018.

6.1. The Secretary further stated that more time could be given to States for introducing e-Way Bill System for intra-State movement of goods and it could be implemented on all-India basis from 1 April, 2018. He added that during the next three months, the States could choose their own timing for introducing the intra-State e-Way Bill System. During the interim period, the Commissioner of the State Government and the competent Central Government official in the State could together decide upon the kind of documents (such as invoice) that would be carried for intra-State movement of goods.

6.2. The Secretary further added that some States had prepared for implementation of e-Way Bill System in advance. He informed that the State of Karnataka has already implemented new e-Way Bill System in which about one lakh e-Way bills were being generated daily. He added that the States of Kerala, Uttarakhand, Rajasthan, Madhya Pradesh and Nagaland also wanted to start e-Way Bill System at the earliest possible and had made preparations for the same. He suggested that the NIC server located in Karnataka could be made available to these States to start their e-Way Bill System early at the State-level by notifying the all-India e-Way Bill Rules in their SGST Rules. Dr. P.D. Vaghela, Commissioner,

Commercial Tax (CCT), Gujarat, stated that his State would also like to implement the e-Way Bill System at an early date with the aforementioned five States. The Secretary stated that the State of Gujarat could also start the e-Way Bill System at an earlier date along with the other five States.

6.3. The Hon'ble Minister from Goa welcomed the proposal and stated that the Secretary had suggested the right approach of having a trial period of 15 days. He, however, also raised a question whether there would be full readiness to implement the e-Way Bill System from 1 February, 2018 and desired that the Council should not face flak like GSTN related problems. He added that his State would be ready to implement the e-Way Bill System for intra-State movement of goods from 1 March, 2018. The Hon'ble Minister from Tamil Nadu stated that his State would be ready for roll out of e-Way Bill System by 1 January, 2018 for both inter-State and intra-State movement of goods. The Hon'ble Minister from Uttarakhand supported the proposal of the Secretary. He further informed that his State had started implementation of both intra-State and inter-State e-Way Bill System on trial basis from 15 December, 2017 and till now, 4450 e-Way bills had been generated and 782 transporters had registered for their e-Way Bill System. They were monitoring the implementation of the e-Way Bill System.

6.4. The Hon'ble Minister from Maharashtra stated that the proposed date of 1 February, 2018 for roll out of e-Way Bill System for inter-State movement of goods was acceptable to them but they would need more time for implementation of e-Way Bill System for intra-State movement of goods. The Hon'ble Minister from Telangana stated that due to the problem of tax evasion, they had started e-Way Bill System from 16 August, 2017 and were keen to have it implemented from 1 January, 2018. The Secretary stated that while all-India inter-State e-Way Bill System could be implemented from 1 February, 2018, the State of Telangana could implement intra-State e-Way Bill System under its State Rules. Shri Somesh Kumar, Principal Secretary (Finance), Telangana, stated that they had implemented e-Way Bill System from 16 August, 2017 for both inter and intra-State movement of goods but the Hon'ble High Court of Andhra Pradesh and Telangana had struck down their inter-State e-Way Bill Rules. He expressed his State's willingness to join the other six States for early implementation of the e-Way Bill System. Shri J. Syamala Rao, Chief Commissioner, Commercial Tax (CCCT), Andhra Pradesh expressed that his State also wanted to join the other six States to implement the e-Way Bill System early.

6.5. The Hon'ble Minister from Madhya Pradesh stated that his State had made all preparations for roll out of the e-Way Bill System and they agreed to the suggestion to start implementation of e-Way Bill System for inter-State movement of goods from 1 February, 2018. Shri Raghwendra Kumar Singh, CCT, Madhya Pradesh, stated that the Central Government should issue the notification for six States to start implementation of e-Way Bill System from 1 January, 2018. Shri R.K. Tiwari, Additional Chief Secretary (ACS), Uttar Pradesh, stated that his State had an e-way Bill System for both inter and intra-State movement of goods and there has been a very significant rise in number of e-Way Bills generated and the amount of the commodities that have been brought in and out (about 30%). He welcomed the proposal of Secretary and also made two suggestions. The first was that the e-Way Bill portal should be opened up for registration of vehicles from a date earlier than 1 February, 2018. Secondly, many taxpayers were subverting the process of e-Way Bill System by splitting the consignment value to less than Rs 50,000. They had come across instances where 10-15 such consignments were being transported in same vehicle under the names of different consignors and consignees. Therefore, steps should be taken to plug such loopholes as otherwise the e-Way Bill system would not serve the desired purpose.

6.6. The Hon'ble Minister from West Bengal stated that his State already had e-Way Bill System for inter-State movement of goods with computerised check posts. He expressed confidence that with their given IT set up, they would not have IT related problem for implementing e-Way Bill System. He added that those transporters who were already registered for e-Way Bill System could be migrated to the new

server. He suggested that e-Way Bill System for inter-State movement of goods should be introduced from 1 February, 2018 only after beta testing, etc. He suggested that the Central Government should remain in touch with the State Governments on the status of beta testing so that there was certainty regarding implementation of e-Way Bill System from the due date. He further stated that his State would need a longer time frame to implement e-Way Bill System for intra-State movement of goods and suggested that it should be done from 1 June, 2018.

6.7. The Secretary stated that sufficient trial period was being provided both for trade and Tax Department so that amendments, if any required, could be carried out before implementing the e-Way Bill System for inter-State movement of goods from 1 February, 2018. He added that the States already having e-Way Bill System, could use the enabling provision and continue to use the same until the Central server and the software were fully ready. He added that a date would be announced in due course as to when migration of the existing registrants for e-Way Bill System would start. As regards implementation of intra-State e-Way Bill System, the Secretary stated that 14 States did not have any e-Way Bill System and the taxpayers and the transporters in these States would find it difficult to implement the e-Way Bill System. He stated that the suggested date of 1 February, 2018 could be retained for e-Way Bill System for inter-State movement of goods but the e-Way Bill System for intra-State movement of goods could be done in a phased manner by 1 June, 2018.

6.8. The Hon'ble Minister from West Bengal stated that as there was no e-Way Bill System earlier for intra-State movement of goods in West Bengal, there could be a hue and cry if it was introduced in a hurry and he suggested that it should commence from 1 June, 2018. He stated it could be commenced in a phased manner and 1 April, 2018 could be the date for completing the testing of software. Thereafter, readiness of the States could be checked, stakeholders meeting could be held to obtain their inputs, factor in the difficulties highlighted and correct the glitches that came to light. He added that due to scheduled elections in the months of February and March, 2018, there would be a lot of movement of transport vehicles.

6.9. The Hon'ble Minister from Assam supported the proposal to commence e-Way Bill System for inter-State movement of goods from 16 January, 2018. Shri Anurag Goel, CCT, Assam, stated that his State had an e-Way Bill System for inter-State movement of goods but not for intra-State movement of goods. He further stated that e-Way Bill System for inter-State movement of goods could start on trial basis from 16 January, 2018 and on mandatory basis from 1 February, 2018. As regards introduction of e-Way Bill System for intra-State movement of goods, he advised caution and suggested to have a trial period of April and May, 2018 as there could be opposition to this provision. Shri Tuhin Kanta Pandey, Principal Secretary (Finance), Odisha, stated that his State had a system of electronic e-Way Bill System for inter-State movement of goods but not for intra-State movement. He suggested that taking into account the small distances and smaller towns for which intra-State e-Way Bill System would apply, a longer phase-in should be provided for intra-State e-Way Bill System.

6.10. The Hon'ble Minister from Kerala stated that the delay in implementation of e-Way Bill System had led to severe leakage of revenue and in his State, approximately 80% of consumer goods were coming from other States without payment of IGST. He accepted the proposal on the table and in addition, made two more points. The first point was that it was decided earlier that States could implement the e-Way Bill System for inter-State movement of goods and that the Central Government would issue a notification to this effect. He observed that no such notification had been issued by the Central Government till date and requested the Central Government to issue such a notification and validate the action of the State Governments. The second point was that movement of gold should also be brought under the e-Way Bill System as lack of an e-Way Bill System for gold was only helping the movement of smuggled gold. He stated that there was major revenue leakage on this account and in his

State, the intelligence wing had booked 10 major cases of movement of gold and jewellery of over 100 kg being transported from other States without any documents. He stated that there was no logic to exempt gold transporters from the requirement of e-Way Bill System as gold was transported under heavy security system and that his State had a system of pre-declaring movement of gold. He informed that this issue had been flagged to him by the gold traders who trade through the formal channels. He added that this issue need not be decided during this Meeting but it must be revisited during the next Meeting of the Council. He flagged one more point for consideration of the Council, namely whether there could be a higher value threshold for generating e-Way Bill for intra-State B2C movement of goods and a lower threshold for inter-State B2B movement of goods. He suggested to discuss this issue during the next meeting of the Council. He further stated that Kerala had a system of e-Way Bill even for intra-State movement of goods and such States should be allowed to implement e-Way Bill System for intra-State movement of goods from an earlier date.

6.11. The Hon'ble Deputy Chief Minister of Bihar stated that they have an e-Way Bill System but it was not being enforced as border check posts had been removed. This had resulted into reduced import into his State to the tune of about Rs. 10,000 crore during the period July to October, 2017 as compared to the corresponding period in the last year. He agreed with the proposal on the table for implementation of e-Way Bill System for both inter-State and intra-State movement of goods. He added that he did not favour bringing movement of gold under the e-Way Bill System as it could lead to criminal activities. He also suggested that certain timelines given in the e-Way Bill Rules, namely, validity period of e-Way Bill to be one day for 100 kms; 72 hours for the recipient of goods to communicate his acceptance or rejection of the consignment covered by the e-Way Bill; and 24 hours for cancellation of an e-Way Bill should be revisited as there is possibility of misuse on largescale. He further suggested that an unregistered dealer should also be asked to furnish his Aadhaar number in addition to his PAN. He added that under Rule 138(5) of the CGST and SGST Rules, there was no limit for number of times a transporter can update the details of conveyance in the e-Way Bill System. He suggested that number of updation by the transporter should be restricted to three times. He also suggested that the e-Way Bill forms should also have a provision to give train number and air cargo number as lot of goods also moved through trains and airlines. He stated that his State would be ready for introduction of e-Way Bill System for intra-State movement of goods by 1 February, 2018 but also agreed to the proposal to commence it from 1 June, 2018.

6.12. The Hon'ble Minister from Haryana welcomed the proposal on the table. He stated that his State was one of the 14 which did not have an e-Way Bill System and its introduction would help curb tax evasion. He suggested that the system of e-Way Bill should be started simultaneously for both inter-State and intra-State movement from 1 February, 2018 as any artificial distinction between the two could lead to influencing by local lobbies. He added that there would be reservation with regard to e-Way Bill System irrespective of the date on which it was decided to be implemented and extension of date could be considered by the Council at a later stage instead of giving the States an option to decide by themselves the date for introduction of e-Way Bill for intra-State movement of goods. He suggested that all preparations should be simultaneous for intra-State and inter-State e-Way Bill System. He also supported the proposal of the ACS, Uttar Pradesh, to introduce checks regarding splitting of bills.

6.13. The Hon'ble Minister from Jharkhand stated that he fully agreed with the proposal of the Secretary. The Hon'ble Minister from Rajasthan suggested to start inter-State and intra-State e-Way Bill System together from 1 February, 2018 or 1 April, 2018. The Hon'ble Chairperson observed that different States had different levels of preparation for intra-State e-Way Bill System, and therefore, a longer timeline was needed, whereas inter-State e-Way Bill System needed to be introduced early in order to plug ongoing tax evasion. The Secretary observed that the traders could get used to filing of e-Way Bills from 1 February, 2018 for inter-State movement of goods. However, a longer timeframe

could be given to States to decide for introduction of e-Way Bill System for intra-State movement of goods.

6.14. The Hon'ble Minister from Goa stated that his State had no e-Way Bill System and introduction of e-Way Bill System for inter-State movement of goods could give experience to traders. He stated that 1 June, 2018 was an appropriate date for implementing the e-Way Bill System for intra-State movement of goods. The CCCT, Andhra Pradesh, stated that the Hon'ble High Court of Andhra Pradesh and Telangana had struck down their e-Way Bill system and in case there was to be a delay in implementation of the e-Way Bill System from 1 February, 2018, a notification should be issued under the CGST Act to protect the revenue of the State. The Secretary stated that this issue was examined and it transpired that if the notification was issued under IGST Act, the entire country would need to be covered under the notification. Therefore, as an alternative, for one month, States could prescribe their own intra-State e-Way Bill Rules under their SGST Act which would also cover the intra-State portion of the movement (i.e. upto the border of the State) for inter-State supply.

6.15. Shri A.B. Pandey, Chairman, GSTN, stated that if a choice was given to the States regarding the date for introduction of e-Way Bill System for intra-State movement of goods and if all States decided to implement it from an earlier date, then the system of NIC might not be able to take the load as full testing had not been done till date. He stated that according to their estimates, a total of about 30 lakh e-Way bills were likely to be generated daily for both inter-State and intra-State movement of goods and in the absence of full testing of software, it was desirable to have a phased implementation. The Hon'ble Chairperson stated that many States would implement e-Way Bill System for intra-State movement of goods at a later date, and therefore, phasing out would be in-built. Shri Naveen K. Choudhary, Secretary (Finance), Jammu & Kashmir stated that the suggested timeline for implementation of e-Way Bill System was acceptable and advised that NIC should ensure that no technical glitches were faced by the users. Shri Tarun Kapoor, ACS, Himachal Pradesh, stated that they have an e-Way Bill System for six items. He supported the proposal to have e-Way Bill System for inter-State movement of goods from 16 January, 2018 with a trial period. He added that for intra-State movement, the trial period should start from 1 April, 2018 and there should be mandatory introduction from 1 June, 2018. In view of these discussions, the Hon'ble Chairperson suggested that nationwide e-Way Bill System for inter-State movement of goods could be rolled out on a trial basis latest by 16 January, 2018 and the members of the trade and the transporters could start using this system on a voluntary basis from 16 January, 2018. Nationwide e-Way Bill System for inter-State movement of goods could be introduced on compulsory basis with effect from 1 February, 2018. For intra-State e-Way Bill generation, States could choose their own timing for implementation on any date before 1 June, 2018. Some of the States which already have a system of e-Way Bill for intra-State as well as inter-State movement of goods, could adopt an earlier date for the national e-Way Bill System for intra-State movement of goods. This could be done by exercising powers under rule 138A (5) of CGST/SGST Rules jointly by the Central Government and State Government officers. The Council agreed to these suggestions.

7. For **agenda item 2**, the Council approved the following:

- (i) Nationwide e-Way Bill System for inter-State movement of goods shall be introduced on a trial basis latest by 16 January, 2018 and the members of the trade and the transporters could start using this system on a voluntary basis from 16 January, 2018.
- (ii) Nationwide e-Way Bill System for inter-State movement of goods shall be introduced on compulsory basis with effect from 1 February, 2018.
- (iii) States may choose any date before 1 June, 2018 for implementing national e-Way Bill System for intra-State movement of goods but all States shall implement it by 1 June, 2018.

This would be done by exercising powers under rule 138A (5) of CGST/SGST Rules jointly by the Central Government and State Government officers.

Agenda item 3: Any other agenda item with the permission of the Chairperson

(i) Refund of provisionally accepted input tax credit

8. Introducing this agenda item, the Secretary stated that as no automated refund system had been operationalised as yet, the refund applications were being filed online and then the applicants would take a hard copy of the same to the jurisdictional officer for processing the refund claim manually, after which a single order would be passed. He stated that some officers in the field had raised a doubt that as per the law, refund could be given only if the inward and outward supplies were matched and tax was paid on the supply. He stated that as presently no matching was possible, it was proposed to take an undertaking as part of refund application itself that the amount of refund would be paid back to the Government in case it was subsequently found that the tax had not been paid on the supply as required under Section 16(2)(c) of the CGST Act/SGST Act or the inward and the outward supply involving the refund claim did not match (requirements under Sections 41 and 42 of CGST/SGST Act). He stated that it was proposed to allow following refunds (both provisional and final) without matching and without excluding the amount of provisionally accepted input tax credit: (i) Unutilised input tax credit in case of zero rated supplies (exports and supplies to SEZs) of goods or services or both; (ii) Unutilised input tax credit in case of inverted duty structure in case of goods (including supply of goods to merchant exporters); (iii) IGST paid on zero rated supplies (exports and supplies to SEZs) of goods or services or both; (iv) IGST or CGST/SGST/UTGST paid on deemed export of goods subject to furnishing an undertaking as part of refund application itself that the amount of refund would be paid back to the Government in case it is found subsequently that the requirement of Section 16(2)(c) read with Section 42 (2) of the CGST/SGST Act have not been complied with. He stated that this relaxation was proposed by exercising the power conferred under Section 148 of the CGST/SGST Act regarding special procedure for certain processes.

8.1. The Hon'ble Minister from West Bengal strongly supported the proposal. He stated that since GSTR-2 stood suspended, no matching of inward and outward supply was possible, and therefore, it was a very good proposal to permit refund without matching. The Hon'ble Minister from Tamil Nadu had circulated a written speech in which it was mentioned that Section 148 of the CGST/SGST Act had no non-obstante ("notwithstanding clause") and hence, it needed to be examined whether the special process prescribed under Section 148 would over-ride the substantive provision of Section 54(6) of the CGST/SGST Act which required that any claim for refund on account of zero rated supply of goods or services or both made by registered persons be refunded on a provisional basis to the extent of 90% of the total amount so claimed, excluding the amount of input tax credit provisionally accepted. In the written speech, he also pointed out that refund based on GSTR-3B returns might lead to bogus claim of input tax credit by unscrupulous taxpayers taking advantage of non-matching of input tax credit. He suggested to stipulate sufficient safeguards for the revenue as well as for the Departmental officers. In view of this, he recommended that the matter be examined in further detail as it involved substantial question of law. However, the Hon'ble Minister from Tamil Nadu did not express these apprehensions during the Council Meeting. No other Member expressed any reservation on the proposal. The Hon'ble Chairperson suggested that the proposal made by the Secretary could be approved. The Council approved the same.

9. For **agenda item 3(i)**, the Council approved the following:
- a. to allow following refunds (both provisional and final) without matching and without excluding the amount of provisionally accepted input tax credit: (i) Unutilised input tax credit in case of zero rated supplies (exports and supplies to SEZs) of goods or services or both; (ii) Unutilised input tax credit in case of inverted duty structure in case of goods (including supply of goods to merchant exporters); (iii) IGST paid on zero rated supplies (exports and supplies to SEZs) of goods or services or both; (iv) IGST or CGST/SGST/UTGST paid on deemed export of goods.
 - b. Such refund shall be given subject to furnishing an undertaking as part of refund application itself that the amount of refund would be paid back to the Government in case it is found subsequently that the requirement of Section 16(2)(c) read with Section 42 (2) of the CGST/SGST Act have not been complied with in respect of the amount refunded.
10. The Hon'ble Chairperson stated that the next meeting of the Council shall be held sometime in early January, 2018 and the date for the same shall be communicated in due course.
11. The Meeting ended with a vote of thanks to the Chair.

Annexure 1

List of Ministers who participated in the 24th GST Council Meeting held on 16.12.2017			
Sl.No	State/Centre	Name of the Minister	Charge
1	Govt. of India	Shri Arun Jaitley	Union Finance Minister
2	Govt. of India	Shri S.P. Shukla	Minister of State (Finance)
3	Assam	Shri Atul Bora	Minister - Agriculture and Urban Development
4	Bihar	Shri Sushil Kumar Modi	Deputy Chief Minister
5	Chhattisgarh	Shri Amar Agrawal	Minister - Dept. of Commercial Taxes
6	Goa	Shri Mauvin Godinho	Minister - Panchayat
7	Haryana	Captain Abhimanyu	Minister, Excise & Taxation
8	Jharkhand	Shri C.P. Singh	Finance Minister
9	Kerala	Dr. T. M. Thomas Isaac	Finance Minister
10	Madhya Pradesh	Shri Sanjay Pathak	Minister of MSME (Independent Charge)
11	Maharashtra	Shri Deepak Kesarkar	MoS, Finance & Planning
12	Manipur	Shri Yumnam Joykumar Singh	Deputy Chief Minister
13	Odisha	Shri Shashi Bhusan Behera	Minister - Finance & Excise
14	Rajasthan	Shri Rajpal Singh Shekhawat	Minister for Industries
15	Tamil Nadu	Shri D. Jayakumar	Minister for Fisheries & Personnel and Administrative Reforms
16	Telangana	Shri Etela Rajendar	Finance Minister
17	Uttarakhand	Shri Prakash Pant	Finance Minister
18	West Bengal	Dr. Amit Mitra	Finance Minister

Annexure 2

List of Officials who participated in the 24th GST Council Meeting on 16.12.2017			
<u>Sl. No</u>	<u>State/Centre</u>	<u>Name of the Officer</u>	<u>Charge</u>
1	Govt. of India	Dr. Hasmukh Adhia	Revenue Secretary
2	Govt. of India	Dr. Arvind Subramanian	Chief Economic Adviser
3	Govt. of India	Dr. John Joseph	Member (Budget), CBEC
4	Govt. of India	Shri Sandeep M. Bhatnagar	DG, DG-Safeguards, CBEC
5	Govt. of India	Shri Upender Gupta	Commissioner (GST), CBEC
6	Govt. of India	Shri Nagesh Shastri	DDG, NIC
7	Govt. of India	Shri Paras Sankhla	OSD to FM
8	Govt. of India	Shri Mahesh Tiwari	PS to MoS
9	Govt. of India	Shri Satvik Dev	Asst. Comm., GST Policy Wing, CBEC
10	GST Council	Shri Arun Goyal	Special Secretary
11	GST Council	Shri Shashank Priya	Joint Secretary
12	GST Council	Shri G.S. Sinha	Joint Commissioner
13	GST Council	Shri Rahul Raja	Under Secretary
14	GST Council	Shri Mahesh Kumar	Under Secretary
15	GSTN	Shri A B Pandey	Chairman
16	GSTN	Shri Prakash Kumar	CEO
17	Andhra Pradesh	Shri Manmohan Singh	Special Chief Secretary (Revenue)
18	Andhra Pradesh	Shri J. Syamala Rao	Chief Commissioner (CT)
19	Andhra Pradesh	Shri T. Ramesh Babu	Addl. Commissioner (CT)
20	Andhra Pradesh	Shri D. Venkateswara Rao	OSD to Special CS, Revenue
21	Arunachal Pradesh	Shri Marnya Ete	Chief Commissioner (CT)
22	Arunachal Pradesh	Shri Tapas Dutta	Asst. Commissioner (CT)

99	Uttar Pradesh	Shri Mukti Nath Verma	Joint Secretary
100	Uttar Pradesh	Shri Chandrika Prasad	Addl. Comm. (GST)
101	Uttar Pradesh	Shri Sanjay Pathak	Joint Comm. (GST)
102	Uttarakhand	Mrs. Sowjanya	Commissioner of State Taxes
103	Uttarakhand	Shri Piyush Kumar	Additional Commissioner, Commercial Taxes
104	West Bengal	Shri H K Dwivedi	Principal Secretary (Finance)
105	West Bengal	Smt. Smaraki Mahapatra	Commissioner (CT)
106	West Bengal	Shri Khalid A. Anwar	Senior Joint Commissioner

Agenda Item 2: Revenue collected in the month of November and December 2017 under Goods and Services Tax, including the revenue accruing to Centre and States through settlement of funds

In the 23rd GST Council Meeting held on 10 November 2017, revenue collection figures upto 31 October, 2017 were placed before the Council. Table 1 and Table 2 below give the details of revenue collected as Central Goods and Services Tax (CGST), State Goods and Services Tax (SGST) and Integrated Goods and Services Tax (IGST) collected upto 30 November, 2017 and 31st December, 2017 including the details of funds transferred to the Centre and States on account of settlement of funds.

Table 1*: GST revenue for the month of November, 2017

(Figures in Rs. crore)

	November receipts	Funds transferred due to settlement	Net revenue after settlement
CGST	13692	10145	23837
SGST	20295	13882	34177
IGST	44784	-24027	20757
Cess	7160		7160
Total			85931

Table 2*: GST revenue for the month of December, 2017

(Figures in Rs. crore)

	December receipts	Funds transferred due to settlement	Net revenue after settlement
CGST	13986	10348	24334
SGST	19767	14488	34255
IGST	42114	-24836	17278
Cess	7848		7848
Total			83716

*Figures rounded to nearest whole number

2. Revenue Trends

2.1 The details of State wise revenue collection figures for the month of November and December, 2017 and percentage revenue shortfall of GST collections for each month since August 2017 are given at **Annexure 1**. The following revenue trends can be noted from the details given at the **Annexure 1**:

(i) **Revenue shortfall:** The average revenue shortfall of all the States for the month of August was 28.3%. This had come down to 17.5% in the month of October 2017. The revenue shortfall of States has again gone up to 20.9% and 20.7% in November and December respectively. In Rupee terms, thus, while the revenue shortfall of all States had come down to Rs. 7560 crore in October 2017, it has again gone up to Rs. 8894 crore in December 2017.

(ii) **Implications for Compensation:** The revenue shortfall of States has to be met from the Compensation Cess. The average monthly collection of Compensation Cess from August – December 2017 has been Rs. 7615 crore. With revenues from Taxes subsumed slowing down, any shortfall beyond the collection through compensation Cess shall impact on the ability of the Centre to pay Compensation.

(iii) **States with maximum revenue shortfall:** States with revenue shortfall of more than 25% for the month of October, 2017, as compared to monthly revenue to be protected, show the following revenue shortfall for the month of December:

Sl. No.	Name of the State	Percentage shortfall in October 2017 revenue	Percentage shortfall in December 2017 revenue
1.	Puducherry	59.5	51.5
2.	Uttarakhand	50.0	43.8
3.	Himachal Pradesh	46.8	48.8
4.	Chhattisgarh	43.3	37.2
5.	Bihar	41.5	39.3
6.	Goa	41.5	24.0
7.	J & K	40.1	35.9
8.	Meghalaya	39.6	39.9
9.	Punjab	39.0	45.3
10.	Nagaland	35.4	14.7
11.	Jharkhand	31.8	28.7
12.	Odisha	27.9	39.2
13.	Arunachal Pradesh	27.8	-0.9
14.	Assam	26.8	25.4
15.	Sikkim	26.7	21.1
16.	Madhya Pradesh	25.6	23.6
17.	Karnataka	25.3	30.8

(iv) **States with least shortfall in revenue:** The following States which showed the least percentage shortfall in GST collections for the month of October 2017 as compared to monthly revenue to be protected show the following percentage shortfall in December 2017:

Sl. No.	Name of the State	Percentage shortfall in October 2017 revenue	Percentage shortfall in December 2017 revenue
1.	Delhi	-0.2	14.3
2.	Maharashtra	2.6	6.7

3.	Andhra Pradesh	4.4	16.8
4.	Tamil Nadu	4.4	5.5
5.	Telangana	6.5	13.4
6.	Kerala	14.4	22.7
7.	Haryana	16.5	18.1
8.	Gujarat	16.6	18.6
9.	Uttar Pradesh	17.2	18.1

(v) **States showing maximum improvement in revenue upto December 2017:** The following States have shown the maximum improvement in December 2017 collections as compared to August 2017 collections:

Sl. No.	Name of the State	Percentage shortfall in revenue in August 2017	Percentage shortfall in revenue in December 2017	Percentage reduction in shortfall in December 2017 revenue as compared to August 2017 revenue
1.	Mizoram	47.7	-17.6	-65.3
2.	Manipur	46.6	0.8	-45.8
3.	Arunachal Pradesh	42.6	-0.9	-43.5
4.	Nagaland	50.5	14.7	-35.8
5.	Tripura	59.4	28.5	-30.9
6.	J & K	63.9	35.9	-28.0
7.	Haryana	40.3	18.1	-22.2
8.	Madhya Pradesh	43.4	23.6	-19.8
9.	Rajasthan	34.8	18.9	-16.0
10.	Goa	39.9	24.0	-15.9
11.	Telangana	27.8	13.4	-14.4
12.	Assam	39.5	25.4	-14.1

(vi) **Settlement of funds:** The following amounts collected under IGST have been transferred to CGST, SGST/ UTGST by way of settlement during the period August-December 2017:

(Figures in Rs. crore)

	CGST Settlement (1)	SGST Settlement (2)	IGST	
			Collection (3)	Balance (4= 3-1-2)
August	3297	7680	47859	36882
September	5081	10852	48069	32136
October	7855	13289	49810	28666
November	10145	13882	44784	20757
December	10348	14488	42114	17278
Total	36726	60191	232636	135719

3. The revenue collected in the month of November and December 2017 and the revenue accruing to Centre and States through settlement of funds are placed for information of the Council.

Agenda Item 3: Deemed ratification by the GST Council of Notifications, Circulars and Orders issued by the Central Government

In the 22nd Meeting of the GST Council held at New Delhi on 06 October 2017, it was decided that the Notifications, Circulars and Orders which are being issued by the Central Government with the approval of the competent authority shall be forwarded to the GST Council Secretariat, through email, for information and deemed ratification by the GST Council. Accordingly, in its 23rd Meeting, held on 10 November 2017, the Council had ratified the Notifications, Circulars and Orders issued before the date of the said Meeting.

2. In this respect, the following notifications, Circulars and Orders issued after 10 November, 2017 (date of the 23rd GST Council meeting), till 12 January, 2018, under the GST laws, by the Central Government, as available on www.cbec.gov.in, are placed before the Council for information and deemed ratification: -

Act/Rules	Type	Notification No./Circular No/ Order No
CGST Act/CGST Rules	Central Tax	55 to 75 of 2017 and 01 of 2018
	Central Tax (Rate)	41 to 47 of 2017
IGST Act	Integrated Tax	12 of 2017
	Integrated Tax (Rate)	43 to 50 of 2017
UTGST Act	Union territory Tax	01 of 2018
	Union territory Tax (Rate)	41 to 47 of 2017
Circulars	Under the CGST Act	14 to 26 of 2017 and 27 and 28 of 2018
Orders	Under the CGST Act	09 to 11 of 2017

3. The GST Council may grant deemed ratification to the Notifications, Circulars and Orders listed above.

Agenda Item 4: Decisions of the GST Implementation Committee (GIC) for information of the GST Council

GIC took certain decisions between 9 November 2017 (when the 23rd GST Council Meeting was held) and 12 January 2018 (before the 25th GST Council Meeting scheduled on 18 January 2018). Post the Council Meeting, whenever there were issues which required immediate resolution, the approval of the GST Implementation Committee was sought and consequential notifications/circulars/orders were issued. Due to the urgency involved, certain decisions were taken after obtaining approval by circulation amongst the GIC Members. The details of the decisions taken are given below:

2. Decisions by Circulation – 08 December 2017

2.1 An email was sent to Members of the GIC on 08 December 2017 on urgent matters relating to 7 agenda items, out of which 4 agenda items were approved by the GIC.

2.2 The approval of GIC in respect of agenda items 2,4,5 and 7 covered following issues:

2.2.1. i. **Agenda Item 2** – Extension of timelines for filing FORM GST ITC-01 - Extension of the time limit for filing of FORM GST ITC-01 for the registered persons, who have become eligible to avail the input tax credit under sub-section (1) of section 18 of the CGST Act, 2017 during the months of July, 2017, August, 2017, September, 2017, October, 2017 and November, 2017 to **31st January 2018** as GSTN had requested to extend the date for filing FORM GST ITC-01 since it had not been deployed yet.

ii. Accordingly, Notification No 67/2017 – Central Tax dated 21.12.2017 was issued.

2.2.2. i. **Agenda Item 4** – Clarification on issues regarding treatment of supply by an artist in various States and supply of art works from galleries – Basing on representations regarding artists giving their work of art to galleries where it is exhibited for supply and to remove confusion regarding the treatment of this activity as to whether it is taxable in the hands of the artist when the same is given to the art gallery or at the time of actual supply by the gallery. GIC approved the proposed draft circular containing following clarifications:

a. The art work for supply on approval basis can be moved from the place of business of the registered person (artist) to another place within the same State or to a place outside the State on a delivery challan along with the e-way bill wherever applicable and the invoice may be issued at the time of actual supply of art work.

b. The supplies of the art work from one State to another State will be inter-State supplies and attract integrated tax in terms of section 5 of the Integrated Goods and Services Tax Act, 2017.

c. In case of supply by artists through galleries, there is no consideration flowing from the gallery to the artist when the art works are sent to the gallery for exhibition and therefore, the same is not a supply. It is only when the buyer selects a particular art work displayed at the gallery, that the actual supply takes place and applicable GST would be payable at the time of such supply.

ii. Accordingly, Circular No 22/22/2017-GST dated 21.12.2017 was issued.

2.2.3. i. **Agenda Item 5** – Manual filing of applications for Advance Ruling and appeals before Appellate Authority for Advance Ruling - In view of the difficulties being faced by the

taxpayers due to the unavailability of the module for advance ruling on the common portal, vide Notification no. 55/2017-Central Tax, dated 15.11.2017, Rule 107A was inserted allowing manual filing and processing of applications for Advance Ruling and appeals before the Appellate Authority for Advance Ruling and for the purpose of ensuring uniformity in the processing of such manual applications till the advance ruling module is made available on the common portal, it was proposed to issue a Circular with:

- a. Form and Manner of Application to the Authority for Advance Ruling
- b. Form and Manner of Appeal to the Appellate Authority for Advance Ruling

ii. Accordingly, Circular No 25/25/2017-GST dated 21.12.2017 was issued.

2.2.4. i. **Agenda Item 7 - Maintenance of books of accounts relating to additional place of business by a principal or an auctioneer for the purpose of auction of tea, coffee, rubber etc -** Various communications were received regarding the difficulties being faced by a principal and an auctioneer in relation to maintaining books of accounts at each and every additional place of business related to stock of goods like tea, coffee, rubber, etc. meant for supply through an auction. The Law Committee proposed to issue a Circular clarifying that in situations where such principal or auctioneer face difficulties in maintaining the books of accounts as per the first proviso to sub-section (1) of section 35 of the CGST Act, 2017, he may maintain books of accounts relating to additional place(s) of business at his principal place of business instead of such additional place(s). Conditions in this regard laid down in the circular were as follows:

- a. The principal and the auctioneer of tea, coffee, rubber etc. are required to declare warehouses where such goods are stored as their additional place of business. The buyer is also required to disclose such warehouse as his additional place of business if he wants to store the goods purchased through auction in such warehouses.
- b. Both the principal and the auctioneer are required to maintain the books of accounts relating to each and every place of business in that place itself as per the first proviso to sub-section (1) of section 35 of the CGST Act. However, in case difficulties are faced in maintaining the books of accounts, it is clarified that they may maintain the books of accounts relating to the additional place(s) of business at their principal place of business instead of such additional place(s).
- c. Such principal or auctioneer shall intimate their jurisdictional proper officer in writing about the maintenance of books of accounts relating to additional place(s) of business at their principal place of business.
- d. Further, the principal or the auctioneer shall be eligible to avail input tax credit (ITC) subject to the fulfilment of other provisions of the Act and the rules made thereunder.
- e. Circular is made applicable to the supply of tea, coffee, rubber, etc. where the auctioneer claims ITC in respect of the supply made to him by the principal before the auction of such goods and the said goods are supplied only through auction.

ii. Accordingly, Circular No 23/23/2017-GST dated 21.12.2017 was issued.

3. **Decisions by Circulation – 12 December 2017**

3.1. An email along with the agenda item was sent to Members of the GIC on 12 December 2017 on the basis of request received from GSTN regarding proposal of extension of due dates upto 31.01.2018 for filing of FORM GSTR-5, FORM GSTR-5A and FORM GST CMP-03 since FORM GSTR-5 and

FORM GSTR-5A were not yet deployed while FORM GST CMP-03 though available on the common portal, had not been filed by many taxpayers.

3.2. The details of the due dates for filing FORM GSTR-5, FORM GSTR-5A and FORM GST CMP-03 by the taxpayers are as detailed below:

Sl. No	FORM	Description	Last date as per rules	Current due date
1.	FORM GSTR-5 for the months of July, 2017, August, 2017, September, 2017 and October, 2017.	Return by non-resident taxable persons under sub-section (5) of section 39 of the CGST Act, 2017 read with rule 63 of the CGST Rules, 2017	Within 20 days after the end of a tax period or within 7 days after the last day of the validity period of registration, whichever is earlier.	Extended up to 11.12.2017 vide notification No. 60/2017 - Central Tax, dated 15.11.2017.
2.	FORM GSTR-5A , for the months of July, 2017, August, 2017, September, 2017 and October, 2017	Return by a person providing online information and database access or retrieval services from a place outside India to a non-taxable recipient, under rule 64 of the CGST Rules, 2017	On or before the twentieth day of the month succeeding the calendar month or part thereof	Extended up to 15.12.2017 vide notification No. 61/2017 - Central Tax, dated 15.11.2017.
3.	FORM GST CMP-03	Intimation of details of stock held on the day preceding the date from which opting for the composition levy	Within 90 days of becoming eligible	Extended up to 30.11.2017 vide Order No. 05/2017, dated 28.10.2017.

3.3. Members of the GIC approved the proposal of extension of time limit for filing of FORM GSTR-5 and FORM GSTR-5A for the months of July, 2017, August, 2017, September, 2017, October 2017, November 2017 and December 2017, upto 31.01.2018 along with extension of time limit for filing of FORM GST CMP-03 upto 31.01.2018.

3.4. Accordingly, Notification No. 68/2017 – Central Tax dated 21.12.2017, Notification No. 69/2017 – Central Tax dated 21.12.2017, Order No. 11/2017-GST dated 21.12.2017 were issued.

4. Decisions by Circulation – 13 December 2017

4.1 An email was sent to Members of the GIC on 08 December 2017 on urgent matters relating to 7 agenda items, out of which 4 agenda items were approved (discussed at paragraph 2 above) by the GIC. Agenda item 6 was deferred and approval was sought from GIC on agenda items 1 and 3 only.

4.2. **Agenda Item 1** – Changes in CGST Rules, 2017 – The Law Committee in its meetings held on 29th and 30th November, 2017 recommended certain changes in the GST return and refund forms to facilitate manual filing and processing of refunds as detailed below-

SI No.	Recommendation of Law Committee	Proposal to implement the said recommendation
1.	In FORM GSTR-1 , in Table 6 pertaining to Zero rated supplies and Deemed Exports, column to be provided for Central Tax and State Tax/UT Tax since the deemed export supplies can be intra-State supplies and need not always be inter-State supplies	To insert columns 10 to 15 in Table 6 of FORM GSTR-1 to provide for Central Tax and State Tax/UT Tax
2.	In FORM GST RFD-01 and FORM GST RFD-01A , provision has to be made for both the supplier and the recipient of supplies declared as deemed exports to claim refund	(a) in FORM GST RFD-01 , in Table 7, clause (h), for the words “Recipient of deemed export”, the words “Recipient of deemed export supplies/ Supplier of deemed export supplies” shall be substituted; (b) in FORM GST RFD-01A , in Table 7, clause (g), for the words “Recipient of deemed export”, the words “Recipient of deemed export supplies/ Supplier of deemed export supplies” shall be substituted; (c) in both the said forms, Statement 6A shall be inserted to capture the details of invoices of outward supplies in case of deemed export supplies.
3.	In case of deemed exports since either the recipient or the supplier can claim refund, suitable changes are to be carried out in the declaration required to be submitted under rule 89(2)(g) of the CGST Rules, 2017	The declaration required to be submitted under rule 89(2)(g) of the CGST Rules, 2017 in FORM GST RFD-01 is proposed to be amended to include the case of supplier too in the case of deemed exports. Further, a similar declaration is proposed to be included in FORM GST RFD-01A
4.	In FORM GST RFD-01 and FORM GST RFD-01A , provision has to be made to capture invoice details of inward supplies and outward supplies in case of inverted duty structure refund	In both the said forms, Statement 1A shall be inserted to capture the details of invoices of inward and outward supplies in case of inverted duty structure refund

4.2.1. Accordingly, Notification No.70/2017 – Central Tax dated 21.12.2017 was issued.

4.3. **Agenda Item 3** – Manual filing and processing of refund claims on account of inverted duty structure, deemed exports and excess balance in electronic cash ledger. - Vide Circular No. 17/17/2017-GST dated 15.11.2017 the procedure for manual filing and processing of refund claims in respect of zero-rated supplies was laid out. The Law Committee in its meetings held on 29th and 30th November, 2017 has proposed to issue a draft Circular for manual filing and processing of refund claims on account of inverted duty structure, deemed exports and excess balance in electronic cash ledger. The procedure for filing and processing of the refund claim shall be the same as specified in Circular No. 17/17/2017-GST dated 15.11.2017 subject to certain modifications.

4.3.1. Accordingly, Circular No 24/24/2017-GST dated 21.12.2017 was issued.

5. **11th GIC Meeting – 26 December 2017**

5.1. The 11th GIC Meeting was held on 26 December 2017 in which few Members participated through Video Conference. The 5 agenda items taken up for discussion and the outcomes of the Meeting are as follows:

5.2 **Agenda Item 1** – Centralized UIN for Foreign Diplomatic Missions / UN organizations

- a. Currently, where the place of supply and supplier of service was in the same State, then for such transaction CGST/SGST were being charged, and the refund of such tax was not available to the respective Foreign Diplomatic Missions / UN Organizations which was not registered in that State. It was pertinent to note that the refund for the Foreign Diplomatic Missions / UN Organizations was not refund of input tax credit but a refund of the tax paid by them on their purchases. Therefore, these organisations had requested that adequate changes may be made in the GST Act or rules to allow for refund of CGST / SGST paid in a particular State where the Diplomatic Mission / UN Organization was not registered.
- b. In line with the recommendations of the Law Committee and decisions taken in 23rd GST Council Meeting, the concept note enumerating the process of allotting centralized UINs for foreign Diplomatic Missions/UN Organisations, process of Refunds, settlement of SGST and corresponding amendments in rules for effecting the above changes along with revised draft forms i.e Form GST REG-13, Form GSTR-11 and Form GST RFD-10 were placed before the GIC for its approval.

5.2.1 The GIC approved the proposal with minor modifications. Accordingly, Notification No 75/2017 – Central Tax dated 29.12.2017 was issued.

5.3. **Agenda Item 2** – Changes in CGST Rules, 2017

5.3.1. Law Committee recommended the following changes in the CGST Rules, 2017:

Sl No.	Proposal of Law Committee	Changes proposed to be made
1.	Amendment of FORM GST REG -10 for registration of OIDAR service providers	FORM as enclosed in the draft notification is proposed to substitute the existing FORM GST REG-10
2.	Amendment of sub-rule (4) of rule 89 to provide separate treatment of ITC availed in respect of	To substitute w.e.f. 23.10.2017, sub-rule (4) of rule 89 to read as –

	<p>inward supplies (at concessional rate) for merchant exporters, ITC availed in respect of domestic supplies and ITC availed in respect of common inputs.</p> <p>Insertion of sub-rule (9) in rule 96 to limit the refund of integrated tax to persons availing the benefit of notification No. 40/2017-Central Tax (Rate) dated 23rd October, 2017, notification No. 41/2017-Integrated Tax (Rate) dated 23rd October, 2017 and notification No. 48/2017-Central Tax dated 18th October, 2017 to the amount of integrated tax on such exports paid through the utilization of balance available in the electronic cash ledger and to mandate that any amount paid through the utilization of balance available in the electronic credit ledger shall be credited back to the said credit ledger.</p> <p>(To be effective from 23rd October, 2017)</p>	<p>“(4) In the case of supplies received on which the supplier has availed the benefit of notification No. 48/2017-Central Tax dated 18th October, 2017, refund of input tax credit availed in respect of other inward supplies of goods or services or both used in making zero-rated supply of goods or services or both shall be granted.</p> <p>(4A) In the case of supplies received on which the supplier has availed the benefit of notification No. 40/2017-Central Tax (Rate) dated 23rd October, 2017 and/or notification No. 41/2017-Integrated Tax (Rate) dated 23rd October, 2017, refund of input tax credit availed in respect of inward supplies of goods received under the said notifications and the input tax credit availed in respect of other inward supplies of goods or services or both to the extent used in making zero-rated supply of goods or services or both shall be granted</p> <p>(4B) In the case of zero-rated supply of goods or services or both without payment of tax under bond or letter of undertaking in accordance with the provisions of sub-section (3) of section 16 of the Integrated Goods and Services Tax Act, 2017 (13 of 2017), refund of input tax credit shall be granted as per the following formula –</p> $\text{Refund Amount} = (\text{Turnover of zero-rated supply of goods} + \text{Turnover of zero-rated supply of services}) \times \text{Net ITC} \div \text{Adjusted Total Turnover}$ <p>Where, -</p> <p>(A) "Refund amount" means the maximum refund that is admissible;</p> <p>(B) "Net ITC" means input tax credit availed on inputs and input services during the relevant period other than the input tax credit availed for which refund is claimed under sub-rules (4) and (4A);</p> <p>(C) "Turnover of zero-rated supply of goods" means the value of zero-rated supply of goods made during the relevant period without payment of tax under bond or letter of undertaking, other than the turnover of supplies in respect of which refund is claimed under sub-rules (4) and (4A);</p> <p>(D) "Turnover of zero-rated supply of services" means the value of zero-rated supply of services made without payment of tax under bond or letter of undertaking, calculated in the following manner, namely:- Zero-rated supply of services is the aggregate of the payments received during the relevant period for zero-rated supply of services and zero-rated supply of services where supply has been completed for which payment had been received in advance in any period prior to the relevant period reduced by advances received for zero-rated supply of services for which the supply of services has not been completed during the relevant period;</p>
--	---	---

		<p>(E) "Adjusted Total turnover" means the turnover in a State or a Union territory, as defined under clause (112) of section 2, excluding –</p> <p>(a) the value of exempt supplies other than zero-rated supplies and</p> <p>(b) the turnover of supplies in respect of which refund is claimed under sub-rules (4) and (4A), if any, during the relevant period;</p> <p>(F) "Relevant period" means the period for which the claim has been filed."</p> <p>To insert, w.e.f 23.10.2017, sub-rule (9) in rule 96 to read as –</p> <p>"(9) The persons who have received supplies on which the supplier has availed the benefit of notification No. 48/2017-Central Tax dated 18th October, 2017 and/or notification No. 40/2017-Central Tax (Rate) dated 23rd October, 2017 and/or notification No. 41/2017-Integrated Tax (Rate) dated 23rd October, 2017 shall not be eligible to claim refund of integrated tax paid on zero-rated supply of goods or services or both."</p> <p>Note: States to mention their relevant notifications</p>
3.	To insert a proviso to sub-rule (1) of rule 19 to provide for amendment to any particular of the application for registration with effect from a date earlier than the date of application only with the approval of the Commissioner	To insert a third proviso to sub-rule (1) of rule 19 to read as - "Provided also that any particular of the application for registration shall not stand amended with effect from a date earlier than the date of submission of the application in FORM GST REG-14 on the common portal except with the order of the Commissioner for reasons to be recorded in writing and subject to such conditions as the Commissioner may, in the said order, specify."
4.	Table 5 of FORM DRC-07 to be deleted.	To omit the said table

5.3.2. Approval of GIC was sought to carry out the above detailed amendments in the CGST Rules, 2017 and for the *pari materia* changes to be made in the SGST rules.

5.3.3. The GIC approved the proposal with following changes:

- a. For the amendment suggested at S. No. 2 [sub-rule (4) and (4A) of rule 89] in the above table, the word "inward supplies of goods or services or both" may be replaced with the word "inputs and input services". Further the words "(4) and (4A)" may be replaced with the words (4) or (4A).
- b. For the amendment suggested at S. No. 3 in the above table for the Rule 19, the proposed proviso should be changed into a new sub-rule and the word "Notwithstanding anything contained in sub-rule (1)" be added.
- c. The notification to be issued after vetting by Law Ministry.

5.3.4. Accordingly, notification no. 75/2017- Central Tax dated 29.12.2017 was issued.

5.4. **Agenda Item 3** - Extension of timelines for filing certain forms

5.4.1. Request was made by GSTN for extending the due dates for furnishing of the following FORMS as follows:

Sl. No.	FORM	Period	Existing Due date	Due date as recommended by the Law Committee
i	FORM GSTR-1 (Quarterly return for the registered persons having aggregate turnover of up to 1.5 crore rupees)	July - September, 2017	31 st December, 2017	10 th January, 2018
ii	FORM GSTR-1 (Monthly return for the registered persons having aggregate turnover more than 1.5 crore rupees)	Months of July – November, 2017	a. July –October, 2017 – 31 st December 2017. b. November 2017 – 10 th January 2017	10 th January, 2018

5.4.2. The GIC approved the proposal. Accordingly, Notification No. 71/2017 – Central Tax dated 29.12.2017 and Notification No. 72/2017 – Central Tax dated 29.12.2017 were issued.

5.5. **Agenda Item 4** - Reduction of late fee in case of delayed filing of FORM GSTR-4

5.5.1. Based on the recommendation of the Law Committee, it was proposed that the late fee payable by any registered person for failure to furnish the return in **FORM GSTR-4** be reduced and made on par with the late fee payable in case of delayed filing of the return in **FORM GSTR-3B** as prescribed under Notification No. 64/2017-Central Tax dated 15.11.2017.

5.5.2. Therefore, it was proposed to reduce the late fee to fifty rupees per day (twenty-five rupees per day under the CGST Act, 2017 and twenty-five rupees per day under the respective SGST Act) while in case the amount payable in lieu of tax was nil, the late fee may be reduced to twenty rupees per day (ten rupees per day under the CGST Act, 2017 and ten rupees per day under the respective SGST Act) during the period the failure continues.

5.5.3. The GIC approved the proposal. Accordingly, Notification no 74/2017 – Central Tax dated 29.12.2017 was issued.

5.6. **Agenda Item 5** – Detailed circular on return filing

5.6.1. Consequent upon decisions taken in 23rd GST Council Meeting held on 10 November 2017 various representations were received seeking clarifications on various aspects of return filing such as return filing dates, applicability and quantum of late fee, amendment of errors in submitting / filing of **FORM GSTR-3B** and other related queries.

5.6.2. In order to clarify all the queries received and based on discussions in the Law Committee and inputs from GSTN, a draft detailed Circular was placed for approval of GIC.

5.6.3. The draft circular with suitable changes as suggested by the GIC and GSTN was approved by the GIC. Accordingly, Circular No 26/26/2017-GST dated 29.12.2017 was issued.

6. The decisions of GIC are placed for information of the Council.

Agenda Item 5: Minutes of the 4th and 5th Meeting of Group of Ministers (GoM) on IT Challenges in GST Implementation for information of the Council and discussion on GSTN issues

The Group of Ministers (GoM) constituted to monitor and resolve the IT challenges faced in implementation of GST met for its 4th and 5th Meeting on 18 November 2017 and 16 December 2017 at Bengaluru under Convenor Shri Sushil Modi, Hon'ble Deputy Chief Minister, Bihar.

2. The first meeting of GoM was held on September 16, 2017. In the first meeting, the GoM had identified 47 items (48 items out of which one item was repeated twice) for time bound resolution. The resolution of these priority items was reviewed by GoM in the second meeting (held on 04/10/2017), third meeting (held on 28/11/2017), the fourth meeting (held on 18/11/2017) and the fifth meeting (held on 16/12/2017) in detail.

3. The Minutes of the 1st, 2nd and the 3rd Meeting were placed before the Council for information in the earlier Council Meetings. The conclusions drawn in the 4th and the 5th Meeting of the GoM are as follows:

3.1. Closing remarks of the Convenor of the GoM in the 4th Meeting:

- a. The system should be made more user-friendly and processes should be further simplified for the benefit of taxpayers.
- b. In every module or sub-module, following should be available to the taxpayers (users).
 - i. Offline tools, wherever feasible,
 - ii. Preview of Form before it is filled and submitted by the user with aim to minimise the errors and to ensure that user has seen the entire form with filled in data.
 - iii. Print facility of Form/document preview
 - iv. Download option for Form/Document
 - v. Pop-up with warning message so that the user can go back and edit the document, if required.
 - vi. Edit option before the Form is filed
- c. GSTR 3B Edit option: The GSTR 3B edit option should be provided immediately as lakhs of taxpayers are stuck with submitted GSTR-3B with wrong data in the same. CEO GSTN informed that edit facility for submitted GSR-3B Forms will be live by November 21, 2017. He further clarified that it will not be available for Forms where liability has been set-off or Form has been filed.
- d. More emphasis should be on simplification of processes and making the software more interactive.
- e. The Resident Engineers should be in place for full five-year term with States/CBEC. If required more team members should be provided to resident engineers in States.
- f. To increase the representation from the States, additional members from Model 2 States/IT committee members should be invited to GoM Meeting.
- g. MIS Reports should be provided on priority to Model-II States along with analysis of data collected so far.
- h. The phenomenon of composition taxpayers still showing as normal taxpayers should be corrected as soon as possible and the States may send list of such cases to facilitate resolution at the earliest.
- i. Suggestion from States may be obtained before actually deploying a functionality/Form to obviate modifications post-deployment.
- j. MIS to be made available to Model II States as soon as possible and suggestions of officers on the priority of the Reports to be taken.

3.2. Closing remarks of Convenor of the GoM in the 5th Meeting:

- a. It is observed that complaints have reduced over a period of time and GST portal has improved. Overall system is working properly.
- b. End to end automation of refunds to taxpayers is important. Presently GSTR 2 is on hold and hence half automated and half manual system has been put in place. However, fully automated system should be in place by April 2017 as confirmed by GSTN/Infosys team.
- c. Return of TDS and TCS should be developed by January end so that the training of DDOs can be organized in February on working module to roll out the application from 1st of April.
- d. E-way Bill rollout is now planned from 15th January on trial basis and on full scale for inter-state from 1st of February. The system should be ready before this date.
- e. Keeping in view improvement in the system, the next meeting will be held after one month.
- f. At the end of the current financial year all issues should be resolved.
- g. MIS reports should be available on priority to Model II States.

4. The Minutes of the 4th and the 5th Meeting of the GoM held on 18 November 2017 and 16 December 2017 respectively are placed before the Council for information as **Annexure A** and **Annexure B**.

Annexure A

Minutes of the 4th Meeting of GoM held on November 18, 2017 at Bengaluru, Karnataka

In pursuance of decision taken in the 21st Meeting of the GST Council held on 9th September 2017 at Hyderabad, a Group of Ministers (GoM), was constituted to monitor and resolve the IT challenges faced in implementation of GST.

2. The first meeting of GoM was held on September 16, 2017 at Vidhan Soudha, Bengaluru; Karnataka. In the first meeting, the GoM had identified 47 items (48 items out of which one item was repeated twice) for time bound resolution. The resolution of these priority items was reviewed by GoM in the second (held on 04/10/2017) and third meeting (held on 28/11/2017). The fourth meeting of GoM was held on November 18, 2017 at ITC Windsor, Bengaluru and status of 47 priority items along with status of 8 new items identified in the 3rd meeting was reviewed in detail. The list of priority items with status as on November 18, 2017 is attached as **Annexure 1**.

3. The fourth meeting, was attended by the following Hon'ble Members of GoM.

Sl. No.	Name	Designation	Group of Members
1	Shri Sushil Kumar Modi	Hon'ble Deputy Chief Minister, Bihar	Convenor of GoM
2	Shri Krishna Byregowda	Hon'ble Minister of Agriculture, Karnataka	Member, GoM
3	Shri Shashi Bhushan Behera	Hon'ble Minister for Finance, Odisha	Member, GoM

4. Shri Amar Agarwal, Hon'ble Minister for Commercial Taxes, Government of Chhattisgarh and Shri Etela Rajendar, Hon'ble Finance Minister, Telangana could not attend due to other pressing engagements.

5. The list of officers who attended from CBEC/ States, GSTN and Infosys is kept at **Annexure 2**.

6. The Meeting commenced with preliminary remarks from the Convenor, GoM as given below:

- a) The GST system should be made more user friendly and simple to achieve higher compliance.
- b) The edit facility for GSTR 3B should be made available for taxpayers so that taxpayers stuck at Submit stage can file GSTR 3B.
- c) Provision of full preview should be made available to taxpayers before submission of Returns.
- d) Pop message should be provided to guide the taxpayer and ensure correct data is provided by him.
- e) MIS for Model-2 States should be provided on priority.
- f) Required additional manpower to complete the project successfully.
- g) The taxpayers are facing difficulty because some CAs/Tax consultants provided their user id /password as primary Id and they are not available now. So, taxpayers should be given facility to change email and mobile numbers so that they can add themselves as primary authorised

signatory. Provision should be made to share email and SMS to one more promoter in addition to the authorized signatory who gets the email/sms notification now.

- h) The error messages should be clear for taxpayers to clearly understand the same and take corrective action.
- i) The focus should be on development of offline utilities for any Form, which requires upload of large amount of data.
- j) Infosys Resident Engineer in States should collect feedback from States and provide the same daily to Infosys for improvement of GST portal.
- k) The Hon. Convenor also remarked that the number of complaints has reduced but we have a long way to go.

7. The Hon'ble Minister Shri Shashi Bhushan Behera, Member GoM, observed that there is lot of improvement over last two months, however he stressed on need to focus on user friendly applications. He also suggested that Enforcement application/Suo-Moto application should be developed on priority and applications should be simple to use.

8. The Hon'ble Minister of Agriculture, Karnataka, Shri Krishna Byregowda, Member GoM, remarked that system should be user friendly and timely solutions should be provided to taxpayers. He also suggested that timelines about new functionalities should be shared with States in advance.

9. After initial remarks from Hon. Convenor and Members of GoM, CEO, GSTN presented the status. CEO GSTN apprised the GoM that IT committee met on 16 November 2017 to review the status of prioritized GoM items and other issues raised by CBEC and States. He presented the status of priority issues and also points raised by IT Committee in the meeting held on 16 November 2017 before the GoM:

- a) **Data sharing issue:** - With the new mechanism being put in place, the data sharing and data reconciliation with CBEC and Model I States has become better. The count of Registration>Returns shared by GSTN through APIs and that received by States/CBEC was also presented. The GoM observed the improvement which has taken place. It was also informed that one report at the end-of-day (midnight) shall be shared with the States and this data should be used for all reconciliations.
- b) **API Release and Support:** Update on the calendar for API release was shared with all stakeholders on October 27, 2017 and the latest calendar was shared on November 17, 2017. From November 7th, API release notes are updated regularly on the development portal for any changes made in specification.
- c) **Non-adherence of planned and revised timelines:** There is delay in timelines of development of applications and timelines should be adhered and additional manpower may be deployed for same. Infosys informed that they have deployed additional manpower wherever required.
- d) **Resident Engineers:**
 - i. The GoM was informed that Resident Engineers have been placed at 31 locations and remaining five will be in place by end of November except one at Andaman and Nicobar Islands where it will be placed by December 11, 2017. The GoM was also informed that a

senior person from Infosys has visited many state HQs to understand the issues and to connect Resident Engineers with Commercial Tax Departments.

- ii. Feedback from officials present in the meeting was taken, which was positive. Commissioner Karnataka summed up discussion on role of Resident engineers and suggested that a resident engineer can't solve the issues which can't be done by GSTN team and for which raising of ticket is the answer. It was observed by the Convener that SOP should be prepared and shared with tax departments.
- iii. Ms. R Bhagyadevi, ADG (systems), Chennai, CBEC requested that four resident Engineers should be posted at Chennai since queries from all over India are collated at Chennai office.
- iv. The Resident Engineer will submit daily report to Infosys team on issues faced by taxpayers and the tax officers for resolution by them.

e) **Relevant and accurate messages on portal and user-friendly interface**

- i. GSTN/Infosys team reported the plan formulated and progress achieved so far. The GoM was also informed that a special team has been drafted to undertake this job. The code of existing modules is being reviewed by this team to improve the error messaging.
- ii. On making the software more user friendly, the convenor suggested that, apart from CAs and Advocates, accountants and STPs who generally fill up the Forms may be involved in the consultation process. It was agreed that team from CDG and representatives of accountants and STPs will be used to get the feedback on user interface and ways to improve the same. In this group, to be called the communication group (of stakeholders) and headed by Ms. Kajal Singh, EVP (Services)GSTN, relevant Stakeholders from States/CBEC may also be involved.
- iii. Karnataka CCT suggested that smaller groups of GSTN/States/CBEC officers should be formed to identify taxpayer's issues. GSTN suggested that States should give suggestions for improvement in existing Modules of GST Portal to Communication Group and same will be taken into consideration for improving system.

f) **Availability of MIS to Model II States:**

- i. Convener suggested that MIS for Model II States should be made available on priority. GSTN conveyed eight top priority reports have been identified, out of which two have been deployed and three will be deployed by 24th of Nov. Remaining three will be deployed by 8th of December. In addition, 45 reports have been identified in the first phase, out of which 18 will be made available in December, 24 in January and 3 in February 2018.
- ii. Access to Returns to tax officers is an important aspect of tax administration. GSTN informed that view of Returns, Ledgers and Registration document will be provided to Jurisdictional Tax Officers of Model-II States. View of GSTR-3B, as filed by taxpayer, will be made available to jurisdictional officers November 24, 2017. Other document view will be provided by 8th of December.

g) **Making available 69 prioritized Forms on GST Portal:** The CEO briefed the GoM on the Forms which have already been made available on the GST Portal (36) and the timelines for making available remaining forms (33 in number). On this, the Convener suggested that Offline Tools should be developed for all possible cases, especially for those forms where data to be entered is large. He further desired that GSTN should come out with list of Forms which need to be made operational in next 4 weeks.

h) **Delivery of Remaining Functionalities on GST Portal:** The high-level delivery plan was presented by Infosys. Convener directed that the detailed plan should be shared with all stakeholders by GSTN.

i) **Deployment of more skilled manpower and quality technical resources on GST project:** It was informed by Infosys that 100 more people have been deployed in last 30 days taking the count to 621. Details for each module was also presented in the meeting. CEO GSTN stated that merely putting bodies is not the solution but having right kind of personnel with right expertise and skill sets is important for the project to ensure that parallel teams can work to complete the remaining functionalities in a time bound manner.

j) **Troubleshooting and Problem Remediation:** The Infosys team presented the details of ticket resolution and efforts made in this regard which has resulted into reduction of tickets from 11,088 on Oct 5th to 1345 on 16th of Nov 2017.

10. Other Points:

- i. Convener, GoM stated that ultimate goal of improvement should be to ensure that the smaller taxpayers are able to file Returns themselves without help of tax consultants.
- ii. The view of GSTR 2A will be made available to Taxpayer as planned.
- iii. Shri S K Panda, Member IT, CBEC requested that the APIs should be released on priority.

11. The meeting concluded with following closing remarks from Hon'ble Convenor of GOM:

- a. The system should be made more user-friendly and processes should be further simplified for the benefit of taxpayers.
- b. In every module or sub-module, following should be available to the taxpayers (users).
 - i. Offline tools, wherever feasible,
 - ii. Preview of Form before it is filled and submitted by the user with aim to minimise the errors and to ensure that user has seen the entire form with filled in data.
 - iii. Print facility of Form/document preview
 - iv. Download option for Form/Document
 - v. Pop-up with warning message so that the user and go back and edit the document, if required.
 - vi. Edit option before the Form is filed
- c. GSTR 3B Edit option: The GSTR 3B edit option should be provided immediately as lakhs of taxpayers are stuck with submitted GSTR-3B with wrong data in the same. CEO GSTN informed that edit facility for submitted GSR-3B Forms will be live by November 21, 2017. He further clarified that it will not be available for Forms where liability has been set-off or Form has been filed.
- d. More emphasis should be on simplification of processes and making the software more interactive.
- e. The Resident Engineers should be in place for full five-year term with States/CBEC. If required more team members should be provided to resident engineers in States.
- f. To increase the representation from the States, additional members from Model-II States/IT committee members should be invited to GoM Meeting.

- g. MIS Reports should be provided on priority to Model-II States along with analysis of data collected so far.
 - h. The phenomenon of composition taxpayers still showing as normal taxpayers should be corrected as soon as possible and the States may send list of such cases to facilitate resolution at the earliest.
 - i. Suggestion from States may be obtained before actually deploying a functionality/Form to obviate modifications post-deployment.
 - j. MIS to be made available to Model-II States as soon as possible and suggestions of officers on the priority of the Reports to be taken.
12. The Meeting ended with vote of thanks to the Chair.

Annexure 1

Status of implementation of 47 items identified by GoM in the First Meeting as on 28th Oct 2017

#	FORM	FORM Components/Details	Agreed Date of Deployment	Actual Date of Deployment/ ETA	Status	Remarks
1	GSTR 3B	Solution for 3.5 lakh GSTR3B who have submitted but not filed	19-Sep-17	21-Sep-17	Complete	Closed
2	MIS	Reports Data Dump for Model-2 States	22-Sep-17	07-Oct-17	Complete	Closed
3	Registration	Amendments of Core fields	22-Sep-17	27-Sep-17	Complete	Closed

50	Returns	GST Return filing history should be provided on the pattern of GST Payment Challan History.	TBD		Not Started	
51	Returns	MIS for policy making	TBD			Management Decision on Analytics to be done – not a MIS point

Annexure 2

List of officers present

1. GSTN: The following officers attended the meeting from GSTN:

Sl. No.	Name	Designation
1	Shri Ajay Bhushan Pandey	Chairman
2	Shri Prakash Kumar	CEO
3	Ms. Kajal Singh	EVP (Services)
4	Shri Nitin Mishra	EVP(Technology)
5	Shri Pankaj Dixit	SVP (Infrastructure)
6	Shri Bhagwan Patil	VP (Services)

2. CBEC: The following officers attended the meeting from CBEC:

Sl. No.	Name	Designation
1	Shri Dheeraj Rastogi	Joint Secretary, GST Council
2.	Shri S. K. Panda	Member –IT, CBEC
3	Ms. R. Bhagyadevi	ADG Systems, CBEC, Chennai
4	Shri Basavaraj Nelagave	ADG Systems, CBEC, Bengaluru
5	Shri Vignan Pattamatta	A D Systems, CBEC
6	Shri Manjunath A N	A C GST Policy Wing

3. States: The following officers attended the meeting from States:

Sl. No.	Name	Designation
1	Shri M S Srikar	CCT, Karnataka
2	Shri V Anil Kumar	CCT, Telangana
3	Shri Arun Mishra	Spl. Secretary, CT, Bihar.
4	Shri K. S. Basavaraj	Joint Commissioner, Karnataka
5	Shri N Sai Kishore	Joint Commissioner, Telangana
6	Shri Dipankar Sahu	Dy. Comm, Odisha
7	Shri Mukesh Kumar	CTO, Bihar

4. Infosys: The following officers attended the meeting from Infosys:

Sl. No.	Name	Designation
1	Mr. Pravin Rao	CEO
2	Mr. C.N. Raghupathi	SVP
3	Mr. Renga	SVP
4	Mr. P.N. Moorthy	AVP (Delivery Manager)
5	Mr. Venkat Narayan	AVP (Principle Architect)
6	Mr. Murali Vasudevan	AVP (Release Manager)
7	Ms. Surya Kumari Achal	AVP (Test Manager)
8	Mr. Indrasis Dasgupta	Program Manager
9	Mr. Akhil Gandhi	Domain Team

Annexure B

Minutes of the 5th Meeting of GoM held on December 16, 2017 at Bengaluru, Karnataka

In pursuance of decision taken in the 21st Meeting of GST Council held on 9th September 2017 at Hyderabad, a Group of Ministers (GoM), was constituted to monitor and resolve the IT challenges faced in implementation of GST.

2. The first meeting of GoM was held on September 16, 2017 where the GoM had identified 47 items (48 items out of which one item was repeated twice) for time bound resolution. In the 3rd meeting 8 more items were added to this list, which is reviewed by the GoM. The Fifth meeting of GoM was held on December 16, 2017. The list of priority items with status as on December 16, 2017, as reviewed by GoM is attached as **Annexure 1**.

3. The fifth meeting was attended by the following Hon'ble Members of GoM.

Sl. No.	Name	Designation	Group of Members
1	Shri Sushil Kumar Modi	Hon'ble Deputy Chief Minister Bihar	Convener of GoM
2	Shri Shashi Bhushan Behera	Hon'ble Minister for Finance Odisha	Member, GoM

4. Shri Krishna Byregowda, Hon'ble Minister for Agriculture, Karnataka, Shri Amar Agarwal, Hon'ble Minister for Commercial Taxes, Government of Chhattisgarh and Shri Etela Rajendar, Hon'ble Finance Minister, Telangana could not attend due to other pressing engagements.

5. The list of officers who attended from CBEC/ States, GSTN and Infosys is kept at **Annexure 3**.

6. The Meeting commenced with preliminary remarks from the Convener, GoM as given below:

- a) There is lot of improvement over period and this pace should continue.
- b) The feedback on status of Resident Engineers from States and work by Resident Engineers needs to be monitored.
- c) The refund functionality and end-to-end automated system of Refunds should be in place at the earliest.
- d) MIS reports should be available to States. Particularly Return defaulter report should be available on priority.

7. The Hon'ble Minister Shri Shashi Bhushan Behera, Member GoM, observed that there is lot of improvement over period and pace should be maintained. The complaints are reduced and major issues have been taken care of by GSTN.

8. After initial remarks from Hon. Convener and Members of GoM, CEO, GSTN presented the status of issues raised in IT committee and status of prioritized GoM items (**Annexure 2**) and other issues raised by CBEC and States. He presented the status of priority issues and also points raised by IT Committee meeting held on December 07, 2017 before the GoM:

- a) **Data sharing issue and reconciliation with States:** The count of Registration>Returns/Payment shared by GSTN through APIs and that received by States/CBEC was presented. The GoM observed that lot of improvement has taken place as far as data exchange thru APIs is concerned, however, reconciliation between count shared thru email and that thru SFTP/APIs needs to be completed. Commissioner Karnataka also expressed need for proper reconciliation between data received from different sources like API/SFTP/daily report to CCTs. The Commissioner Maharashtra stressed upon need to reconcile data on payment received from GSTN and that from RBI, particularly in respect of data prior to 13th October, 2017. CEO GSTN informed that data as at the end-of-day (midnight) is being used to create all reports and steps are being taken to fully reconcile the count shared by email and that through SFTP/APIs. The issue of the taxpayers' account being debited without corresponding to the Government Account and multiple CINs on a single payment was also discussed and it was stressed that the MoE system may be reviewed and any discrepancy may be followed up appropriately.
- b) **API Release and Support:** The calendar for API release was shared with all stakeholders on October 27, 2017, November 17, 2017 and next version will be published on December 18, 2017. It was also informed that API release notes are updated regularly on the development portal for any changes made in specification. The Commissioner, Maharashtra requested to convey reasons for changes in the specification of APIs. Infosys representative will share details on the same.
- c) **Resident Engineers:**
- i. The GoM was informed that Resident Engineers have been placed at all places except Lakshadweep. The RE for Lakshadweep is under training and will be positioned by end of this month.
 - ii. The central team of Infosys is continuously monitoring the performance and activities of Resident Engineers. It was informed that CEO, GSTN is also conducting fortnightly review meeting with Residence Engineers over VC/WebEx.
 - iii. The convener asked States feedback about working of Resident Engineers and Kerala/Telangana/Karnataka informed that they are happy about working of Resident Engineers. Karnataka requested for speedy resolution of issues raised thru the RE.
 - iv. The Odisha team requested for speedy resolution of issues raised by Resident Engineers. Also, they asked for proper communication of resolved issues as many issues reported to be closed by Infosys team were found to be open as problem reported by the taxpayer was not resolved. Infosys team stated that they will review the problem resolution mechanism and proper status of pending issues will be conveyed to States/CBEC.
 - v. Ms. R. Bhagyadevi, ADG (systems), Chennai, CBEC stated that some of the issues raised by their RE has been resolved however there are many which need to be resolved on priority. Infosys team took note of the same and will revert back with resolution to CBEC.
- d) **Relevant and accurate messages on portal and user-friendly interface:** Infosys team presented work done by them in this regard in terms of new error messages which are self-explanatory and provide way to solve the problem or provide error code which helps technical team to identify the cause. It was observed that the error messaging system had improved but there was need to rectify, or track at helpdesk, every instance of "system error". Infosys team was asked to submit timelines for changes planned in this regard on GST Portal.
- e) **Availability of MIS to Model II States:**
- i. The status of 8 priority MIS reports was presented to GoM. Three are live whereas two will be made live on 21st Dec. Another one will be made operational on 28th and the reaming two will

be made operational by 5th of January. (status-quo on MIS, 21st and 28th Dec deadline has not been met)

- ii. The GoM was further informed that view of GSTR 3B, GSTR 1 and TRAN 1 have been made available to jurisdictional officers of Model II states. The jurisdictional officers can also view ITC ledger/cash ledger/liability ledger of taxpayers falling under their jurisdiction. This was appreciated by the Convener and the officers present in the meeting.
- iii. It was also informed that the facility of record search is available for taxpayers/tax officers for Model-2 States.
- iv. The officers present in the meeting stressed upon need of early availability of return defaulter report to Jurisdictional officers. It was informed that it will be available by 5th January.

f) Making available 69 prioritized Forms on GST Portal

The CEO briefed the GoM on the Prioritized Forms. Out of 69 Forms identified by Policy wing of CBEC, 40 have been made available on the GST Portal and 3 are on hold. The timelines for making available remaining forms was presented before the GoM. Copy of the same is attached as Annexure-2. On this, the Convener suggested that there should not be any further delay in making available remaining forms on the Portal.

9. Other Points:

- i. The points raised by Bihar state were discussed. Many items were already covered under previous agenda items. The convener asked GSTN/Infosys team to resolve the remaining ones on priority.
- ii. The Maharashtra Commissioner raised the issue of 2/3 CIN for same payment transactions and informed that payment is made only once by taxpayer, however cash ledger is credited three times. It was clarified by Infosys team that these cases belong to Bank of India which has issued three unique CINs against which cash ledger was updated. The matter has already been taken up with the Bank. Pr CCA has also been informed.
- iii. CEO GSTN requested GoM for guidance on how to deal with a case if the return filing gets delayed on account of any problem with GST Portal. Hon'ble Convener suggested that matter regarding waiver of late fees on account of any technical problem on GST portal should be taken up with GST council. He asked Shri Arun Mishra, Additional Secretary, Bihar, member of Law Committee, to take it up before law committee.
- iv. Ms. Radha, Asst. Commissioner, Telangana raised issue of SEZ chosen mistakenly by taxpayer which he is not able to correct himself as it is not part of Core or Non-Core amendment. GSTN team informed the Committee that taxpayer chooses reasons for registration and SEZ is one of the reasons for registration on which registration is processed. Since it is the basis of registration, it does not form part of Core or Non-Core items. The matter was discussed in detail and it was decided that it should be placed before Law Committee for resolution.
- v. Deepak Giri, Dy. Commissioner, Govt of Chhattisgarh informed that demand drafts collected as tax/penalty during raids or highway checking are getting expired as banks are not taking them. He also told that there is no option on GST portal for tax officer to create challan to make payment of demand draft. It was clarified by GSTN that tax officer can create challan for such cases by creating temp ID. As far as bank's refusal to take amount higher than Rs 10,000 is concerned, the same has been taken up with DoR and Pr CCA. States may also take up the issue with DoR.
- vi. Maharashtra commissioner informed that Consulates of different countries are asking for refund and GSTR-11 and RFD-10 need to be made available immediately. CEO GSTN informed the GoM that law Committee has recommended issue of only one GSTIN to one UIN body valid for

the whole country and that only central tax authorities will handle such cases. Proposed changes are being made in the offline tool to allow upload of invoice data by UIN bodies.

vii. The concerns were raised about GSTR 4 functionality not gone live for those taxpayers who were regular taxpayer for part period and composition for remaining part. The GoM was informed that work is going on and expected date of delivery is 21st Dec.

10. The meeting concluded with following closing remarks from Hon. Convener of GOM:

- a. It is observed that complaints have reduced over a period of time and GST portal has improved. Overall system is working properly.
- b. End to end automation of refunds to taxpayers is important. Presently GSTR 2 is on hold and hence half automated and half manual system has been put in place. However, fully automated system should be in place by April 2017 as confirmed by GSTN/Infosys team.
- c. Return of TDS and TCS should be developed by January end so that the training of DDOs can be organized in February on working module to roll out the application from 1st of April.
- d. E-way Bill rollout is now planned from 15th January on trial basis and on full scale for inter-state from 1st of February. The system should be ready before this date.
- e. Keeping in view improvement in the system, the next meeting will be held after one month.
- f. At end of current financial years all issues should be resolved.
- g. MIS reports should be available on priority to Model II States.

11. **Presentation on e-way Bill system:** The meeting was preceded by a presentation on the status of the National e-way Bill system by the NIC, Karnataka team. Main features of the system being run in Karnataka and system statistics were presented. It was observed that about 30% of the e-way bills being generated in Karnataka were for inter-state supplies and that 70% of the load is on account of intra-state supplies. It was urged that if the application to intra-state supplies was staggered then the system may be handle the load in the initial stages. The Chairman GSTN stressed the importance of not printing the ADHAAR number on the the e-way bill or reflect it on the website. He also urged caution in extending the API based generation facility to big taxpayers so as to keep the system safe and secure. The CEO, GSTN observed that, based on the experience from Karnataka and the other “early” States, a minimum period of 4 weeks was required to handle training of stakeholders. The CEO also stated that an orientation for all CCTs will be conducted through VC. CCT, Maharashtra requested that all materials, including circulars issued in this behalf, may be shared with all the States to ease the process of training and education of stakeholders. The Convener urged exploring the possibility of integrating “VAHAN” application of MoRTH with the e-way bills system to authenticate the vehicle details.

12. The meeting ended with vote of thanks to the Chair.

70	GST TRAN- 01	Revision of Transitional ITC / Stock Statement	120A	Yes	Operational
71	GST TRAN- 03				Operational

Annexure 3

List of officers present

1. GSTN: The following officers attended the meeting from GSTN:

Sl. No.	Name	Designation
1	Shri Ajay Bhushan Pandey	Chairman
2	Shri Prakash Kumar	CEO
3	Shri Nitin Mishra	EVP(Technology)
4	Shri Pankaj Dixit	SVP (Infrastructure)
5	Shri Bhagwan Patil	VP (Services)
6	Abhishek Singh	AVP (PM)

2. CBEC: The following officers attended the meeting from CBEC:

Sl. No.	Name	Designation
1	Shri Dheeraj Rastogi	Joint Secretary, GST Policy Wing
2	Ms. R. Bhagyadevi	ADG Systems, CBEC, Chennai
3	Shri Basavaraj Nelagave	ADG Systems, CBEC, Bengaluru
4	Shri B. Senthilvelvan	Additional Director, CBEC
5	Vignan Pattamatta	A D Systems, CBEC
6	Manjunath A N	A C GST Policy Wing

3. States: The following officers attended the meeting from States:

Sl. No.	Name	Designation
1	Shri Rajiv Jalota	Commissioner, Maharashtra
2	Shri Rajan Khobragade	Commissioner, Kerala
3	Shri MS Srikar	CCT, Karnataka
4	Shri Arun Mishra	Addl. Secretary, CT, Bihar.
5	Ms. Anuradha	Additional Commissioner, Telangana
6	Shri K. S. Basavaraj	Joint Commissioner, Karnataka
7	Shri Dipankar Sahu	Dy. Comm, Odisha
8	Shri Deepak Giri	Dy. Commissioner, Chhattisgarh
9	Ms. Radha	Assistant Commissioner, Telangana

10	Shri Mukesh Kumar	CTO, Bihar
----	-------------------	------------

4. NIC

Sl. No.	Name	Designation
1	Shri P V Bhat	Director, NIC

5. Infosys: The following officers attended the meeting from Infosys:

Sl. No.	Name	Designation
1	Mr. Pravin Rao	COO
2	Mr. Renga	SVP
3	Mr. P.N. Moorthy	AVP (Delivery Manager)
4	Mr. Murali Vasudevan	AVP (Release Manager)
5	Ms. Surya Kumari Achal	AVP (Test Manager)
6	Mr. Indrasis Dasgupta	Program Manager
7	Mr. Akhil Gandhi	Domain Team

Agenda Item 6: Recommendations of ‘Committee on Returns Filing’ on Simplification of Returns under GST.

In pursuance to the decision taken in the 23rd GST Council Meeting held on 10 November 2017 at Guwahati, a “Committee on Returns Filing” was constituted with Dr. A.B. Pandey as its Chairman and nine other Members. The “Committee on Returns Filing” was entrusted to look into the issues and the requirements of filing returns by taxpayers in the GST regime. The Committee was to analyze the issues and requirements of the various types of returns being/to be filed by the tax payers under GST regime. The Committee was also mandated to suggest modifications/simplifications required in the Returns, if any, including related changes in Laws, Rules, Format etc.

2. The Committee had multiple meetings, in person as well as through Video Conferencing. The broad recommendations of the Committee were first discussed with Law Committee and later presented in the Officers’ meeting on 11 January 2018. The broad recommendations of the Committee are as given below for the consideration of the GST Council. Detailed report will be submitted separately.

3. Gist of Recommendations of the ‘Committee on Returns Filing’:

3.1. Number of Returns

3.1.1. Single return with sales (outward supplies) and purchase (inward supplies) annexures to be filled and uploaded by all categories of taxpayers, every month. This will bring down the compliance load on taxpayers by a significant measure, and will also ensure that sufficient data is uploaded on the System to perform effective invoice matching. In order to achieve this, it is recommended to collect the following six items mandatorily in sales and purchase Annexure:

- Counterparty GSTIN
- Invoice Number
- Invoice date
- Taxable Value
- Tax Amount
- Place of supply

3.1.2. The software should provide facility to upload invoice data on anytime basis as being done today. The software should also provide view of data uploaded by the seller prior to filing of return, to the purchaser with facility to import that as his purchase after matching the same with his purchase register to reduce mismatch.

3.1.3. The software should also provide facility to move the auto drafted purchase data in purchaser’s data to the next month to take care of goods sold in the later part of month which is not received by the purchaser in the same month.

3.2. **Return filing frequency:** Mix of monthly and quarterly return will delay the settlement and hence it is recommended that there should be only monthly return. Currently, all taxpayers are filing GSTR-3B and GSTR-1 is filed either monthly or quarterly.

3.3. **Staggered Filing:** Staggered filing is suggested for large and small categories of taxpayers (10th and 20th of succeeding month, respectively) to distribute the load, as quantity of invoices to be filed in one go will be double of what was filed under GSTR-1.

3.4. Credit availability:

3.4.1. Credit availability should be at invoice level and not at ledger basis (counterparty level gross data). Thus, there is no change from the existing system.

3.4.2. As far as reporting of data on invoice is concerned, the same should be implemented in two phases. In the first phase, data in return annexure should be taken at invoice level i.e. one entry for one invoice in the annexure. In phase-2, after all stakeholders have gained sufficient experience, line item level details of invoice may be taken in the annexures.

3.5. Mismatch of Credit

3.5.1. Mismatch of credit availed should be run on the basis of invoice data. The mismatch report should be generated strictly on the basis of parameters mentioned below. Mismatch will be raised for any value that is not an exact match with the corresponding fields.

- Counterparty GSTIN
- Invoice Number
- Invoice date
- Tax amount

3.5.2. For tax amounts, a tolerance limit may be defined and if the amounts are found within the tolerance limit, the invoice will be considered matched, provided all other parameters are matching.

3.5.3. Mismatch should be run after the due date of the return filing period. Only invoices of filed returns should be considered for running the mismatch report. Any invoice, uploaded but relevant return not filed, should not be considered for mismatch reporting, and will be deemed mismatched. Also, invoices contained in invalid return will not be considered for matching. Once a mismatch report is generated, subsequent mismatch program will run daily to add/remove any incremental mismatched invoices, to take care of corrections made on that date. A separate register will be maintained for mismatched invoices at counter-party level, along with detailed report.

- i. For example, a taxpayer for month of April files a return on 20th of May, the mismatch report will be run on 20th Midnight and a report will be made available to the taxpayers. Post this, a mismatch report for the month will be run every night to take care of corrections made. This will be done for the period of reconciliation allowed in the law.
- ii. Based on reversal period prescribed by the Government, the mismatch of a particular month will be closed and mismatched invoices will be added back as liability with interest.

3.6. **Reconciliation of Mismatch:** Reconciliation of mismatched invoices shall be handled through a mechanism of amendment of annexure of mismatch invoices. Corrections can be done on daily basis and saved. Once all corrections are made, the taxpayer may file the amendment table. The filing of amendment table will be permitted only once for a return period.

- Amendment can be done any time after the generation of mismatch report.
- Any interest if applicable, shall be considered for the whole month, (part of a month shall be treated as one month).

3.7. Reversal of mismatched invoices:

3.7.1. It is proposed that provision of auto reversal of ITC as a result of mismatch, may be kept under suspension in the beginning to give sufficient time to all stakeholders to get used to the new system, counterparty user behavior etc. Once the system stabilizes, auto-reversal may be implemented.

3.7.2. The suspension period may be of 6 to 9 months duration. During this period, Monthly Report shall be generated for tax officers for a mismatch between ITC claimed and ITC mismatched in Return and Mismatch report. The mismatch report will be visible to jurisdictional tax officers and they may take appropriate action as per law.

3.8. Offline Tool for Return preparation

3.8.1. An offline tool shall be provided for taxpayers to prepare their returns and upload the same on GST portal. The offline tool shall prepare the Return based on annexures (sales and Purchase).

3.8.2. The Offline Tool will also have provision to match the auto-drafted purchase data downloaded from the GST Portal with his own purchase data and incorporate the same in his purchase annexure. This will help taxpayers to reduce the mismatches.

3.8.3. The Tool should be designed in such a way that Return and Annexures could be generated, if need be, as two separate upload-able files in JSON format. This could be used in the circumstances when annexure upload becomes a problem. This way return can be filed by the taxpayer after paying taxes in time and Annexure can be uploaded separately.

3.8.4. Separate filing of annexure may bring additional work of reconciliation and may delay refund etc. To minimize the additional work, technical solutions like embedding hash of annexure in the return could be thought of which could be matched when annexure is uploaded.

3.8.5. The normal mode will be simultaneous upload of both return and annexures.

3.9. **Development of APIs:** APIs will be accordingly re-developed for CBEC/Model-1 States; GSPs etc.

3.10. **HSN Data Collection:** HSN Summary should be continued in order to capture data for statistical analysis perspective but in a separate table, as existing in GSTR-1 today.

3.11. **Filing of Invalid Return and its impact:** If return filed is invalid (admitted tax is not paid), then all invoices filed will be treated as unmatched and no ITC will flow to his buyers.

3.12. **TDS/TCS:** TDS/TCS should be suspended for more time (till the new return system stabilizes). Thereafter TDS should be implemented first. After TDS stabilizes, TCS should be implemented.

3.13. **ISD Return:** GSTR-6 return should be filed by ISD taxpayers declaring all the received invoices and he should distribute credit accordingly. In case of Credit Note/Debit Note or amendments, a liability will be raised for downward amendment of credit, and additional credit will be made available for distribution through similar mechanisms.

3.14. Treatment of Credit Note/Debit Note:

- The Credit Note/Debit Note should be delinked from invoice data reporting
- Place-of-Supply (POS) details to be taken at the Credit Note level for settlement

3.15. Rollout Recommendations:

- i. Sufficient time should be provided to GSTN to develop the new Return Application, Offline Tool, APIs etc.
- ii. Sufficient time should be provided to enable eco-system (accounting software companies, ERPs, large companies having their own software, GSPs etc.) to develop tools/applications as per new return and for automated upload of sales and purchase invoices and rectification of mismatched invoices.
- iii. During interim period GSTR-3B along with GSTR-1 should be continued.
- iv. The transition should be gradual giving sufficient time to all stakeholder.

4. The Recommendations of 'Committee on Returns Filing' on Simplification of Returns under GST are placed before the Council for consideration and approval.

Agenda Item 7: Issues recommended by the Law Committee for consideration of the GST Council

The Law Committee in its meetings held on 4th and 5th January, 2018 recommended certain changes in the CGST Rules and FORMS. The changes, as approved in the Law Committee, are proposed to be implemented, as detailed below (the proposed changes are underlined/in strikethrough mode):

Agenda Item 7(i): Notifying the amendment to CGST Rules, 2017

Sl. No.	Proposal of Law Committee	Action to be taken to implement the proposal
1.	<p>A taxpayer opting to pay tax under the composition scheme is required to file the stock statement in FORM GST ITC-03 for reversal of ITC on such stock.</p> <p>As per sub-rule 3A of rule 3, the statement is to be filed within ninety days from the date of opting for the composition scheme. The functionality is not available on the common portal till date. Therefore, the period of ninety days may be replaced with one hundred and eighty days.</p>	<p>To replace the words “ninety days” in sub -rule (3A) of rule 3 by “one hundred and eighty days”.</p>
2.	<p>Vide notification No. 1/2018-Central Tax dated 01.01.2018, the rate of tax payable by manufacturers under the composition scheme has been reduced to 0.5%. It is now proposed to amend rule 7, w.e.f 01.01.2018, to carry out the similar change.</p>	<p>To replace the words in column no. 3 of the Table in rule 7, wef 01.01.2018, against:</p> <p>(a) Sl. No. 1, the words “half per cent. of the turnover in the State or Union territory” in place of the words “one per cent.”;</p> <p>(b) Sl. No. 2, the words “two and a half per cent. of the turnover in the State or Union territory” in place of the words “two and a half per cent.”;</p> <p>(c) Sl. No. 3, the words “half per cent. of the turnover of taxable supplies of goods in the State or Union territory” in place of the words “half per cent.”</p>
3.	<p>Taxable persons who have obtained voluntary registration be allowed to apply for cancellation of registration within one year from the effective date of registration.</p>	<p>Omit the proviso to rule 20</p>
4.	<p>The last date for filing FORM GST REG-29 for cancellation of registration by migrated taxpayers under rule 24(4) may be extended till 31st March, 2018.</p>	<p>To replace the words “31st December, 2017” in sub-rule (4) of rule 24 by “31st March, 2018”.</p>

5.	<p>It was observed that sub-rule (5) of rule 32 of CGST Rules, 2017 is in relation to the valuation of goods for a person dealing in buying and selling of second hand goods whereas the proviso of the sub-rule deals with the determination of value of goods repossessed from a defaulting borrower, who is not registered. It is felt that the proviso should, in fact, be a separate sub-rule under rule 32 as the situation being dealt with is quite different from the main sub-rule (5). Further, it was observed that the said proviso was silent about the method of valuation for value of goods repossessed from a defaulting borrower who is a registered person. Accordingly, it was recommended to delete the proviso to said sub-rule and convert it into a new sub-rule.</p>	<ul style="list-style-type: none"> • To delete proviso to sub-rule 5 of rule 32 • To insert sub-rule (5A) in rule 32 (similar to proviso to sub-rule 5 of rule 32) as below: “32(5A) Provided that the <u>The</u> purchase value of goods repossessed from a defaulting borrower, who is not registered, for the purpose of recovery of a loan or debt shall be deemed to be the purchase price of such goods by the defaulting borrower reduced by five percentage points for every quarter or part thereof, between the date of purchase and the date of disposal by the person making such repossession.”
----	--	--

6.	<p>It was observed that there was no mechanism for an ISD to receive and pay tax on services under reverse charge, except for taking a normal registration. Even after taking a normal registration, there was no mechanism for the normally registered entity to transfer credit, in respect of such common services received under reverse charge, to the ISD. It is felt, therefore, that a provision for generating a special invoice needs to be provided for normally registered persons to allow passing of such credit to ISD for further distribution.</p>	<p>To insert sub-rule (1A) in rule 54 as below:</p> <p>“54(1A)(a) A registered person, having the same PAN and State code as an Input Service Distributor, may issue an invoice or, as the case may be, a credit/debit note to transfer the credit of common input services to the Input Service Distributor, which shall contain the following details:</p> <ol style="list-style-type: none"> i. name, address and Goods and Services Tax Identification Number of the registered person having the same PAN and same State code as the Input Service Distributor; ii. a consecutive serial number not exceeding sixteen characters, in one or multiple series, containing alphabets or numerals or special characters hyphen or dash and slash symbolised as, “-”, “/” respectively, and any combination thereof, unique for a financial year; iii. date of its issue; iv. Goods and Services Tax Identification Number of supplier of common service and original invoice number whose credit is sought to be transferred to the Input Service Distributor; v. name, address and Goods and Services Tax Identification Number of the Input Service Distributor; vi. taxable value, rate and amount of the credit to be transferred; and vii. signature or digital signature of the registered person or his authorised representative. <p>(b) The taxable value in the invoice issued under clause (a) shall be the same as the value of the common services.”</p>
----	---	---

7.	<p>It was proposed that for the conveyances which were not required to carry an e-way Bill till the said rules come into force, an invoice / bill of supply would be the prescribed document required to be carried by the person-in-charge of the conveyance.</p>	<p>To insert a new Rule 55A- “55A Tax Invoice or bill of supply to accompany transport of goods- The person-in-charge of the conveyance shall carry a copy of the tax invoice or the bill of supply issued in accordance with the provisions of rule 47 or, as the case be, rule 49, in a case where such person is not required to carry an e-way bill under these rules.”</p>
8.	<p>Changes in rule 89: Rule 89(4A) and 89(4B), as amended vide notification No. 75/2017-Central tax dated 29.12.2017 (wef 23.10.2017), dealing with refund on export of goods and services is sought to be further amended as follows: (a) To correct typographical errors in rule 89(4A). (b) Reference to notification No. 78/2017-Customs dated 13th October, 2017 or notification No. 79/2017-Customs Tax dated 13th October, 2017” is sought to be made in rule 89(4B).</p>	<p>To replace sub-rules (4A) and (4B) of rule 89 w.e.f. 23.10.2017 as follows: (i) “(4A) In the case of supplies received on which the supplier has availed the benefit of <u>the Government of India, Ministry of Finance, notification No. 48/2017-Central Tax dated 18.10.2017 published in the Gazette vide number G.S.R 1305 (E),</u> refund of input tax credit, availed in respect of other inputs or input services used in making zero-rated supply of goods or services or both, shall be granted.” (ii) “(4B) In the case of supplies received on which the supplier has availed the benefit of notification No. 40/2017-Central Tax (Rate) dated 23.10.2017 <u>published in the Gazette vide number G.S.R 1320 (E) or notification No. 41/2017-Integrated Tax (Rate) dated 23.10.2017 published in the Gazette vide number G.S.R 1321(E) or notification No. 78/2017-Customs dated 13.10.2017 published in the Gazette vide number G.S.R 1272(E) or notification No. 79/2017-Customs Tax dated 13.10. 2017 published in the Gazette vide number G.S.R 1299(E), or both all of them,</u> refund of input tax credit, availed in respect of inputs received under the said notifications for export of goods and the input tax credit availed in respect of other inputs or input services to the extent used in making such export of goods, shall be granted.”</p>

9.	<p>Changes in rule 96: Rule 96, as amended vide notification No. 75/2017-Central tax dated 29.12.2017 (wef 23.10.2017), dealing with refund of integrated tax paid on export of goods and services is sought to be further amended as follows:</p> <p>(a) insert a new sub-rule (3A) to provide that the application for refund of integrated tax paid on the services exported out of India shall be filed in FORM GST RFD-01 and the same shall be dealt with in accordance with rule 89.</p> <p>(b) Further, in sub-rule (3), after the words “system designated by Customs”, the words “or the proper officer of Customs” may be added to deal with the cases of mismatches.</p> <p>(c) Reference to notification No. 78/2017-Customs dated 13th October, 2017 or notification No. 79/2017-Customs Tax dated 13th October, 2017” is sought to be made in rule 96(9).</p> <p>(d) Further, it is proposed to insert the word “goods” in sub-rules (1), (2) and (3) of rule 96.</p>	<p>To make the following amendments in rule 96 w.e.f. 23.10.2017:</p> <p>(i) To insert the words “ of goods” after the words “an exporter” in sub-rule (1) of rule 96;</p> <p>(ii) To insert the words “ in respect of export of goods” after the words “export invoices” in sub-rule (2) of rule 96;</p> <p>(iii) To insert the words “ in respect of export of goods” after the words “claim for refund” in sub-rule (3) of rule 96;</p> <p>(iv) To insert the words “or the proper officer of Customs, as the case may be” in sub rule (3) of Rule 96 after the words “the system designated by the Customs”.</p> <p>(v) To insert sub rule (3A) after sub rule 3 of Rule 96, wef 23.10.2017, as below: “(3A) The application for refund of integrated tax paid on the services exported out of India shall be filed in FORM GST RFD-01 and shall be dealt with in accordance with the provisions of rule 89.”</p> <p>(vi) To replace sub-rule (9) of rule 96, w.e.f. 23.10.2017, as follows: “(9) The persons claiming refund of integrated tax paid on exports of goods or services should not have received supplies on which the supplier has availed the benefit of <u>the Government of India, Ministry of Finance, notification No. 48/2017-Central Tax dated 18.10.2017 published in the Gazette vide number G.S.R 1305 (E)</u> or notification No. 40/2017-Central Tax (Rate) dated 23.10.2017 <u>published in the Gazette vide number G.S.R 1320 (E)</u> or notification No. 41/2017-Integrated Tax (Rate) dated 23.10.2017 <u>published in the Gazette vide number G.S.R 1321 (E)</u> or <u>notification No. 78/2017-Customs dated 13.10.2017 published in the Gazette vide number G.S.R 1272(E)</u> or <u>notification No. 79/2017-Customs Tax dated 13.10. 2017 published in the Gazette vide number G.S.R 1299 (E).</u>”</p>
----	---	--

10.	Numerous amendments to the e-way bill rules viz., Rules 138, 138A and 138B; and FORM GST EWB-01, FORM GST EWB-02, FORM GST EWB-02 and GST INV-01 .	Proposed amendments in e-way bill rules and FORMS, with changes highlighted in track change mode is placed as Annexure A .
11.	Statements 2, 3 and 4 as contained in FORM GST RFD-01 should also be inserted in FORM GST RFD-01A in order to capture the details of documents required for processing the refund claims on account of export of services on payment of integrated tax, export without payment of tax and supplies made to SEZ unit or SEZ Developer (on payment of tax)	Statements 2, 3 and 4 to be inserted in FORM GST RFD-01A is placed in Annexure B .

2. Approval of the GST Council is sought to carry out the above detailed amendments in the CGST Rules, 2017. *Pari materia* changes would be required to be carried out in the respective SGST Rules and UTGST Rules as well.

ANNEXURE A

CHAPTER XVI

E-WAY RULES

138. Information to be furnished prior to commencement of movement of goods and generation of e-way bill.-(1) Every registered person who causes movement of goods of consignment value exceeding fifty thousand rupees—

- (i) in relation to a supply; or
- (ii) for reasons other than supply; or
- (iii) due to inward supply from an unregistered person,

shall, before commencement of such movement, furnish information relating to the said goods as specified in Part A of FORM GST EWB-01, electronically, on the common portal along with such other information as may be required at the common portal and a unique number will be generated on the said portal:-

Provided that where goods are sent by a principal located in one State to a job worker located in any other State, the e-way bill shall be generated by the principal irrespective of the value of the consignment:

Provided further that where handicraft goods are transported from one State to another by a person who has been exempted from the requirement of obtaining registration under clauses (i) and (ii) of section 24, the e-way bill shall be generated by the said person irrespective of the value of the consignment.

Explanation 1. – For the purposes of this rule, the expression “handicraft goods” has the meaning as assigned to it in the Government of India, Ministry of Finance, notification No.32/2017-Central Tax dated 15.09.2017 published in the Gazette vide number G.S.R 1158 (E) as amended from time to time.

Explanation 2.- For the purposes of this rule, the consignment value of goods shall be the value, determined in accordance with the provisions of section 15, declared in an invoice, a bill of supply or a delivery challan, as the case may be, issued in respect of the said consignment and also includes the central tax, State or Union territory tax, integrated tax and cess charged, if any, in the document.

(2) Where the goods are transported by the registered person as a consignor or the recipient of supply as the consignee, whether in his own conveyance or a hired one or by railways or by air or by vessel, the said person or the recipient may generate the e-way bill in **FORM GST EWB-01** electronically on the common portal after furnishing information in **Part B of FORM GST EWB-01:-**

Provided that where the goods are transported by railways or by air or vessel, the e-way bill shall be generated by the registered person, being the supplier or the recipient, who shall furnish, on the common portal, the-

(a) -information in Part B of FORM GST EWB-01, and-

(a)(b) the serial number and date of the Railway Receipt or the Air Consignment Note or Bill of Lading, as the case may be.

(3) Where the e-way bill is not generated under sub-rule (2) and the goods are handed over to a transporter for transportation by road, the registered person shall furnish the information relating to the transporter ~~in Part B of FORM GST EWB-01~~ on the common portal and the e-way bill shall be

generated by the transporter on the said portal on the basis of the information furnished by the registered person in **Part A** of **FORM GST EWB-01**:

Provided that the registered person or, as the case may be, the transporter may, at his option, generate and carry the e-way bill even if the value of the consignment is less than fifty thousand rupees:

Provided further that where the movement is caused by an unregistered person either in his own conveyance or a hired one or through a transporter, he or the transporter may, at their option, generate the e-way bill in **FORM GST EWB-01** on the common portal in the manner specified in this rule:

Provided also that where the goods are transported for a distance of less than ten kilometres within the State or Union territory from the place of business of the consignor to the place of business of the transporter for further transportation, the supplier or the recipient, or as the case maybe, the transporter may not furnish the details of conveyance in **Part B** of **FORM GST EWB-01**.

Explanation 1. – For the purposes of this sub-rule, where the goods are supplied by an unregistered supplier to a recipient who is registered, the movement shall be said to be caused by such recipient if the recipient is known at the time of commencement of the movement of goods.

Explanation 2. ~~The information in **Part A** of **FORM GST EWB-01** shall be furnished by the consignor or the recipient of the supply as consignee where the goods are transported by railways or by air or by vessel. The e-way bill shall not be valid for movement of goods by road unless the information in **Part-B** of **FORM GST EWB-01** has been furnished except in the case of movements covered under the third proviso to sub-rule (3) and the proviso to sub-rule (5).~~

(4) Upon generation of the e-way bill on the common portal, a unique e-way bill number (EBN) shall be made available to the supplier, the recipient and the transporter on the common portal.

(5) Where the goods are transferred from one conveyance to another, the consignor or the recipient, who has provided information in **Part- A** of the **FORM GST EWB-01**, or theAny transporter ~~transferring goods from one conveyance to another in the course of transit~~ shall, before such transfer and further movement of goods, update the details of conveyance in the e-way bill on the common portal in **FORM GST EWB-01**:

Provided that where the goods are transported for a distance of less than ten kilometres within the State or Union territory from the place of business of the transporter finally to the place of business of the consignee, the details of conveyance may not be updated in the e-way bill.

(5A) The consignor or the recipient, who has furnished the information in **Part-A** of **FORM GST EWB-01**, or the transporter, may assign the e-way bill number to another registered or enrolled transporter for updating the information in **Part-B** of **FORM GST EWB-01** for further movement of consignment:

Provided that once the details of the conveyance have been updated by the transporter in **Part B** of **FORM GST EWB-01**, the consignor or recipient, as the case maybe, who has furnished the information in **Part-A** of **FORM GST EWB-01** shall not be allowed to assign the e-way bill number to another transporter.

(6) After e-way bill has been generated in accordance with the provisions of sub-rule (1), where multiple consignments are intended to be transported in one conveyance, the transporter may indicate the serial number of e-way bills generated in respect of each such consignment electronically on the common portal and a consolidated e-way bill in **FORM GST EWB-02** maybe generated by him on the said common portal prior to the movement of goods.

(7) Where the consignor or the consignee has not generated **FORM GST EWB-01** in accordance with the provisions of sub-rule (1) and the value of goods carried in the conveyance is more than fifty

thousand rupees, the transporter shall generate **FORM GSTEWB-01** on the basis of invoice or bill of supply or delivery challan, as the case may be, and may also generate a consolidated e-way bill in **FORM GST EWB-02** on the common portal prior to the movement of goods:-

Provided that where the goods to be transported are supplied through an e-commerce operator, the information in Part A of FORM GST EWB-01 may be furnished by such e-commerce operator.

(8) The information furnished in **Part A** of **FORM GST EWB-01** shall be made available to the registered supplier on the common portal who may utilize the same for furnishing details in **FORM GSTR-1**:

Provided that when the information has been furnished by an unregistered supplier or an unregistered recipient in **FORM GST EWB-01**, he shall be informed electronically, if the mobile number or the e-mail is available.

(9) Where an e-way bill has been generated under this rule, but goods are either not transported or are not transported as per the details furnished in the e-way bill, the e-way bill may be cancelled electronically on the common portal, either directly or through a Facilitation Centre notified by the Commissioner, within 24 hours of generation of the e-way bill:

Provided that an e-way bill cannot be cancelled if it has been verified in transit in accordance with the provisions of rule 138B:-

Provided further the unique number generated under sub-rule (1) shall be valid for 72 hours for updation of Part B of FORM GST EWB-01.

(10) An e-way bill or a consolidated e-way bill generated under this rule shall be valid for the period as mentioned in column (3) of the Table below from the relevant date, for the distance, within the country, the goods have to be transported, as mentioned in column (2) of the said Table:

Table

Sr. no.	Distance	Validity period
(1)	(2)	(3)
1.	Upto 100 km	One day
2.	For every 100 km or part thereof thereafter	One additional day

Provided that the Commissioner may, by notification, extend the validity period of e-way bill for certain categories of goods as may be specified therein:

Provided further that where, under circumstances of an exceptional nature, the goods cannot be transported within the validity period of the e-way bill, the transporter may generate another e-way bill after updating the details in **Part B** of **FORM GST EWB-01**.

Explanation. —For the purposes of this rule, the “relevant date” shall mean the date on which the e-way bill has been generated and the period of validity shall be counted from the time at which the e-way bill has been generated and each day shall be counted as twenty-four hours.

(11) The details of e-way bill generated under sub-rule (1) shall be made available to the:-

(a) supplier, if registered, where the information in **Part A** of **FORM GST EWB-01** has been furnished by the recipient or the transporter, or

(b) recipient, if registered, where the information in **Part A** of **FORM GST EWB-01** has been furnished by the supplier or the transporter,

~~recipient, if registered,~~ on the common portal, and the supplier or the recipient, as the case maybe, who shall communicate his acceptance or rejection of the consignment covered by the e-way bill.

(12) Where the person to whom the information specified ~~recipient referred to~~ in sub-rule (11) **has been made available** does not communicate his acceptance or rejection within seventy two hours of the details being made available to him on the common portal, it shall be deemed that he has accepted the said details.

(13) The e-way bill generated under this rule or under rule 138 of the Goods and Services Tax Rules of any State shall be valid in every State and Union territory.

(14) Notwithstanding anything contained in this rule, no e-way bill is required to be generated—

(a) where the goods being transported are specified in Annexure;

(b) where the goods are being transported by a non-motorised conveyance;

(c) where the goods are being transported from the port, airport, aircargo complex and land customs station to an inland container depot or a container freight station for clearance by Customs; ~~and~~

(d) in respect of movement of goods within such areas as are notified under clause (d) of sub-rule (14) of rule 138 of the Goods and Services Tax Rules of the concerned State; ~~:- and~~

(e) where the goods, other than de-oiled cake, being transported are specified in the Schedule appended to notification No. 2/2017- Central tax (Rate) dated 28.06.2017 published in the Gazette vide number G.S.R 674 (E) as amended from time to time;:-

(f) where the goods being transported are alcoholic liquor for human consumption, petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas or aviation turbine fuel; and

(g) where the goods being transported are treated as no supply under Schedule III of the Act.:-

Explanation. - The facility of generation and cancellation of e-way bill may also be made available through SMS.

ANNEXURE

[(See rule 138 (14)]

S. No.	Chapter or Heading or Sub-heading or Tariff item	Description of Goods
(1)	(2)	(3)

Entry no. 1-146 omitted		
1.		Liquefied petroleum gas for supply to household and non domestic exempted category (NDEC) customers
2.		Kerosene oil sold under PDS
3.		Postal baggage transported by Department of Posts
4.		Natural or cultured pearls and precious or semi-precious stones; precious metals and metals clad with precious metal (Chapter 71)
5.		Jewellery, goldsmiths' and silversmiths' wares and other articles (Chapter 71)
6.		Currency
7.		Used personal and household effects
8.		Coral, unworked (0508) and worked coral (9601);

138A.Documents and devices to be carried by a person-in-charge of a conveyance. -(1) The person in charge of a conveyance shall carry—

- (a) the invoice or bill of supply or delivery challan, as the case may be; and
 - (b) a copy of the e-way bill or the e-way bill number, either physically or mapped to a Radio Frequency Identification Device embedded on to the conveyance in such manner as may be notified by the Commissioner.
- (2) A registered person may obtain an Invoice Reference Number from the common portal by uploading, on the said portal, a tax invoice issued by him in **FORM GST INV-1** and produce the same for verification by the proper officer in lieu of the tax invoice and such number shall be valid for a period of thirty days from the date of uploading.
- (3) Where the registered person uploads the invoice under sub-rule (2), the information in Part A of **FORM GST EWB-01** shall be auto-populated by the common portal on the basis of the information furnished in **FORM GST INV-1**.
- (4) The Commissioner may, by notification, require a class of transporters to obtain a unique Radio Frequency Identification Device and get the said device embedded on to the conveyance and map the e-way bill to the Radio Frequency Identification Device prior to the movement of goods.
- (5) Notwithstanding anything contained in clause (b) of sub-rule (1), where circumstances so warrant, the Commissioner may, by notification, require the person-in-charge of the conveyance to carry the following documents instead of the e-way bill-
- (a) tax invoice or bill of supply or bill of entry; or
 - (b) a delivery challan, where the goods are transported for reasons other than by way of supply.

138B. Verification of documents and conveyances. -(1) The Commissioner or an officer empowered by him in this behalf may authorise the proper officer to intercept any conveyance to verify the e-way bill or the e-way bill number in physical form for all inter-State and intra-State movement of goods.

(2) The Commissioner shall get Radio Frequency Identification Device readers installed at places where the verification of movement of goods is required to be carried out and verification of movement of vehicles shall be done through such device readers where the e-way bill has been mapped with the said device.

(3) The physical verification of conveyances shall be carried out by the proper officer as authorised by the Commissioner or an officer empowered by him in this behalf:

Provided that on receipt of specific information on evasion of tax, physical verification of a specific conveyance can also be carried out by any other officer after obtaining necessary approval of the Commissioner or an officer authorised by him in this behalf.

138C. Inspection and verification of goods. -(1) A summary report of every inspection of goods in transit shall be recorded online by the proper officer in **Part A** of **FORM GST EWB-03** within twenty four hours of inspection and the final report in **Part B** of **FORM GST EWB-03** shall be recorded within three days of such inspection.

(2) Where the physical verification of goods being transported on any conveyance has been done during transit at one place within the State or in any other State, no further physical verification of the said conveyance shall be carried out again in the State, unless a specific information relating to evasion of tax is made available subsequently.

138D. Facility for uploading information regarding detention of vehicle. -Where a vehicle has been intercepted and detained for a period exceeding thirty minutes, the transporter may upload the said information in FORM GST EWB-04 on the common portal.

Agenda Item 7(ii): Reduction of late fee in case of delayed filing of FORM GSTR-1, GSTR-5, GSTR-5A and GSTR-6

The Law Committee, in its meeting held on 04 and 05 January, 2018, has recommended that the late fee payable by any registered person for failure to furnish the details of outward supplies in **FORM GSTR-1**, to furnish the return in **FORM GSTR-5 and GSTR-5A** by non-resident taxable person and by supplier of OIDAR services respectively, be reduced and made on par with the late fee payable in case of delayed filing of the return in **FORM GSTR-3B** in terms of notification No. 64/2017-Central Tax dated 15.11.2017 and the return in **FORM GSTR-4** prescribed vide notification No. 73/2017-Central Tax dated 29.12.2017.

2. Accordingly, it is proposed to reduce the late fee to fifty rupees per day (twenty five rupees per day under the CGST Act, 2017 and twenty five rupees per day under the respective SGST Act) while in case the amount of central tax payable is nil, the late fee may be reduced to twenty rupees per day (ten rupees per day under the CGST Act and ten rupees per day under the respective SGST Act) during the period the failure continues in case of return in **FORM GSTR-5 and GSTR-5A**. In case of **FORM GSTR-1**, it is proposed to reduce the late fee to fifty rupees per day (twenty five rupees per day under the CGST Act, 2017 and twenty five rupees per day under the respective SGST Act) while in case there are no outward supplies in any month/quarter, the late fee may be reduced to twenty rupees per day (ten rupees per day under the CGST Act and ten rupees per day under the respective SGST Act) during the period the failure continues.

3. It is also proposed that the late fee payable for delayed filing of the return in **FORM GSTR-6** by Input Service Distributor be reduced to fifty rupees per day (twenty five rupees per day under the CGST Act, 2017 and twenty five rupees per day under the respective SGST Act).

4. *Pari materia* reduction would be required under the SGST / UTGST Acts except for the return in **FORM GSTR-5A**.

5. The GST Council may approve the reduction of late fee in filing the return in **FORM GSTR-5, GSTR-5A and GSTR-6** and the details of outward supplies in **FORM GSTR-1** as detailed in para 2 and 3 above.

Agenda Item 7(iii): Extension of date for filing the return in FORM GSTR-6

On the basis of the request received from GSTN, the Law Committee in its meetings held on 4 and 5 January, 2018 recommended extending the due date for filing the return in **FORM GSTR-6** by an Input Service Distributor for the months of July, 2017 to February, 2018 till 31 March, 2018 as the offline utility can be provided by GSTN only by 31 January, 2018.

2. Whereas, the date for filing **FORM GSTR-6** for the month of July, 2017 was extended till 31 December, 2017 vide notification No. 62/2017-Central Tax dated 15.11.2017 while the due dates for the remaining months is yet to be notified.

3. Accordingly, the GST Council may approve extending the due date for filing the return in **FORM GSTR-6** by an Input Service Distributor for the months of July, 2017 to February, 2018 till 31 March, 2018.

Agenda Item 7(iv): Amending notification No. 4/2017-Central Tax dated 19.06.2017 for notifying e-way bill website

Whereas, notification No. 4/2017-Central Tax dated 19.06.2017 notifies www.gst.gov.in as the Common Goods and Services Tax Electronic Portal for facilitating registration, payment of tax, furnishing of returns, computation and settlement of integrated tax and electronic way bill.

2. However, since NIC has developed the online module for e-way bills which shall come into force on a trial basis w.e.f 16.01.2018 and on compulsory basis w.e.f. 01.02.2018, it is proposed to amend the said notification and notify www.ewaybillgst.gov.in as the Common Goods and Services Tax Electronic Portal for furnishing the electronic way bill.

3. Accordingly, the GST Council may approve the amendment to notification No. 4/2017-Central Tax dated 19.06.2017 as detailed in para 2 above.

Agenda Item 7(v): Amending notification No. 39/2017-Central Tax and notification No. 11/2017-Integrated Tax both dated 13.10.2017

In light of the changes made in rule 96 of the CGST Rules, 2017 vide notification No. 75/2017-Central Tax dated 29.12.2017 by which the heading of the said rule was amended so as to include the refund of integrated tax paid on export of services as well and further proposed amendment for bringing in a new sub-rule (3A) for the refund of integrated tax paid on export of services, it is proposed to amend notification No. 39/2017-Central Tax and notification No. 11/2017-Integrated Tax both dated 13.10.2017 which cross empower the State tax officers for processing and grant of refund. The said notifications specify that the officers appointed under the respective State Goods and Services Tax Act, 2017 or the Union Territory Goods and Service Tax Act, 2017 who are authorized to be the proper officers for the purposes of section 54 or section 55 of the said Acts by the Commissioner of the said Acts, shall act as proper officers for the purpose of sanction of refund under section 54 or section 55 of the CGST Act read with the rules made thereunder except rule 96 of the Central Goods and Services Tax Rules, 2017.

2. Since rule 96 has been amended / proposed to be further amended to include refund of integrated tax paid on export of services besides goods, it is proposed to amend notification No. 39/2017-Central Tax and notification No. 11/2017-Integrated Tax both dated 13.10.2017 by stating that the cross-empowerment shall be for the purpose of sanction of refund under section 54 or section 55 of the CGST Act read with the rules made thereunder except rule 96 but including sub-rule (3A) of the said rule of the Central Goods and Services Tax Rules, 2017.

3. The GST Council may approve amending notification No. 39/2017-Central Tax and notification No. 11/2017-Integrated Tax both dated 13.10.2017 as detailed in para 2 above.

Agenda Item 8: Recommendations of the Committee on Handicrafts

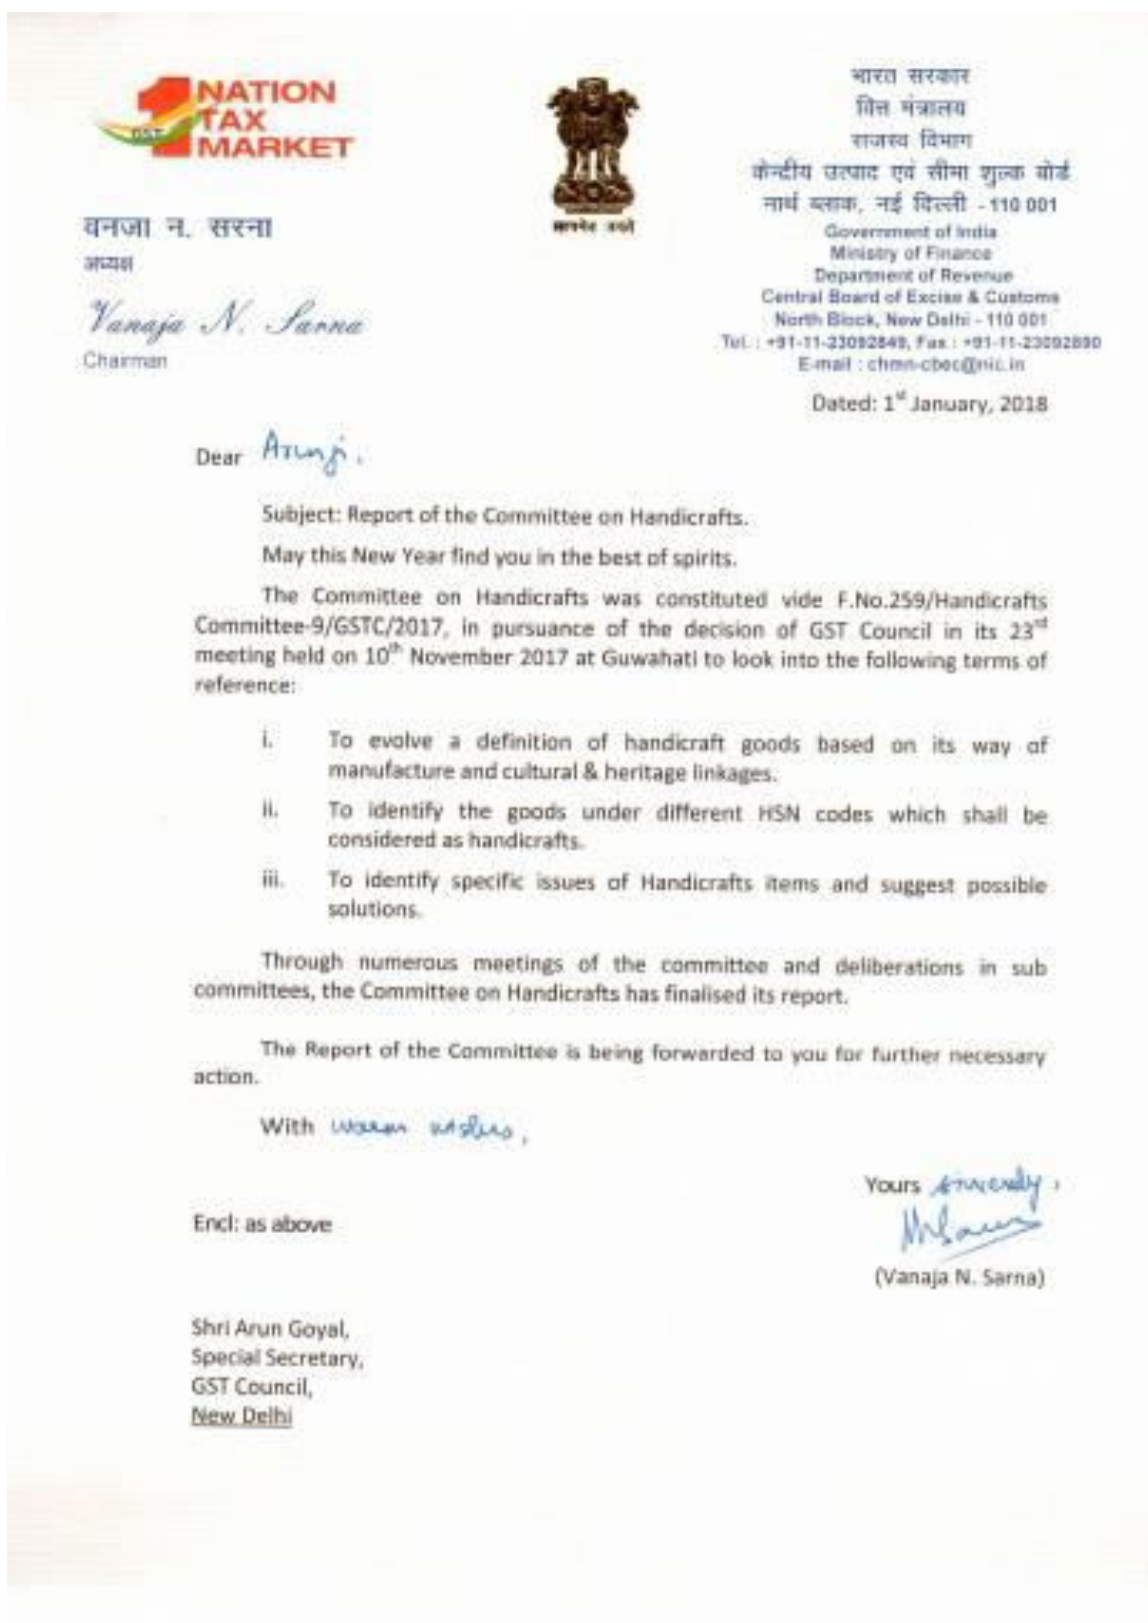

The issue of giving concession in GST rates to handicraft items had been discussed in the GST Council meetings. In the 22nd GST Council Meeting, held on 6 October 2017 at New Delhi, certain concessions were extended to handicrafts items. In the 23rd GST Council Meeting, held on 10 November 2017 at Guwahati, there was an extensive discussion on handicraft items in the context of a proposal from the State of Karnataka for giving tax concession to specified handmade articles, when sold through certain distribution channels/self-help groups. Consequent to these discussions a Committee on Handicrafts was constituted, under the chairmanship of Chairman CBEC, with the following terms of reference

- a) *To evolve a definition of handicraft goods based on its way of manufacture and cultural and heritage linkages*
- b) *To identify the goods under different HSN Codes which shall be considered as handicrafts*
- c) *To identify specific issues of handicrafts sector and suggest possible solutions.*

2. The Committee submitted its final report on 01 January, 2018. The report of the Committee on Handicrafts is at **Annexure 1**. The report elaborated the issues relating to the three terms of reference in the following manner:

- (I) **To evolve a definition of handicraft goods:** The Committee, after taking into account all aspects, has recommended the definition of handicraft as follows:
“Handicrafts are goods predominantly made by hand even though some tools or machinery may also have been used in the process; such goods are graced with visual appeal in the nature of ornamentation or in-lay work or some similar work of a substantial nature; possess distinctive features, which can be aesthetic, artistic, ethnic or culturally attached and are amply different from mechanically produced goods of similar utility.”
 - (II) **To identify the HSN codes for handicrafts:** The Committee invited suggestion from all the States. After detailed deliberations, the Committee has recommended for inclusion of a total of 40 HSN codes in the list of Handicraft as contained in Table 3 of the Report of the Committee on Handicrafts. This list also mentions certain handicrafts as recommended by the States.
 - (III) **To identify specific issues of Handicraft items and suggest possible solutions:** The Committee deliberated upon various issues which are of concern to the handicrafts sector. The more prominent amongst these were issues related to the rate of GST on handicrafts, issues relating to drawback on various handicrafts exported from India, amongst others. On deliberation, it was found that other Committees have been more specifically tasked with looking into these matters. Therefore, it was thought fit that such matters be referred to the respective Committees.
3. The report and the following recommendations of the Committee on Handicrafts is placed before the GST Council for its consideration and approval:
- i. Definition of ‘handicrafts’;
 - ii. List of handicrafts (along with HSN) as recommended by the Committee;
 - iii. Issues identified by the Committee for referring to the respective Committees.

Preface

Handicrafts, as generally understood, are unique expressions of a particular culture, tradition or community through local craftsmanship and materials. With its rich heritage and cultural diversity, India has a much diversified and decentralised handicraft sector. Handicrafts are major items of exports. It contributes significantly to employment in the unorganised household sector, thus being an important tool for inclusive growth. In the last few decades there has been tremendous growth in handicrafts. The production of handicrafts has quadrupled since the year 2001-02, from about Rs 12,000 crore to about Rs 50,000 crore. During the same period exports have grown from a modest Rs 7,000 crore to above Rs 30,000 crore.

2. Against the above background, the handicrafts sector has been an area of priority. The Central Government and the State Governments are taking several steps to promote handicrafts including through the fiscal policy route. In the pre-GST regime handicrafts were exempt from central excise duty and States had also given exemptions to handicrafts with threshold value in certain cases, e.g., handicraft items having a value Rs 1000 per item. The issue of concessions in GST rates to the handicraft and handmade sector has been debated on several occasions in the GST Council. However, it has been found challenging to define the scope of handicrafts and the coverage of concession and quantum of concession. Any concession that is exclusive for handicraft will have subjectivity requiring case to case determination of handicrafts which may give rise to increased interface between the taxpayer and the tax administration.

Discussions on handicrafts in the GST Council

The issue of giving concession in GST rates to handicrafts has been discussed in the GST Council meetings on several occasions. In all these deliberations, it was realised that classification of handicrafts, in the context of GST rates, is difficult. Handicrafts as such are not classifiable under any particular HS Code and generally get classified under different HS Codes depending on the material they are made of. For example, handicrafts made of copper get classified as articles of copper under chapter 74 and handicrafts made of wood get classified under chapter 44. Keeping in view these aspects, an agenda note with a different approach was placed before the GST Council in its 22nd meeting. In this approach it was felt that one possible way to resolve the issue of GST rates on handicrafts could be to consider general lower rate for goods which are largely made by hand and thus constitute important segments of the Indian handicraft sectors. It was felt that this approach would obviate any need to define handicraft, per-se. In this paper, all the items listed by the office of the Development Commissioner (Handicrafts) on their web-site were examined. On approval by the GST Council, the GST rates were reduced as detailed below,

-

Table 1

S. No.	Description	From	To
1	Table & kitchenware etc. of wood	18%	12%
2	Paper mache articles	18%	12%
3	Statues, statuettes, figures of animals; bowls, vases, and similar other work of stone, other ornamental goods essentially of stone	28%	12%
4	Pots and jars of ceramic	18%	12%
5	Tableware, kitchenware, other article of clay, porcelain or china	18%	12%
6	Statues and other ornamental articles of clay, porcelain, china	18%	12%
7	Glass statues	18%	12%
8	Bells, gongs, statuettes photograph, picture or similar frames and other ornaments, of base metal; Metal bidriware	18%	12%
9	Worked ivory, bone, tortoise-shell, horn, antlers, coral, mother-of-pearl and other animal carving material etc	18%	12%
10	Bamboo and Cane/Rattan furniture	28/18%	18% [Now at 12%]

3.1 Further, on careful examination and keeping the view the pre and post GST incidence, no change was recommended in the rates of the following items:

Table 2

S. No.	GST rate	Suggested GST rates
1	Saddlery, harness, trunks, suitcases, vanity cases, and other cases	28% [Now at 18%]
2	Boxes, inlay work, cases, casks etc. of wood	12%
3	Carved wood products	12%

12	Theatre costumes	5%/12%
13	Coir mats, Coir products	5%/12%
14	Leather footwear	5%/18%
15	Jewellery	3%
16	Filigree and silver ware	3%
17	Metal table and kitchen ware	12%
18	Indigenous handmade musical instruments	Nil
19	Dolls & toys	12%
20	Handmade paintings and drawings	12%

In the 23rd meeting of the Council, the issue of giving concessions to handmade articles, when sold through certain distribution channels/self-help groups and handicrafts came up for discussion in the context of a proposal from Karnataka to exempt specified hand made goods in certain cases. The Fitment Committee had earlier examined the List provided by Karnataka but could not come to any conclusion as it was felt that any such exemptions would be wide in scope and

prone to misuse., A catena of averments were made in the meeting of the GST council relating to non-machine made/handicraft, handmade items. The Minister from Karnataka stated that in India, the capacity of formal sector of the economy to generate jobs was limited and a lot of jobs were created in the informal sector. He added that many families depended on handicrafts and handmade items and exempting these goods would give a tremendous boost to the livelihood support of a large number of people. He observed that even if handmade goods did not have separate HS classification, they should not be denied tax exemption as this would help a large number of families across the country. The suggestions of the Minister of Karnataka were supported by the Minister from Kerala. He gave the example of glazed pots which were taxable which were an important handicraft item and should have been exempted. He also suggested to exempt from tax goods like handmade tampons, sanitary napkins and diapers. The issue was further raised by the Minister from Jammu & Kashmir, who stated that tax on handicrafts was connected to the issue of culture and heritage and suggested that a Group could be created to look into the definitional issues connected with handicrafts. The Deputy Chief Minister of Delhi supported the proposal to constitute a Committee to examine the issue of goods related to culture and heritage, livelihood and jobs. The Minister from Assam supported the examination of such goods in an institutional way. The Chief Minister of Puducherry observed that handloom and handicraft sectors were labour intensive. He stated that the argument that it was not possible to distinguish between handmade and machine-made goods was not a sufficient reason to brush aside the issue of prescribing a lower tax on handmade goods. He observed that a lot of families depended upon such crafts. He suggested

that this issue should be examined thoroughly to work out a solution as to how to distinguish between handmade and machine-made goods.

Consequent to these observations, it was suggested that a Committee be constituted under the chairmanship of the Chairman, CBEC, which may consist of representatives from four to five States which had a large population dependent upon handicrafts sector or where the handicrafts sector was very strong to examine the definition of handicraft goods based on its method of manufacture and cultural & heritage linkages and to look into specific issues of handicraft items and suggest possible solutions. It was suggested that some States like Jammu & Kashmir, Odisha, Tamil Nadu and some States from North-East could be made members of this Committee.

In pursuance of the above decision of the 23rd GST Council, a Committee on Handicrafts was constituted, under the chairmanship of Chairman CBEC, with the following terms of reference

- a) To evolve a definition of handicraft goods based on its way of manufacture and cultural and heritage linkages*
- b) To identify the goods under different HSN Codes which shall be considered as handicrafts*
- c) To identify specific issues of handicrafts sector and suggest possible solutions.*

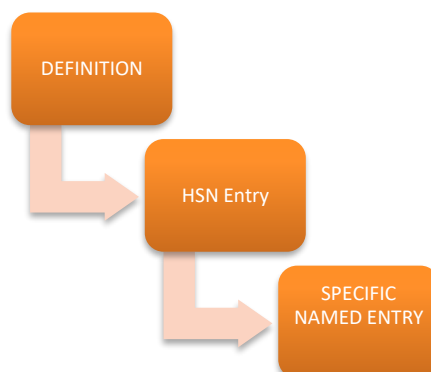

The committee, after deliberating the above issues; hereby submits the report of its findings on the 31st December, 2017.

Definition of handicrafts

Repeated attempts have been made to define handicrafts, by various national and international organizations. However, given the widespread nature of handicraft goods products, along with major crossovers of both mechanised goods into handicraft items and vice versa, it is rather difficult to define handicrafts using a single definition. Further, even if a definition is arrived at, it leaves ample scope for subjectivity. Therefore, identification or classification of handicrafts merely based on the definition for the purposes of tax, may not be feasible as any such classification would be prone to litigation.

In view of the above, the Committee, has adopted a three-pronged approach to defining handicrafts. Firstly, a definition of widespread amplitude with objective elements shall delineate handicraft goods. Further, the HSN classification shall name specific goods which such definition shall qualify, and finally, such goods which cannot be covered through the above method, shall be named specifically.

Diagrammatic representation of the process of identifying handicrafts

 Further it was felt that in case of differential rates for handicrafts, the benefit could be restricted to the distribution channels consisting of

artisans, and the self-help groups, specified agencies like TRIFED, State Emporia etc

Evolving a definition of handicraft goods based on its way of manufacture and cultural and heritage linkages

The first step towards delineating handicrafts from regular goods was to define them in a manner which would distinguish them amply from regular, machine made goods lacking the essential characteristics of handicrafts, without unduly restricting the scope of such items. While most people would instantly be able to understand the term handicraft, its delineation for the purposes of precise definition has proven to be elusive. Given the attempt of both the centre and state governments to promote and encourage handicrafts, through export facilitation, market development and skill impartation, it becomes imperative that they be treated somewhat leniently for the purposes of taxation. Though the intent is clear, it has proven to be a constant problem to chalk out the contours of what handicrafts mean. Various definitions of handicrafts can be a good starting point to attempt the same. Merriam Webster dictionary defines handicrafts to be *“Articles fashioned by those engaged in manual skill”*. Cambridge dictionary defines handicrafts to mean *“A skilled activity in which something is made in a traditional way with the hands rather than being produced by machines in a factory, or an object made by such an activity”*. A further definition is provided by Collins dictionary, which defines handicrafts as *“the objects that are produced by activities which involve making things with your hands in a skilful way”*. [These are definitions of handicraft as countable nouns as opposed to handicraft as a verb].

After taking a look at these definitions, which essentially are indicative, but insufficiently enumerated definitions, a further look may be taken of definitions which are more nuanced and descriptive. Encyclopaedia Britannica defines handicrafts to be

“handicraft is an occupation of making by hand usable products graded with visual appeal. Handicrafts encompass activities that require a broad range of skills and equipment, including needle work, lace-making, weaving, printed textiles, decoration, basketry, pottery, ornamental metal working, jewellery, leather working, wood working, glassblowing, and the making of the stained glass.”

Further, UNESCO, in a highly elaborate definition, defined handicrafts as:

“Artisanal products are those which are produced by artisans, either completely by hand, or with the help of hand tools or even mechanical means, as long as the direct manual contribution of the artisan remains the most substantial component of the finished product. These are produced without restrictions in terms of quantity and using raw materials from sustainable resources. The special nature of artisanal products derives from their distinctive features, which can be utilitarian, aesthetic, artistic, creative, culturally attached, decorative, functional, traditional, religiously and socially symbolic and significant”

The Export Promotion Council of Handicrafts attempted to define handicrafts as:

“Handicrafts may be defined as items or products through skills that are manual, with or without mechanical or electrical or other processes which appeal to the eye, due to characteristics of being artistic or aesthetic or creative or ethnic or being representative of cultural or religious or social symbols or practices, whether traditional or

contemporary. These items or products may or may not have a functional utility or can be used as a decorative item or gift”.

Lastly, before an attempt is made to define handicrafts for the present purpose, it would be beneficial to look at the pronouncement of the Supreme Court in the matter of *Collector of Central Excise, New Delhi Vs Louis Shoppe*. The question before the Court was as to whether wooden furniture by itself can be treated as "handicrafts" within the meaning of notification No. 76 of 1986-CE. The Court observed that it must be said straightaway that furniture as such does not qualify as handicrafts. It may be characterised as "handicrafts" if the following tests are satisfied:

“(1) It must be predominantly made by hand. It does not matter if some machinery is also used in the process.

(2) It must be graced with visual appeal in the nature of ornamentation or in-lay work or some similar work lending it an element of artistic improvement. Such ornamentation must be of a substantial nature and not a mere pretence.”

Further, in the case of *Padmini Products Vs Collector of Central Excise* [1989 (43) ELT 195 (SC)], the Hon'ble Supreme Court upheld the view that it was difficult to accept that items in question (agarbatties) were handicrafts merely because some authorities [letter of Deputy Director, All India Handicrafts Board, certifying that the agarbatties were the products of the Indian Handicrafts Board, Ministry of Commerce] have chosen to treat them as handicrafts.

The present attempt at defining handicrafts is to ensure targeted relief to the handicrafts sector to make it more competitive and encourage its development. While attempting this definition, the essential elements which must guide our approach are:

- i. Avoiding undue spill over of the definition to unintended goods.
- ii. Ensuring as exhaustive a coverage as possible of intended goods.
- iii. Reducing the possibility of subjective interpretation.
- iv. Avoiding the unquantifiable/subjective elements in the definition.
- v. The definition essentially be guided by the principles laid down by the Hon'ble Supreme Court in the case of Louis Shoppe for qualification of goods as handicraft.

Keeping the above guiding principles in mind, we may now look at the elements which need to be covered in the definition. The primary element which should be considered could be the extent of hand/manual work. If the primary value addition is done through manual work, only then should the items fall within the definition of handicrafts. Other than this, the use of machines must be only as an aid to the core manual activity, and it should not be the primary or distinguishing feature of the items being produced. One of the problems cited by the handicraft sector is that the tax regime does not distinguish between handmade and machine-made goods, thus putting the handmade goods at a disadvantage. This is a genuine concern. In this context it was felt that the definition should recognise this aspect that handicrafts have significant departure from similar goods produced using machines alone and the manual work should not be merely ornamental or superficial but must form the very defining feature of such goods. An important indicator of the same

could be the lack of complete uniformity of goods being produced since handicraft goods involve a significant degree of variation among a number of goods of the same type produced. Further, there should be a cultural/aesthetic/traditional appeal to such goods apart from mere utilitarian value, which may or may not be present.

As may be observed from the above, including all the above elements in a definition while attempting to keep it objective might not meet with success since many elements of handicrafts are essentially matters of degree. For instance, 'predominant use of hand' while a sufficient pointer of intent, would fall short of the precision required in a taxing statute. Therefore, a more appropriate approach would be to have a definition of less width, followed by an enumerative list which would include those items which may or may not fall within the definition. Such an approach would be meeting the above stated objectives of avoiding both the problems of over and under inclusion and proper targeting. Keeping the above objectives in mind, the following definitions were considered:

- a) *"Handicrafts are goods involving production through processes wherein predominant value addition is done by manual work; involving significant elements of aesthetic/traditional/cultural value and graced with visual appeal in the form of ornamentation or in-lay or some similar work of a substantial nature, having ample variance from goods of similar utility produced mechanically."*
- b) *"Handicrafts are goods predominantly made by hand even though some tools or machinery may also have been used in the process; such goods are graced with*

visual appeal in the nature of ornamentation or in-lay work or some similar work of a substantial nature and possess distinctive features, which can be aesthetic, artistic, creative, ethnic, culturally attached or decorative.”

- c) *“Handicrafts are goods having aesthetic/artistic/creative/ethnic/traditional/cultural value or decorative, graced with visual appeal in the nature of ornamentation or in-lay work or some similar work of a substantial nature, where such work has been done predominantly by hand, even though some tools or machinery may also have been used in the process.”*

After due consideration and deliberation, the definition which was found to be acceptable through consensus was:

“Handicrafts are goods predominantly made by hand even though some tools or machinery may also have been used in the process; such goods are graced with visual appeal in the nature of ornamentation or in-lay work or some similar work of a substantial nature; possess distinctive features, which can be aesthetic, artistic, ethnic or culturally attached and are amply different from mechanically produced goods of similar utility”

Identifying HSN Codes for handicrafts

The second term of reference for the Committee pertains to identification of handicraft items which shall be considered as handicrafts. Harmonised System of Nomenclature (HSN) is a multipurpose international product nomenclature developed by the World Customs Organization (WCO). It comprises about 5,000 commodity groups; each identified by a six-digit code, arranged in a legal and logical structure and supported by well-defined rules to achieve uniform classification.

The HSN, while a particularly useful tool for classification of almost all traded goods, presents a peculiar problem in dealing with handicrafts. Given the fact that goods, both handicraft and mechanically produced goods may have similar utility and similar trade nomenclature, make it very difficult to delineate entries which are exclusively handicraft.

Thus, the essential requirement is to find HSN entries which are either exclusively handicraft, or Handicraft in certain limited cases, or exclusive products not classified as handicrafts but named so. To arrive at the above delineations, an approach of proceeding from broad to narrow was adopted by the committee. To begin with, a list of all possible handicrafts was taken from the Development Commissioner (Handicrafts). This list was of widest possible amplitude. It was circulated to all the committee members and all the States. Their comments were sought on the entries. Comments/recommendations were received from several States. Essentially, most of the States suggested the items that merited inclusion in the Handicraft List. Besides, certain references for the

Fitment Committee covers handicrafts items. These include references from Ministry of Textiles, Handicrafts Export Promotion Council, Handicrafts Association, and exporters. After going through all the suggestions/requests, the committee undertook the task of rationalizing (and inclusion of certain items in the List) the list in view of the comments. To achieve the same, the following steps were taken:

- I. Inclusions of suggestions in existing classifications
- II. Addition of specific named handicrafts

After rationalizing the list thus, the following list was agreed upon and arrived at:

HSN Codes for Handicraft items

TABLE 3

S.No	Heading	Item
1	3406	Handcrafted candles
2	420222/29/3110/90 /420232/39	Handbags including pouches and purses; jewellery box
3	44140000	Wooden frames for painting, photographs, mirrors or similar objects
4	4416, 44219990	Carved wood products, art ware/decorative articles of wood (including inlay work, casks, barrel, vats)
5	4420	Statuettes & other ornaments of wood, wood marquetry & inlaid, jewellery box, wood lathe and lacquer work [<i>including lathe and lacquer work, ambadi sisal craft</i>]
6	45039090/ 450490	Art ware of cork [<i>including articles of sholapith</i>]
7	4601 and 4602	Mats, matting and screens of vegetable material, basketwork, wickerwork and other articles, of vegetable materials or other plaiting material, articles of loofah (<i>including of bamboo, rattan, canes and other natural fibres, dry flowers (naturally dried), articles thereof,</i>

		<i>ringal, raambaan article, shola items, Kouna/chumthang (water reeds) crafts, articles of Water hyacinth, korai mat]</i>
8	4823	Articles made of paper mache
9	5607, 5609	Coir articles
10	57	Handmade carpets and other handmade textile floor coverings (including namda/gabba)
11	58043000	Handmade lace
12	5805	Hand-woven tapestries
13	580810	Hand-made braids and ornamental trimming in the piece
14	5810	Embroidery in the piece, in strips/in motifs
15	6117, 6214	Handmade/hand embroidered shawls
16	64032040	Kolhapuri chappals and similar footwear [<i>ladhaki shoes</i>]
17	6404 19 90	Footwear with uppers of jute textile material
18	6802	Carved stone products (e.g., statues, statuettes, figures of animals, writing sets, ashtray, candle stand)
19	68159990	Stone art ware, stone inlay work
20	69120010/20, 69120040	Tableware and kitchenware of clay and terracotta, other clay articles
21	69139000	Statuettes and other ornamental ceramic articles (<i>including blue potteries</i>)
22	70099200	Ornamental framed mirrors
23	701810	Bangles, beads and small ware
24	70189010	Glass statues
25	70200090	Glass art ware [including pots, jars, votive, cask, cake cover, tulip bottle, vase]
26	71131110	Silver filigree work
27	7117	Handmade imitation jewellery (<i>including natural seeds, beads jewelry, cardamom garland</i>)

28	7326 90 99	Art ware of iron
29	741999	Art ware of brass, copper/copper alloys, electro plated nickel/silver
30	7616 99 90	Aluminium art ware
31	8306	Bells, gongs and like, non-electric, of base metal; statuettes, and other ornaments, of base metal; photograph, picture or similar frames, of base metal; mirrors of base metal; <i>(including Bidriware, Pnachloga artware, idol, Swamimalai bronze icons, dhokra jaali)</i>
32	92	<i>Dhol, damau, ransingha, jhanj, taal [for addition to the list of exempted handmade musical instruments]</i>
33	940150,940380	Furniture of bamboo, rattan and cane
34	940510	Handcrafted lamps <i>(including panchloga lamp)</i>
35	9503	Dolls or other toys made of wood or metal or textile material <i>[including wooden toys of sawantwadi, Channapatna toys, Thanjavur doll]</i>
36	9601	Worked articles of ivory, bone, tortoise shell, horn, antlers, coral, mother of pearl, seashell other animal carving material
37	9602	Worked vegetable or mineral carving, articles thereof, articles of wax, of stearin, of natural gums or natural resins or of modelling pastes etc, <i>(including articles of lac, shellac)</i>
38	9701	Hand paintings drawings and pastels <i>(incl Mysore painting, Rajasthan painting, Tanjore painting, Palm leaf painting etc)</i>
39	9703	Original sculptures and statuary, in metal, stone or any other material
40	Others (Misc)	Gamocha; Pasoli; Ganjifa card, (heading 9504)

The Committee, while finalising the list of handicraft items, had detailed discussions on each item and class of products. Certain items, like dresses or sarees have not been recommended for inclusion in handicraft for the reasons that these are already at concessional rate; giving further differential treatment may not be feasible; and in general, not considered as handicraft items from the policy point of view. However, as an exception, handmade/hand embroidered shawls have been recommended for inclusion as they are traditionally on different pedestal as compared to other dresses and in a majority of the cases have ingredients of handicraft. Certain items like utensils, tableware and kitchenware were not recommended as these are general utility items, and even if in certain cases they are made of hand, they would not qualify as handicraft in terms of the definition. An exception made here is for table and kitchenware of clay and terracotta because of their traditional, cultural and aesthetic value (being mostly decorative). While bamboo and cane furniture has been recommended for inclusion because of their traditional and cultural value, the Committee has not recommended other wooden furniture in the handicraft list as it was felt that any differential treatment to other furniture would lead to misuse. As such, furniture is a mass consumption item, and in most of the cases made largely by machine with only a certain work may be carried out by hand (not a pre-dominant value add). It was also felt that in general, leather bags, cases are not handicraft, however certain handbags, pouches and jewellery boxes made of other materials like textile material etc., may qualify as handicraft if they satisfy the ingredients of the definition of handicrafts.

While the issue of defining handicrafts has been addressed *in extenso* through this committee, the issue of handmade products that do not fall in the category of handicrafts, raised by Karnataka in the first instance, would remain partially unaddressed. A large number of items in the list of handmade items provided by Karnataka are either at nil or 5%. Further a large number of items are covered in the list of handicrafts being proposed by the Committee. However, certain items like handmade butter, cheese, vegetable oils, ice-cream, food mixes, pickles, jams, sauces, biscuits, home furnishing, tanning and dyeing extracts, colours, pigments, handmade sanitary towels, tampons, sanitary napkins, clinical diapers, staple fibres, knitted or crocheted fabric, essential oils or resinoids, toilet and washing preparations, soap, paper, carton, packing material, note books, registers, envelopes, letter cards, plain postcards, umbrellas, walking sticks, article of feather, pencils, crayon, pastels attract rates of 12% or 18%. The Committee felt that as it has not been mandated to go into the rates, it would not be feasible to make any recommendation in this regard. Further the Committee felt that the list of handmade items, as provided by Karnataka, is quite wide, and it contains a whole lot of items which are also largely mechanically produced and in large quantity, yield significant revenue and are generally not distinguishable from mechanically produced goods. Therefore, any differential rate treatment for such handmade goods without adequate safeguards would be prone to misuse and would lead to litigation. However, the Committee felt that one possible way could be to treat particular handmade products that are produced and marketed exclusively by specified societies and their federations/self-help groups on a different pedestal.

Products like handmade paper, handmade envelopes, letter cards, postcards, handmade boxes, pouches and wallets, handmade agarbattis, handmade fabric, handmade bed sheets could be considered in this category.

Specific issues of handicrafts sector

The third terms of reference of the Committee is to identify specific issues of the handicrafts sector and possible solutions thereto. In this context the Committee invited inputs from all the States. No issue has been reported by any State except as regards inclusion of items in the handicraft list. Therefore, the issues identified below are as raised earlier or as received by the Central Government. The issues raised by the handicraft sector, in the context of GST, including relating to its impact on the exports of handicrafts are as follows.

- a) Prior to GST, there were two All Industry Rates (AIRs) of duty drawback on exports. The higher rate rebated Customs duties, Central Excise duties and Service tax on inputs or input services used in the manufacture of export goods subject to the condition that no input credit i.e. CENVAT credit was claimed. The lower rate rebated Customs duties on inputs and Central excise duty on fuel for generation of captive power, used in the manufacture of export goods. In the post GST era, as Central Excise duties and Service Tax have got subsumed in GST, for which full input tax credit is available, only the aforesaid lower rates have been continued. The handicraft sector, such as handmade carpets manufacturer have requested to restore the integrated drawback rate in GST regime, i.e., drawback in lieu of basic customs duty and the GST on inputs to address the concern relating to working capital requirements due to delay in refund of GST to exporters. The duty drawback should be allowed as an option at two rates viz. lower rate of drawback when ITC is availed and higher rate when ITC is not availed on the same lines as was available earlier.

- b) GST rate for job work in the handicrafts sector may be reduced to 5%
- c) Payment of GST first and refund later has increased the working capital requirement and interest cost for exporters.
- d) In GST regime, the handicraft items are taxed at higher rates.
- e) Participation in B2B fairs be exempted from GST.
- f) The services rendered by buying agents should be treated as export of services in GST where commission is received in foreign exchange.
- g) If the exporter takes an order from an overseas buyer on CIF value, he has to pay the cost of insurance and freight.
- h) The freight charges are taxable @ 18% in GST regime. As a result, CIF transactions have become costlier than FoB exports.
- i) An exporter may be allowed to claim the transition credit equivalent to 40%/60%, on deemed basis even in cases where no documents of purchase are available.
- j) The Commissioner has the power to waive the bank guarantee in case the exporter is registered with Export Promotion Council and submits a self-attested copy of RCMC. Self-attested copy of RCMC should be considered in lieu of bank guarantee.
- k) Limited utilization of duty credit scrips for payment of BCD only has reduced its value. Usage of scrips may be allowed for payment of IGST also.
- l) IGST on import of embellishments, trimmings, tools and consumable should also be exempted for the handicrafts sector.

- m) If import duties are paid on the inputs used by an EOU in the products cleared in DTA, the value of such goods should be excluded for calculation of NFE.
- n) Embedded GST on purchases from unregistered dealers which is not rebated under GST.

The Committee examined each of these issues. Most of the issues are general and concern various export sectors. All these issues, such as integrated drawback rates, exemption on procurement side to exporters, cash flow issues, delayed refunds, taxability of intermediaries, and export freight, etc. have been and are being examined and addressed by various other Committees and thus the Committee felt that no separate recommendation should be made by it. The issues that are of specific concern to handicrafts sector are (b), (d) and (l). These relate to GST rates for which the Committee observed that these have been examined on several occasions in the GST Council, and as stated in the first part, significant reduction in GST rates has been done in respect of certain handicraft items. A significant number of handicraft items are already at nil or lower rate of 5% (Table 1 and Table 2). However, this Committee has not been mandated to examine GST rates on handicrafts. The GST Council, if it considers appropriate, may direct the Fitment Committee to have a fresh look at the GST rates on handicrafts, taking into account the recommendation of this Committee as regards classification of handicraft items, as may be approved by the Council.

As regards the rate on job work for handicrafts, a concessional rate of 5% has been prescribed vide notification No. 32/2017- (Central Tax). The list in the said notification does not cover certain items which have now been identified by this Committee. On approval of the recommendations in the List prepared by this

Committee, the Fitment Committee may review the notification No. 32/2017-(Central Tax) appropriately.

As regards the issue of exemption from IGST on import of embellishments, trimmings, tools and consumables for the handicrafts sector, the Committee observed that this issue is already under consideration by the Export Committee.

All other issues as mentioned above, may be examined by the respective Committees for which references can be sent by this Committee to the appropriate Committee

Appendix-1

F. No.259/ Handicrafts Committee-9/GSTC/2017 GST Council Secretariat

20 November, 2017, New Delhi

OFFICE MEMORANDUM

Subject: Constitution of 'Committee on Handicrafts' to look into definition of handicraft goods in GST regime.

In pursuance of the decision of the 23rd GST Council Meeting held on 10 November 2017 at Guwahati, a 'Committee on Handicrafts' to look into GST definition of handicraft goods is hereby constituted with the following members:

- i. Smt. Vanaja N. Sarna, Chairman, CBEC (**Convener**)
 - ii. Shri P. K. Mohanty, (Advisor (GST), CBEC)
 - iii. Shri Yogendra Garg, ADG (GST), CBEC
 - iv. Shri G. D. Lohani, OSD (TRU I)
 - v. Shri Ratnesh Kumar Jha, Addl. Development Commissioner (Handicrafts), Min. of Textiles
 - vi. Shri Anurag Goel, CCT, Assam
 - vii. Shri P. I. Khateeb, CCT, Jammu & Kashmir
 - viii. Shri M.S. Srikar, CCT, Karnataka
 - ix. Shri Saswat Mishra, CCT, Odisha
 - x. Shri Alok Gupta, CCT, Rajasthan
 - xi. Dr. C. Chandramouli, CCT, Tamil Nadu
 - xii. Dr. Brahmneet Kaur, CCT, Tripura
 - xiii. Shri Mukesh Kumar Meshram, CCT, Uttar Pradesh
 - xiv. Smt. Smaraki Mahapatra, CCT, West Bengal
 - xv. Shri Shashank Priya, JS, GST Council
2. The Terms of Reference of the 'Committee on Handicrafts' is:
- i. to evolve a definition of handicraft goods based on its way of manufacture and cultural & heritage linkages;
 - ii. to identify the goods under different HSN Codes which shall be considered as handicrafts;
 - iii. to identify specific issues of handicraft items and suggest possible solutions.
3. Convenor of the 'Committee on Handicrafts' may co-opt members from other States/CBEC, as required, in the committee as 'special invitees'.
4. Shri G. D. Lohani, OSD (TRU I), will be the Member Secretary of the 'Committee on Handicrafts'.
5. The 'Committee on Handicrafts Sector' shall complete its work and give the final recommendation to the Council by **29 December 2017**.
6. This issues with the approval of the Hon'ble Union Finance Minister and Chairperson GST Council.

(Arun Goyal)

Additional Secretary, GST Council

29/11/17

To:

1. The Members of the 'Committee on Handicrafts'.

Copy to: For Information

1. Secretary, GST Council;
2. PS to Hon'ble Union Finance Minister, Government of India, North Block, New Delhi;
3. PS to Hon'ble Minister of State (Finance), Government of India, North Block, New Delhi;
4. All States (through Nodal Officers).

Appendix-2

Agenda Note on handicrafts as considered in the 22nd Meeting of GST Council

Briefly, stated in Central Excise regime, handicrafts were exempted from the whole of the duty of excise, *vide* notification No. 76/1986-CE or notification No. 17/2011-CE. Articles of jewellery falling under heading 7113 were, however, excluded from this exemption, after imposition of excise on articles of jewellery in 2016.

2.1 However, central excise exemption for handicrafts had resulted in varying interpretation as to whether an item is a handicraft or not. Whether any particular article merits classification as ‘handicraft’ had been decided by the Hon’ble Supreme Court in the case of Collector of Central Excise, New Delhi Vs Louis Shoppe [12.03.1995], wherein the Hon’ble Apex Court had held that:

“It must be said straight away that furniture as such does not qualify as handicrafts. It may be characterised as “handicrafts” if the following tests are satisfied:

- (1) It must be **predominantly** made by hand. It does not matter if some machinery is also used in the process.*
- (2) It must be graced with visual appeal in the nature of ornamentation or in lay work or some similar work lending it an element of **artistic improvement**. Such ornamentation must be of **substantial** nature and not a mere pretence.*
- 3. Whenever the above question arises, the authorities shall examine the matter from the above stand-point and pass orders accordingly.*
- 4. The above principles shall apply to all pending matters and to all matter arising hereinafter.”*

2.2 Thus, an article made by hand as such **does not qualify as handicraft** and that whenever the question of treating an article by itself as handicraft arises, the authorities will have to examine whether in respect of such article work done by hand brings out an element of **artistic improvement and such ornamentation is of substantial nature and not a mere pretence**.

2.3 Further, **in the case of Padmini Products Vs Collector of Central Excise** [1989 (43) ELT 195 (SC)], the Hon’ble Supreme Court upheld the view that it was difficult to accept that items in question (*agarbatties*) were handicrafts merely because some authorities [letter of Deputy Director, All India Handicrafts Board, certifying that the *agarbatties* were the products of the Indian Handicrafts Board, Ministry of Commerce] have chosen to treat them as handicrafts.

2.4 Thus, central excise exemption for handicraft will always have subjectivity attached to it, requiring case to case assessment of facts, resulting in increased interface between the taxpayer and the tax administration, which would not be in synch with the proposed GST administration, which is envisaged to be a completely self-assessed tax.

2.5 In this context, it is worthwhile noting that, subsequent to imposition of excise duty on articles of jewellery in the Union Budget 2016-17, the industry did try to claim that **since most of the jewellery is made by hand it ought to be treated as handicraft and, thus, be eligible for general excise duty exemption for handicraft**. In this context, a WP was also filed before the Hon’ble Madras High Court by the Coimbatore Jewellery Manufacturers Association. It was on account of these claims that the Government had to exclude articles of jewellery from the purview of excise duty exemption for handicraft.

2.6 Moreover, handicrafts as such are not classifiable under any particular HS Code and generally get classified under different HS Code depending on the material they are made of. For example, handicrafts made of copper get classified as articles of copper under chapter 74 and handicrafts made of wood get classified under chapter 44. In GST some of these goods attract 28% GST.

2.7 This subjectivity involved in interpreting as to whether an article will qualify to be handicraft, resultant increased interface between tax administration and taxpayers and avoidable disputes make it equally difficult to prescribe a concessional GST rate for handicrafts per-se. However, the handicraft sector being one of the biggest employment provider wherein the sector generally having large in-house skill up gradation possibilities, there might be a justification for prescribing a somewhat general lower GST rate for items, which are largely made by hand, though without extending such a concession to handicrafts per-se.

3. In this context it is mentioned that, the website of the Development Commissioner, Handicrafts, under the Ministry of Textiles, Government of India [<http://handicrafts.nic.in>], lists out various categories of goods, which are also manufactured by the craftsmen across the country, apart from their mechanized production, if any. This list has been examined and categorised under different group and has been noticed that a general lower GST rate has been prescribed, on the following set of goods, irrespective of the fact whether they are handmade or machine made:

- a) Textiles/Carpet/handloom/Zari threads/textile hand printing.
- b) Metal table and kitchen ware (copper, brass ware)
- c) Folk paintings, madhubani, patchitra, Rajasthani miniature etc.
- d) Dolls & toys.

4. Therefore, one possible way to resolve the issue of GST rates on handicrafts may be to consider general lower rate for goods which are largely made by hand and thus constitute important segments of India handicraft sectors. This approach will obviate any need to define handicraft, per-se.

5. Accordingly, list of various categories handicrafts has been examined and Pre-GST, excise duty and VAT rates for these goods, present GST rates along with suggested GST rates on them are summarised as under:

S. No.	Handicraft Products.	Excise Duty rate	*VAT rate	GST rate	Suggested GST rates
1.	Leather articles (bags, purses, saddlery, harness, garments etc.) [4201, 4202, 4203]	12.5%	14.5% in general	Saddlery, harness, trunks, suitcases, vanity cases, executive cases, brief cases, binocular cases, camera cases, musical instrument cases and other similar cases, leather apparel and clothing - 28%	No change
2.	Carved wood products (boxes, inlay work, cases, casks etc.) [4415, 4416]	12.5%	5% in general	Boxes, inlay work, cases, casks etc. Of wood - 12%	No change
3.	Carved wood products (Table & kitchenware etc.) [4419]	12.5%	14.5% in general	Table & kitchenware etc. of wood - 18%	12%

4.	Carved wood products [4420]	12.5%	5%	1. Statuettes, animals, figures and other ornaments, 2. Panels of wood marquetry and inlaid wood small articles of cabinetwork (for example, caskets and jewel cases); 3. Small furnishing goods; 4. Decorative articles, coat or hat racks, clothes brush hangers, 5. Letter trays for office use, ashtrays, pen-trays and ink stands of wood - 12%	No change
5.	Wood turning and lacquer ware [4421]	12.5%	5%	1. Articles of wood manufactured by turning or by any other method, or of wood marquetry or inlaid wood – 12%	No change
6.	Bamboo products [decorative and utility items,] [46]	6%	NIL/5%	1. Goods, like bamboo/rattan mats, mattings, screens, basketwork, wickerwork - 12%	No change
7.	Grass, leaf and reed and fibre products, mats, pouches, wallets, [4601, 4602]	6%	5%	Grass, leaf and reed and fibre products mats, mattings, screens, basketwork, wickerwork - 12%	No change
8.	Paper mache articles [4823]	12.5%	5%/14.5 %	Paper mache articles [4823] – 18%	12%
9.	Textile (handloom products) [50, 58, 62, 63 etc.]	Nil (without ITC) / 6% (with ITC for 100% cotton) / 12.5% (with ITC for other than 100% cotton)	Nil/5%	5%/12%	No change
10.	Textiles hand printing [50, 52, 54]	Nil (without ITC) / 6% (with ITC for 100% cotton) / 12.5% (with ITC for other than 100% cotton)	5%, in general	5%/12%	No change
11.	Zari thread [5605]	12.5%	5%, in general	5%	No change

Agenda Item 9: Changes proposed to be made in the CGST Act, 2017, SGST Acts, the IGST Act, 2017 and the GST (Compensation to States) Act, 2017

The Law Review Committee had been constituted in pursuance of the decisions taken by the GST Council in its 22nd Meeting held on 6 October 2017. The GST Council Secretariat constituted the said Committee vide Office Memorandum F. No. 212/Law Review Committee-8/GST/2017 dated 2nd November, 2017 to propose the changes in the CGST/SGST Act and the IGST Act. Shri. M. Vinod Kumar, Chief Commissioner of Central Tax, Bengaluru Zone and Shri Anurag Goel, CCT, Assam were the Co-Conveners of the Committee.

2. The Committee obtained suggestions/representations from various trade associations including ICAI, PHD Chamber of Commerce and Industry, ASSOCHAM, FICCI, NASSCOM, Federation of Gujarat Industries, Saurashtra Chamber of Commerce & Industry, GTA Association, AITWA, KSCCA, Bhartiya Udyog Vyapar Mandal, Organisation of Pharmaceutical Producers of India, Mumbai etc. The Committee also received suggestions from the field formations of Central Tax and State Taxes. As per the terms of reference, the Committee also examined the recommendations of the ‘Advisory Group of Law Review Committee’.

3. The Law Review Committee held 5 sets of meetings lasting 2-3 days in each instance. The Committee also interacted with the Advisory Group of Law Review Committee, Officials of the CBEC and Members of the Law Committee. The Committee submitted its report containing recommendations for changes in the law on 04.01.2018.

4. The GST Policy Wing had also received feedbacks and suggestions from the various stakeholders. These were examined and the proposed changes in the Laws, Rules and Procedures were suggested after consultation with the Law Committee and Law Review Committee.

5. The recommendations of the Law Review Committee and the Law Committee were discussed in the Officers’ Meeting held on 11.01.2018.

6. The consolidated recommendations as discussed and agreed in the Officers’ Meeting held on 11.01.2018 suggesting amendments in the present provisions of the law, analysis of the same and the proposals for revision are enclosed as **Annexure 1**.

7. The GST Council may consider the proposed amendments/changes. After approval, consequent changes in other sections of the CGST and IGST Acts and similar changes in the SGST Act will be drafted. In addition, certain editorial changes will also be made at that stage. The proposed amendments will, thereafter, be got vetted from the Union Law Ministry.

Annexure 1

PART I

DEFINITIONS

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
1.	Definition of local authority Section 2 (69) refers to only Articles 371 and 371A. Reference may be made to Article 371J (special provision with respect to the State of Karnataka).	Section 2(69)	This change may be incorporated in section 2(69) (f).	2(69) “local authority” means– – (a) “Panchayat” as defined in clause (d) of article 243 of the Constitution; (f) a Development Board constituted under article 371 and article 371J of the Constitution; or (g) Regional Council constituted under article 371A of the Constitution.
2.	Inward supply Inward supplies made without consideration are also treated as part of the total inward supplies. Recipient would upload the free supplies in FORM GSTR-2 which would not be posted by the supplier which would result in reconciliation issues.	Section 2(67)	Section 2 (67) may be amended so as to provide that in the case of supplies without consideration, only those specified in Schedule I would be considered as inward supplies.	2(67) “inward supply” in relation to a person, shall mean receipt of goods or services or both whether by purchase, acquisition or any other means with or without consideration and shall include supplies without consideration as specified in Schedule I.

PART II
REGISTRATION

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
3.	<p><u>Non-operational income:</u></p> <p>Income earned from interest, dividend, etc should be excluded from the computation of “aggregate turnover” as in the present scenario, a taxpayer has to take registration compulsorily even if the turnover from taxable supplies is substantially below the threshold limit.</p>	<p>Section 2 (6)</p> <p>Schedule III</p>	<p>As non-operational income may be difficult to identify, define and administer, non-operational income may be specified under Schedule III as not amounting to supply of goods or services or both instead of amending the definition of “aggregate turnover”.</p>	<p style="text-align: center;">SCHEDULE III</p> <p>ACTIVITIES OR TRANSACTIONS WHICH SHALL BE TREATED NEITHER AS A SUPPLY OF GOODS NOR A SUPPLY OF SERVICES</p> <p>1</p> <p>6.....</p> <p><u>7. interest and dividend received on deposits or debentures or securities except in case of a banking company or a financial institution including a non-banking financial company engaged in supplying services by way of accepting deposits, extending loans or advances.</u></p>
4.	<p><u>Enabling multiple registration within a State:</u></p> <p>It is difficult to obtain multiple registrations as business verticals within a State due to the narrow scope of the definition of business vertical contained in section 2(18). Definition of ‘business vertical’ may be reviewed or taking multiple registrations within a State may be allowed.</p>	<p>Sections 2 (18) and 25 (2)</p>	<p>Section 25 (2) may be amended so as to provide that a person may obtain as many registrations as required in a State and the definition of “business vertical” in section 2(18) may be omitted.</p> <p>A person having a unit in SEZ or being a SEZ developer and a unit in DTA shall be required to take separate registration compulsorily for each unit. The provisions contained in the</p>	<p>2(18) “business vertical” means a distinguishable component of an enterprise that is engaged in the supply of individual goods or services or a group of related goods or services which is subject to risks and returns that are different from those of the other business verticals.</p> <p>Explanation.—For the purposes of this clause, factors that should be considered in determining whether goods or services are related include—</p> <p>25(2) A person seeking registration under this Act shall be granted a single registration in a State or Union territory:</p> <p>Provided that a person having multiple <u>place of business business verticals</u> in a State or Union territory may be granted a separate registration for each <u>such place business vertical</u>, subject to such conditions as may be prescribed:</p> <p><u>Provided further that a taxable person in a Special Economic Zone shall be granted</u></p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
			first proviso to rule 8 of the CGST Rules, 2017 to be mentioned in the CGST Act.	<u>a separate registration as distinct from his other units located outside the Special Economic Zone in the same State or Union territory.</u>
5.	<u>Mandatory registration under section 9 (3) leading to full taxability and compliance burden:</u> Where a taxable person obtains registration for the purpose of payment of tax under section 9(3), all his outward supplies become leviable to tax even if his turnover is less than Rs.20 Lacs.	Sections 9 (3) and 24(iii)	Notifications issued under section 9(3) of CGST Act and section 5(3) of IGST Act may be amended so as to make payment under reverse charge applicable only to registered recipients. No change is proposed in section 9(3) of CGST Act and section 5(3) of IGST Act. Similarly, no change is proposed in section 24(iii) of CGST Act. [Notifications 04/2017-Central Tax (Rate) dated 28.06.2017; 13/2017-Central Tax (Rate) dated 28.06.2017; 04/2017-Integrated Tax (Rate) dated 28.06.2017; 10/2017-Integrated Tax (Rate) dated 28.06.2017]	<u>No change in the Act</u>
6.	<u>Anomaly in registration provisions:</u> By virtue of section	Sections 22, 23 and 24	It may be specified in section 24 that it shall be subject to	24. Notwithstanding anything contained in sub-section (1) of section 22, <u>but subject to the provisions of section 23,</u> the following

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
	23(1), a person dealing exclusively in exempted goods or services or both is not required to take registration. However, such person may be required to mandatorily obtain registration under section 24.		the provisions of section 23.	categories of persons shall be required to be registered under this Act, —
7.	<u>E-commerce Operators:</u> Such operators should be allowed the benefit of threshold limit for registration and it should be made mandatory only in case where there is liability to collect tax at source.	Section 24 (x)	Section 24 (x) may be amended to substitute the words “every electronic commerce operator” with the words “every electronic commerce operator who is required to collect tax under section 52”.	24 (x) every electronic commerce operator <u>who is required to collect tax at source under Section 52;</u>
8.	<u>Inclusion of non-taxable supply turnover:</u> Inclusion of “non-taxable supply” in “exempt supplies” and that of “exempt supplies” in aggregate turnover results in an effectively lower limit for threshold exemption limit for registration. Non-taxable supplies may be kept outside the ambit of “exempt supplies”	Sections 2 (6) and 22	An explanation may be inserted in section 22 so as to provide that for the purposes of determining the liability for registration, “aggregate turnover” shall not include “non-taxable supply”.	22. <i>Explanation.</i> —For the purposes of this section, — (i) the expression “aggregate turnover” shall include all supplies made by the taxable person, whether on his own account or made on behalf of all his principals <u>but shall not include non- taxable supplies;</u>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
	as well as “aggregate turnover”.			
9.	<p><u>Compulsory registration of Casual Taxable Persons (CTP):</u></p> <p>Compulsory registration of casual taxable persons and payment of estimated tax liability in advance is cumbersome and difficult for taxpayers and may be done away with.</p>	Sections 22, 24(ii), 27	<ol style="list-style-type: none"> 1. Certain classes of CTP should be exempted from the requirement to register. 2. Such exemption may be considered on filing of prior intimation on the common portal and the submission of the details of supplies made as CTP in that State. 3. In case of movement of goods, not by way of supply, for the purpose of casual business in other States, an enabling provision must be made for movement using delivery challan. Tax should be paid on such goods, if they are not brought back within three months. 4. The amount to be deposited as advance tax at the time of registration by 	<p>-- 24. Notwithstanding anything contained in sub-section (1) of section 22, <u>but subject to the provisions of Section 23,</u> the following categories of persons shall be required to be registered under this Act, —</p> <p>(i) persons making any inter-State taxable supply; (ii) casual taxable persons making taxable supply; (xii)....</p> <p><u>Provided that the Government, on the recommendations of the Council, may exempt such casual taxable persons, who are registered as taxable persons under this Act or any State Goods and Services Tax Act or Union Territory Goods and Services Tax Act, from obtaining compulsory registration subject to such conditions as may be prescribed.</u></p> <p>-- 27(2) A casual taxable person or a non-resident taxable person shall, at the time of submission of application for registration under sub-section (1) of section 25, make an advance deposit of tax in an amount equivalent to the estimated tax liability <u>payable in cash</u> by such person for the period for which the registration is sought:</p> <p><u>-- The field “PAN of the Authorised signatory” as per Sl. No. (vi) of Part A of FORM REG-09 i.e. application for registration of non resident taxable person should not be a mandatory field.</u></p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
			<p>the casual taxable person and non resident taxable person should be equivalent to the “tax payable”, and not the estimated tax liability.</p> <p>5. The organiser or owner of the premises may be made responsible for providing the details of the CTP, under section 150 (p), as was provided for in some State VAT laws.</p> <p>6. In case of non-resident taxable persons, PAN should not be mandatory requirement.</p>	

PART III
INPUT TAX CREDIT

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
10.	<u>ITC on motor vehicles used in the course of business:</u>	Section 17(5)(a)	<p>ITC should be allowed on:</p> <ol style="list-style-type: none"> 1. Vehicles like off-road vehicles like dumpers, tippers etc used in construction business; 2. Hire or purchase of vehicles that are used to carry “money” for banks and other financial service agencies; 3. No credit of all incidental services related to vehicles on which credit is blocked. 	<p>17 (5) Notwithstanding anything contained in sub-section (I) of section 16 and subsection (I) of section 18, input tax credit shall not be available in respect of the following, namely: —</p> <p>(a) motor vehicles and other conveyances except when they are used—</p> <p>(i) for making the following taxable supplies, namely: —</p> <p>(A) further supply of such vehicles or conveyances; or</p> <p>(B) transportation of passengers; or</p> <p>(C) imparting training on driving, flying, navigating such vehicles or conveyances;</p> <p>(ii) for transportation of goods;</p> <p>(iii) <u>as dumpers, tippers, dozers, cranes, fork lifts, excavators and similar vehicles;</u></p> <p><u>Explanation: For the purpose of this clause, the word ‘goods’ shall include ‘money’.</u></p> <p><u>(ab) supply of service of insurance, servicing, repair and maintenance, in so far as they relate to motor vehicles and conveyances for which credit is not admissible;</u></p>
11.	<u>ITC on supply of goods or services from employer to employee:</u>	Sch. I (entry 2) and Sch. III	No GST should be levied where the employer supplies goods or services or both to its employees without charging a consideration under the terms of the	<p style="text-align: center;">SCHEDULE III</p> <p>ACTIVITIES OR TRANSACTIONS WHICH SHALL BE TREATED NEITHER AS A SUPPLY OF GOODS NOR A SUPPLY OF SERVICES</p> <p>1</p> <p><u>8. Supply of goods and services from employer to employee in fulfilment of obligations under employment contract (To re-visit the formulation as</u></p>

	eligible to avail credit.			

PART IV

LEVY AND COLLECTION OF TAX

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
17.	<u>Payment on reverse charge basis:</u> Payment on reverse charge basis on account of purchase from unregistered supplier under section 9 (4) of the CGST Act and 5 (4) of the IGST Act should be omitted	Sections 9(4) of CGST Act and 5(4) of IGST Act	Section 9(4) and 5 (4) may be modified as follows: <ul style="list-style-type: none"> • Enabling power to be given to the Government to impose RCM on class of persons as recommended by the Council; • Compulsory RCM for composition dealers; • Details of supplies received from unregistered persons to be captured on the basis of PAN /Aadhaar in the return. 	Sub-section (4) of section 9 may be substituted as under: <u>(4) (a) The central tax in respect of the supply of taxable goods or services or both by an unregistered supplier, to a registered person availing benefit under the provisions of Section 10 shall be paid by such person on reverse charge basis as the recipient and all the provisions of this Act shall apply to such recipient as if he is the person liable for paying the tax in relation to the supply of such goods or services or both.</u> <u>(b) The Government may, on the recommendations of the Council, by notification, specify classes of taxpayers, who shall pay the tax on reverse charge basis as recipient in respect of supply of taxable goods or services or both by a supplier, who is not registered and all the provisions of this Act shall apply to such recipient as if he is the person liable for paying the tax in relation to the supply of such goods or services or both.</u> <u>(c) A registered person who receives taxable supplies of goods or services or both from a supplier, who is not registered, shall furnish such information in respect of such supplies as may be prescribed by the Government, on the recommendations of the Council, in such form and manner as may be prescribed.</u>
18.	<u>Scope of Supply:</u>	Schedule II Section 7(1)	Schedule II merely classifies the activities as a supply of goods or	7. (1) For the purposes of this Act, the expression “supply” includes—

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
	Clauses (a) to (d) of section 7(1) appear to have an independent standing and therefore, it may appear that entries in schedule II (referred to by clause of section 7 (1) (d)) would automatically fall within the scope of supply even when performed without consideration or when not in furtherance of business.		<p>supply of services; and in the absence of the essential ingredients of consideration and furtherance of business, the transactions listed therein cannot be deemed to be a supply. As a general principle of taxability, transfer or disposal of business assets, which is not in furtherance of business, should be rendered as a supply only in those cases where credit has been availed. Section 7(1)(d) should be renumbered rendering its purpose to only categorise activities as only supply of goods or services and not to deem them as supply. Schedules of CGST Act need to be redrafted to delineate schedules on the following lines:</p> <p>(1) Deemed supply;</p> <p>(2) Classification as supply of goods or services, and</p> <p>(3) No supply.</p> <p>Certain changes (detailed at Serial No. 11 of report of Law Review Committee) may be made to remove ambiguities in the schedule.</p>	<p>(a) all forms of supply of goods or services or both such as sale, transfer, barter, exchange, licence, rental, lease or disposal made or agreed to be made for a consideration by a person in the course or furtherance of business;</p> <p>(b) import of services for a consideration whether or not in the course or furtherance of business;</p> <p>(c) the activities specified in Schedule I, made or agreed to be made:</p> <p>(i) without a consideration, or</p> <p>(ii) <u>with or without a consideration and whether or not in the course or furtherance of business.</u></p> <p>(d) <u>Omitted</u></p> <p><u>7(1A) Certain activities, when constituting a supply, in terms of sub-section (1), shall be treated either as supply of goods or supply of services as referred to in Schedule II.</u></p> <p>SCHEDULE I</p> <p><u>A. ACTIVITIES TO BE TREATED AS SUPPLY EVEN IF MADE WITHOUT CONSIDERATION</u></p> <p>1. Permanent transfer or disposal of business assets where input tax credit has been availed on such assets. (shifted to part B below)</p> <p>1. 2. Supply of goods or services or both between related persons or between distinct persons as specified in section 25, when made in the course or furtherance of business:</p> <p>Provided that gifts not exceeding fifty thousand rupees in value in a financial year by an employer to an employee shall not be treated as supply of goods or services or both.</p> <p>2. 3. Supply of goods</p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p>(a) by a principal to his agent where the agent undertakes to further supply such goods on behalf of the principal; or</p> <p>(b) by an agent to his principal where the agent undertakes to receive from a supplier such goods on behalf of the principal.</p> <p>3. 4-Import of services by a taxable person from a related person or from any of his other establishments outside India, in the course or furtherance of business.</p> <p><u>B. ACTIVITIES TO BE TREATED AS SUPPLY MADE WITH OR WITHOUT CONSIDERATION AND WHETHER OR NOT IN FURTHERANCE OF BUSINESS</u></p> <p>1. <u>Permanent transfer or disposal of business assets (shifted from Part A above)</u></p> <p>2. <u>Transfer of business assets (copied from Schedule II)</u></p> <p>(a) <u>where goods forming part of the assets of a business are transferred or disposed of by or under the directions of the person carrying on the business so as no longer to form part of those assets;</u></p> <p>(b) <u>where, by or under the direction of a person carrying on a business, goods held or used for the purposes of the business are put to any private use or are used, or made available to any person for use, for any purpose other than a purpose of the business;</u></p> <p>(c) <u>where any person ceases to be a taxable person, any goods forming part of the assets of any business carried on by him where any person ceases to be a</u></p>

Supply by way of transfer of business assets</p> <p>(a) where goods forming part of the assets of a business are transferred or disposed of by or under the directions of the person carrying on the business so as no longer to form part of those assets, such transfer or disposal is a supply of goods by the person;</p> <p>(b) where, by or under the direction of a person carrying on a business, goods held or used for the purposes of the business are put to any private use or are used, or made available to any person for use, for any purpose other than a purpose of the business, the usage or making available of such goods is a supply of services;</p> <p>(c) where any person ceases to be a taxable person, any goods forming part of the assets of any business carried on by him where any person</p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p>ceases to be a taxable person, immediately before he ceases to be a taxable person, unless—</p> <p>(i) the business is transferred as a going concern to another person; or</p> <p>(ii) the business is carried on by a personal representative who is deemed to be a taxable person.</p> <p>5(a)....</p> <p><u>5(g). Facilitating or arranging transactions in securities.</u></p> <p>SCHEDULE III</p> <p>ACTIVITIES OR TRANSACTIONS WHICH SHALL BE TREATED NEITHER AS A SUPPLY OF GOODS NOR A SUPPLY OF SERVICES</p> <p>1</p> <p>5. Sale of land and, subject to clause (b) of paragraph 5 of Schedule II, sale of <u>complex</u>, building, <u>civil structure or a part thereof.</u></p> <p>6.....</p> <p>7. <u>interest and dividend received on deposits or debentures or securities except in case of a banking company or a financial institution including a non-banking financial company engaged in supplying services by way of accepting deposits, extending loans or advances</u></p> <p><u>8. Supply of goods and services from employer to employee in fulfilment of obligations under employment contract (Law Committee may like to suggest formulation- may result in credit on cars becoming available)</u></p> <p><u>9. Supply of goods from a place in the non-taxable territory to another place in non-taxable territory without such goods entering the taxable territory.</u></p>

PART V

TIME AND VALUE OF SUPPLY

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
19.	<u>Section 12(2) of CGST Act:</u> The said section refers only to section 31(1) from which it appears that its provisions would not apply in the case of continuous supply of services.	Sections 12 and 31(1)	Section 12 and 13 may be amended so as to refer to section 31 instead of section 31(1).	<u>Combined in proposal at S. No. 2 below.</u>
20.	No tax to be levied on advances and payment of tax on receipt basis by small taxpayers	Sections 12, 13 and 14	a. GST should not be levied on receipt of advances in case of goods; b. GST should continue to be levied on receipt of advances in case of services; and c. Enabling power to be given to the Government to determine time of supply in specified cases on recommendation of Council.	<p>12(2) The time of supply of goods shall be the earlier of the following dates, namely: —</p> <p>(a) the date of issue of invoice by the supplier or the last date on which he is required, under sub-section (1) of section 31, to issue the invoice with respect to the supply; or</p> <p>(b) <u>to be omitted</u></p> <p>(c) <u>any other date as may be prescribed by the Government on the recommendations of the Council</u></p> <p><u>Proviso to be omitted</u></p> <p><i>Explanation 1.</i> – For the purposes of clauses (a), “supply” shall be deemed to have been made to the extent it is covered by the invoice.</p> <p><u>Explanation 2.- to be omitted</u></p> <p>13 (2) The time of supply of services shall be the earliest of the following dates, namely: —</p> <p>(a) the date of issue of invoice by the supplier, if the invoice is issued within the period prescribed under sub-section (2) of section 31 or the date of receipt of payment, whichever is earlier;</p>

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
21.	Clarify the phrase 'identifiable supply' in case of vouchers in sections 12 and 13 of the CGST Act	Sections 12 and 13	<p>It is proposed to insert an Explanation in section 13 to clarify the term 'identifiable supply'.</p> <p><u>[Note: This is a new issue, and was not discussed in the Officers' meeting held on 11.01.2018]</u></p>	<p><u>Explanation: For the purpose of this section and section 12, the phrase 'supply is identifiable' means 'the place of supply of goods or services to which the voucher relates, and the tax due on such goods or services, is known at the time of issue of the voucher'.</u></p>

PART VI

TAX INVOICE, CREDIT AND DEBIT NOTES

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
22.	Delinking credit notes and debit notes from invoices	Section 34	In case of goods, credit notes and debit notes may be permitted to be issued on a consolidated basis in respect of multiple invoices and not linking the same to individual invoices.	<p>34(1) Where an invoice has one or more tax invoices have been issued for supply of any goods or services or both and the taxable value or tax charged in the said tax invoices is found to exceed the taxable value or tax payable in respect of such supply, or where the goods supplied are returned by the recipient, or where goods or services or both supplied are found to be deficient, the registered person, who has supplied such goods or services or both, may issue to the recipient a credit note one or more credit notes for each month corresponding to such supplies made in the said month containing such particulars as may be prescribed.</p> <p>(2) Any registered person who issues a credit note any credit notes in relation to a supply of goods or services or both shall declare the details of such credit note notes in the return for the month during which such credit note has notes have been issued, and the tax liability shall be adjusted in such manner as may be prescribed:</p> <p>Provided that no reduction in output tax liability of the supplier shall be permitted, if the incidence of tax and interest on such supply has been passed on to any other person.</p> <p>(3) Where a tax invoice has one or more tax invoices have been issued for supply of any goods or services or both and the taxable value or tax charged in that tax invoice is found to be less than the taxable value or tax payable in respect of such supply, the registered person, who has supplied such goods or services or both, shall issue to the recipient a debit note one or more debit notes for each month corresponding to</p>

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p><u>such supplies made in the said month</u> containing such particulars as may be prescribed.</p> <p>(4) Any registered person who issues a debit note <u>any debit notes</u> in relation to supply of goods or services or both shall declare the details of such debit notes in the return for the month during which such debit note has <u>notes have</u> been issued and the tax liability shall be adjusted in such manner as may be prescribed.</p>

PART VII
COMPOSITION

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
23.	Composition Scheme to be more attractive:	Section 10	<p>1. Limit may be increased to Rs. 2 crores, but the threshold may be fixed at Rs. 1.5 crore.</p> <p>2. The scheme should not be extended to persons making inter-State supplies (including supplies made to SEZs by composition dealers located in DTA).</p> <p>3. The scheme should not be extended to any other category of service provider except restaurant services.</p> <p>4. Extent of services supplied by a composition dealer may be limited to 10% of the taxable turnover or five lakh rupees, whichever is higher. This would also include services supplied by way of job work. In such cases, for these services, a composition rate may be notified by Govt on the recommendations of the Council but not exceeding 18% (9+ 9).</p> <p>5. Credit of amount paid by the composition dealer should not be allowed to the recipient in view of the nature of the composition scheme, which is a simple scheme without a high compliance burden.</p> <p>6. Restaurant services to be defined.</p> <p>7. Manufacturer of aerated water to be kept out. <u>(may be done through notification)</u></p>	<p>10(1) Notwithstanding anything to the contrary contained in this Act but subject to the provisions of sub-sections (3) and (4) of section 9, a registered person, whose aggregate turnover in the preceding financial year did not exceed fifty lakh rupees <u>an amount specified by the Government, on the recommendations of the Council, but not exceeding an amount of two crore rupees,</u> may opt to pay, in lieu of the tax payable by him, an amount calculated at such rate or rates as may be prescribed, but not exceeding, <u>(three different rates prescribed proposed to be omitted)</u> two and a half per cent. of the turnover <u>of the taxable supply</u> of goods in a State or a Union Territory subject to such conditions and restrictions as may be prescribed:</p> <p><u>Provided that for supply of services, he shall pay an amount calculated at such rate or rates as may be specified by the Government on the recommendations of the Council but not exceeding nine percent of the turnover of the taxable supply of services in a State or a Union Territory.</u></p> <p>(2) The registered person shall be eligible to opt under sub-section (1), if: —</p> <p><u>(a) he is not engaged in the supply of services other than supplies referred to in clause (b) of paragraph 6 of Schedule II he is not engaged in taxable supply of services except in case of supply of-</u></p>

				<p><u>(i) services by way of supply of goods, being food or any other article for human consumption or drink, provided by a restaurant or eating joint including mess or canteen; or</u></p> <p><u>(ii) services of value not exceeding ten percent of turnover of taxable supplies in the preceding financial year in a State or a Union Territory or five lakh rupees, whichever is higher.</u></p> <p>(b)</p>
24.	<p><u>Levy of interest under section 10 (5):</u></p> <p>Charging of interest is not specified in section 10 (5) of the CGST Act and the same may be specified as a matter of abundant caution.</p>	Section 10 (5)	Charging of interest may be specified in section 10 (5) of the CGST Act.	<p>10(5) If the proper officer has reasons to believe that a taxable person has paid tax under sub-section (1) despite not being eligible, such person shall, in addition to any tax that may be payable by him under any other provisions of this Act, be liable to a penalty <u>and interest</u> and the provisions of section 73 or section 74 shall, <i>mutatis mutandis</i>, apply for determination of tax, <u>interest and penalty</u>.</p>

PART VIII
PAYMENT OF TAX

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
25.	One cash ledger: There should be one cash ledger under each tax head and interest should not be charged if money is deposited in time by the taxpayer but there is a delay in offsetting the tax liability by way of debit to electronic cash or credit ledger		1. Minor heads should be merged. 2. The feasibility of cross-utilisation between CGST, SGST or IGST lying in electronic cash ledger may be explored in consultation with CGA and GSTN.	<u>No change in Act</u>
26.	Order of utilisation of credit for payment of IGST may be laid down	Clauses (b) (c) and (d) of section 49(5)	Section 49(5) maybe suitably amended to bring clarity about the order of priority between clauses (b), (c) and (d) so as to provide that for payment of IGST, first IGST credit must be utilised, thereafter, CGST credit and only then, SGST and UTGST credit may be utilized.	49 (5) The amount of input tax credit available in the electronic credit ledger of the registered person on account of — (a) integrated tax shall first be utilised towards payment of integrated tax and the amount remaining, if any, may be utilised towards the payment of central tax and State tax, or as the case may be, Union territory tax, in that order; (b) the central tax shall first be utilised towards payment of central tax and the amount remaining, if any, may be utilised towards the payment of integrated tax; (c) the State tax shall first be utilized towards payment of State tax and the amount remaining, if any, may be utilized towards payment of integrated tax; (d) the Union territory tax shall first be utilized towards payment of Union territory tax and the amount remaining, if any, may be utilized towards payment of integrated tax;

Sl.No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p>(e) the central tax shall not be utilised towards payment of State tax or Union territory tax; and</p> <p>(f) the State tax or Union territory tax shall not be utilized towards payment of central tax:</p> <p><u>Provided that for payment of integrated tax, the integrated tax credit shall be utilised first, then the central tax credit, followed by the state tax or Union territory tax credit;</u></p>
27.	TDS AND TCS:	Sections 51 and 52	The provisions pertaining to TDS and TCS be kept in abeyance for at least six more months or such further period as may be decided by the Council.	<u>No change in Act</u>

PART IX

ACCOUNTS AND RECORDS

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
28.	<p><u>Simplification of Accounts and Records:</u></p> <p>Procedure for keeping accounts and records under section 35 should be simplified in the case of SMEs having turnover up to Rs. 10 Crores and suppliers of OIDAR services.</p>	Section 35 (4)	Section 35(4) may be amended so as to empower the Commissioner, on the recommendations of the Council, to notify cases where simplified accounts and records may be maintained by certain class of taxpayers.	<u>Proposal combined in S. No. 2 below</u>
29.	<p><u>Mandatory maintenance of accounts at only the principal place of business:</u></p> <p>Maintenance of records at principal place and not at all other additional places of business.</p>	Section 35	The first proviso of section 35 may be amended to replace the word "shall" with "may".	<p>35 (1) Every registered person shall keep and maintain, at his principal place of business, as mentioned in the certificate of registration, a true and correct account of—</p> <p>(a) production or manufacture of goods;</p> <p>(b)</p> <p>(c)</p> <p>(d)</p> <p>(e); and</p> <p>(f)</p> <p>Provided that where more than one place of business is specified in the certificate of registration, the accounts relating to each place of business shall may be kept at such place of business principal place of business or at one or more other places of business:</p> <p>Provided further that the registered person may keep and maintain such accounts and other particulars in</p>

				<p>electronic form in such manner as may be prescribed.</p> <p>(2)</p> <p>(3)</p> <p>(4) Where the Commissioner considers that any class of taxable person is not in a position to keep and maintain accounts in accordance with the provisions of this section, he may, for reasons to be recorded in writing, permit such class of taxable persons to maintain accounts in such manner as may be prescribed.</p> <p><u>(4) The Government on the recommendations of the Council may permit a class of taxable persons to maintain accounts in such simplified manner as maybe prescribed.</u></p> <p>(5)</p> <p>(6)</p>

PART X

REFUND

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
30.	<u>Refund on supply from DTA to SEZ:</u> SEZ units are required to pay IGST in case of supplies notified under section 9(3) if procured from DTA units. They are eligible for refund but such situation has not been specified in the law.	Sections 54, 9(3) of CGST Act and 16 of the IGST Act	Section 16 of IGST Act may be amended or the notifications issued under section 9(3) may be amended accordingly so that SEZ units do not suffer the tax liability and they either get duty free supplies or are able to get refund.	<u>To be formulated, as per the GST Council's decision</u>
31.	<u>Clarification with respect to relevant date as specified in Section 54</u>	Section 54	Section 54(1) may be re-worded appropriately to clarify the term "relevant date".	54. (1) Any person claiming refund of any tax and interest, if any, paid on such tax or any other amount paid by him, may make an application before the expiry <u>any time after the relevant date, but within a period</u> of two years from the relevant date, in such form and manner as may be prescribed:
32.	<u>Refund to specialised agency to be given in three months:</u> As six months is quite a long period and there are no hurdles or operational difficulty in reducing it to three months.	Section 54	Section 54 may be amended to specify that time period for filing refund claims may be prescribed under the rules.	54(2) A specialised agency of the United Nations Organisation or any Multilateral Financial Institution and Organisation notified under the United Nations (Privileges and Immunities) Act, 1947, Consulate or Embassy of foreign countries or any other person or class of persons, as notified under section 55, entitled to a refund of tax paid by it on inward supplies of goods or services or both, may make an application for such refund, <u>within such period and</u> in such form and manner as may be prescribed. before the expiry of six months from the last day of the quarter in which such supply was received.
33.	<u>Refunds under Section 54(3) to be</u>	Section 54 (3)	Section 54(3) may be amended to specify that the time period for filing	54 (3) Subject to the provisions of sub-section (10), a registered person may claim refund of any unutilised

	<p><u>given on quarterly basis:</u></p> <p>The words "at the end of tax period" should be replaced with the word "quarterly", to bring more clarity.</p>		<p>refund claims may be prescribed under the rules, which shall be a quarter or consecutive quarters.</p>	<p>input tax credit at the end of any tax period <u>such period as may be prescribed:</u></p> <p>Provided that no refund of unutilised input tax credit shall be allowed in cases other than—</p> <p>.....</p>
--	---	--	---	--

PART XI

DEMAND AND RECOVERY

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
34.	<p><u>Definition of term Collector:</u></p> <p>The term 'Collector' needs to be clarified to include Deputy Commissioner of a district and other similar designations in Section 79.</p>	Section 79	<p>An explanation may be added to section 79 (1)(e) to clarify the term "Collector".</p> <p>Reference may be made to the definition of the term in the Land Acquisition, Rehabilitation and Resettlement Act, 2013 (LARR Act, 2013).</p>	<u>Combined with S. No. 2 below.</u>
35.	<p><u>Recovery from a registered person:</u></p> <p>Recovery from a registered person in one State should be affected from a distinct person located in another State even though in common law, they are one entity.</p>	<p>Sections 25(4), 25(5) and 79 to 84.</p> <p>Chapter XVI (Liability to pay in certain cases)</p>	<p>The tax dues should be recoverable from all the persons having the same PAN.</p>	<p>79(1) <u>Notwithstanding anything contained in section 25</u>, where any amount payable by a person to the Government under any of the provisions of this Act or the rules made there under is not paid, the proper officer shall, proceed to recover the amount by one or more of the following modes ...</p> <p>(e) the proper officer may prepare a certificate signed by him specifying the amount due from such person and send it to the Collector of the district in which such person owns any property or resides or carries on his business or to any officer authorised by the Government and the said Collector or the said officer, on receipt of such certificate, shall proceed to recover from such person the amount specified thereunder as if it were an arrear of land revenue;</p> <p><u>Explanation: For the purposes of this clause the term Collector means the Collector of a revenue district and includes a Deputy Commissioner or a district magistrate or head of the revenue</u></p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<u>administration in a revenue district.</u>
36.	<p><u>Section 84 (b) (i):</u></p> <p>As per the section 84 (b) (i), where the Government dues are reduced in appeal, revision or in other proceedings, it shall not be necessary for the Commissioner to serve upon the taxable person a fresh notice of demand. It is felt that the words ‘or any other person’ may be inserted after the word ‘taxable person’.</p>	Section 84(b)(i)	In section 84 (b) (i), the words ‘or any other person’ may be inserted after the word ‘taxable person’.	<p>84 (b) Where such Government dues are reduced in such appeal, revision or in other proceedings—</p> <p>(i) it shall not be necessary for the Commissioner to serve upon the taxable <u>or any other person</u> a fresh notice of demand;</p> <p>(ii)-----</p>

PART XII

APPEALS AND REVISION

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
37.	<p><u>Fixation of upper limit:</u></p> <p>There should be an upper limit of the amount payable on pre-deposit for filing an appeal before the Appellate authority and the Appellate Tribunal which is 10% and 20% of the disputed amount respectively.</p>	Sections 107 and 112	An upper limit of Rs 50 crores in appeal before the Appellate Authority and Rs. 100 Crore before the Appellate Tribunal may be fixed by amending sections 107 and 112 respectively.	<p>- 107(6) No appeal shall be filed under sub-section (1), unless the appellant has paid—</p> <p>(a) in full, such part of the amount of tax, interest, fine, fee and penalty arising from the impugned order, as is admitted by him; and</p> <p>(b) a sum equal to ten per cent. of the remaining amount of tax in dispute arising from the said order <u>subject to a maximum of fifty crore rupees</u>, in relation to which the appeal has been filed.</p> <p>- 112(8) No appeal shall be filed under sub-section (1), unless the appellant has paid—</p> <p>(a) in full, such part of the amount of tax, interest, fine, fee and penalty arising from the impugned order, as is admitted by him, and</p> <p>(b) a sum equal to twenty per cent. of the remaining amount of tax in dispute, in addition to the amount paid under sub-section (6) of section 107, arising from the said order, <u>subject to a maximum of one hundred crore rupees</u> in relation to which the appeal has been filed</p>

PART XIII

AUDIT

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
38.	<p><u>Extension of period for Special Audit:</u></p> <p>Proviso to 66 (2) provides for extension of period by a further period of 90 days by only the Assistant Commissioner. This leads to complication in cases where special audit was directed by an officer superior to an Assistant Commissioner.</p>	Section 66	In the proviso to sub-section (2) of section 66, the words “Assistant Commissioner” shall be substituted by the phrase “the officer who has directed to get the records audited under sub-section (1)”.	<p>66 (2) The chartered accountant or cost accountant so nominated shall, within the period of ninety days, submit a report of such audit duly signed and certified by him to the said <u>officer not below the rank of</u> Assistant Commissioner mentioning therein such other particulars as may be specified:</p> <p>Provided that the <u>said officer</u> Assistant Commissioner may, on an application made to him in this behalf by the registered person or the chartered accountant or cost accountant or for any material and sufficient reason, extend the said period by a further period of ninety days.</p>

PART XIV
MISCELLANEOUS

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
39.	<u>Power to be given to Commissioner to extend due dates:</u> This may be provided in order to meet administrative or other exigencies.	All relevant sections	Suitable amendments may be made in all the relevant provisions of the Act and Rules to allow the Commissioner to extend the dates.	<u>Power to extend due dates to be inserted in all relevant sections and rules</u>
40.	To bring clarity in sections 122(1) and 132(1)(d):	Section 122 and 132	In clauses (iii) and (iv) of section 122 (1) and 132(1)(d), the word 'beyond' may be replaced with word 'within'.	- 122(1) Where a taxable person who— (i)----- (ii)---- (iii) collects any amount as tax but fails to pay the same to the Government beyond <u>within</u> a period of three months from the date on which such payment becomes due; (iv) collects any tax in contravention of the provisions of this Act but fails to pay the same to the Government beyond <u>within</u> a period of three months from the date on which such payment becomes due; - 132(1) Whoever commits any of the following offences, namely: — (a) to (c)---- (d) collects any amount as tax but fails to pay the same to the Government— beyond <u>within</u> a period of three months from the

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				date on which such payment becomes due;
41.	There is no provision to issue exemption notifications with retrospective effect.	New Section	It is proposed to make an enabling provision to issue exemption notifications with retrospective effect for a period of 3 years from appointed day.	<p><u>142A. Transitional Provisions in relation to Rate of Tax</u></p> <p><u>(1) Notwithstanding anything contained in the Act, the Central Government, on the recommendations of the Council, in relation to a notification issued under sub section (1) of section 9, sub section (1) of section 11, sub section (5) of section 15 or sub section (1) of section 16 of the Act may notify the effective date of coming into force of the said notifications from a retrospective date but not earlier to the first day of July 2017:</u></p> <p><u>Provided that no such notification shall be issued after a period of three years from the date of commencement of this Act.</u></p> <p><u>(2) Every notification issued under this section shall be laid, as soon as may be, after it is made, before each House of Parliament.</u></p>

PART XV

IGST ACT

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
42.	<p><u>Place of supply in B2B supply of accommodation services:</u></p> <p>POS in relation to renting and accommodation, organisation of events, conferences etc may be the location of the immovable property. However, being an intra-State supply, recipient not registered in the State is not able to utilise credit.</p>	Sections 12(3)(b) and 13 of IGST Act	To be discussed in the meeting of GST Council after taking views of States of Goa, Kerala and Rajasthan.	<p>12 (1) The provisions of this section shall apply to determine the place of supply of services where the location of supplier of services and the location of the recipient of services is in India.</p> <p>(2) The place of supply of services, except the services specified in sub sections (3) to (14) -</p> <p>(a) made to a registered person shall be the location of such person;</p> <p>(b) made to any person other than a registered person, shall be, —</p> <p>(i) the location of the recipient where the address on record exists; and</p> <p>(ii) the location of the supplier of services in other cases.</p> <p>(3) The place of supply of services, —</p> <p>(a) directly in relation to an immovable property, including services provided by architects, interior decorators, surveyors, engineers and other related experts or estate agents, any service provided by way of grant of rights to use immovable property or for</p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p>carrying out or co-ordination of construction work; or</p> <p>(b) by way of lodging accommodation by a hotel, inn, guest house, home stay, club or campsite, by whatever name called, and including a house boat or any other vessel; or</p> <p>(b) by way of accommodation in any immovable property for organising any marriage or reception or matters related thereto, official, social, cultural or religious or business function including services provided in relation to such function at such property; or</p> <p>(c) any services ancillary to the services referred to in clauses (a) and (b) and (c),</p> <p>shall be the location at which the immovable property or boat or vessel, as the case may be, is located or intended to be located:</p> <p>Provided that if the location of the immovable property or boat or vessel is located or intended to be located outside India, the place of supply shall be the location of the recipient.</p> <p><i>Explanation.</i> —Where the immovable property or boat or vessel is located in more than one State or Union</p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				territory, the supply of services shall be treated as made in each of the respective States or Union territories, in proportion to the value for services separately collected or determined in terms of the contract or agreement entered into in this regard or, in the absence of such contract or agreement, on such other basis as may be prescribed.
43.	Dual Levy on export of services: Presently GST is levied and export benefit is not extended where foreign exchange is not received.	Section 2(6) (clause iv) of the IGST Act	Section 2(6) (iv) of the IGST Act can be amended to exclude any country from which export proceeds can be received in Indian rupees as per RBI guidelines.	2(6) “export of services” means the supply of any service when, — (i) the supplier of service is located in India; (ii) the recipient of service is located outside India; (iii) the place of supply of service is outside India; (iv) the payment for such service has been received by the supplier of service in convertible foreign exchange <u>or where permitted to be received in Indian Rupees as per Reserve Bank of India guidelines</u> ; and (v) the supplier of service and the recipient of service are not merely establishments of a distinct person in accordance with <i>Explanation 1</i> in section 8.

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
44.	<p><u>PoS in case of supply of services relating to R&D, technical testing etc. to a person located outside India:</u></p> <p>POS should be the location of the recipient</p>	Section 13 of the IGST Act	In such cases, the PoS should be the location of the recipient of services.	<p>13(3) The place of supply of the following services shall be the location where the services are actually performed, namely: —</p> <p>(a) services supplied in respect of goods which are required to be made physically available by the recipient of services to the supplier of services, or to a person acting on behalf of the supplier of services in order to provide the services:</p> <p><u>Provided that nothing contained in this sub section shall apply in case of services supplied in respect of testing, analysis, research and development of such goods:</u></p> <p>Provided <u>further</u> that when such services are provided from a remote location by way of electronic means, the place of supply shall be the location where goods are situated at the time of supply of services:</p> <p>Provided <u>further also</u> that nothing contained in this clause shall apply in the case of services supplied in respect of goods which are temporarily imported into India for repairs and are exported after repairs without being put to any other use in India, than that</p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p>which is required for such repairs;</p> <p>(b) services supplied to an individual, represented either as the recipient of services or a person acting on behalf of the recipient, which require the physical presence of the recipient or the person acting on his behalf, with the supplier for the supply of services.</p>
45.	<p><u>Zero Rated Supplies:</u></p> <p>There are certain cases which may need to be zero rated such as in the case of transportation of goods for exports where the place of supply is India and not the place to which the goods are destined. Such services of transportation of goods to a location outside India may need to be notified to be a zero-rated supply to remove any disadvantage faced by Indian shipping companies vis-à-vis foreign shipping companies.</p>	Section 16 of the IGST Act	Changes may be made in the place of supply of services in case of export of goods in section 12.	<u>To be handled through notification as it cannot be handled through Act</u>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
46.	Explanation to the definition of “continuous journey” does not consider single ticket flights with stopovers as continuous journey.	Section 2 (3) of the IGST Act	The Explanation to the definition of ‘continuous journey’ to be amended. <u>[Note: This is a new issue, and was not discussed in the Officers’ meeting held on 11.01.2018]</u>	Explanation. – For the purposes of this clause, the term “stopover” means a place where a passenger can disembark either to transfer to another conveyance or break his journey for a certain period in order to resume it at a later point of time. <u>All stopovers do not cause a break in continuous journey. Only such stopovers will be relevant, for which one or more separate tickets are issued;</u>

PART XVI

COMPENSATION CESS

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
47.	Compensation Cess	New Section	An enabling provision may be made in the GST Compensation Cess Act to provide for levy of cess at the manufacturing stage on parameters such as production capacity for certain categories of supplies such as pan masala and other evasion prone commodities. In such cases, there would not be any requirement of payment of cess at subsequent stages.	<p><u>Section 8A. Levy and collection of cess on specified goods</u></p> <p><u>(1) Notwithstanding anything contained in section 8, the Central government, on the recommendation of the Council, having regard to the extent of evasion of cess on supplies of taxable goods of any specified description or such other factors as may be relevant, is of the opinion that is necessary to safeguard the interest of revenue, specify, such goods as notified goods and there shall be levied and collected cess on such goods based on the capacity of manufacture or production in accordance with the provisions of this section.</u></p> <p><u>(2) Where a notification is issued under sub-section (1), the Central Government on the recommendation of the Council may, by rules,-</u></p> <p><u>(a) provide the manner for determination of the annual value of supplies based on the capacity of production of all the factories or manufacturing facilities of such supplier in a State or a Union Territory, in which such goods are produced, by an officer not below the rank of Assistant Commissioner and the value of annual capacity of production so determined shall be deemed to be the annual value of supplies of such goods by such supplier; or</u></p> <p><u>(b) (i) specify the factor relevant to the production of such goods</u></p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p><u>and the quantity that is deemed to be supplied by use of a unit of such factor; and</u></p> <p><u>(ii) provide for the determination of the annual value of supplies based on capacity of production of the factory in which such goods are produced on the basis of such factor by an officer not below the rank of Assistant Commissioner and such annual capacity of production shall be deemed to be the annual production of such goods by such factory:</u></p> <p><u>Provided that where a factory producing notified goods is in operation only during a part of the year only, the annual production thereof shall be calculated on proportionate basis of the annual capacity of production:</u></p> <p><u>Provided further that in a case where the factor relevant to the production is altered or modified at any time during the year, the annual production shall be redetermined on a proportionate basis having regard to such alteration or modification.</u></p> <p><u>(3) Notwithstanding anything contained in this Act, CGST Act, SGST Act or UTGST Act, the annual value of supplies of specified goods by such a taxable person determined in accordance with the provisions of sub section (2) shall be deemed to be supply.</u></p> <p><u>(4) The cess on notified goods shall be levied, at such rate, on the unit of production or, as the case may be, on such factors relevant to the production, as the Central Government on the recommendations of the council</u></p>

Sl. No.	Gist of issue	Section/Rules	Proposal	Suggested formulation
				<p><u>may specify, and will be collected in such manner as may be prescribed:</u></p> <p><u>Provided that, where a factory producing notified goods did not produce the notified goods during any continuous period of fifteen days or more, cess calculated on a proportionate basis shall be abated in respect of such period if the supplier of such goods fulfils such conditions as may be prescribed.</u></p> <p><u>(5) Where the cess under this section has been paid on the specified goods, no cess shall be levied on further supplies of these goods</u></p> <p><u>(6) Notwithstanding anything contained in the provisions of section 11 of this Act no input tax credit in respect of cess on supply of specified goods shall be available to the recipient of the said goods.</u></p>

Agenda Item 10: Issues recommended by the Fitment Committee for the Consideration of the GST Council

Agenda Item 10(i): Recommendations on Goods

The GST Council, while considering the recommendations of the Fitment Committee, in its 23rd Meeting held on 10 November 2017 had referred GST rates on certain goods for re-examination by the Fitment Committee.

2. Moreover, both the Centre and States have received a number of representations from various stakeholders, which were examined and broad-sheeted for discussion by Centre and certain States, like, Tamil Nadu, Uttar Pradesh, Maharashtra and Gujarat.

3. The issues referred back by the GST Council as well those forwarded by the Centre and States were examined by the Fitment Committee during its meetings on 10th and 13th January, 2018. Based on the deliberations, the Fitment Committee has made certain recommendations for change in the GST rates of certain goods or has suggested issuance of clarifications in certain other cases relating to classification and rate of goods.

4. **Annexure 1** appended to this agenda note lists out the goods where the Fitment Committee has recommended change in the GST rates of certain goods or has suggested issuance of clarifications in certain other cases relating to classification and rate of goods. **Annexure 2** appended to this agenda note lists out the goods, where the Fitment Committee has not recommended any change in the GST rates.

5. This is placed before the GST Council for consideration and approval.

ANNEXURE 1

LIST OF GOODS FOR CHANGE IN GST RATE

S. No.	Description	HSN	Present GST Rate	Recommended GST rate	Comments of the Fitment Committee
1.	Renewable fuel based buses	8702	28%	18%	<ol style="list-style-type: none"> 1. Buses attract 28% GST. As against that, other motor vehicles attract 28% GST plus Compensation cess. 2. Karnataka informed that in their State a unit manufactures renewable fuel based buses. 3. In view of the positive impact of such buses on the environment, Fitment Committee recommends 18% GST rate on buses, for use in public transport, which exclusively run on bio fuels.
2.	Gibberellic Acid	3808 93	18%	12% [under S. No. 59 of Schedule II of notification No. 1/2017-CT(Rate)]	<ol style="list-style-type: none"> 1. S. No. 59 of Schedule II of notification No. 1/2017-CT (Rate)] prescribes 12% GST rate for gibberellic acid falling under chapter 29. 2. As per HSN Explanatory Notes, Gibberellic Acid falls under sub-heading 3808 93. 3. Fitment Committee recommends to include sub-heading 3808 93 and an explanation [under subsection 3 of section 11 of the CGST/SGST Act] that such rate was available for Gibberellic Acid falling under sub-heading 3808 93 with effect from 1st July, 2017.
3.	10-13 seater buses and ambulances	8702	28% GST +15% Compensation Cess	28% + Nil Compensation Cess for 10-13 seater vehicles falling under heading 8702 cleared as ambulances, duly fitted with all fitments, furniture and accessories necessary for an ambulance from the factory manufacturing such vehicles	<ol style="list-style-type: none"> 1. In central excise, for vehicles falling under headings 8702 or 8703, cleared as ambulances, duly fitted with all fitments, furniture and accessories necessary for an ambulance from the factory manufacturing such vehicles attracted a concessional excise duty of 12.5%. 2. In GST, the aforesaid concession has been carried forward, in form of exemption from Compensation Cess, for motor vehicles [falling under heading 8703] cleared as ambulances, duly fitted with all fitments, furniture and accessories necessary for an ambulance from the factory manufacturing such vehicles. 3. Fitment Committee recommended that following the same rationale, exemption from Compensation Cess may be extended to motor vehicles [falling under heading 8702, as it was in excise duty regime] cleared as ambulances, duly fitted with all fitments, furniture and accessories necessary for an ambulance from the factory manufacturing such vehicles.
4.	LPG supplied for supply	2711	18%	5%	<ol style="list-style-type: none"> 1. The 5% GST is levied on domestic LPG supplied by the three public sector firms- Indian Oil Corporation Ltd, Bharat Petroleum

17	Bamboo wood building joinery	4418	18%	12%	<ol style="list-style-type: none"> 1. Bamboo wood building joinery fall under heading 4418 and attract 18% GST. 2. Bamboo wood building joinery is used for building eco-friendly bamboo cottages, huts and similar structures. 3. These are mostly constructed by Tribals in forests or as green house by conservators of forests. 4. Fitment Committee recommends 12% GST rate on Bamboo wood building joinery.
18	All goods	4601, 4602	12%/5%	5%	<ol style="list-style-type: none"> 1. Plaits and similar products of plaiting materials, whether or not assembled into strips; plaiting materials, plaits and similar products of plaiting materials, bound together in parallel strands or woven, in sheet form, whether or not being finished articles (for example, mats matting, screens) falling under heading 4601, in general attract 12% GST. 2. Basketwork, wickerwork and other articles, made directly to shape from plaiting materials or made up from goods of heading 4601; articles of loofah, falling under heading 4602, in general attract 12% GST. 3. Grass, leaf or reed or fibre products, including mats, pouches, wallets, falling under headings 4601 or 4602 attract 5% GST. 4. Fitment Committee recommends rationalization of GST rate on all goods falling under headings 4601 or 4602 at 5%.
19	Micronutrients	28, 38	12%/18%	12%	<ol style="list-style-type: none"> 1. Micronutrients which are covered under S. No. 1(g) of the Schedule 1 of Part A of the Fertilizer Control Order, 1985 manufactured by the manufacturers which are registered under the said Order, falling under chapter 28, attract 12% GST {S. No. 56 of Schedule II of notification No. 1/2017-Central Tax [Rate]}. 2. In excise duty regime, a similar concession was for such goods falling under chapter 28 as well as chapter 38. 3. Fitment Committee recommends including chapter 38 in the classification column against S. No. 56 of Schedule II of notification No. 1/2017-Central Tax [Rate].

S. No.	Description	HSN	Present GST Rate	Recommended GST rate	Comments of the Fitment Committee
20	Tamarind Kernel Powder	1302	18%	5%	<ol style="list-style-type: none"> 1. As per circular No. 116/17/2016-CX.3 dated 19.07.2016, tamarind kernel powder is classifiable under 1302 and attracts 18% GST 2. Ahmedabad Bench of CESTAT vide its order dated 25.01.2017 in case of Commissioner of Central Excise & Cus, Ahmedabad-II Vs Hindustan Gum & Chemicals Ltd, had decided that Tamarind Kernel Powder falls under heading 1301. 3. Applicable GST rate for goods falling under heading 1301 is 5% [other than lac and shellac]. 4. To avoid classification disputes, Fitment Committee recommends 5% GST rate on Tamarind Kernel Powder.
21	Parts and accessories specifically used for manufacture of Hearing aid	Any chapter	28%/18%	Nil	<ol style="list-style-type: none"> a) Hearing aids are exempt from GST, their components/parts/accessories attract applicable GST rate. b) Imported hearing aids thus attract Nil IGST, while domestically manufactured hearing aids have input taxes embedded in their cost. c) After detailed deliberations, Fitment Committee recommends either of the following two options to address this problem: <ol style="list-style-type: none"> a) To Provide an End use based exemption for parts for manufacture of hearing aids. OR b) To impose nominal 5% GST on hearing aids.
22	<ol style="list-style-type: none"> a) Rice Bran for use as aquatic, shrimp feed, prawn feed, poultry feed and cattle feed b) Rice bran for other uses 	2302 2302	Nil 5%	Rice bran 5% De-oiled rice bran Nil	<ol style="list-style-type: none"> 1. Rice bran is basic raw material for rice bran oil. 2. Oil seeds and vegetable oils attract 5% GST. 3. Differential rates on rice bran, depending on intended use, is prone to misuse. 4. Fitment Committee recommends: <ol style="list-style-type: none"> a) 5% GST on rice bran. and b) Nil GST on de-oiled rice bran. 5. Tamil Nadu and Telangana, however, are in favour of maintaining the status quo.

S. No.	Description	HSN	Present GST Rate	Recommended GST rate	Comments of the Fitment Committee
23	Ghamella, tasla	7323	18%	18%	<ol style="list-style-type: none"> Heading 7323 includes Iron or steel wool; pot scourers and scouring or polishing pads, gloves and the like, of iron or steel and attract 18% GST. Heading 8201 covers Agricultural implements manually operated or animal driven i.e. Hand tools, such as spades, shovels, mattocks, picks, hoes, forks and rakes; axes, bill hooks and similar hewing tools; secateurs and pruners of any kind; scythes, sickles, hay knives, hedge shears, timber wedges and other tools of a kind used in agriculture, horticulture or forestry attract Nil GST. Hon'ble High Court of Gujarat has directed to clarify the classification and applicable GST rate on Ghamella / tasla. There is specific tariff item 76329410 for Ghamella. Fitment Committee is of the view that Ghamella/tasla is correctly classifiable under heading 7323 and attracts 18% GST. Fitment Committee recommended that in order to make the issue beyond any doubt the exemption to the heading 8201 may specifically exclude ghamella from its ambit. Consequently, irrespective of the classification under heading 7323 or 8201, ghamella would attract 18% GST.
24	Specialized metal supplies for launch vehicles and satellites and payloads	72-75/81-85	18%	5%	<ol style="list-style-type: none"> Sl. No. 539 of notification No. 50/2017 dated 30.06.2017 <i>inter alia</i> exempts BCD, Cess and IGST on import of Scientific and technical instruments, apparatus, equipment, accessories, parts, components, spares, tools, mock ups and modules, raw material and consumables required for launch vehicles and satellites and payloads. However, there is no exemption from CGST/SGST on such goods. There is a domestic manufacturer, who manufactures specialised material, falling under HSNs 72-75 and 81-85, required for launch vehicles and satellites and payloads. Supplies made by it attracts 18% GST while imports of similar supplies are exempt from IGST. To bring the domestic suppliers at par with imports, fitment committee has recommended to impose a uniform rate of 5% IGST on imports of Satellites and payloads and 5% GST on import of Scientific and technical instruments,

S. No.	Description	HSN	Present GST Rate	Recommended GST rate	Comments of the Fitment Committee
					apparatus, equipment, accessories, parts, components, spares, tools, mock ups and modules, raw material and consumables required for launch vehicles and satellites and payloads [goods covered in clause (b) of S. No. 539 of notification No. 50/17-Cus];

Providing for refund of unutilised ITC will result in refund of input taxes, which has not</p>																										

S. No.	Description	HSN	Present GST Rate	Recommended GST rate	Comments of the Fitment Committee
					<p>been the intent behind present rate of 5% GST with no refund of unutilised ITC.</p> <p>5. The Fitment Committee recommends that a clarification may be issued stating that only the goods falling under chapter 86 attract 5% GST rate with no refund of unutilised ITC, and goods [falling in any other chapter] will attract applicable GST rate under the respective chapters.</p>
29.	Coal Rejects Double levy of Compensation Cess		Rs. 400 per tonne	<p>Nil Compensation Cess on coal rejects [Similar to exemption under erstwhile notification No. 48/2010-Clean Energy Cess date 22.06.2010]</p> <p>Or</p> <p>To classify the coal rejects as a by-product under heading 2704/2706, which does not attract Compensation cess.</p>	<p>1. The Clean Environment Cess (CEC) was a duty of excise, applicable on production or manufacture. It was collected at the first point, and for subsequent processes which could have been treated as amounted to manufacture. Further, no credit of CEC was allowed.</p> <p>2. Unlike the CEC, credit of Compensation Cess paid on inward supplies is allowed, which can be used for paying Compensation Cess on outward supplies.</p> <p>3. Washery rejects can be used by washery reject based power plants. Coal rejects will not be classifiable under heading 2704. Representation itself mentions that coal reject, a by-product generated during coal washing is generally considered under heading 2701.</p> <p>4. Normally ITC should take care.</p> <p>5. Fitment Committee recommends:</p> <ol style="list-style-type: none"> Issuance of a clarification that Coal rejects fall under heading 2701 and attract Compensation Cess @Rs. 400 PMT. Representatives from Bihar and Gujarat may conduct a detailed study of the issue of possible double taxation and come up with a report including possible solution to the problem, if any.

ANNEXURE 2

LIST OF ISSUES DISCUSSED BY FITMENT COMMITTEE

SLN o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
1.	50-63	Textiles	Yarn - 12% Fabrics – 5%	Refund of Accumulated credit at the fabric stage	<ol style="list-style-type: none"> 5% GST rate on fabrics has been kept keeping in view the consumers interest, despite higher pre-GST tax incidence. To ensure that such lower rate of 5% does not result in refund of tax paid at previous stages, refund of unutilised ITC was blocked. Post introduction of GST, GST rate on manmade filaments and yarns has been reduced from 18% to 12%. This will reduce the extent of ITC accumulation at fabrics stage. Further, keeping these factors in view the advalorem component of BCD on manmade fabrics has been increased from 10% to 20%. In view of the above the Fitment Committee did not accept the proposal.
2.	Any Chapter	Machinery used by silk and handicraft	18%	Place the issue in the next GST council meeting for favourable consideration.	<ol style="list-style-type: none"> Reduction in GST on machinery will result in tax inversion for their domestic manufacturers, putting them at a disadvantage vis-à-vis imports, on account of financial and administrative cost of refund of unutilised ITC. Credit of GST on machinery can be availed by the user industry. In view of the above the Fitment Committee did not accept the proposal.
3.			Changes in rates come into effect from the date of issue of notification or any prospective date therefrom.	Notification to be made effective from the date of decision [recommendations by the GST Council]	<ol style="list-style-type: none"> GST Council is a recommendatory body. Changes in rates come into effect from the date of issue of notification or any prospective date therefrom. In view of the above the Fitment Committee did not accept the proposal.
4.	12	Oilseeds under Price Support Scheme (PSS)	Purchase and sale of all oilseeds@5 % (other than seeds quality)	Exempting the imposition of 5% of GST on purchase and sale of oilseeds under PSS in the interest of farmers in the country.	<ol style="list-style-type: none"> Both oil seeds and edible vegetable oils attract 5% GST. 5% nominal GST on oil seeds enables flow of ITC of GST paid on other inputs to the trade, mainly, services, like transportation, storage and warehousing etc. Nil GST oil seeds will thus increase cost of oil seeds and edible oils.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					4. In view of the above the Fitment Committee did not accept the proposal.
5.		Independent twisters crape process		Consider the Independent twisting/ crape unit as part of weaving process and keep them under weaving chapter	<ol style="list-style-type: none"> 1. The representation is not clear. 2. It seems to seek 5% GST on twisting and crape process. 3. Such processes done in house by composite units not involving any supply will anyway not attract GST. 4. Gujarat will provide more facts for examination by Fitment Committee.
6.	2106	Pickle	12		<ol style="list-style-type: none"> 1. GST rate on pickles is as per the pre-GST tax incidence. 2. General GST rate for processed foods is 12%, with a few exceptions, like unbranded namkeens, Chikki etc. 3. Already attracts 12%. No change. 4. No consensus in fitment committee for reduction to 5%. (Tamil Nadu Proposal) 5. GST Council may take a view.
7.	21	Ready to eat/Ready to cook products, papad	12%	5%	<ol style="list-style-type: none"> 1. General GST rate for processed foods is 12%, with a few exceptions, like unbranded namkeens, Chikki etc. 2. Wheat flour [other than those put up in unit container and bearing a registered brand name] is at nil GST, and that in unit container and bearing a brand name is at 5% GST. Masalas in Chapter 9 are at 5% GST. 3. GST does not envisage end use based exemptions, as they are difficult to administer and extremely prone to misuse, particularly in a multi stage levy. 4. Exemptions break ITC chain and add to cost, and thus not advisable. 5. In view of the above the Fitment Committee did not accept the proposal.
8.	2401	Raw Tobacco	There are two rates specified 5% / 28%	<ol style="list-style-type: none"> 1. Due to two rates department officers not able to clarify the correct rate. 2. Clarify the rate 	<ol style="list-style-type: none"> 1. Only tobacco leaves are at 5%. 2. Other forms of tobacco are at 28% or more. 3. All tobacco products being demerit goods are at 28% or more. 4. It would be advisable to capture tax at an early stage, for such an evasion prone sector. 5. In view of the above the Fitment Committee did not accept the proposal.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
9.	Any Chapter	Central Police canteen (CPC) for CAPF personnel		Exemption	<ol style="list-style-type: none"> 1. Concessions [from VAT] in pre-GST regime may be basis for recommending such a concession, if the Fitment Committee so decides. 2. While some States used to give some concession from VAT, others did not. 3. No unanimous view emerged in the Committee. 4. Fitment Committee does not recommend any concession.
10.		Solar Power		Keep the cost of Solar Power low and incentivize renewable energy deployment.	<ol style="list-style-type: none"> 1. Inter-State procurements at 2% CST will not be the correct representation of the pre-GST state taxes incidence. 2. Further, 5% GST on solar power generating system is in fact less than the pre-GST embedded taxes, 3. 5% GST also ensures that domestic manufacturers of these goods are able to avail ITC. 4. Further, suppliers of such systems will be eligible for refund of unutilised ITC, providing somewhat level playing field to them vis-à-vis imports. 5. Nil GST will put domestic manufacturers at a disadvantage vis-à-vis imports and would not be advisable. 6. No change.
11.		Security Equipment's for SPG		Issue a specific notification in terms of CGST Act, 2017 exempting SPG from payment of basic Custom duty, IGST and compensation Cess on import of all goods for its operational use in protection & related functions.	<ol style="list-style-type: none"> 1. In pre-GST regime all imports for SPG were exempt from customs duty, CVD and SAD. 2. Due to inherent problems related to end based exemptions as a general matter of policy, end used based exemptions are not resorted to in GST. 3. Fitment Committee did not agree.
12.		Tamarind	<ol style="list-style-type: none"> 1. Tamarind @0% 2. Dried Tamarind (0813) @ 12% 	Exempt	<ol style="list-style-type: none"> 1. GST on dry tamarind has been re-examined by the GST Council and it recommended 5% GST on it. 2. 5% GST is also at par with many ingredients, like spices, used in making of food. 3. Threshold exemption and composition scheme should help small dealers. 4. Fitment Committee did not agree.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
13.		1. Honey, 2. Coffee, 3. Turmeric Soaps, 4. Sheekakai shampoos, 5. Tamarind Soap nuts.		1. Exempt 2. Girijan cooperative corporation ltd, Visakhapatna m and its affiliated Girijan Primary Marketing Cooperative Societies may be exempted form registrations under section 23(2) of GST Act.	1. Only packed and branded honey attracts 5% GST. Loose honey is exempt from GST. 2. Coffee beans, not roasted attract Nil GST. Further, coffee roasted, whether or not decaffeinated; coffee husks and skins; coffee substitutes containing coffee in any proportion [other than coffee beans not roasted] attract 5% GST. Instant coffee attracts 18% GST. 3. Soaps and shampoos in general attract 18% GST. Having different rate for same product, based on who manufactured it or some specific ingredients, will be difficult to administer in a multi stage tax. 4. Fitment Committee did not agree.
14.	Chapter 3	Dry fish	5%	Exempt	1. Loose dry fish has been exempted from GST. 2. Fitment Committee did not agree.
15.	5608	Fishnets and fishnet fabrics	12%	Exempt	1. GST on fishnets has been reduced to 5%. 2. Fitment Committee did not agree.
16.	6802	Granite Slabs	18%	-	1. GST on granite slabs and tiles has been reduced to 18%. 2. Fitment Committee did not agree.
17.		Napa Tiles	Napa slabs are categorized under the 5% slab the Napa tiles are still kept under 18% slab	Napa tiles should also be reduced to 5%	1. 18% GST is applicable on types of flooring materials. 2. Advalorem rate will ensure lower tax in absolute terms on low priced items. Fitment Committee did not agree.
18.	5205- 5207	Cotton Yarn in Hanks	5%	Exempt	1. All types of fabrics attract 5% GST. Credit of ITC paid on hank yarn may be availed by the user. 2. Nil GST will break ITC chain and increase cost. Fitment Committee did not agree.
19.	50-63	Textiles	5%	Exempt	1. All types of fabrics attract 5% GST. 2. Nil GST will break ITC chain and increase cost and put domestic

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					manufacturers at a dis-advantage vis-à-vis imports. Fitment Committee did not agree.
20.		Natu Tobacco Cheroot	Cigar which cost Rs 50 and the cheroot which cost Rs 1 are levied tax at same rate.	1. Natu Tobacco Cherrot may be exempted from cess 2. GST tax rate of Cheroot may be reduced from 28%	1. All tobacco products are demerit goods. 2. Fitment Committee did not agree.
21.	8701	Tractors	12%	5%	1. 5% GST on tractors will result in acute inversion in GST rate structure. 2. Even with 12% rate on tractors, GST rate on specified parts was to be reduced to 18%. Fitment Committee did not agree.
22.	2106	Fried Grams	Clarification	Whether fried grams are treated as Roasted grams for the purpose of levying tax or to be exempted from tax as contended by the traders require urgent clarification.	1. Fried grams as such are different from roasted grams. 2. Roasted grams are at 5% GST. 3. May be for sake of uniformity same rate may be considered on both fried and roasted grams. 4. Fitment Committee decided that before proceeding further, Maharashtra will send a draft Circular on the matter
23.	87	Hybrid Cars	28% + 15%	Cess may be reduced to 3%	1. The issue of Compensation cess rate on hybrid cars has been examined in great detail and requests for reduction in the same have not been acceded to 2. Compensation cess on small hybrid cars is nil. 3. Further, when the Compensation cess rates on cars were last revised upward, no increase was made in Compensation cess rates for hybrid cars. 4. As a result, hybrid cars already attract lower total GST vis-à-vis similar engine capacity IC engine cars. 5. Fitment committee did not agree.
24.		Fish Feed supplements	Fish feed or fish feed supplements are exempted only when obtained from	To encourage the fish farmers, the fish feed and feed supplements obtained from inorganic sources	1. Fish feed supplements are already at Nil GST.

Sl.No	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
			residues and waste from food industries		
25.	3926	Variety of plastic articles	Many of these items are presently @ 18%	12%	<ol style="list-style-type: none"> 1. Plastic articles, in general, attract 18% GST, which is also the rate on plastics. 2. MSME can avail composition scheme, the limit for which is proposed to be creased further from Rs. 1 crore to Rs. 1.5 crore. 3. General reduction in rate, may actually hurt the interest of MSME. 4. Fitment committee did not agree.
26.	3604	Crackers	28%	18%	Crackers are already at 18%.
27.	3605	Matches	18%	5%	<ol style="list-style-type: none"> 1. 18% is the general GST rate for manufactured items, which is also the rate for various inputs of matches. 2. Handmade matches attract a concessional rate of 5% GST. 3. Reduction in GST rate on other matches, will take away the tax advantage presently available to handmade matches. 4. Fitment Committee did not agree.
28.	5608	Fishing twine, ropes and fishnets	12%	5%	<ol style="list-style-type: none"> 1. Fishnets are already at 5% GST, vide S.No. 218C of notification No. 1/2017-Central Rate dated 30.06.2017. 2. GST rate of Fishing twine and ropes is at 12% at par with pre GST tax incidence. 3. No change.
29.	9404	Unbranded Cotton and coir mattresses	18%	12%	<ol style="list-style-type: none"> 1. Branded– unbranded distinction for taxation results in various compliance issues. 2. Its proliferation therefore be generally resisted, more so, when the distinction is sought to be created for rate reduction below 18%/12%. 4. No change.
30.	5402, 5403, 5404, 5405, 5406	Synthetic and artificial filament yarn, yarn of manmade staple fibre	12%	5%	<ol style="list-style-type: none"> 1. GST rate on Synthetic and artificial filament yarn, yarn of manmade staple fibre is at 12% as per pre GST incidence. 2. Rate on Synthetic and artificial filament yarn was examined and reduced from 18% to 12 %.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					<p>3. Further, 12% rate has been prescribed without blocking of refund of unutilised ITC.</p> <p>4. Any further reduction in rate will thus result in huge refunds of tax paid up-streams.</p> <p>5. In view of the above Fitment Committee did not agree to the proposal.</p>
31.	8507 60 00	Lithium-ion (Mobile Phone Battery	28%	12%	<p>1. All batteries falling under 8507 attract 28% GST.</p> <p>2. Requests for reduction on lithium ion battery may be considered at the time of next review of 28% rated items.</p> <p>3. Fitment Committee did not agree.</p>
32.	92	Musical Instruments 92	<p>1. Indigenous handmade musical instruments – 0%</p> <p>2. Other musical instruments -18%</p>	<p>1. GST rate not higher than 5% on all other musical instruments falling under Chapter 92 and its parts and accessories</p> <p>2. Nil rate of GST on parts and accessories of indigenous handmade musical instruments</p> <p>3. Nil rate of GST on music books classified under Chapter 49</p>	<p>1. GST rate on Indigenous handmade musical instruments is Nil.</p> <p>2. Small manufacturers of other musical Instruments can avail benefit of threshold exemption/ composition scheme.</p> <p>3. In view of the above Fitment Committee did not agree to the proposal.</p>
33.	8705	Mechanized Machines integrated to Chassis	1. Special Purpose Vehicle -28%	Nil	<p>1. These vehicles besides being used in garbage collection and road sweeping, also include breakdown lorries, crane lorries, spraying lorries, mobile workshops, mobile radiological units, used in other industrial uses.</p> <p>2. Due to inherent problems related to end based exemptions as a general matter of policy, end used based exemptions are not resorted to in GST.</p> <p>3. Fitment Committee did not agree.</p>
34.	Any Chapter	Supplementary nutrition		Kindly consider the matter and issue revised	<p>1. Having extended a lower rate for food preparations put up in unit containers and intended for free distribution to</p>

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee								
				notification deleting the condition related to economic status of the beneficiaries for availing of lower central tax rate on THR component of Supplementary Nutrition Program under Anganwadi Services Scheme for the Children (6months – 3 years), pregnant women & Lactating Mothers and Adolescent Girls as well for the components used for serving / preparing Morning Snacks and Hot Cooked Meals.	<p>economically weaker sections of the society under a programme duly approved by the Central Government or any State Government, Fitment Committee may consider extending similar concession for Take Home Ration (THR) component of Supplementary Nutrition Program under Anganwadi Services Scheme for the Children (6months – 3 years), pregnant women & Lactating Mothers and Adolescent Girls, keeping in view the implementation issues and possibility of misuse.</p> <p>2. Fitment Committee was of the view that further details are required to examine the issue.</p>

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee			
							Petroleum Corporation Ltd.(HPCL), Bharat Petroleum Corporation Ltd.(HPCL)	
					3. 18% GST rate on commercial LPG is as per pre GST tax incidence. 4. Fitment Committee was of the view that there was no justification for extending 5% concessional GST rate for commercial LPG. 5. No change.			
36.	8716 8020	Bullock Cart	12%, Parts-18%	Rationalization	1. Animal drawn vehicles classifiable in Chapter 87168020 attract a GST rate 12%. 2. Threshold exemption will be available to small dealers. 3. Dealers upto Rs. 1 crore [up to Rs. 1.5 crore in future] can avail composition scheme. 4. Whether there are any parts, which can be only used in bullock carts. 5. Even bigger dealers will get refund on unutilised ITC. 6. End use based exemption for goods, which have other uses are prone to misuse and difficult to administer. 7. No change.			
37.	5004 to 5006	Silk Yarn	5%	0%	1. The pre-GST weighted tax incidence was about 4.7%. 2. Nil GST on a manufactured item will break ITC chain and put domestic manufacturers at a disadvantage vis-a- vis imports. 3. No change.			
38.	7320	Springs used in cultivator and tiller	18%	12%	1. Springs are classifiable 7320 and attract 18% GST rate in general. 2. End use based concessional GST rate on such general purpose items will be prone to misuse. 3. To check possible misuse if any concession were to be given, the representative from Haryana in the Fitment Committee agreed to provide specifications for such springs.			
39.	4823	Paper plates made out of old paper		0%	1. Paper plates are classifiable under Chapter 4823 and attract 18% GST rate. 2. Further, it would be difficult to determine whether the plates are made of fresh pulp or old paper.			

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					3. Differential GST rates for plates made of fresh pulp or waste paper would thus be difficult to administer. 4. No change.
40.		Bidi	28%	--	1. Bidis are demerit goods. 2. GST rate of 28% has been deliberated in great detail by the Council and it is as per the pre-GST tax incidence of about 25.68%. 3. It will not be advisable to reduce the rate on bidis below pre-GST tax incidence. 4. No change.
41.	4012	Re- Used Tyres	28%	Reduction recommended	1. It may not be advisable to have different GST rates for retreaded and new tyres, as in a multi stage tax system, it would be difficult to distinguish between the two. 2. Such a system will be difficult to administer and prone to misuse. 3. No change.
42.	2106	Panchamrit		Nil	1. Panchmrit is sold commercially by manufacturers like Amul. <div data-bbox="1193 1043 1356 1366" data-label="Image"> </div> 2. Hence, Panchamrit may not merit same tax treatment as Kumkum or vibhuti. 3. No change.
43.	Chief Ministe r, Rajasth an	Marble Statue of god and goddesses	18%	Nil	1. Marble Statue are classified in 6802 and attract a GST rate of 12%. 2. No change.
44.	Foresig ht Ltd.	Ships	5%	Instead of upfront payment of 5% IGST, mechanism to be evolved for collection of GST as and when the	1. Examples given by M/s Foresight Limited presuppose that input tax credit of GST (IGST) paid on ships / vessels is to be utilized for paying GST on output services provided by that ship / vessel alone. 2. In fact, this assumption would not be correct in most of the cases, as a shipping company generally will have

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
				services are hired to prevent capital blockage.	<p>more than one ship / vessel, and the input tax credit of GST (IGST) paid on new acquisitions by it can be utilized for payment of output services provided by the shipping company using all its ships / vessels [the existing ships / vessels and the newly acquired ships / vessels].</p> <p>3. That being so, the utilization of input tax credit of GST (IGST) paid on new acquisition of ship / vessel will be much sooner than what is presented by M/s Foresight Limited. On the other hand, exempting GST (IGST) on ships / vessels would not be in line with the 'Make in India' policy of the Government.</p> <p>4. However, 5% GST rate on ships may result in some accumulation of ITC by Shipping lines.</p> <p>5. No change.</p>
45.	ALSTOM	Rolling Stock	5% (no refund of accumulated tax credit)	<p>1. Allow refund of surplus input tax credit for HSN falling in Chapter 86</p> <p>2. Alternatively increase GST on goods of HSN 86 from 5% to 12%.</p>	<p>1. Prior to 1.7.2017, goods of chapter 86 attracted 2% excise duty [without ITC] or 6% excise duty [with ITC].</p> <p>2. In Central Excise regime, there was no provision for refund of accumulated credit.</p> <p>3. Providing for refund of unutilised ITC will result in refund of input taxes, which has not been the intent behind present rate of 5% GST with no refund of unutilised ITC.</p> <p>4. Karnataka and Maharashtra were requested to collect the details of ITC accumulations and bring the same for consideration of the Fitment Committee.</p>
46.	Ministry of Agriculture, Co-operation and Farmers Welfare	Bamboo and Cane products and furniture (9403)	18%/12%/5%	Reduced rate or Nil	<p>1. GST rates on bamboo items have been rationalised.</p> <p>2. Bamboo is at 5%.</p> <p>3. Bamboo articles mostly are either at 5% (basket, mat, handicraft, plaits etc.) or 12% (furniture etc.).</p> <p>4. Handmade musical instruments are at nil.</p> <p>5. Bamboo joinery, tiles are at 18%. Reducing the 5% or 12% rate further would only cause hardship to the trade on account of input tax cascading.</p>

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					6. Nil GST will break the ITC chain and increase costs. 7. Fitment Committee is recommending: a) Reduction in GST rate on all goods falling under headings 4601 and 4602, including those made of bamboo, from 12% to 5%. b) Reduction in GST rate on bamboo joinery from 18% to 12%, at par with bamboo furniture. 8. No change in GST rate on other goods, like bamboo tiles, bamboo plywood, bamboo mat boards.
47.		Handmade Agarbatti & Odoriferous (3307 41 00)	5%	Nil	1. GST rate on agarbattis is already lower than pre-GST tax incidence. 2. No change.
48.	Zipper Association of India	Zippers & parts thereof industry (9607)	18%	12%	1. Inputs, except fabric, for making zipper are at 18%. 2. 5% or 12% will result in inversion and will put domestic manufacturers at a disadvantage vis-à-vis imports. 3. Representative of Maharashtra has to give further inputs
49.	The Imitation Jewellery Dealers & Manufacturers Association	Seeking amendment in GST rate for Hair Pins (HSN code 9615)	12%	3%/ 5%	1. Hair pins are classifiable under heading 9615 and attract 12% GST rate. 2. Raw materials for making hair pins like plastics and metals rate at 18%. 3. Industry is seeking 3% GST rate at par with imitation jewellery. 4. Such low rate will result in acute inversion and may incentivize imports over domestic production. 5. No change.
50.	Association of India Magazines (AIM)	Request from Magazine Publishers on GST on LWC paper upto 70 gsm	12%	Nil	1. Pre-GST, newsprint attracted 5% VAT in many states. 2. Nil GST on a manufactured product puts domestic industry at disadvantage vis-à-vis imports. 3. Hence, the Council has recommended 5% concessional GST rate on newsprint.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
					<p>4. 12% GST rate on lightweight coated paper provides some parity to domestic paper and paper bag industry vis-à-vis imports.</p> <p>5. No change.</p>
51.	Tamil nadu Camph or Tablets Associa tion	Camphor (2914)	18%		<p>1. GST does not envisage end use based exemption.</p> <p>2. Camphor has many uses like medicinal, cosmetic and chemical uses.</p> <p>3. End use based concessional GST rate on such general purpose items will be prone to misuse.</p> <p>4. Tamil Nadu and Karnataka were of the view that GST rate on camphor be reduced or fully exempted.</p> <p>5. No change.</p>
52.	Egg Albumi n	18%	5%	<p>1. Egg albumin (3502) to be put at par with other egg products.</p> <p>2. In order to ensure smooth functioning of commercial transaction under GST so that entire egg products shall be under one GST rate.</p>	<p>1. Egg albumin [egg white] is used as input in food processing.</p> <p>2. ITC of tax paid on it will be available.</p> <p>3. No change.</p>
53.	Plates and cups made of sal/ siali leaves ans sabai ropes made from sabai grass	5%	Nil	<p>a) Tribal people are employed in making the said products and their livelihood</p> <p>b) These products are eco-friendly.</p>	<p>1. GST rate is already at the lowest, 5%.</p> <p>2. Small dealers will be eligible for threshold/composition scheme.</p> <p>3. No change.</p>
54	Clay Brick	5%	Compounde d levy	a) Employment opportunities to people of rural areas.	1. GST law does not provide for any compounded levy scheme, except the composition scheme.

SL.N o	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
				b) In VAT, clay brick manufacturers were allowed to opt for special compounding duty.	2. Small dealers can avail composition scheme. 3. No change.
55		Cold storage infrastructure	18-28%	5%	1. Fitment Committee deliberated at length at pros and cons of the proposal. 2. Most of the members of the Committee were not in favour of end use based concession, due to possibility of misuse. 3. It was also stated that construction of a cold storage is a works contract eligible for 12% GST, wherein the works contractor will be eligible for refund of ITC accumulation [of GST paid on input goods], if any. 4. No change.
59.	1106	Sago	5%	Nil	1. GST rate of 5% is as per pre-GST tax incidence. 2. In order to achieve the larger goal of a single rate GST, it may not be appropriate to tweak GST rates of goods which are already at 18% or below. 3. No change.
60.	1903	Tapioca starch	12%	5%	1. Tapioca starch is largely used as input. 2. ITC will be available. 3. No change.
61.		1. Agriculture / Horticulture Machinery and implements 2. Post-harvest technology and management machinery	18 % 12% 5%	Nil	1. The GST Council has recommended GST rates keeping all relevant factors in view, including the pre GST tax incidence. 2. In pre- GST regime, manufactured items suffered significant cascading of tax, on account of tax on tax, ITC blockage, CST, Octroi and other levies. These taxes translated into significant duty incidence even where an item was exempt from VAT in pre GST regime. 3. Lower GST rates result in accumulation of ITC and put domestic manufacturers at disadvantage. 4. No change.

94.		Neem cake		Exemption	<ol style="list-style-type: none"> 1. MSME can avail threshold/composition scheme. 2. Nil GST will break the ITC chain and increase costs. 3. No change.

Sl.No	HS Code	Goods	Present Rate	Requested Rate	Comments of the Fitment Committee
95.	9619	Sanitary Napkins	12%	5%	<ol style="list-style-type: none"> Sanitary napkins are classifiable under heading 9619. In pre-GST era, sanitary napkins attracted 6% excise duty and 5% VAT. Thus, in the pre-GST era the total tax incidence [including tax incidence on account of CST, Octroi and VAT] on sanitary napkins was more than 12%. As against that, the GST rate on sanitary napkins is 12%. Major raw materials for manufacture of sanitary napkins and applicable GST rates on them are as under: <ol style="list-style-type: none"> 18% GST rate on Super Absorbent Polymer, Poly Ethylene Film, Glue, LLDPE 50 GSM – Packing Cover 12% GST rate on Thermo Bonded Non-woven, Release Paper <ul style="list-style-type: none"> • Wood Pulp In GST, raw materials for manufacture of sanitary napkins attract 18% or 12% rate. Thus, even with 12% GST on sanitary napkins, the GST rate structure for them will be inverted, leading to possible accumulation of input tax credit. Though, the GST law provides for refund of such accumulated input tax credit, there are associated financial costs with such refunds, putting domestically manufactured napkins at dis-advantage vis-à-vis imports coming at 12% IGST, with no such additional financial costs on account of fund blockage. If the GST rate on sanitary napkins were to be reduced from 12% to 5%, it will further accentuate the tax inversion and result in even higher accumulated ITC, with correspondingly higher financial costs, putting domestic manufacturers at even greater dis-advantage vis-à-vis imports. Reducing the GST rate on sanitary napkins to Nil, will in fact result in complete denial of the input tax credit to their domestic manufacturers while simultaneously zero rating imports. This will saddle domestic

Agenda Item 10(ii): Recommendations on Services

The recommendations of the Fitment Committee on services are indicated in brief in the Summary Sheet below. The detailed justification for the recommendations will be circulated separately as Volume 2 of the Detailed Agenda Notes.

Summary Sheet

Sl.No.	Recommendation of the Fitment Committee
1	To extend GST exemption on Viability Gap Funding (VGF) for a period of 3 years from the date of commencement of Regional Connectivity Scheme (RCS) airport from the present period of one year.
2	To exempt supply of services by way of providing information under RTI Act, 2005 from GST.
3	To exempt legal services provided to Government, Local Authority, Governmental Authority and Government Entity.
4	To reduce GST rate on construction of metro and monorail projects (construction, erection, commissioning or installation of original works) from 18% to 12%.
5	To exempt with retrospective effect from 01.07.2017 to 7.07.2017, exemption provided to aircrafts, aircraft engines and other aircraft parts imported into India under a transaction covered by item 1(b) or 5(f) of Schedule II of the Central Goods and Service Tax Act, 2017 from levy of integrated tax under section 3(7) of the Customs Tariff Act, 1975, vide notification No. 65/2017-Customs dated 8.7.2017, by way of amendment in Finance Bill, 2018.
6	To levy GST on the small housekeeping service providers, notified under section 9 (5) of GST Act, who provide housekeeping service through Electronic Commerce Operator (ECO), @ 5% without ITC.
7	To reduce GST rate on tailoring service from 18% to 5%.
8	To reduce GST rate on services by way of admission to theme parks, water parks, joy rides, merry-go-rounds, go-carting and ballet, from 28% to 18%.
9	To grant following exemptions: (i) To exempt service by way of transportation of goods from India to a place outside India by air; (ii) To exempt service by way of transportation of goods from India to a place outside India by sea and provide that value of such service may be excluded from the value of exempted services for the purpose of reversal of ITC. The above exemptions may be granted with a sunset clause upto 30th September, 2018.
10	To exempt services provided by the Naval Insurance Group Fund by way of Life Insurance to personnel of Coast Guard under the Group Insurance Scheme of the Central Government retrospectively w.e.f. 1.7.2017.
11	To exempt IGST payable under section 5(1) of the IGST Act, 2017 on supply of services covered by item 5(c) of Schedule II of the CGST Act, 2017 to the extent of aggregate of the duties and taxes leviable under section 3(7) of the Customs Tariff Act, 1975 read with sections 5 & 7 of IGST Act, 2017 on part of consideration declared under section 14(1) of the Customs Act, 1962 towards royalty and license fee includible in transaction value as specified under Rule 10 (c) of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007.
12	To provide in CGST rules that value of exempt supply under sub-section (2) of section 17, shall not include the value of deposits, loans or advances on which interest or discount is earned (This will not apply to a banking company and a financial institution including a non-banking financial company engaged in providing services by way of extending deposits, loans or advances).
13	To allow ITC of input services in the same line of business at the GST rate of 5% in case of tour operator service.
14	To reduce GST rate (from 18% to 12%) on the Works Contract Services (WCS) provided by sub-contractor to the main contractor providing WCS to Central Government, State Government, Union territory, a local authority, a Governmental Authority or a Government Entity, which attract GST of 12%. Likewise, WCS attracting 5% GST, their sub-contractor would also be liable @ 5%.
15	To enhance the exemption limit of Rs 5000/- per month per member to Rs 7500/- in respect of services provided by Resident Welfare Association (unincorporated or non-profit entity) to its members against their individual contribution.

Sl.No.	Recommendation of the Fitment Committee
16	To reduce GST rate on transportation of petroleum crude and petroleum products (MS, HSD, ATF) from 18% to 5% without ITC and 12% with ITC.
17	To exempt dollar denominated services provided by financial intermediaries located in IFSC SEZ, which have been deemed to be outside India under the various regulations by RBI, IRDAI, SEBI or any financial regulatory authority, to a person outside India.
18	To exempt (a) services by government or local authority to governmental authority or government entity, by way of lease of land, and (b) supply of land or undivided share of land by way of lease or sub lease where such supply is a part of specified composite supply of construction of flats etc. and to carry out suitable amendment in the provision relating to valuation of construction service involving transfer of land or undivided share of land, so as to ensure that buyers pay the same effective rate of GST on property built on leasehold and freehold land.
19	To amend entry 3 of notification No. 12/2017-CT(R) so as to exempt pure services provided to Govt. entity.
20	To expand pure services exemption under S. No. 3 of 12/2017-C.T. (Rate) so as to include composite supply involving predominantly supply of services i.e. upto 25% of supply of goods.
21	To reduce job work services rate for manufacture of leather goods (Chapter 42) and footwear (Chapter 64) to 5%.
22	To defer the liability to pay GST in case of TDR against consideration in the form of construction service and on construction service against consideration in the form of TDR to the time when the possession or right in the property is transferred to the land owner by entering into a conveyance deed or similar instrument (eg. allotment letter). No deferment in point of taxation in respect of cash component.
23	To exempt services relating to admission to, or conduct of examination provided to all educational institutions, as defined in the notification. To exempt services by educational institution by way of conduct of entrance examination against consideration in the form of entrance fee.
24	To enhance the limit to Rs 2 lakh against Sl. No. 36 of exemption notification No. 12/2017-C.T. (Rate) which exempts services of life insurance business provided under life micro insurance product approved by IRDAI upto maximum amount of cover of Rs. 50,000.
25	To exempt reinsurance services in respect of insurance schemes exempted under S.Nos. 35 and 36 of notification No. 12/2017-CT (Rate). [It is expected that the premium amount charged from the government/insured in respect of future insurance services is reduced.]
26	To exempt supply of service by Parliament and State Legislatures by way of transportation service by road of Hon'ble MPs/MLAs/ MLCs and sale of souvenirs/ publications to visitors and Hon'ble MPs/MLAs/MLCs.
27	To increase threshold limit for exemption of GST under entry No. 80 of Notification No. 12/2017-C.T. (Rate) for all the theatrical performances like Music, Dance, Drama, Orchestra, Folk or Classical Arts and all other such activities in any Indian language in theatre GST from Rs.250 to 500 per person and to also extend the threshold exemption to services by way of admission to a planetarium.
28	To reduce GST on Common Effluent Treatment Plants services of treatment of effluents, from 18% to 12%.
29	To exempt services by way of fumigation in a warehouse of agricultural produce.
30	To clarify that exemption of Rs 1000/- per day or equivalent (declared tariff) is available in respect of accommodation service in hostels.
31	To reduce GST to 12% in respect of mining or exploration services of petroleum crude and natural gas and for drilling services in respect of the said goods.
32	To clarify that fee paid by litigants in the Consumer Disputes Commissions and any penalty imposed by these Commissions, will not attract GST.
33	To exempt subscription of online educational journals/periodicals by educational institutions who provide degree recognized by any law from GST.
34	To clarify that elephant/ camel joy rides are not classified as transportation services and attract GST @ 18% with threshold exemption to small services providers.

Sl.No.	Recommendation of the Fitment Committee
35	To clarify that leasing or rental services, with or without operator, of goods, attracts same GST as supply of like goods involving transfer of title in the said goods. Therefore, the GST rate for the rental services of self-Propelled Access Equipment (Boom. Scissors/Telehandlers) is 28%.
36	To clarify that, - 1) Services provided by senior doctors/consultants/technicians hired by the hospitals, whether employees or not, are healthcare services which is exempt. 2) Hospitals also provide healthcare services. The entire amount charged by them from the patients including the retention money and the fee/payments made to the doctors etc., is towards the healthcare services provided by the hospitals to the patients and is exempt. 3) Food supplied to the in-patients as advised by the doctor/nutritionists is a part of composite supply of healthcare and not separately taxable. Other supplies of food by a hospital to patients (not admitted) or their attendants or visitors is taxable.
37	To tax renting of immovable property by government or local authority to a registered person under reverse Charge while renting of immovable property by government or local authority to un-registered person shall continue under forward charge
38	To exempt the service provided by way of renting of transport vehicles provided to a person providing services of transportation of students, faculty and staff to an educational institution providing education upto higher secondary or equivalent.
39	To carry out the amendments in the scheme of concessional GST of 12% applicable to construction of houses under Pradhan Mantri Awas Yojana (PMAY) and to include houses constructed/ acquired under the Credit Linked Subsidy Scheme for Economically Weaker Section (EWS) / Lower Income Group (LIG) / Middle Income Group-1 (MIG-1) / Middle Income Group-2 (MIG-2) under the Housing for All (Urban) Mission/Pradhan Mantri Awas Yojana (Urban) and low-cost houses up to a carpet area of 60 square metres per house in a housing project which has been given infrastructure status, as proposed by Ministry of Housing & Urban Affairs, under the same concessional rate.
40	To tax time charter services at GST rate of 5%, that is at the same rate as applicable to voyage charter or bare boat charter, with the same conditions.
41	To define insurance agent in the reverse charge notification to have <i>the same meaning as assigned to it in clause (10) of section 2 of the Insurance Act, 1938</i> , so that corporate agents get excluded from reverse charge.
42	To levy concessional GST @12% on the services provided by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of building used for providing (for instance, centralized cooking or distributing) mid-day meal scheme by an entity registered under section 12AA of IT Act.
43 to 46	To constitute a small subcommittee consisting of the officials of the states where lottery is sold along with the states who authorize/ organise such lotteries, to study the issues relating to taxation of lottery (viz, reverse charge, exemption beyond the stage of lottery distributor).
47	To insert a provision <i>in GST Rules under section 15 of GST Act</i> that the value of lottery shall be 100/112 or 100/128 of the price of lottery ticket notified in the Gazette (the same is currently notified in the rate notification).
48 & 49	To add, in the GST rate schedule for goods at 28%, actionable claim in the form of chance to win in betting and gambling including horse racing.
50	To clarify that services by way of, - 1. admission to entertainment events or access to amusement facilities including casinos, race-course 2. ancillary services provided by casinos and race-course in relation to such admission. 3. services given by race-course by way of totalisator (if given through some other person or charged separately as fees for using totalisator for purpose of betting), are taxable at 28%. Services given by race-course by way of license to bookmaker which is not a service by way of betting and gambling, is taxable at 18%.
51	To insert in GST rules under section 15 of GST Act, - <i>Notwithstanding anything contained in this chapter, value of supply of Betting & Gambling shall be 100 % of the face value of the bet or the amount paid into the totalizator.</i>

Sl.No.	Recommendation of the Fitment Committee
52	To exempt services provided by and to Fédération Internationale de Football Association (FIFA) and its subsidiaries directly or indirectly related to any of the events under FIFA U-20 World Cup to be hosted in India.
53	To delete the words ‘Ministry of External Affairs’ from the following entry at S. No. 60 of notification No. 12/2017-CT (R): <i>“Services by a specified organization in respect of a religious pilgrimage facilitated by the Ministry of External Affairs, the Government of India, under bilateral arrangement.”</i> This is because, Haj pilgrimage is now being facilitated by Ministry of Minority Affairs and Mansarovar Yatra by MEA.
54	To exempt government’s share of profit petroleum from GST and to clarify that cost petroleum is not taxable <i>per se</i> .

GST REAL ESTATE SECTOR

REAL ESTATE SECTOR – INDIA

- Construction sector contributed about 8-8.4% to the country's GVA during 2015-16 and 2016-17, at constant prices (MOSPI)
- Residential segment contributes about 80% of the real estate sector
- Second largest employer after agriculture which is slated to grow at 30 per cent over the next decade
- Indian real estate market is expected to touch US\$ 180 billion by 2020
- Market size is expected to increase at CAGR of 11.2% (2008-2020)
- Private equity investments increased 26 per cent to Rs 40,000 crore (US\$ 6.01 billion) in 2016

SOURCE : India Brand Equity Foundation

2

XIII FINANCE COMMISSION RECOMMENDATIONS – GST

- The real estate sector (both residential and commercial) should be included in the tax base
- Stamp duty levied by State Governments should be subsumed within GST (It was also recommended that GST should subsume taxes on vehicles, taxes on goods & passengers and electricity duty)
- A threshold of Rs. 10 lakh in this regard will permit exemption of small residential and business properties.

3

WHY BRING REAL ESTATE IN GST ?

- Discourage/Curb land hoarding: Disincentivise idle inventory of land
- Appropriate valuation of land: better price discovery leading to increased revenues (tax and non-tax) for Central & State Governments
- Sourcing of tax paid raw materials and inputs in construction sector
- Reduction in prices of land and buildings for final customers
- War on black economy
- Completion of ITC chain: beneficiaries include ports/airports/businesses/hotels etc
- Same tax treatment for completed property as for under-development property

4

ARGUMENTS MADE AGAINST BRINGING REAL ESTATE UNDER GST

- Real Estate sector under stress owing to NPAs and Government's campaign against cash economy.
- If stamp duty on transfer of land and buildings is not subsumed within GST or substantially not reduced, then it may lead to rise in prices of residential houses for consumers
- Builder may not pass on the benefits of increased ITC to the consumer by re-calibrating the prices and simply add GST to the existing prices
- Bringing real estate within the fold of GST would result in reduction of revenue owing to unblocking of ITC (ITC on works contract, building, civil structure etc is denied and refund of excess ITC is blocked in respect of construction of complex etc.)

5

TAXES & LEVIES ON REAL ESTATE

- Stamp Duty (Entry 63 State List)
- Property Tax: Taxes on Lands & Buildings (Entry 49 State List)
- Registration fee: Registration Act, 1908
- Cess: Building & Construction Workers Welfare Cess Act, 1996

6

GST ON REAL ESTATE:DEFINITIONS in CONSTITUTION

- Article 366 (12) prescribes an inclusive definition of GOODS

"includes all materials, commodities, and articles"

- Article 366 (12A) defines GOODS AND SERVICES TAX to mean

"any tax on supply of goods or services or both except taxes on supply of the alcoholic liquor for human consumption"

- Article 366(26A) defines services to mean

"anything other than goods"

7

GST ON REAL ESTATE

Section 2(52) and 2 (102) of CGST Act define respectively,-

GOODS to mean-

- *every kind of movable property other than money and securities but includes actionable claim, growing crops, grass and things attached to or forming part of the land which are agreed to be severed before supply or under a contract of supply*

SERVICES to mean

- *anything other than goods, money and securities but includes activities relating to the use of money or its conversion by cash or by any other mode, from one form, currency or denomination, to another form, currency or denomination for which a separate consideration is charged*

- **Article 367 of the Constitution** states that,-

"Unless the context otherwise requires, the General Clauses Act, 1897, shall....apply for the interpretation of this Constitution as it applies for the interpretation of an Act of the Legislature of the Dominion of India"

- **Constitution of India does not define immoveable property**

- **General Clauses Act does not define goods.** It defines immovable property [section 3 (26)] to include,-

land, benefits to arise out of land, and things attached to the earth, or permanently fastened to anything attached to the earth

8

GST ON REAL ESTATE

-IS CONSTITUTIONAL AMENDMENT REQUIRED?

Opinion of the Law Ministry / Attorney General may be taken

- Amendments in the GST laws certainly required!

9

STAMP DUTY

- Article 246: Subject-matter of laws made by Parliament and by the Legislatures of States
- Entry 91 of List I is the field of legislation for the Union Govt,-
[Rates of stamp duty in respect of bills of exchange, cheques, promissory notes, bills of lading, letters of credit, policies of insurance, transfer of shares, debentures, proxies and receipts]
- Entry 63 of List II is the field of legislation for State Govts,-
*[Rates of stamp duty in respect of **documents** other than those specified in the provisions of List I with regard to rates of stamp duty]*
- Indian Stamp Act, 1899 is a central legislation. However, rates of stamp duty in respect to sale/purchase of land and buildings is decided by the States

10

STAMP DUTY-contd

- As stamp duty is with reference to documents conveying land & buildings, while GST is on supply/sale of the same: which is on a different aspect (Nature of tax vis-à-vis measure of tax)
- GST: Article 246A begins with *Notwithstanding contained in Article 246*: Power to legislate with respect to GST overrides those under Article 246
- Leasing of land/immovable property attracts stamp duty: Did it affect levy of service tax or GST now: **No**

11

TAXES ON LANDS AND BUILDINGS

- Entry 49 of State List
Taxes on lands and buildings
- Held by the Apex Court that there is a difference between levy on income from house property which is an income-tax and levy on house property, which is referable to entry 49
- Apex Court has also held that entry 49 refers to a tax directly on land and not tax on income arising from land
- Further held by the Apex Court that the method of arriving at the quantum of tax should not be mixed up with the nature of tax: annual tax levied by State on buildings and land
- Nature of Tax: Tax on land & buildings is Tax on STOCK of land & buildings while GST on FLOW (SUPPLY) of land & buildings
- GST legislation under Article 246A overrides that under Article 246 plus ASPECT theory laid down by Apex Court

12

GST ON REAL ESTATE

Schedule II of CGST Act

- Any transfer of title in goods is **supply of good**
- Any transfer of right in goods or of undivided share in goods without the transfer of title thereof, is a **supply of service**

Land and Building – transfer of a limited right is presently subjected to GST

- “Land and Building
- Any lease, tenancy, easement, license to occupy land is supply of services
- Any lease or letting out of the building including a commercial, industrial or residential complex for business or commerce, either wholly or partly, is supply of services”

Supply of services

- Renting of immovable property
- Construction of a complex ---, except where entire consideration is received after completion certificate -- or its first occupation, whichever is earlier
- Works contract as defined in section 2 (119)

13

GST ON REAL ESTATE- way forward

- Define goods to include movable and immovable property
- Define services as anything other than goods and including intangibles
- States free to levy stamp duty at rates decided by them on land and buildings
- Property tax to continue as at present
- Building Cess to be subsumed in GST as other cesses

14

Agenda Item 11(ii): Incentivising Digital Payments in GST regime

To incentivise digital transaction, it is proposed to provide a concession of 2% in GST rate on B2C supplies, for which payment is made through digital mode [1% each from applicable CGST and SGST rates, if the applicable GST rate is 3% or more] subject to a ceiling of Rs. 100 per transaction. This effectively means that applied rate of GST for such transactions will be 2% lower than the otherwise applicable GST rate, though subject to a ceiling of Rs. 100 per transaction for such incentive. This scheme, however, would not be available to registered persons paying tax under the composition scheme.

2. With this incentive, consumer will be offered two prices; one with normal GST rates for purchases made through cash payment and the other with 2% lower GST rate for digital payments. As a result, the consumer will see visible benefits of making payments [for supplies received by him] through digital mode, in terms of reduction in tax amount payable.

3. For example, if the GST rate applicable to supply a particular goods/service is 18%, then B2C supply of such goods, where payment made through digital mode will be 16%, subject to a maximum GST concession of Rs. 100 per transactions.

Illustration:

Value of goods/service= Rs 5000

Tax payable if payment made in cash = Rs 900 [18% of Rs. 5000]

Tax payable if payment made digitally = Rs 800 [16% of Rs. 5000]

Upfront tax incentive to the customer = Rs 100.

Estimated revenue implication [based on information provided by MeitY]

4. In 2016-17, the number of digital transactions was 1076 crore. Average value per transaction (based on debit and credit card transaction) was Rs 1833. Out of this, transactions below Rs 1000 were 16%, between Rs 1000 and Rs 2000 were 14%, and above Rs 2000 were 70%.

4.1. In 2017-18, the estimated number of digital transaction for the financial year is 1800 crore. Till October 2017 this number was 1000 crore.

4.2. Based on these numbers (taking annual number of digital transaction as 1800 crore), the revenue implication of the proposal is estimated to be as follows:

	Tax relief (2%)	
Taking Average size (Rs)	1500	1800
% of transaction getting benefit	Tax Implication (Rs Crore)	
20%	10800	12960
30%	16200	19440
40%	21600	25920

5. The loss in tax revenue may however be recovered to certain extent through better compliance. It would further encourage digital payment and consumer would seek these services from merchants.

6. This proposal was discussed by the Fitment Committee on 30 October, 2017, but the Committee could not arrive at consensus on the issue.

7. It is proposed that the Council may accord in principle approval to this proposal. Further the GIC may be authorised to approve the changes in the CGST/SGST/UTGST Rules, as recommended by the Law Committee, in order to implement this proposal.

Agenda Item 12: Transfer of shares of Empowered Committee (EC) in GSTN to the State of Telangana.

As per Article 6 of the Articles of Association (AoA) of the Goods and Services Tax Network (GSTN) (relevant extracts placed at **Annexure 1**), the authorised share capital of the Company shall be Rs. 10,00,00,000/- (Rs. 10 crores only) divided into 1,00,00,000 (one crore) equity shares of Rs. 10 each which can be increased or reduced subject to the provisions of the Act. The paid-up share capital of the Company shall at all times be owned and maintained in the proportion mentioned in table below:

Sl. No.	Name of the entities	% of paid-up capital*
1.	Group A - Central Government	24.5%
2.	Group B - State Government and Empowered Committee collectively	24.5%
3.	Group C - Non-Governmental Institutions collectively**	51%

* The percentage of holdings mentioned against each Group in Table shall not exceed the specific percentage against their respective Group.

** No individual Non-Governmental Institution shall hold more than 10% equity in the Company except the one Non-Governmental Institution may hold a maximum of 21% equity in the Company.

2. At present, the shareholding position of the GSTN are as under:

Sl. No.	Name of the entities	No. of shares allotted	% of total shares
1.	Group A – Central Government	24,50,000	24.5%
2.	Group B – State Governments (2,37,000) and Empowered Committee (80,000) collectively	24,50,000	24.5%
3.	Group C – Non-governmental Institutions collectively*	51,00,000	51%

* This includes LIC Housing Finance Ltd. (11,00,000), Housing Development Finance Corporation Ltd (10,00,000), HDFC Bank Ltd (10,00,000) ICICI Bank Ltd. (10,00,000) and NSC Strategic Investment Corp. Ltd. (10,00,000). The shareholding of various States is given at **Annexure 2**.

3. Previously, the EC had been nominating Directors on the Board of Directors of GSTN from **Group B**. After the passage of Constitution (One Hundred and First Amendment) Act, 2016, as per Article 279A of the Constitution, GST Council has been making all important GST related recommendations to the Centre and State Governments. The following decisions were taken by the GST Council in its 14th Meeting held on 18-19 May 2017:

- To nominate Additional Secretary, GST Council Secretariat as ex-officio Director on the Board of GSTN in place of the erstwhile Member Secretary, EC, and;
- To amend GSTN's Article of Association to the effect that all references to the Empowered Committee of State Finance Ministers may, post amendment, refer to GST Council.

4. As a result of the above decision of the Council, the 80,000 shares (0.8% of the total) of the Empowered Committee need to be assigned/ transferred to the other stakeholder(s).

5. It is proposed that the shares of the Empowered Committee may be assigned to the State of Telangana, which was carved out after bifurcation of Andhra Pradesh in the year of 2014 and so

presently does not have any equity share in GSTN. If the same is agreed to, the shareholding pattern of the GSTN would be as under:

Sl. No.	Name of the entities	% of paid up capital
1	Group A – Central Government	24.5%
2	Group B – State Governments	24.5%
3	Group C – Non-Governmental Institutions collectively	51%

6. Therefore, it is proposed that the 80,000 shares of the Empowered Committee of the State Finance Ministers may be transferred to the State of Telangana. After approval of GST Council, GSTN shall be asked to effect the transfer of shares as per the procedure laid down in its Articles of Association.

7. The GST Council may consider and approve the proposal regarding transfer of shares of Empowered Committee (EC) in GSTN to State of Telangana as above.

Annexure 1

Relevant extracts from the Articles of Association of GSTN

6. SHARE CAPITAL

6.1. The authorized share capital of the Company shall be Rs. 10,00,00,000/- (Rs. Ten (10) Crores only) divided into 1,00,00,000 (One Crore) equity shares of Rs. 10/- (Rs. Ten only) each which can be increased or reduced subject to the provisions of the Act.

6.2. The paid-up share capital of the Company shall at all times be owned and maintained in the proportion mentioned in Table I below:

Table I

Sr. No.	Name of the entities	Percentage of paid up capital
1.	Group A- Central Government	24.5%
2.	Group B- State Governments and the EC collectively	24.5%
3.	Group C- Non-Government Institution collectively	51%

6.3. The percentage of holdings mentioned against each Group in Table I above shall not exceed the specific percentage against their respective Group.

6.4. In Group C in **Table I** above, no individual Non-Government Institution shall hold more than 10% equity in the Company except that one Non-Government Institution may hold a maximum of 21% equity in the Company.

Annexure 2

Goods and Services Tax Network

List of shareholders as on 31st January, 2016

Sl.No	Name of Subscribers	No. of shares allotted	Paid-up Capital (in Rs.)
1	Govt. of Punjab	79,000	7,90,000

Agenda for

25th GST Council Meeting

Volume – 2

18 January 2018

File No: 297/25th GSTC Meeting/GSTC/2017
GST Council Secretariat

Room No.275, North Block, New Delhi
Dated: 22 December, 2017

Notice for the 25th Meeting of the GST Council scheduled on 18 January 2018

The undersigned is directed to refer to the subject cited above and to say that the 25th Meeting of GST Council will be held on **Thursday, 18 January 2018 from 12:20 pm onwards** at Hall No 2-3, Vigyan Bhavan, New Delhi. Before the meeting of the GST Council, Union Finance Minister will have discussions with the Finance Ministers of States on the budget proposals for the Union Budget 2018-19 from 10:00 am to 12:00 noon at the same venue.

2. The Meeting of the GST Council shall be followed by Cultural Programme and Dinner to be hosted by Government of NCT of Delhi from 7:00 pm to 10:00 pm on 18 January 2018.

3. The detailed agenda items for the 25th Meeting of the GST Council will be communicated in due course of time.

4. The main agenda in the GST Council Meeting will be to discuss the draft Amendment to CGST Act, SGST Act and IGST Act. In order to have detailed discussions on the draft proposals for amendment, Union Finance Secretary will take a separate meeting of Officers of State and Central Government from **11:00 am onwards on Thursday, 11 January 2018** at Hall No 2-3, Vigyan Bhavan, New Delhi.

5. Please convey the invitation to the Hon'ble Members of the GST Council to attend the Meeting on 18 January 2018.

(-Sd-)

(Dr. Hasmukh Adhia)

Secretary to the Govt. of India and ex-officio Secretary to the GST Council

Tel: 011 23092653

Copy to:

1. PS to the Hon'ble Minister of Finance, Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
2. PS to Hon'ble Minister of State (Finance), Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
3. The Chief Secretaries of all the State Governments, Delhi and Puducherry with the request to intimate the Minister in charge of Finance/Taxation or any other Minister nominated by the State Government as a Member of the GST Council about the above said meeting.
4. Chairperson, CBEC, North Block, New Delhi, as a permanent invitee to the proceedings of the Council.
5. Chairman, GST Network

Agenda Items for the 25th Meeting of the GST Council on 18 January 2018

1. Confirmation of the Minutes of 24th GST Council Meeting held on 16 December 2017
2. Revenue collected in the month of November and December 2017 under Goods and Services Tax, including the revenue accruing to Centre and States through settlement of funds
3. Deemed ratification by the GST Council of Notifications, Circulars and Orders issued by the Central Government
4. Decisions of the GST Implementation Committee (GIC) for information of the Council
5. Minutes of 4th and 5th Meeting of Group of Ministers (GoM) on IT Challenges in GST Implementation for information of the Council and discussion on GSTN issues
6. Recommendations of the 'Committee on Returns Filing' on Simplification of Returns under GST
7. Issues recommended by the Law Committee for consideration of the GST Council
8. Recommendations of the Committee on Handicrafts
9. Changes proposed to be made in the CGST Act, 2017, SGST Acts, the IGST Act, 2017 and the GST (Compensation to States) Act, 2017
10. Issues recommended by the Fitment Committee for the consideration of the GST Council
11. Carry forward items from the previous Council Meeting
 - i. Presentation on GST in Real Estate sector
 - ii. Incentivising Digital Payments in GST regime
12. Transfer of shares of Empowered Committee (EC) in GSTN to the State of Telangana
13. Any other agenda item with the permission of the Chairperson
14. Date of the next Meeting of the GST Council

Discussion on Agenda Items

Agenda Item 10: Issues recommended by the Fitment Committee for the consideration of the GST Council

Agenda Item 10(ii): Recommendations on Services

The **Summary Sheet** of the recommendations of the Fitment Committee on Services was circulated as Agenda Item 10(ii) in **Volume – 1** of the Detailed Agenda Note. It was indicated therein that detailed justification for the recommendations will be circulated separately in Volume – 2 of the Detailed Agenda Note.

2. The detailed justification for the recommendations of the Fitment Committee on Services are attached as **Annexure 1**.
3. The recommendations of the Fitment Committee are placed before the Council for consideration and approval.

Annexure 1

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
1	Ministry of Civil Aviation	Request for extending GST exemption on Viability Gap Funding (VGF) for a period of 3 years from the date of commencement of Regional Connectivity Scheme (RCS) airport from the present period of one year.	Extending the period of exemption will help in making full funds available in Regional Air Connectivity Fund Trust (RACFT) account and enable connecting more unserved/under-served airports in the country. It will also reduce the liability on this account on respective State Governments/UTs who are also required to share 20% to 10% of the amount of VGF disbursed to the selected airline operators under RCS.	As per entry 16 of the notification No. 12/2017-CT(R), services provided to the Government by way of transport of passengers on RCS routes against consideration in the form of VGF are exempt for a period of 1 year from the commencement of operation of RCS airport. We may consider extending GST exemption on Viability Gap Funding (VGF) for a period of 3 years from the date of commencement of RCS airport from the present period of one year so as to make it co-terminus with the period for which VGF is to be disbursed to the airlines operating on RCS routes. Fitment Decision Agreed
2	Housing Board of Rajasthan	Request to clarify whether GST is leviable on the supply of information under RTI Act, by an entity which is not Government.	Provision of information under RTI Act is a statutory obligation on part of the Government departments/organization and does not amount to supply of service.	Section 3 of RTI Act, 2005, states that “ <i>Subject to the provisions of this Act, all citizens shall have the right to information</i> ”. As per Article 5 of the Constitution of India the following person shall be a citizen of India, - “ <i>At the commencement of this Constitution, every person who has his domicile in the territory of India and— (a) who was born in the territory of India; or (b) either of whose parents was born in the territory of India; or (c) who has been ordinarily resident in the territory of India for not less than five years immediately preceding such commencement, shall be a citizen of India.</i> ”. Under the RTI Act, the “public authorities” are obligated to facilitate the right to information under this Act. It is pertinent to note that “public authorities” defined under Section 2(h), means any authority or body or institution of self-government established or constituted— (a) by or under the Constitution; (b) by any other law made by Parliament; (c) by any other law made by State Legislature; (d) by notification issued or order made by the appropriate Government, and includes any— (i) body owned, controlled or substantially financed;

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>(ii) non-Government organisation substantially financed, directly or indirectly by funds provided by the appropriate Government;</p> <p>Sl. No. 6 of the notification No. 12/2017-Central Tax(Rate) exempts supply of services by Central Government, State Government, Union territory or local authority to a person other than a business entity. Thus, supply of information under RTI Act by the Central Government, State Government, Union territory or local authority to an individual is exempt from levy of GST under Sl. No. 6 of the notification No. 12/2017-Central Tax (Rate). However, information provided by an authority or body which is not Government as defined in Section 2(53) of the CGST Act, is subject to GST.</p> <p>Public authorities required to provide information under RTI Act may not be supplying any other taxable goods or services and thus may have to take registration only for payment of GST on fee collected under RTI. This will place compliance burden on bodies /NGO controlled/substantially financed by the Government. Moreover, the fee being only Rs 10/- per RTI application, the revenue impact will be insignificant, while the compliance burden on the public authorities will be substantial.</p> <p>Therefore, we may exempt supply of services by way of providing information under RTI Act, 2005 from GST.</p> <p>Fitment Decision Agreed</p>
3	<p>1. Telecom Regulatory Authority of India (TRAI)</p> <p>2. Commissioner Commercial Taxes (CCT), WB,</p> <p>3. Additional Commissioner, Commercial Taxes, Rajasthan</p>	<p>Legal services received by Government or local authority are taxable under reverse charge mechanism, and should be exempt from levy of GST.</p> <p>As TRAI is in receipt of legal services and the liability to</p>	<p>A Government entity may not be providing any taxable supply and hence, would not be liable to take registration under GST. However, in order to comply with the GST liability arising on receipt of legal services the Government department shall have to take registration and file the monthly returns. At the same the ITC of the legal services will not be utilized by the Govt.</p>	<p>Taxability of legal services provided to Government or local authority:</p> <p><u>Service Tax regime:</u> In the service tax regime, the legal services provided to business entities were subject to tax under reverse charge mechanism vide notification 30/2012-ST. As per Section 65B(17) of Finance Act, 1994 "business entity" was defined to mean <i>any person ordinarily carrying out any activity relating to industry, commerce or any other business or profession</i>; thus Government or a local authority was not liable to pay GST under reverse charge mechanism.</p> <p><u>GST regime:</u></p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		discharge GST on legal services received is under RCM on the business entity i.e. TRAI. It has been requested to clarify whether the nature of activities carried out by TRAI is covered by definition of "business" as per section 2(17) of the CGST Act and whether TRAI is exempt from payment of tax under reverse charge mechanism.	<p>department and will be a cost.</p> <p>The services by TRAI is not a service in the nature of business hence should be outside the ambit of GST.</p>	<p>As per Section 2(17) of the CGST Act, "business" includes any activity or transaction undertaken by the Central Government, a State Government or any local authority in which they are engaged as public authority. Thus, the Central Government, a State Government or any local authority are covered by the definition of business entity and thus liable to pay GST on legal services received by them under RCM. [Notification No. 13/2017-Central Tax(rate) dated. 28.06.2017 places the liability to discharge GST on legal services on the business entity receiving the legal services.]</p> <p>In order to restore status quo, ante as existed on 30th June, 2017 in service tax, it is proposed that legal services provided to Central/State Government or local authority, may be exempted from levy of GST.</p> <p>Liability of TRAI to pay GST on legal services under RCM</p> <p><u>Definition of Government</u></p> <p><u>Service Tax regime:</u></p> <p>TRAI is a body corporate under TRAI Act [section 3 (2)].</p> <p>In the service tax regime, Government was defined as under:</p> <p>"Government" means the Departments of the Central Government, a State Government and its Departments and a Union territory and its Departments, but shall not include any entity, whether created by a statute or otherwise, the accounts of which are not required to be kept in accordance with Article 150 of the Constitution or the rules made thereunder;"</p> <p>As per section 23 of TRAI Act 1997, accounts of TRAI are maintained as prescribed by Central Government in consultation with the Comptroller and Auditor-General of India, and audited by the CAG. Thus, TRAI was covered under the definition of "government" under Service Tax.</p> <p><u>GST regime:</u></p> <p>As per CGST Act, Government means "Central Government". As per clause (8) of section 3 of the General Clauses Act, 1897, the 'Central Government', in relation to anything done or to be done after the commencement of the Constitution, means the President. As per Article 53 of the Constitution, the executive power of the</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>Union shall be vested in the President and shall be exercised by him either directly or indirectly through officers subordinate to him in accordance with the Constitution. Further, in terms of Article 77 of the Constitution, all executive actions of the Government of India shall be expressed to be taken in the name of the President. Therefore, the Central Government means the President and the officers subordinate to him while exercising the executive powers of the Union vested in the President and in the name of the President. By virtue of Section 3 of TRAI Act, 1997, the TRAI is established as an authority by Central Government, and the chairperson and members of TRAI are appointed by the Central Government. The Central Government also after due appropriation makes grants to TRAI of such sums of money as are required to pay salaries of the chairperson and the members and meet other administrative expenses including salaries of other officers and employees of the authority. Moreover, the accounts are audited by C&AG as mandated under Article 150 of the Constitution. Thus, TRAI appears to fall under the definition of "Government" for the purposes of GST law. We may clarify to TRAI accordingly.</p> <p>Fitment Decision</p> <p>Legal services provided to Government, Local Authority, Governmental Authority, Government Entity may be exempted. This is for the reason that legal services to any person other than business entity was exempt under Service Tax (as on 30 June 2018).</p>
4	Hon'ble CM Maharashtra and Secretary, Ministry of Housing and Urban Affairs	Request to reduce the GST rate from 18% to 12% for composite supply of works contract supplied by way of construction, erection, commissioning or installation of original works pertaining to Metro rail.	Levy of high rate of GST adversely affects the financial position of metro companies. The metro companies facilitate easy and quick movement of people and has positive impact on economic growth, apart from reduction in traffic congestion, pollution, road and parking cost. Reduces both cost and time of travel and improves competitiveness of the city.	<p>Services provided by way of construction, erection, commissioning, or installation of original works pertaining to monorail or metro were exempt till 1-3-2016. Thereafter, the said services provided under a contract entered into prior to 1-3-2016 were exempt. Exemption to the said services was withdrawn in Budget, 2016 with a view to minimize exemptions in the run up to GST as exemptions break ITC chain, increase cost and result in distorted tax structure. However, GST rate on most of the services provided to the Govt. which were exempted under service tax has been reduced from 18% to 12% so as to reduce cost of Govt. projects.</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>Service of transportation of passengers by a monorail or metro rail has been exempted under GST so as to reduce the cost of supply of the said public transportation service to the public.</p> <p>Reduced rate of GST of 12% has been extended to services provided for construction of railways, road, bridge, tunnel or terminal for road transportation for use by general public vide notification No. 20/2017-CT(R) dated 22nd August, 2017.</p> <p>The same reduction in GST rate from 18% to 12% can be considered for construction of metro and monorail projects (construction, erection, commissioning or installation of original works).</p> <p>Fitment Decision Agreed</p>
5	Ministry of Civil Aviation, IndiGo, Air India	<p>Request is to give retrospective effect to notification No. 65/2017-Cus dated 8.7.17.</p> <p>To provide retrospective exemption to supply of aircrafts, aircraft engines and other aircraft parts imported into India under a transaction covered by item 1(b) or 5(f) of Schedule II of the Central Goods and Service Tax Act, 2017 from levy of integrated tax under section 3(7) of the Customs Tariff Act, 1975, from 01.07.2017.</p>	<p>The import of aircraft or aircraft parts on lease basis attracted IGST twice, once as IGST on import of goods under section 3(7) of the Customs Tariff Act and again as IGST on lease rentals as supply of service [as per entry 1(b) and 5(f) of Schedule II of the CGST Act read with section 20(i) of IGST Act]. This double incidence of IGST on the same transaction, though lawful, would have been unjustified and would have caused unintended financial burden on the civil aviation industry.</p> <p>To resolve this issue, rationalization in the levy was carried out by exempting aircrafts, aircraft engines and other aircraft parts imported into India under a transaction covered by item 1(b) or 5(f) of Schedule II of the Central Goods and Service Tax Act, 2017 from levy of integrated tax under section 3(7) of the Customs Tariff Act, 1975 subject to suitable conditions safeguarding</p>	<p>The intention of providing exemption was to avoid double incidence of tax on the import of aircraft/aircraft parts on lease.</p> <p>Since the intention is to avoid dual levy on import of aircrafts, aircraft engines and other aircraft parts, notification No. 65/2017-Customs dated 8.7.2017 may be applied retrospectively with effect from 01.07.2017 to 7.07.2017. The same may be done through amendment in Finance Bill, 2018. This would enable finalization of the provisional assessments.</p> <p>Fitment Decision Agreed.</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>revenue vide notification No. 65/2017-Cus dated 8.7.2017.</p> <p>In the intervening period from 01.07.2017 to 08.07.2017, it has been informed by Member (Customs & EP), CBEC that Air India and Indigo Airlines were hit by the dual levies they had filed bill(s) of entry for import of aircraft during this intervening period. The aircraft were released provisionally without payment of IGST under section 3(7) of the Customs Tariff Act, 1975.</p>	
6	NASSCOM, UrbanClap	<p>De-notify housekeeping services under section 9 (5) of GST Act. This would bring parity in tax treatment between online housekeeping service (through ECO and below threshold limit) and offline housekeeping service (below threshold limit). [It is requested to withdraw notification No. 23/2017- Central Tax (which amended notification No 17/2017- Central Tax) thereby removing 'housekeeping services' from the list of specified services [viz. specified under Section 9(5) of</p>	<p>The offline housekeeping service providers below threshold limit are exempt from levy of GST on the supply of services, while a similar housekeeping service when provided by service provider (below threshold limit) through an Electronic Commerce Operator (ECO) platform is subjected to GST of 18% and the liability to discharge GST on the same is on the ECO (notification No. 17/2017-CT(R)).</p>	<p>Services by way of providing accommodation in hotels, inns, guest houses etc. (AIR BNB) and house-keeping, such as plumbing, carpentering etc., provided through an ECO have been notified under section 9 (5) of CGST Act, except where such service provider is above the threshold exemption limit and is liable for registration [notification 17/207 as amended by notification 23/2017]. Subsequently, service providers with turnover below the threshold limit for registration have been exempted from taking registration, except those notified under section 9 (5), i.e., those providing services through ECO [notification No. 65/2017-CT dated 15.11.2017]. Hence, the request to de-notify house-keeping services under section 9 (5), would enable below-threshold providers of housekeeping services through ECO to avoid paying GST. Housekeeping service providers, below threshold and providing services directly are not required to pay GST. That there should be parity between the 2 classes of service providers.</p> <p>This argument may not be valid for the reason that a small service provider is able to extend his reach and access to many more customers, if he operates through an ECO vis-à-vis a similar service provider who has no such online access to customers. Quality of service is also assured. No doubt there is duty differential of 18% between the two classes of service providers. The differential may perhaps be narrowed to, say 5% or</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		CGST law]]. OR It is requested that rate of tax should be reduced to 5 per cent on such services, wherever the annual turn-over of a service professional is less than Rs. 20 lacs.		12%. Therefore, we may levy GST @ 5% on the small housekeeping service providers, notified under section 9 (5) of GST Act, who provide housekeeping service through ECO. Fitment Decision Agreed for 5% for supply of services through ECO without ITC.
7	Darzi (India) LLP Jade Blue, Ahmedabad	To exempt tailoring services from GST. To reduce the GST rate on tailoring services to 5%.	There is difference between the rate on the fabric and the tailoring service, and this often leads to misclassifying the service as supply of goods(fabric). Tailors are competing against suppliers of ready-made garments who pay tax @5%/12%.	The service by way of tailoring, stitching carried out on fabric belonging to a registered person, being a service by way of job work in relation to textiles, attracts GST @ 5%. [“Job work” means any treatment or process undertaken by a person on goods belonging to another <u>registered person</u> and the expression “job worker” shall be construed accordingly.] Tailoring services provided to an individual un-registered customer is not a service by way of job work and attracts tax @18%. Mis-classification or mis-declaration of supply of service as supply of goods to evade taxes is an enforcement issue. However, there is merit in the argument that tailors have to compete against suppliers of ready- made garments who pay tax @5%/12%. There is no doubt that demand for tailoring services has reduced since advent of readymade garments manufactured by organized players in India during the last 2 decades. All fabrics falling under chapters 51 to 55 attract GST of 5%. In order to remove the arbitrage between the supply of goods (RMG) and service, reduction in GST rate on tailoring service to 5% may be considered. Fitment Decision Agreed

The industry does not consume major raw material and the ITC is only around 4-5%.	We may consider revising the rate of GST on admission to the amusement parks to 18%. However, this proposal runs the risk of States raising the tax on entertainment and amusement levied by virtue of Entry 62 of List II in the Seventh Schedule to the Constitution amended vide the Constitution (101st) Amendment Act, 2016, which reads

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
	of Indian Association of Amusement Parks and Industries		It is a labour intensive market and generates lot of employment opportunities. Amusement park promotes social wellness and begets fun and learning for children and their families in a real active entertainment world. It is also a major attraction for domestic and international tourists. It also acts as catalyst for allied industries such as transportation, hotels, restaurants, manufacturing.	<p>"62. Taxes on entertainments and amusements to the extent levied and collected by a Panchayat or a Municipality or a Regional Council or a District Council."</p> <p>So, in view of the same it is felt that GST Council may consider reducing GST, provided the States agree to not increase the entertainment/amusement tax on the same. [This will ensure that the rate cut of GST is passed on to children for whom it is ostensibly being done.]</p> <p>Fitment Decision:</p> <p>GST rate on services by way of admission to theme parks, water parks, joy rides, merry-go-rounds, go-carting and ballet to be reduced from 28% to 18%.</p> <p>No condition to be put.</p>
9	Chairman, APEDA	Request to exempt the transportation service of goods provided by air and vessel, when provided for export of goods.	Timely refund of GST paid on inputs and input services used in export of goods would not have led to blockage of working capital of exporters. However, delays in granting refund appear to be causing financial hardship to the exporters.	<p>The original intention of zero-rating the export and to provide refund of either the integrated tax paid on export of goods/service or alternatively to provide refund of the unutilized input tax credit when goods/services are exported under bond or letter of undertaking was to have transaction trail for audit. However, in view of reported delays in processing the refund, we may restore status quo ante as it existed under service tax with respect to the service of outward transportation of all goods by air and sea by exempting the same.</p> <p>In order to restore status quo ante for the transport of goods by vessel services, it would also need amendment of CGST Rules so as to allow the shipping lines to avail ITC of specified capital goods (ships, vessels including bulk carriers and tankers) and input services against the service of outward transportation of export goods by sea, which is proposed to be exempted. Such an amendment would be on the lines similar to notification No. 55/2017-Central Tax dated 15.11.2017 which allows ITC against supply of services to Nepal & Bhutan against INR which have been exempted.</p> <p>Accordingly, the following may be considered, -</p> <p>(i) the service of transportation of goods from India to a place outside India by air may be exempted;</p> <p>(ii) the service of transportation of goods from India to a place outside India by sea may be exempted and value of such service may be excluded from the value of</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>exempted services for the purpose of reversal of ITC.</p> <p>The above exemptions may be granted with a sunset clause upto 30th September, 2018.</p> <p>Fitment Decision: Agreed</p>
10	Coast Guard HQ	Request to provide both prospective as well as retrospective exemption to services provided by Naval Group Insurance Fund to members of Coast Guard from GST	<p>Naval Group Insurance Fund (NGIF) is set up as a society for the benefit of Naval personnel to provide compensation in the eventuality of death, disability and retirement. The facilities of NGIF are extended to Coast guard personnel with directives that rules for operation of Naval Officers & Sailors Family Assistance (Group Insurance) Fund shall apply to Coast Guard personnel mutatis mutandis vide Ministry of Defence sanction letter dated 17-05-1980. All the terms and conditions for availing benefits under NGIF are same for both Navy and Coast Guard. Vide Finance Act, 2017 special provision for exemption to life insurance services provided to members of armed forces of Union was made which provided that no Service Tax shall be levied or collected in respect of taxable services provided by the Army, Navy and Air Force Insurance Fund by way of life insurance to the members of Army, Navy and Air Force. However, the name of Indian Coast Guard was not mentioned although they receive the services provided by NGIF as per MoD sanction letter.</p>	<p>The request for both retrospective and prospective exemption from Service Tax to Life Insurance Services under Army, Navy & Air Force Group Insurance Scheme was received from Hon'ble Defence Minister, Ministry of Defence vide letter dated 28.07.2016.</p> <p>Upon examination in Budget 2017-18, the said exemption from service tax was granted retrospectively w.e.f. 10th September, 2004 [vide section 105 of Finance Act, 1994 and notification No. 25/2012-ST dated 20.06.2012 S.No.26D refer]. Exemption was granted on the grounds that, -</p> <p>(i) the aforesaid funds, benefits and Regimental and Non-Public Funds have been fully exempted from Income Tax vide Finance Act 1980 with retrospective exemption from 1962;</p> <p>(ii) there was inadvertent disparity in service tax treatment amongst civilian (CGEIS) and defence employees of the country.</p> <p>However, the said exemption was for the services provided to the personnel of Army, Navy or Air Force. Coast Guard are not members of Army, Navy or Air Force. Therefore, the services provided by NGIF to Coast Guard personnel are not covered by the said exemption.</p> <p>Ministry of Defence vide sanction letter 17.05.1980 has extended the membership under the Naval Officers' and Sailors Family Assistance (Group Insurance) Scheme to Coast Guard Personnel. Extending the said exemption from GST to coast guard retrospectively w.e.f. 1.7.2017 may be considered.</p> <p>Fitment Decision Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
11	Film Producers Guild	Request is to exempt IGST under Section 3(7) of the Customs Tariff Act on the royalty payable by the importer as a condition of sale of such goods.	<p>Prior to GST, on import of motion pictures, music and gaming software for use on gaming consoles when printed or recorded on media falling under chapter heading 3706 or 8523, the following duties, were levied-</p> <ul style="list-style-type: none"> • Countervailing Duty (CVD) u/s 3(1) of CTA • Special Additional Duty (SAD) u/s 3(5) of the CTA <p>The said duties were to be computed on the value to be determined in accordance with valuation rules prescribed under the Customs Act. In accordance with Section 14 of the Customs Act, value of the imported goods was deemed to be the transaction value of the goods. Further, under Rule 10(1)(C) of the Customs Valuation Rules, for the purpose of determination of transaction value, any amount paid as royalties or license fees related to the imported goods, was to be added to the transaction value of the imported goods for the purpose of computation of customs duty.</p> <p>CBEC vide notification No 27/2010 – Cus [dt.27.2.2010] had exempted the levy of BCD, CVD and SAD on the royalty payable by the importer for the import of motion pictures, music and gaming software on media falling under chapter heading 3706 or 8523, except motion pictures, music or gaming software</p>	<p>Though, the two levies of IGST on import of motion pictures, music and gaming software for use on gaming consoles when printed or recorded on media falling under Chapter heading 3706 or 8523 would be on different aspects of the same transaction, the former on import of goods in India and the latter on import of service into India, and thus lawful, such high tax incidence would be unjustified and cast unintended financial burden. There are two options to resolve this issue –</p> <p>(a) No IGST be charged on import of motion pictures, music and gaming software for use on gaming consoles when printed or recorded on media falling under Chapter heading 3706 or 8523.</p> <p>(b) No IGST be charged on import of service by way of temporary transfer or permitting the use or enjoyment of any intellectual property right.</p> <p>Explanation to Article 269A of the Constitution as amended by the 101st Constitutional Amendment Act, states that supply of goods, or of services, or both in the course of import into the territory of India shall be deemed to be supply of goods, or of services, or both in the course of inter-State trade or commerce. Secondly, supply of service by way of temporary transfer or permitting the use or enjoyment of any intellectual property right has been treated as supply of service under entry 5(c) of Schedule II of the CGST Act. It would be in harmony with these provisions if we tax <u>royalty/ license fee or copyright</u> part of such transactions as import of service into India under section 5(1) of the IGST Act and exempt such transactions from levy of integrated tax under section 3(7) of the Customs Tariff Act, 1975.</p> <p>Import of motion pictures, music and gaming software for use on gaming consoles <u>when printed or recorded on media</u> falling under chapter heading 3706 or 8523 may be exempted from as much of IGST as is in excess of the IGST applicable on the cost of the media (including freight and insurance) on which such motion picture is imported under section 3(7) of the Customs Tariff Act, 1975 subject to the condition that the importer pays integrated tax leviable under section 5(1) of the IGST Act, 2017 on supply of service covered by item 5(c) of</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>imported in pre-packaged form for retail sale.</p> <p>Service tax was applicable on import of copyrights in cinematographic films for a temporary period for the purpose of non-theatrical distribution [Section 66E(c) of the Finance Act, 1994 refers].</p> <p>Temporary transfer of copyrights for theatrical distribution were exempted from service tax by virtue of mega exemption notification 25/2012 dated 20 June 2012, entry 15. Given this, the importer was liable to discharge service tax @ 15% on the royalty value payable towards such import.</p> <p>The notification No. 30/2017-Customs dated 30/06/2017 does not exempt IGST under Section 3(7) of the CTA on the royalty payable by the importer as a condition of sale of such goods. Further, IGST is payable under Section 5 of the IGST Act on the import of copyrights in cinematographic films for a temporary period (classified as import of service by virtue of entry 5(c) of Schedule II to the CGST Act).</p> <p>Thus, under GST, IGST is to be computed and discharged twice on the royalty value paid by the importer, which is as follows:</p> <ul style="list-style-type: none"> • 18% under Section 3(7) of CTA • 12% under Section 5(1) of IGST Act 	<p>Schedule II of the Central Goods and Services Tax Act, 2017.</p> <p>When the issue came up for discussion in the officers meeting before the 23rd GST Council meeting, Advisor Punjab Government suggested that this was a structural issue and would be relevant in cases where something was defined as goods under the Customs Act and as service under the GST law. It was suggested by the Finance Secretary that the issue should be reexamined by Fitment Committee.</p> <p>It is therefore proposed to exempt IGST payable under section 5(1) of the IGST Act, 2017 on supply of services covered by item 5(c) of Schedule II of the CGST Act, 2017 to the extent of aggregate of the duties and taxes leviable under section 3(7) of the Customs Tariff Act, 1975 read with sections 5& 7 of IGST Act, 2017 on part of consideration declared under section 14(1) of the Customs Act, 1962 towards royalty and license fee includible in transaction value as specified under Rule 10(c) of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007.</p> <p>Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
12	CII, FICCI	The input tax reversal by way of Section 17(2) of the CGST Act should be amended to exclude the value of supply by way of extending deposits, loans or advances as was under Service Tax.	Explanation I(e) to Rule 6 under CENVAT Credit Rules, 2004 provided that value of exempt services for the purpose of reversal of Cenvat credit shall be exclusive of value of the service by way of extending deposits, loans or advances in so far as consideration is represented by way of interest. This provision did not apply to a banking company and a financial institute including a non-banking financial company, engaged in providing services by way of extending deposits, loans or advances.	<p><u>Position in Service Tax</u> Services by way of extending deposits, loans or advances against consideration in the form of interest was in the Negative List. Under the CENVAT Credit Rules, 2004 (CCR), services in the Negative List were treated at par with exempted services for the purpose of reversal of input tax credits [Rule 2(e) of CCR refers]. Therefore, CENVAT credit of common inputs and input services used in exempted or negative list services was required to be reversed proportionately. However, as a business-friendly measure, it had been provided in the CENVAT Credit Rules, 2004 [Explanation-I(e) to Rule 6], that value for the purpose of reversal of common input tax credit shall not include the value of service by way of extending deposits, loans or advances against consideration in the form of interest. <u>This provision, which was incorporated in the CENVAT Credit Rules in June, 2012, was meant for assesseees in manufacturing and service sector who invested surplus cash available with them for earning interest but did not engage in advancing deposits, loans, advances etc. as their main or regular economic activity.</u></p> <p><u>Position in GST</u> In GST an identical exemption for services by way of extending deposits, loans or advances in so far as the consideration is represented by way of interest or discount (other than interest involved in credit card services) exists in notification No. 12/2017-CT(R) S.No. 27. However, there is no provision for excluding the interest income earned by an assessee by investing surplus cash available with him. This may result in reversal of ITC disproportionate to the inputs and input services consumed by him in the activity of investing or lending such surplus on interest. In exercise of powers under section 17(3) of the CGST Act, it may be provided in CGST rules that value of exempt supply under sub-section (2) of section 17, in case of any person other than banking company and a financial institution including a non-banking financial company engaged in providing services by way of extending deposits, loans or advances, shall not include the value of the service by way of extending deposits, loans or advances in so</p>

	3. Patil Construction and Infrastructure limited 4. Telangana RWS Contractors Association 5. Patel Filters Infrastructure 6. Note by Construction Industry forwarded by Finance Minister 7. NBCC 8. Addl. Commr., CT, AP	works contract. If not feasible then section 54 of the CGST Act should be amended to include input services along with inputs so as to enable the main contractor to claim refund of excess credit on account of higher tax rate on input services. A clarification may be issued if the same rate of GST on Govt. works contract (i.e. 12%) is also applicable to the sub-contractors who are executing the works under main contractors belonging to Govt.	benefit of 12% to the subcontractor whether executing a works contract or a pure labor contract project under the main contractor. Currently, the services supplied by sub-contractor to main contractor attracts GST @ 18%. As a result, the input tax being higher than the output tax, input tax remains stranded and ultimately leads to the increase in cost of Government contracts. The ITC stranded cannot be claimed as refund as because provision of Section 54 is silent about input services.	will be prone to misuse. Moreover, the contractor can avail the ITC of the services provided by the sub-contractor. The request is for deepening of the exemption. However, Fitment Committee may decide whether or not to reduce GST (from 18% to 12%) on the WCS provided by sub-contractor to the main contractor providing WCS which attract GST of 12%. Fitment Decision Fitment Committee decided to reduce GST (from 18% to 12%) on the WCS provided by sub-contractor to the main contractor providing WCS which attract GST of 12%. Likewise, WCS attracting 5% GST, their sub-contractor would also be liable @ 5%.
15	Hon'ble Minister of Finance, Karnataka [raised in 23rd GSTC Meeting] B S V Murthy (former member CESTAT), Hon'ble Minister of Commerce, The Senbhagam Residents Welfare Association, Hon'ble Minister of Road Transport	GST exemption in respect of RWAs may be enhanced from Rs. 5000 to Rs. 10,000. Shri Murthy has requested to increase the limit to Rs 6000 per month per member.		Services by RWA (unincorporated or nonprofit entity) to its members against contribution of up to an amount of five thousand rupees per month per member are exempt. The limit is sufficient to cover most of the housing societies. Those paying more than Rs. 5000 for the services of the RWA alone may afford to pay GST on such contribution. The limit of Rs 3000 was set in year 2007 and in the Budget, 2014 the limit was revised to Rs 5000. Further considering the Consumer Price Index of April 2014 and November 2017, and accounting for the same, the adjusted limit for November 2017 based on growth in the, - (i) General Index would be Rs 5977 (ii) Residential building and land [cost of repairs only] would be Rs 5969 (iii) Other consumer services excluding conveyance would be Rs 6076

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
	Highways & Shipping Govt. of India			The limit may be enhanced to Rs 6000 per month per member. Threshold may be increased to Rs 7500/. Fitment Decision Decided in favor of Rs 7500/- per month per member.
16	FIPI HPCL-Mittal Energy Limited(HMEL)	Request to lower GST rate from 18% to 5% with respect to transportation of crude and petroleum products via pipeline in line with relief granted to Natural gas and already available to transportation via railway and road.	Under GST rate notification there is no specific category of transportation of crude oil or petroleum products through pipeline. As a result, transportation of crude and petroleum products through cross country pipeline falls under residual category and attracts GST @ 18%. Transportation through pipeline is not only safe and environmental friendly but also ensures energy supplies at optimum cost. 75% to 80% of petroleum products are not subject to GST, input credit for GST on the stock transfer of services is adding to the burden of tax.	In pre-GST era, the service of transportation of goods in pipelines attracted service tax of 15%. The reason for the rate of 15% on transportation through pipes as against 4.5% on transportation services through rail and GTA was that the latter use POL whose ITC was not allowed. Presently, transportation services through rail and GTA is 5% for the same reason. However, recently GST on transportation service in respect of transportation of natural gas through pipelines has been reduced to 12% with ITC and 5% without ITC. This was done for the reason that natural gas is outside GST and ITC of transportation service is therefore not available. This causes stranding of taxes. Total revenue collected during 2016-17 on the service of transportation through pipes was about Rs 752 crore (@15%. We may reduce the GST on transportation of petroleum crude and petroleum products (MS, HSD, ATF) to 5% without ITC and 12% with ITC. Fitment Decision Agreed
17	International Financial Services Centre (IFSC) SEZ	To treat IFSC SEZ as a territory outside India in accordance with SEZ Act (Section 53). Various regulations of RBI, IRDAI, SEBI treat financial intermediaries located in IFSC SEZ as persons outside India. Therefore, GST should not apply to services provided by such financial intermediaries.	When such financial services are provided by entities located in offshore areas, there is no GST. As a result, it is proving to be very difficult to attract such service providers from offshore locations to IFSC SEZ. Therefore, the purpose of setting up of IFSC SEZ is defeated.	1. Section 53 (1) of the SEZ Act 2015 reads as under: <i>"A special economic zone shall, on and from the appointed day, be deemed to be a territory outside the customs territory of India for the purposes of undertaking the authorised operations."</i> 2. However, the argument that IFSC SEZ is a territory outside India, is not legally tenable and acceptable in view of the provisions in the Customs Act, and Article XXVI of GATT and also the decision of the Hon'ble Gujarat High Court in the case of Essar Steel Ltd. Vs. Union of India [cited in 2010 (249) E.L.T. 3 (Guj)], as upheld by the Hon'ble Apex Court. 3. Various notifications have been issued by financial regulators like IRDAI, RBI and SEBI which provide that services rendered by units in IFSC SEZ are outside the territory of India. For instance,

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>A. Under notification dated 27th March, 2015 of Department of Financial Services it has been stated that</p> <p>(i) <i>any placement of reinsurance business by an Indian insurer to an insurer in IFSC SEZ shall be deemed as reinsurance placed outside India.</i></p> <p>(ii) <i>Further, the insurer in IFSC SEZ carrying on the business of reinsurance shall not be deemed to be an Indian reinsurer within the meaning of Section 101A of the Insurance Act 1938.</i></p> <p>B. Under notification dated 2nd March, 2015, by RBI on Foreign Exchange Management (International Financial Services Centre) Regulations 2015, <i>any financial institution or a branch of a financial institution set up in the IFSC and permitted/recognised as such by the Government of India or a Regulatory Authority shall be treated as a person resident outside India (Regulation 3). Financial institution has been defined in the said Regulations to include banks, NBFCs, insurance companies, brokerage firms, merchant banks etc. and any other entity as may be specified by GoI or a Financial Regulatory Authority.</i></p> <p>C. Under the Guidelines dated 27th March, 2015 issued by SEBI [International Financial Services Centres Guidelines, 2015] intermediary has been defined <i>to mean and include a stock broker, merchant banker etc. or any other intermediary or any person associated with the securities market.</i></p> <p>3. The deeming provisions issued by IRDAI, RBI and SEBI for various financial intermediaries operating in IFSC SEZ are basically to keep them at par with their counterparts in offshore locations and provide them with policy framework consistent with international policy environment in which such entities operate abroad.</p> <p>4. In order to promote exports, the SEZ Act accords wide encompassing meaning and a preferential and facilitative treatment to export. Besides physical export out of country, supplies from domestic tariff area to a unit or Developer in SEZ and from one unit in SEZ to another in the SEZ is also regarded as export. Section 7 of the SEZ</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>Act, provides for exemption from the payment of taxes, duties or cess under all enactments specified in the First Schedule to the SEZ Act, on any goods or services exported out of, or imported into, or procured from Domestic Tariff Area by a unit in a Special Economic Zone; or a Developer, subject to such terms, conditions and limitations, as may be prescribed. Section 26 of the SEZ Act provides for exemption, drawbacks and concessions to every Developer and entrepreneur. The Act, therefore, provides for a very wide coverage to the definition of export and also provides for non-levy of duties, taxes, cess etc. on such exports. Unit/ branch, despite being in an IFSC SEZ, has to pay IGST for various financial services provided to customers located outside India.</p> <p>5. Intention of the legislature is not to export taxes and hence export of goods and services have been zero rated. This is done to make exports globally competitive.</p> <p>6. Thus, under section 6 of IGST Act, services provided by financial intermediaries located in IFSC SEZ, which have been deemed to be outside India under the various regulations by IRDAI, or RBI or SEBI or any financial regulatory authority, to a person outside India may be exempted. Along with zero rating of supply of services to a SEZ developer or SEZ unit, this would effectively zero rate the supply by financial intermediaries to offshore units.</p> <p>Fitment Decision Agreed</p>
18	CCT, West Bengal	Request to clarify whether services provided by the Government or a Local authority or a Government Authority or a Government Entity by way of construction of residential buildings or other buildings on a lease- hold land attracts levy of 12% GST	As per clause (b) of paragraph 5 of the Schedule II read with Sec. 7 of the WBGST/CGST Act, 2017 “construction of a complex, building, civil structure or a part thereof, including a complex or building intended for sale to a buyer, wholly or partly, except where the entire consideration has been received after issuance of completion certificate, where required, by the competent authority or after its first occupation, whichever is earlier” is a	In the case of construction of a complex, building, civil structures built on lease hold land, the underlying undivided share of land is leased by the original lessor (State Govt./Local Authority) or sub-leased by the developer (usually by way of tripartite agreement between the Govt./LA, developer, and buyer) to the flat owner along with the sale of the super structure, the cost of the lease of land is embedded in the supply of the constructed superstructure. In other words, price of the sale of a super structure built on lease hold land includes the portion of the upfront amount paid for the lease of the land attributable to the share of underlying land on which the superstructure has been built.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		instead of 18% GST.	<p>supply of service and is taxable @ 18%.</p> <p>The explanation provided in notification No. 11/2017-Central Tax(Rate) in case of supply of the aforesaid service, “involving transfer of property in land or undivided share of land, as the case may be, where the value of supply of service and goods portion in such supply shall be equivalent to the total amount charged for such supply less the value of land or undivided share of land, as the case may be, in such supply shall be deemed to be one third of the total amount (i.e, the sum total of - (a) consideration charged for aforesaid service, and (b) <u>amount charged for transfer of land or undivided share of land, as the case may be charged for such supply</u>”. The buildings constructed by Government or a Local authority or a Government Authority or a Government Entity are made on lease- hold land. Hence, there is no involvement of any transfer of land. Therefore, the valuation as per explanation to notification 11/2017-CT(R) will not apply and the rate of GST shall be 18% instead of effective rate of 12%</p>	<p>Since the services provided by Govt., UT and local authorities to individuals are exempt, the leasing/sub-leasing of such undivided share of land underlying the flats would not be taxable.</p> <p>However, this would not be the case where the land is leased/sub-leased by a Governmental Authority or Govt. entity in which case tax on such portion of the sale price of the flat which can be attributed to the upfront amount paid for the underlying portion of leased land will be taxable at 18%. This issue is further complicated by the fact that such authorities (Government or a Local authority or a Government Authority or a Government Entity) do not show the price attributable to the upfront amount for lease of the underlying land separately in case of the buildings constructed by Government or a Local authority, which are sold on lease hold basis</p> <p>To resolve the issue, -</p> <p>(a) the said provision for valuation provided in paragraph 2 of notification No. 11/2017-CT(R) may be amended as shown in bold below:</p> <p>“2. In case of supply of service specified in column (3) of the entry at item (i), item (iv) sub-item (b), sub-item (c) and sub-item (d), item (v) sub-item (b), sub-item (c) and sub-item (d), item (vi) sub-item (c) against serial no. 3 of the Table above, involving transfer of property in land or undivided share of land or lease/sub-lease of land or undivided share of land, as the case may be, the value of supply of service and goods portion in such supply shall be equivalent to the total amount charged for such supply less the value of supply of land or undivided share of land, as the case may be, including by way of lease/sublease, and the value of supply of such land or undivided share of land, as the case may be, in such supply shall be deemed to be one third of the total amount charged for such supply.</p> <p>Explanation. –For the purposes of paragraph 2, “total amount” means the sum total of, -</p> <p>(a) consideration charged for aforesaid service; and (b) amount charged for transfer of land or undivided share of land, as the case may be.”</p> <p>(b) Services by government or local authority to governmental authority or</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>government entity, by way of lease of land, may be exempted.</p> <p>(c) supply of land or undivided share of land by way of lease or sub lease where such supply is a part of composite supply of construction of flats etc specified in column (3) of the entry at item (i), item (iv) sub-item (b), sub-item (c) and sub-item (d), item (v) sub-item (b), sub-item (c) and sub-item (d), item (vi) sub-item (c) against serial no. 3 of the Table in the notification No. 11/2017-CT(R) may be exempted.</p> <p>Discussed with CCT/WB. Alternatively, it is felt that the problem appears to be “transfer of property”. Transfer of property is governed by TP Act, 1882. As per the said Act, lease is also one of the ways of effecting transfer of property, which may be clarified.</p> <p>Fitment Decision: In principle agreed. The proposal at (a), (b) and (c) are approved.</p>
19	CCT, West Bengal	<p>Services provided to the Government Entity by way of pure services in relation to an activity to perform a function entrusted to a Panchayat or Municipality should also be included in the entry 3 of notification No. 12/2017-CT(R) which reads: “Pure services (excluding works contract service or other composite supplies involving supply of any goods) provided to the Central Government, State Government or Union territory or local</p>	<p>“Governmental Entity” defined under clause (zfa) of Para. 2 of notification No. 12/2017-CT(R) means “An authority or a board or any other body including a society, trust, corporation, which is:</p> <p>(a) set up by an Act of Parliament or State Legislature; or</p> <p>(b) established by any Government, with 90 percent or more participation by way of equity or control, to carry out a function entrusted by the Central Government, State government, Union territory or a local authority.</p> <p>The definition of Government Entity indicates that it carries out a function entrusted by the Central Government, State government, Union territory or a local authority itself with a rather broader perspective of work compared to a</p>	<p>Discussed the issue with CCT, WB. The issue relates to bodies like Kolkata Metropolitan Development Authority (KMDA), whose normal function is not covered by Article 243W but are procuring cleaning and other municipal functions. Entry 3 of notification No. 12/2017-CT(R) may be amended to exempt pure services provided to Govt. entity.</p> <p>Fitment Decision Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		authority or a Governmental authority by way of any activity in relation to any function entrusted to a Panchayat under article 243G of the Constitution or in relation to any function entrusted to a Municipality under article 243W of the Constitution”	Governmental authority. But, strangely enough, the facility of exemption of pure services received by a Government Entity, even if such is by way of any activity in relation to any function entrusted to a Panchayat under article 243G of the Constitution or in relation to any function entrusted to a Municipality under article 243W of the Constitution, turn out to be taxable.	
20	CCT, West Bengal	To amend entry 3 of the notification No. 12/2017-CT(R) so as to expand the scope of pure service and to include composite supplies where the principal supply is of service, or to create a separate entry. OR alternatively, to tax the composite supply (where the principal supply is of service) at a lower tax rate of 5%	To carry out the seamless provision of such scheduled services, a Local Authority like Kolkata Municipal Corporation (KMC) has to involve into contracts with third parties for procuring certain supplies from external agencies. Such supplies received generally involve both services as well as materials. e.g., (i) Water supply for domestic, industrial and commercial purposes [Sl. No. 5 of the Twelfth Schedule of Article 243W of the Constitution] a Contract for purification of water given to an external agency involving mainly purification service involving some portion of supply of materials like alum, chlorine, water treatment agents etc. (ii) Public health, sanitation conservancy and solid waste management [Sl. No. 6 of the Twelfth Schedule of Article 243W of the Constitution] a contract for maintenance of Compactor	GST Council decision was to exempt only pure services not involving supply of any goods. Supply of goods was charged to VAT in the pre-GST period. Expanding scope of exemptions shall adversely affect revenue. Fitment Decision Pure services exemption [S No 3 of 12/2017-CTR] may be expanded to include composite supply involving predominantly supply of services i.e. upto 25% of supply of goods.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>machines used for garbage disposal given to an external agency involves both maintenance service as well as supply of damaged spare parts.</p> <p>(iii) Provision of urban amenities and facilities such as parks, gardens, playgrounds [Sl. No. 12 of the Twelfth Schedule of Article 243W of the Constitution] a contract for maintenance of parks/gardens given to an external agency involves both maintenance service as well as supply of damaged items like decorative litter bins, display boards etc.</p>	
21	<p>DGFT (Minutes of the Meeting of Committee on Export held on 27.11.2017)</p> <p>South Gujarat Yarn Dealers Association</p>	<p>It is proposed that there should be a standard rate of GST for all kinds of job works across sectors.</p> <p>100% Pure job work units registered in GST should be exempted from GST (and ITC).</p>		<p>The rate of job work services in entire textile sector has been reduced to 5%. All products falling under chapter 71 in the first schedule of CTA has been reduced to 5%. Printing of books and all goods falling under chapter 48, 49 which attract GST@5% has been reduced to 5%. Job work services for manufacture of all food and food products falling under chapter 1 to 22 and products under Chapter 23 except cat and dog food, also attracts GST at the reduced rate of 5%. Manufacture of clay bricks falling under tariff item 69010010 and manufacture of handicrafts goods attract GST of 5%.</p> <p>The above reduction in job work rate has been effected only where the final goods attract a rate lower than the standard rate so as to avoid accumulation of ITC.</p> <p>However, notifying a standard reduced rate for the supply of all job work services will result in distortion in the ITC chain and affect revenue and cash flow of the Govt. where the supply of goods is at standard or higher rate and may result in refunds.</p> <p>The basic principle of GST is to tax supply of goods and services at each stage of value addition and to allow ITC of tax paid at the preceding stage for discharge of tax at the succeeding stage. Advantages of this system are visibility of a transaction trail and better compliance as well as better cash flow of revenues for the Govt. Mere fact that ITC is available of tax paid on job work services</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>is not a sufficient ground for not taxing them or taxing them at a lower rate. If this criterion is adopted, then none of the inputs and input services used in making a taxable supply should be taxed. Moreover, job work services by a person having turnover below the threshold of Rs. 20 lakh per annum is not taxable. Thus small job workers are already saved from the compliance burden of payment of GST on their services.</p> <p>Fitment Decision</p> <p>Job work services rate for manufacture of leather goods (Chapter 42) and footwear (Chapter 64) may be reduced to 5%.</p>
22	1) CREDAI, 2) Bhavik Thakker	<p>To clarify time of supply in case of transfer of development rights by land owner to a developer (Shri Bhavik Thakker)</p> <p>To defer the time of supply in case of transfer of development rights under section 13(5) of CGST Act, 2017 to 3 years after the date of receipt of payment or transfer of the units.</p>	<p>Under GST Law, in a case where the supply of development rights is by a land owner for construction services in return, the time of supply becomes the time when agreement is entered into between the land owner and the developer.</p> <p>It shall lead to undue financial hardship on the supplier of the development rights i.e. land owner as well construction service provider i.e. developer/builder, in addition to the fact the <u>valuation of the said supplies would not be available at that point.</u></p>	<p>In GST Law, time of supply is earliest of the following: -</p> <ul style="list-style-type: none"> date of issue of invoice, if invoice is issued within the prescribed time period or date of receipt of payment, whichever is earlier If invoice is not issued within the prescribed time, date of provision of service or date of receipt of payment, whichever is earlier, or date on which the recipient of service shows receipt of services in his books of accounts. <p>In view of time of supply provisions, the point of taxation in case of transfer of development rights would be the date when the agreement for transfer of development rights is signed or payment is received, whichever is earlier. (Normally, invoice is not issued in case of transfer of development rights). There is no doubt regarding time of supply where consideration for development rights is paid in the form of money. However, where the consideration is to be paid by the builder in the form of constructed property such as flats, on the date of execution of the agreement, the value of supply (to be determined on the basis of value of flats booked nearest to transfer of development rights as per CBEC circular dated 10th February, 2012) would not be available, making it impossible for the land owner to pay tax on the services provided by him by way of transfer of development rights at the time of supply of service i.e. execution of the agreement.</p> <p>As regards the builder, he is liable to pay tax on the service of construction provided by him to the land owner. He has received payment for the same in advance in the form</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>of transfer of development rights on the date of execution of agreement. Therefore, the point of taxation for the service of construction provided by builder/developer to the land owner, again, is the date of execution of agreement for transfer of development rights. However, the value of the construction service is not available on such date.</p> <p>ITC of tax paid by the builder on service of development rights procured by them from the land owner is available for discharge of tax liability on construction service provided by them to the land owner and other buyers. It is proposed that we may notify under Section 148 of the CGST Act, the following classes of registered persons, -</p> <p>(a) registered person who supply development rights to a developer/builder against consideration in the form of construction service, and</p> <p>(b) registered person who supply construction service to landowner against consideration in the form of transfer of development rights,</p> <p>as the persons in whose case the liability to pay GST on supply of the services in question shall arise at the time when the possession or right in the property of the said flats are transferred to the land owner by entering into a conveyance deed or similar instrument (e.g. allotment letter).</p> <p>Fitment Decision</p> <p>Agreed and have to accommodate the partial cash payment and part by construction service. No deferment in point of tax in respect of cash component, where payment is partly by cash and part by construction service.</p>
23	Reference from PMO based on feedback received on issues and problems faced in GST.	To address taxability and GST exemption on admission fee charged by educational institutions and entrance fee charged for appearing in entrance examinations for getting admission into	With a view to promote education, achieve higher gross enrolment ratio and enhance and upgrade education and skill levels of the students GST exemption may be provided for conduct of entrance examination.	<p>1. Services provided by an educational institution to its students are exempt [Notification No. 12/2017-Central Tax (Rate) S.No. 66(a)]. Educational institution has been defined to mean an institution providing services by way of -</p> <p><i>Preschool and school education upto higher secondary school or equivalent;</i></p> <p><i>Education as part of curriculum for obtaining a qualification recognized by any law;</i></p> <p><i>Education as part of an approved vocational education course.</i></p> <p>The admission fee charged by the educational institutions as referred above</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		educational institutions.		<p>from its students is exempt from GST. However, the entrance fee charged for appearing in competitive entrance examinations for admission to educational institution is leviable to GST. This anomaly/ discrepancy exist as no specific exemption has been provided to the services provided for conducting the competitive entrance examinations for admission to these educational institutions.</p> <p>2. These educational institutions may either conduct the entrance examination themselves or may outsource it to some other agency which may be government or non-government. The educational institution, if a government department themselves and conducts entrance examinations themselves or through another government department or government entity, the services would be exempt under Sl. No. 6 of exemption notification No. 12/2017-CT(R). However, if they engage the service of a private entity, the GST would be payable. In case, the educational institution is an autonomous body, the entrance examinations conducted by the institution either themselves or through any other person would be taxable under GST.</p> <p>3. It may be noted that services relating to admission to, or conduct of examination by, educational institutions upto higher secondary level, are exempt from GST. The request is to extend this exemption to all educational institutions defined in para 1 above [definition 2 (y) of notification No 12/2017-CTR.]. We may extend this to all educational institutions.</p> <p>Fitment Decision:</p> <p>Agreed to exempt services relating to admission to, or conduct of examination provided to all educational institutions, as defined in the notification and to also exempt services by educational institution (as defined above) by way of conduct of entrance examination against consideration in the form of entrance fee.</p>
24	Kotak Mahindra Bank Ltd.	Enhancement of Insurance Limit from Rs 50,000 to Rs 2,00,000 for GST exemption on Micro Insurance Products	As per Finance Act, 2014, all micro Life Insurance products approved by IRDAI with sum assured upto Rs 50,000 were exempt from Service Tax and Cess. Similar exemption has been	Sl. No. 36 of exemption Notification No. 12/2017-C.T.(Rate) exempts services of life insurance business provided under life micro insurance product approved by IRDAI upto maximum cover amount of Rs. 50,000. In pre-GST regime, identical exemption existed for life micro insurance products under Sl. No. 26A of mega

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			extended in GST to ensure higher penetration among Lower Income Group. In the recent past when GoI launched the Pradhan Mantri Jeevan Jyoti Bima Yojana (with a sum assured of Rs 2 Lakhs), GST exemption was given to customers purchasing this policy. In 2015, IRDAI has issued revised regulation pertaining to Micro Insurance under which the maximum sum assured has been increased to Rs 2,00,000 however the GST exemption limit continues to be Rs 50,000	exemption notification No. 25/2012-S.T. inserted vide notification No. 6/2014-ST dated 11.07.2014. In pre-GST notification, the exemption limit was based on maximum coverage amount of Rs. 50,000 specified under Schedule-II of regulation 2(e) of IRDA (Micro Insurance) Regulation, 2005. Said regulation has been rescinded and superseded by IRDA (Micro Insurance) Regulation, 2015 issued on 13th March, 2015. In new regulation, under Schedule-II, the sum assured under the insurance product offering life or pension or health benefit has been revised to a maximum amount of Rs. 2 lac. Since the objective of these regulations and the exemption was to benefit the economically weaker sections of the society, in line with the revision of limit of insurance coverage from Rs. 50,000 to Rs. 2 lac, clause (c) of existing entry no. 36 of exemption notification No. 12/2017-CT(R) may be amended to enhance the existing maximum amount of cover from Rs. 50,000 to Rs. 2 lac. Fitment Decision Agreed
25	1. Secretary, Department of Financial Services, Ministry of Finance 2. Reference received from General Insurance Council.	PM Fasal Bima Yojana has been exempted from GST to reduce premium which is paid by government. Reinsurance of this scheme should also be exempted from GST as 90% of the scheme is reinsured. Non-provision of GST negates the exemption given to insurance.	1. The PMFBY scheme is part of the crop insurance scheme exempted from service tax as per notification no. 25/2012 dated 20.6.2012. Under the service tax law, the taxable services of general insurance business included reinsurance as per the definition of taxable services under section 65(105) (d) of the Finance Act, 1994. 2. Primary insurance companies take reinsurance protection as a support to ensure business continuity and financial strength to meet the policy holder liabilities. In respect of Crop insurance business, in view of the highly volatile nature of the crop insurance portfolio, the Reinsurance support ranges between	In pre-GST regime, [Sr.no. 26 of mega exemption notification No. 12/2017-CT(R) refers], Rashtriya Krishi Bima Yojana was exempt from payment of service tax. In GST, crop Insurance under PMFBY scheme is exempt from GST [Sr.No. 35 of notification No. 12/2017-CT(R)]. 2. The argument that taxable service of general insurance business also included reinsurance as per definition of taxable services under Clause (d) of section 65 (105) of Finance Act, 1994 was not valid in the positive list period. This is because under the said clause, taxable service meant any <i>service provided or agreed to be provided to a policy holder or any person, by an insurer, including re-insurer carrying on general insurance business in relation to general insurance business</i> . While insurance service is provided by an insurance company to a policy holder, service of re-insurance is provided by re-insurance company to the insurance company (<i>any person</i>). Therefore, <u>re-insurance service is an input service to the insurance company</u> . So, it is not correct to say that insurance service included re-insurance service in the positive list approach. In negative list period also, the re-

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>80-90% of the premium of PMFBY.</p> <p>3. Without reinsurance support, the direct insurance companies' financial strength and balance sheet would stand exposed resulting in severe stress on the insurance companies and restrict or curtail the ability of insurers to continue to offer such insurance protection to farmers.</p>	<p>insurance business was not exempt and Service Tax was payable. Re-insurance for any segment/category of insurance business is not exempt in GST also (and therefore reversal of ITC is required which is resented by insurance companies).</p> <p>3. The Pradhan Mantri Fasal Bima Yojna was launched on 18th February 2016. 21 states implemented the scheme in Kharif 2016 whereas 23 states and 2 UTs have implemented the scheme in Rabi 2016-17. Approximately 3.7 Crore farmers have been insured in the Kharif 2016 for 3.7 crore ha of land at premium of Rs 16,212 crore for a sum insured of Rs 1,28,568.94 crore as per figures available on 31.03.2017.</p> <p>4. PMFBY provides a comprehensive insurance cover against failure of the crop thus helping in stabilizing the income of the farmers. The Scheme covers all Food & Oilseeds crops and Annual Commercial/Horticultural Crops for which past yield data is available and for which requisite number of Crop Cutting Experiments (CCEs) are conducted being under General Crop Estimation Survey (GCES). The scheme is implemented by empaneled general insurance companies. Selection of Implementing Agency (IA) is done by the concerned State Government through bidding. The scheme is compulsory for loanee farmers availing Crop Loan /KCC account for notified crops and voluntary for other others. The scheme is being administered by Ministry of Agriculture.</p> <p>5. The scheme is offering enhanced insurance protection, against natural and localised calamities, mid-season adversities and post-harvest losses. It has been represented that due to highly volatile nature of the crop insurance business, the Reinsurance support ranges from 80 to 90% of the premium of PMFBY.</p> <p>6. Reinsurance is mandatorily required to provide financial strength to the insurance companies to meet any liability. As per IRDAI notification dated 13.7.2016, there is no upper limit on the cession in sum assured for crop insurance. The liability of the Insurance companies in case of catastrophic losses computed at the National level for an agricultural crop season, is upto 350% of total premium collected (farmer share plus Govt. subsidy) or 35% of total Sum Insured</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>(SI), of all the Insurance Companies combined, whichever is higher. The losses at the National level in a crop season beyond this ceiling shall be met by equal contribution (i.e. on 50:50 basis) from the Central Government and the concerned State Governments.</p> <p>7. The objective of the government is to provide insurance coverage and financial support to the farmers in the event of failure of any of the notified crop as a result of natural calamities, pests & diseases; to stabilise the income of farmers to ensure their continuance in farming, to encourage farmers to adopt innovative and modern agricultural practices and ensure flow of credit to the agriculture sector. As the ITC of GST paid on re-insurance is not available with the insurance company on account of the exemption on the PMFBY, the burden of GST on re-insurance will eventually be borne by governments (Central and State), Fitment Committee may recommend to exempt it. [Exemptions are a cost in a multi-stage tax as GST]. It may be noted that PMFBY has been notified under the DBT scheme of the government. However, exempting re-insurance service relating to PMFBY, would make the scheme very attractive to insurance companies and would certainly meet the social objectives of the government. (As per para 5 above, the loss of the insurer beyond the ceiling is already being met by the governments). We may exempt re-insurance of all those insurance products which are exempt under GST vide S.No. 35 and 36 of notification No. 12/2017-CT(Rate).</p> <p>Insurance schemes exempted under S.No. 35 are listed below:</p> <ul style="list-style-type: none"> (a) Hut Insurance Scheme; (b) Cattle Insurance under Swarnajayanti Gram Swarozgar Yojna (earlier known as Integrated Rural Development Programme); (c) Scheme for Insurance of Tribals; (d) Janata Personal Accident Policy and Gramin Accident Policy; (e) Group Personal Accident Policy for Self-Employed Women; (f) Agricultural Pumpset and Failed Well Insurance; (g) premia collected on export credit insurance;

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		any Indian language in theatre.		
28	1) Ministry of Commerce & Industry forwarding the representation of: the Indian Chamber of Commerce & Industry and Council for Leather Exports (CLE) 2) Bangalore Apartments Federation 3) Chairman, Council for Leather Exports (Ministry of Commerce & Industry Government of India) 4) MLA, Adampur Punjab	1) Request for GST exemption on Common Effluent Treatment Plants (CETPs) for the leather industry 2) Exemption under GST for services provided by way of erection, construction, maintenance, repair, alteration, renovation or restoration of pollution control or effluent treatment plant may be continued	1) 18% GST will significantly increase the financial burden on the tanning industry which will affect the value-added products segment as well. Further, there is only minimal input tax credit for CETPS. 2) Implementation & maintenance of sewage treatment plants entails large investments as well as running expenses apart from costs incurred in engaging right technical experts. An additional levy of GST will be burdensome for apartments & establishments that are looking to contribute to the environment and will act as a disincentive to implement the same.	1) CETP services are B2B services and GST paid on CETP services would be available to recipients as ITC and thus do not represent additional cost. On the other hand, exempting CETPs from GST will lead to blocking of ITC and consequent increase in their cost. It was also observed that Bulk Drug Manufacturers Association had requested for withdrawal of exemption from service tax on CETP services as the exemption blocks ITC. The issue was discussed in Fitment Committee and not accepted. GST on CETP may be considered for reduction to 12%, if agreed by Fitment Committee. 2) These attract concessional GST of 12%. Fitment Decision: Agreed 12% on common effluent treatment plants.
29	Agri warehousing Industry Representative through Secretary, Food & Public Distribution and through Joint Commissioner, GST Council Secretariat	Clarification and exemption may be provided for Agri warehousing activities as well as its related input components like warehouse space rent, security service, fumigation/preservation etc. used for storage and warehousing of Agriculture produce.	Storage and warehousing services is composition of warehouse + security + Fumigation + Maintenance etc. The actual benefit of keeping it in exempt list to the ultimate users like Farmers, processors, consumers etc. is possible only if all input components are exempted.	Storage and warehousing of agricultural produce has been exempted and not zero rated. Zero rating is done only for exports. Fumigation of agricultural produce in warehouse may be considered for exemption under S No 54 of not 12/2017-CTR. Fitment Decision: Agreed. Services by way of fumigation in a warehouse.
30	Govt. of India Ministry of Human Resource Development,	Grant exemption under GST for the institutes which are registered as charitable trust	Hostel accommodation provided by Trusts to students are not covered within the definition of Charitable Activities and thus, not covered under the	Hostel or any other accommodation upto Rs 1000 per day per room is already exempt. No merit. It may be clarified to him that exemption of Rs 1000 per day is available.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
	Department of Higher Education CDN Section Dy. Commissioner, Gujarat, forwarding the request of Shri Saurashtra Patel Kelavani Mandal, Ahmedabad Greater Rajkot Chamber of Commerce and Industries	like in education, hosteling which provide lodging and boarding service to the weaker sections of the society.	exemption notification no. 9/2017 (R). Many Trusts provide hostel to students pursuing education in Institutions that do not have hostels or are at unaffordable prices. Hostel provided by Educational Institution even at exorbitant charges would be exempt but provided by Charitable Trusts at concessional prices to needy students is taxable @ 18%. It is unreasonable to tax hostel accommodation merely because the student seeks educational and hostel accommodation services from different entities.	Fitment Decision: Agreed
31	ONGC, Dy. Commissioner, Gujarat	1) Temporary Imports of equipment (re-exported after exploration/drilling project) required for Petroleum Operation should be exempted from IGST 2) Reduce GST on rigs service to 5% and other services to 12%. Alternately, the IGST on goods should be exempted specially for offshore. 3) Movement of capital goods from one State to another or from onshore to offshore and vice versa for conducting petroleum operation should be exempted	1. Pre-GST – Sl. No. 356A of 12/2012 – Cus allowed import of equipment for petroleum operations without payment of any Customs Duty (BCD and CVD Nil). This was for all imports - on lease or otherwise. Imports were regulated by certificate from Director General hydrocarbon. Post GST – Notification no. 77/2017 provides exemption of IGST on import of rigs under lease subject to prescribed conditions. This should be extended to imports of all equipment required for petroleum operations (as specified in List 33 of notification 50/2017 relevant to Sl. No 404) such as survey vessels, subsea equipments, logging equipments etc. This is committed in the NELP policy and PSC. As per global / India industry practice, most of these equipments are imported by service providers	1. Vide notification 77/2017-Customs dated 13.10.2017 the IGST rate on “Rigs and ancillary items imported for oil or gas exploration and production taken on lease by the importer for use after import.” has been exempted. Vide notification No. 72/2017-Customs, the machinery, equipment or tools, falling under chapters 84, 85, 90 or any other chapter of the First schedule of the Customs Tariff Act, 1975, being imported on lease for execution of a contract and to be re-exported within a period of 18 months shall be exempted from whole of IGST and from so much of Customs duty as prescribed in column (3) of the notification. Furthermore, the service providers such as (Schlumberger, Baker Hughes) are importing the equipment on lease for performing the operations and providing end service to the explorer (ONGC). So, the service providers (Schlumberger, Baker Hughes) can use the credit to offset the output tax liability, ITC is a pass through. 2. The mining services attract 18% and the support services to mining also attract GST of 18%. Creating a specific rate for oil exploration does not hold merit, as similar treatment has been made to entire mining services. As for the reason that the output goods are exempt from levy of GST hence leads to cascading of taxes, it is pertinent to mention that there was cascading of taxes

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		based on an Essentiality Certificate from the Director General of Hydrocarbons.	<p>(Schlumberger, Baker Hughes) and not imported on lease basis by the explorer (ONGC). This will be revenue neutral as GST will be paid on full rates on supply of services by the service provider.</p> <p>2. Pre-GST –taxes were ~ 8%.</p> <p>Post GST – Taxes have increased to 12.5% mainly due to increase in the rate from 0% to 5%. The reduction in tax rates would make overall taxes at par with pre - GST</p> <p>3. Post GST – Interstate movement of goods or from onshore to offshore is treated as taxable supply which wasn't the case Pre-GST.</p>	<p>earlier under ST and it is cascading under GST. The issue will be resolved after the review by GSTC to bring petroleum products under GST.</p> <p>3. In terms of notification No. 03/2017-IGST (R) dated 28th June, 2017 such transfer would attract 5% of GST on submission of EC from DGH.</p> <p>A view may be taken with respect to request to have 5% GST on drilling services provided by rig owning companies and 12% on other services provided to E&P.</p> <p>There could be a case for reducing GST rate on mining, exploration services of crude oil and natural gas to 5%/12%.</p> <p>Movement of capital goods from one State to another or from offshore to onshore or vice-versa is not a “supply” and thus does not attract GST, which may be clarified by way of Circular (TRU I Circular).</p> <p>Fitment Decision: (Revenue collection was of the order of about Rs 5000 crore in 2016-17)</p> <p>Agreed for reducing GST to 12% in respect of mining or exploration services of petroleum crude and natural gas and for drilling services in respect of the said goods.</p>
32	Consumer Disputes Redressal Commission, Dy. Commissioner, Gujarat	<p>Exempt following services from GST-</p> <p>1) A customer pays fees while registering complaints to Consumers Disputes Redressal Commission office and its subordinate offices. These fees are credited into State Customer Welfare Fund's bank account</p> <p>2) Consumers Disputes Redressal Commission</p>		<p>Services by any Court or Tribunal established under any law is neither a supply of goods nor services. In the context of service tax, it was clarified by CBEC vide Circular No. 192/02/2016-Service Tax dated 13-4-2016 that fines and penalty charged by government and local authority for violation of statutes, bye-laws, rules and regulations are not leviable to service tax.</p> <p>Consumer Disputes Redressal Commissions (National/ State/ District) may not be tribunals literally as they may not have been set up directly under Article 323B of the Constitution. However, they are clothed with the characteristics of a tribunal on account of the following: -</p> <p>(1) Statement of objects and reasons as mentioned in the Consumer Protection Bill stated that one of its objects was to provide speedy and simple redressal to consumer disputes, for which a quasi-judicial machinery is sought to be set up at District, State and Central levels.</p> <p>(2) The President of the District/ State/National Disputes Redressal Commissions is a person who has been is qualified to be a District Judge, High</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>office and president of its subordinate offices charges penalty in cash when it is required.</p> <p>3) When a customer files an appeal to Consumers Disputes Redressal Commission against order of district forum, amount an equal to 50% or Rs. 25000/- which of the two is less, is charged by Commission</p>		<p>Court Judge and Supreme Court Judge respectively.</p> <p>(3) These Commissions have been vested with the powers of a civil court under CPC for issuing summons, enforcing attendance of defendants/witnesses, reception of evidence, discovery/production of documents, examination of witnesses, etc.</p> <p>(4) Every proceeding in these Commissions is deemed to be judicial proceedings as per sections 193/228 of IPC.</p> <p>(5) The Commissions have been deemed to be a civil court under CrPC.</p> <p>(6) Appeals against District Commissions lie to State Commission while appeals against the State Commissions lie to the National Commission. Appeals against National Commission lie to the Supreme Court.</p> <p>In view of the aforesaid, it may be clarified that fee paid by litigants in the Consumer Disputes Commissions are not leviable to GST. It may also be clarified that any penalty imposed by these Commissions will not attract GST.</p> <p>Fitment Decision: May be clarified as above.</p>
33	Symbiosis Society, Shri. Manu Bharadwaj through, Ministry for HRD, Govt. of India,	<p>1) GST and its implications on Libraries in Institutes of Higher Learning</p> <p>2) Exempting GST on services used by Universities.</p>	<p>1) Higher learning institutions buy periodicals from various Indian and foreign publishers. Print Journals with HSN 4902/ 4901 fall under 0% GST and online Journals with SAC 998431 fall under 18% GST. In case of mixed supply, (Print + Online), 18% GST is levied, irrespective of the fact whether Online is free or not. Colleges subscribe the journal for its content which helps in upgradation of knowledge and not for the format per se. Because of 18% GST on Online journals and periodicals, the overall costs will increase by a minimum of 18%. All degree awarding institutions are exempt from GST and hence</p>	<p>1) GST on mixed supply. In case of different billing for online and offline journals, then separately GST shall be collected. Online educational journals/periodicals subscribed by educational institutions who provide degree recognized by any law, may be exempted from GST.</p> <p>2) Services like transport, canteen, security or cleaning or housekeeping etc. provided by private players to educational institutions were subject to service tax in pre-GST era and status quo has been continued under GST regime. This is a request for new exemption, may not be considered.</p> <p>Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>cannot levy GST to students. Therefore, there is an additional burden which, in case of Govt. institutions will lead to increased budgetary allocation (this becomes revenue neutral) and in case of Private institutions, will lead to curtailing purchases of Cutting edge journals or an increase in Fees for the students.</p> <p>2) University is required to pay GST on Rent, Legal Fees, Transportation of Students, Faculty and Staff, Cleaning & Sanitation Expenses- Housekeeping expenses, Food, Tea Refreshment Expenses, Honorarium paid to Visiting Faculty, Hotel & Guest House Expenses, IT Expenses Licenses for Administration, Registration Charges, Security Service Charges, Test Centre Charges etc. which increase the cost of education of the students.</p>	
34	<p>Hon'ble Chief Minister, Rajasthan</p> <p>Commissioner State Tax, Rajasthan, Jaipur, (Commercial Taxes Department)</p> <p>Govt. of Rajasthan Finance (Tax) Department</p> <p>Hon'ble Minister of State (IC) for Tourism, GoI</p>	<p>1) Peak rate of 28% for hotels including 5 Star & above rated hotels, will be too high in relation to the rates prevailing in international circuit of tourism. 28% may be reduced to 18%</p> <p>2) Clarification sought on whether the services of elephant or camel ride, rickshaw ride and boat ride can</p>	<p>1) 28% GST for Hotels is very high as compared to rates prevailing in other countries of tourism importance.</p> <p>2) Input services of tourism such as services of excursion agents, arrangement of folk dance performances, elephant, camel, horse and boat rides are provided by unregistered persons. Given the fact that Tour Operators are usually registered, the GST on such input services will have to be borne by them on reverse charge basis. However, since they would be opting to pay tax at the rate of 5%, they will</p>	<p>1) The all-India weighted average of the headline rate and embedded taxes in the pre-GST regime was almost to the tune of 30% (including luxury tax). So, no action.</p> <p>2) Elephant/ camel joy rides cannot be classified as transportation services. These attract GST @ 18%. Threshold exemption is available to small service providers. Proposal has been separately put up for allowing credit of input services in the same line of business at GST rate of 5% and for all other input services at GST rate of 12%. The above proposal has been sent back to the Fitment Committee for reconsideration by GSTC in its 23rd meeting at Guwahati. It may be clarified that Elephant/ camel joy rides cannot be classified as transportation services. These attract GST @ 18%. Threshold exemption is available to small services providers.</p> <p>Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>be classified under mode of transportation to reach point to point location. Thereby, the rate of tax on such services will be 5% under the heading 9964 (passenger transport service) or 28% treating as joy rides under the heading 9996 (recreational, cultural and sporting services)? It is suggested that the rate of tax on joyrides and other input services may be reduced to 12% to lower the burden on tour operators. Alternatively, the tax rate may be retained at 5% but with the benefit of allowing ITC for the payment thereof.</p>	<p>be unable to claim the input tax credit. As a result, such tax paid on reverse charge basis will become a part of the cost of their service and their profit margins would get severely affected.</p> <p>3) Monuments in our country showcase the cultural heritage and visit to monuments form a part of tourists' itinerary.</p>	
35	Director, Manlift India Pvt. Ltd. Also representing Aerial Platform Association of India	<p>Clarification sought on GST rate of rental services of self-Propelled Access Equipment (Boom. Scissors/ Telehandlers) – The equipment is imported at GST rate of 28% and leased further in India where operator is supplied by</p>		<p>It may be clarified that leasing or rental services, with or without operator, for any purpose shall be taxed at the same rate of central tax as on supply of like goods involving transfer of title in goods. Thus, the GST rate for the rental services in the given case shall be 28% [entry 17(vii), notification No. 11/2017-CT(R) dated 28.6.17 as amended].</p> <p>May be clarified Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		the leasing company, diesel for working of machine is supplied by customer and transportation including loading and unloading is also paid by the customer.		
36	CCT Maharashtra	<p>Clarifications sought on:</p> <p>1) Senior doctors/ consultants/ technicians that a hospital may hire independently, without any contract of such persons with the patient; and pay them consultancy charges, without there being any employer-employee relationship - Will such charges be also exempt from GST? Will revenue take a stand that they are providing services to hospitals and not to patients and hence they must pay GST?</p> <p>2) Retention money: Hospitals charge the patients Rs.10000/- and pay to the consultants/ technicians only Rs. 7500/- and keep the balance</p>	<p>There are concerns that the exemption is only on outward service i.e. when the clinical establishment; authorized medical practitioners and para-medicos charge the patient. There is no exemption on procurement of inputs, capital goods, rentals etc. or input service. Regarding visiting doctors, these doctors and technicians provide health care services to the patients though via the hospitals they are made to visit. Hence exemption must be made available. GST may not be attracted if it could be established that the hospitals are not deducting any money from the fixed fee payable to such consultants/technicians- of course they may charge more to the patient for ancillary services. For all exempt services, the service providers get no ITC for inputs; input services and capital goods and rates of all of such services or goods have increased considerably.</p>	<p>1& 2) Health care services by a clinical establishment, an authorised medical practitioner or para-medics are exempt. Services provided by senior doctors/consultants/technicians hired by the hospitals, whether employees or not are healthcare services. There is no question of charging GST on services provided by them to hospitals. Hospitals also provide healthcare services. The entire amount charged by them from the patients including the retention money and the fee/payments made to the doctors etc., is towards the healthcare services provided by the hospitals to the patients and is exempt.</p> <p>3) Clarification may be issued that food supplied to the in-patients as advised by the doctor/nutritionists is a part of composite supply of healthcare and not separately taxable. Other supplies of food by a hospital to patients (not admitted) or their attendants or visitors would be taxable.</p> <p>We may clarify as per comments given.</p> <p>Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>for providing ancillary services which include nursing care, infrastructure facilities, paramedic care, emergency mishaps, checking of temperature, weight, blood pressure etc. Will GST be applicable on the same?</p> <p>3) Food supplied to the patients: health care services provided by the clinical establishments will include food supplies to the patients; but such food supplies may be prepared by the canteens run by the hospitals or may be outsourced by the Hospitals from outdoor caterers. When outsourced there should be no ambiguity that the suppliers shall charge tax as per Section 9 read with Section 15 of the CGST Act and hospital will get no ITC. If hospitals have their own canteens and prepare their own food; then no ITC on inputs</p>		

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		including capital goods and in turn if they supply food to the doctors and their staff; such supplies, even when not charged, may be subjected to GST.		
37 (a)	Reliance Jio InfoComm Limited	Clarification is required on whether giving the right of way or right of use is a service amounting to renting of immovable property. If yes, this may be taxed under forward charge. In cases where right of way is mandated by law, it may not be considered to be in course of furtherance of business since it is not given by farmers on their own volition but under a mandate prescribed by law. So, GST should not be leviable on the same.	For laying optical fibres/ conduits/ pipelines, right of way or right of use needs to be acquired by corporates from landowners (mainly farmers) or Govt. / local authorities. Govt. sometimes issues notifications mandating landowners to provide right of way and fixes compensation to be given for the same. The compensation is paid by corporate to a competent authority appointed by the Govt. who in turns pays the land owner. Clarification regarding taxability of this will help in avoiding litigations as most Govt. / local bodies refuse to discharge tax on grant of such right of use/ way.	It may be clarified that these are supplies against consideration in the course of business. It is immaterial whether compensation is fixed by the government or not. Admission of persons to any property against consideration has been specifically declared as business under section 2(17)(f) of CGST Act. It is a grant of right of way to a business entity by Govt. and the tax is payable under reverse charge mechanism vide entry 5 of notification No. 13/2017-CT(R). Provision of right of way provided by government or local authority or farmer or individual person, to business entity, amounting to renting of immovable property, may be put under reverse charge. Fitment Decision: West Bengal also raised the issue of renting of immovable property by local authority to registered person and that the same should be put under reverse charge in order to obviate the local authorities from compliance burden. This was agreed to.
37 (b)	CCT, West Bengal	Request to levy GST on services provided by the Central Government, State Government, Union territory or a local authority by way of renting of immovable property other	Government Departments and Local Authorities have immovable properties like community halls, guest houses etc. which are provided to the public on rent for various purposes. But, in terms of Sl. Nos. 6 & 8 of the exemption Notification No. 1136-F.T. read with Notification No.12/2017 – Central Tax (Rate), both dated	Ideally all supplies by the Government should be charged on forward charge basis. This will ensure collection of due revenue on such supplies, obviating any scope of evasion of tax on supplies by Govt. There is no doubt that Governments would be far more compliant taxpayers than a distributor/agent This will also reduce disputes and litigation. Though, the compliance burden on Government departments would increase somewhat, it will promote ease of doing business. Govt. has qualified personnel who deduct TDS of

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>than the exemption conditions as per Sl. Nos. 6, 7, 8 & 9 of the Notification No. 1136-F.T. read with Notification No.12/2017 – Central Tax (Rate), both dated 28/06/2017, under reverse charge mechanism under the provisions of sub-section (3) of section 9 of the CGST/SGST Acts, 2017.</p>	<p>28/06/2017, such “renting out of immovable properties” to an individual or to another Central Government, State Government, Union territory or local authority are exempted.</p> <p>Also, in terms of Sl. Nos. 7 & 9 of the afore-stated exemption Notification, such service provided by the Central Government, State Government, Union territory or local authority to a business entity with an aggregate turnover of up to twenty lakh rupees (ten lakh rupees in case of a special category state) in the preceding financial year as well as when the consideration for such services does not exceed five thousand rupees, are exempted.</p> <p>OBSERVATIONS:</p> <p>1. It is thus clear that the taxability of such service of “renting out of immovable properties” is restricted only to a very limited situation where:</p> <p>(i) it is provided to a business entity having an aggregate turnover of more than twenty lakh rupees (ten lakh rupees in case of a special category state) in the preceding financial year; and,</p> <p>(ii) the consideration for such services exceeds Rs. 5000/-.</p> <p>2. In terms of Notification No. 1137 – F.T. read with Notification No.13/2017 – Central Tax (Rate), both dated 28/06/2017, services supplied by the Central Government, State Government, Union territory or local authority</p>	<p>income tax and earlier of VAT on works contract services. Foreign jurisdictions such as New Zealand, Australia tax supply of goods and services by Govt. on forward charge basis.</p> <p>However, the reality is that services provided by government/local authority to business entity are under reverse charge barring supplies by Indian Railways, Postal Department, Air India. Therefore, the request may be accepted.</p> <p>Fitment Decision:</p> <p>To tax renting of immovable property by government or local authority to registered business entity under reverse Charge. Renting of immovable property by government or local authority to un-registered business entity shall continue under forward charge</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>to a business entity excluding renting of immovable property are taxable on reverse charge basis. Thus, rental services provided in terms of conditions laid down as per Sl. No. 1 above are taxable on a forward charge basis.</p> <p>3. This automatically implies that a Government or a Local Authority engaged in renting out of any such immovable property has to discharge all statutory procedural liabilities like obtaining registration, depositing the tax collected and furnishing the returns. This definitely adds to the work burden of a Government or a Local Authority in addition to the various functions they perform. This can well be avoided if the said service is made taxable on reverse charge basis.</p> <p>4. It may be mentioned in this context that another major activity of a Government or a Local Authority, i.e. sale of used vehicles, seized and confiscated goods, old and used goods, waste and scrap made to any registered person has already been made taxable on reverse charge basis in terms of Notification No. 1800-F.T. read with Notification No.36/2017 – Central Tax (Rate), both dated 13/10/2017,</p> <p>5. Thus, receipt of a rental service (if made taxable on reverse charge basis) by a business entity will not create any further addition to his legal liabilities, because the recipient will</p>	

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			normally be well conversant with the procedural aspects of GST Laws.	
38	Dr. Kirit Somaiya, MP	Renting of cab to the education institute & non-AC buses run under contract carriage has been exempt from the GST, but sub vendor has been charging GST to the principal service provider, even though ultimate service has been used for the providing the exempted service, So the purpose of the law has been defeated increasing the cost of the service. So, request to grant exemption to the service provider in the same line/ similar service to the principal for the provision of the exempted service.		Request is for zero rating which is done only for exports. This was not there in service tax. Deepening of exemption as in case of sub-contractors may be considered. Fitment Decision: Agreed to exempt the service provided by way of renting of transport vehicles provided to a person providing services of transportation of students, faculty and staff to an educational institution providing education upto higher secondary or equivalent.
39	Ministry of Housing and Urban Affairs	Request to modify the items in (iv) and (v) of Sl. No. 3 of the notification No. 12/2017- CT (R) as under, (iv) Composite supply of works contract as defined in clause (119) of section 2 of the Central Goods and Services Tax Act, 2017,	No justification has been provided for the proposal.	Proposal of Ministry of Housing & Urban Affairs at Sl. No.3, item no (iv) <u>The exemptions proposed at item no (iv) sub-items (a), (b), (d), (g) and (h) already exist in the same form.</u> In case of proposal at sub-item (c), the main change proposed by MHUPA from the existing entry is to drop the words “ <i>only for existing slum dwellers</i> ”. This will expand the scope of exemption to cover the services of construction provided by builders to buyers other than the existing slum dwellers who will buy at the final prices (inclusive of GST) prevailing for the property (flats/shops) in the area. <u>There is no stipulation in the PMAY to control or put a</u>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>supplied by way of completion, fitting out, repair, maintenance, renovation, by way of construction, erection, commissioning, installation, or alteration of, -</p> <p>(a) a road, bridge, tunnel, or terminal for road transportation for use by general public;</p> <p>(b) a civil structure or any other original works pertaining to a scheme under Jawaharlal Nehru National Urban Renewal Mission or Rajiv Awas Yojana;</p> <p>(c) a civil structure or any other original works pertaining to the ""In-situ redevelopment of existing slums using land as a resource, under the Housing for All (Urban) Mission/Pradhan Mantri Awas Yojana (Urban);</p> <p>(d) a civil structure or any other original works pertaining to the ""Beneficiary led individual house construction / enhancement"" under the</p>		<p><u>ceiling on the prices at which the property in such projects will be sold by builders to persons other than existing slum dwellers.</u> Thus, the tax concession may not be transferred to buyers and may only line the pockets of builders as in case of ITC benefits. There is a distinct possibility that the builder will pocket the tax exemption and raise the prices of the flats, shops in such projects as happened in case of ITC.</p> <p>The proposal at sub-item (e) is a proposal for insertion of a new entry at 12%. However, the service sought to be covered by the proposed entry is already covered by sl. no. 3 (v)(d) of notification no 11/2017- CT (R). The houses constructed for "Economically Weaker Section (EWS)" under the Affordable Housing in partnership will support construction of houses upto 30 sqm carpet area. Although existing exemption vide Sl.No. 3 (v)(d) of the said notification already covers houses having carpet area upto 60 sqm, it is a revenue neutral proposal and therefore, may be accepted.</p> <p>The proposal at sub-item (f) is a proposal to extend the concessional rate of 12% to services by way of construction of houses constructed / acquired under the Credit Linked Subsidy Scheme (CLSS) under PMAY. Under this component Credit linked subsidy will be provided on home loans taken by eligible urban poor (EWS/LIG/ MIG-I/ MIG-II) for acquisition, construction of house. Credit linked subsidy would be available for housing loans availed for new construction and addition of rooms, kitchen, toilet etc, to existing dwellings as incremental housing. The carpet area of houses constructed under this component of the mission would be upto 30 square meters and 60 square meters, 120 sqm and 150 sqm for EWS, LIG, MIG I and MIG II respectively. It appears that under this component, beneficiary may purchase a house of up to specified sizes from any builder (and not projects approved under HFA/PMAY). The benefit of CLSS may be taken by the Economically Weaker sections or Low/Middle Income Groups for purchase of houses under any project. The maximum annual income for eligibility of beneficiaries under the scheme can be upto 18 lakhs. It</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee												
		<p>Housing for All (Urban) Mission/Pradhan Mantri Awas Yojana (Urban); (e) a civil structure or any other original works pertaining to the "Economically Weaker Section (EWS) houses" constructed under the Affordable Housing in partnership by State / Union Territory / local authority/ urban development authority"" under the Housing for All (Urban) Mission/Pradhan Mantri Awas Yojana (Urban); (f) a civil structure or any other original works pertaining to the ""houses constructed/ acquired under the Credit Linked Subsidy Scheme for Economically Weaker Section (EWS) / Lower Income Group (LIG) / Middle Income Group-1 (MIG-1) / Middle Income Group-2 (MIG-2)"" under the Housing for All (Urban) Mission/Pradhan Mantri Awas Yoiana (Urban);</p>		<p>covers a large section of population which aspires to own a home. However, the projects are not required to be approved by any competent authority under PMAY; nor is there any stipulation in the PMAY to control or put a ceiling on the prices at which the houses acquired under CLSS will be sold by builders to persons belonging to EWS/LIG/MIG. Thus, the tax concession may not be transferred to beneficiaries of CLSS (buyers) and may only line the pockets of builders as in case of ITC benefits.</p> <p>Refund of overflow of ITC on input goods is not available for WCS and stranded ITC of services can also not be availed as refund.</p> <table><tr><th>Details</th><th>Land Cost is One Third of flat cost</th><th>PMAY</th></tr><tr><td>Output TAX</td><td>12.00</td><td>8</td></tr><tr><td>ITC</td><td>11.79</td><td>11.79</td></tr><tr><td>Net Tax Inceidence</td><td>0.21</td><td>-3.79</td></tr></table> <p>If we bring CLSS component of PMAY to 12% GST bracket, it may not lead to significant revenue loss as refund of overflow of ITC is not available. From demand side, the reduction of tax from 18% to 12 % (effective 8% after deduction of 1/3rd value of land) will have positive impact on the growth of economy and give boost to the real estate sector.</p> <p>Proposal of MHUPA at Sl. No.3, Item no (v)</p> <p>The exemptions proposed at item no (v), sub-items (a), (b), (c), (e) and (f) already exist in the same form.</p> <p>The proposal at sub item (d) is to extend the concessional rate of 12% to services by way of construction of low cost houses upto a carpet area of 60 sqm in a housing project which has been given infrastructure status vide notification No. 13/06/2009 dated 30th March, 2009. The said notification of Department of Economic Affairs provides infrastructure status to Affordable Housing.</p>	Details	Land Cost is One Third of flat cost	PMAY	Output TAX	12.00	8	ITC	11.79	11.79	Net Tax Inceidence	0.21	-3.79
Details	Land Cost is One Third of flat cost	PMAY														
Output TAX	12.00	8														
ITC	11.79	11.79														
Net Tax Inceidence	0.21	-3.79														

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>(g) a pollution control or effluent treatment plant, except located as a part of a factory; or</p> <p>(h) a structure meant for funeral, burial or cremation of deceased.</p> <p>(V) Composite supply of works contract as defined in clause (119) of section 2 of the Central Goods and Services Tax Act, 2017, supplied by way of construction, erection, commissioning, or installation of original works pertaining to, _</p> <p>(a) railways, excluding monorail and metro;</p> <p>(b) a single residential unit otherwise than as a part of a residential complex;</p> <p>(c) low-cost houses up to a carpet area of 60 square metres per house in a housing project approved by competent authority empowered under the 'Scheme of Affordable Housing in Partnership'</p>		<p>Affordable Housing has been defined in the said notification as a housing project using at least 50% of the FAR/FSI for dwelling units with carpet area of not more than 60 sqm. The proposal effectively is to extend the concessional rate of 12% GST to flats/ houses of less than 60 sqm in projects other than those which have been approved by the competent Authority under the Affordable Housing in Partnership component of PMAY. The Affordable Housing in Partnership component of PMAY stipulates approval of the project by the competent authority which includes approval/ fixation of the price at which the builders may sell the houses to the beneficiaries of the scheme. Extending the concessional rate to the projects other than those approved by CA under PMAY may not translate into any benefit for the buyers of the houses in absence of any control on the prices at which they can be sold.</p> <p>As is evident from the Table above, we will not get any revenues from construction services if the recommendations of MHUPA are accepted. However, as the excess ITC of input goods is blocked and of ITC of input services is not allowed to be refunded, there may not be any revenue loss <i>per se</i>; Construction of residential complex gave service tax revenues of about Rs 5700 crore in 2016-17.</p> <p>Fitment Decision:</p> <p>To carry out the amendments in the scheme of concessional GST of 12% applicable to construction of houses under Pradhan Mantri Awas Yojana (PMAY) and to include houses constructed/ acquired under the Credit Linked Subsidy Scheme for Economically Weaker Section (EWS) / Lower Income Group (LIG) / Middle Income Group-1 (MIG-1) / Middle Income Group-2 (MIG-2) under the Housing for All (Urban) Mission/Pradhan Mantri Awas Yojana (Urban) and low-cost houses up to a carpet area of 60 square metres per house in a housing project which has been given infrastructure status, as proposed by Ministry of Housing & Urban Affairs, under the same concessional rate.</p>

40	Indian National Ship-owner's Association, FICCI, Oil India, FIPI	Provide clarity on rate of GST applicable on time charter of shipping vessel	<p>Oil manufacturing companies avail the services of vessel on time charter from ship-owner for transporting crude oil.</p> <p>There is no clarity as to whether the time charter services rendered by the ship owners by way of charter hire of ships falls under Service Accounting Code 996602 (rental services of water vessel</p>	A time charter is one in which the ownership and also possession of the ship remains with the original owner, whose remuneration or hire is generally calculated at a monthly rate on the tonnage of the ship. The vessel's employment is put under the order of the charterer, while possession remains with the owner who provides the crew and pays the running costs, excluding the voyage costs such as fuel and cargo handling, port charges. Therefore, in time-charter, right to exploit earning capacity of vessel is

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			including passenger vessel, freight vessels and the like with or without operator) attracting a rate of 18% or under the Service Accounting Code 997311(leasing or rental services concerning transport equipment including containers, with or without operator) attracting the rate of 5%.	<p>transferred from owner of ship to the charterer of ship.</p> <p>In the positive list regime, services provided in relation to supply of tangible goods including machinery, equipment and appliances for use, without transferring right of possession and effective control of such machinery, equipment and appliances were specified as a taxable service under Section 65(105)(zzzzj) of Finance Act and were taxable at the standard rate of 10%/12% as applicable at that time.</p> <p>In the negative list regime, the same was taxable at the standard rate of 15% as a declared service u/s 66E (f) [transfer of goods by way of leasing, hiring etc. without transfer of right to use such goods].</p> <p>Time charter, is renting of vessels with operator (crew and master) for a period of time, which falls under heading 9966 (rental services of transport vehicles) taxable @18% with full ITC.</p> <p>However, since heading 9973 [leasing or rental services with or without operator] covers renting or leasing of goods with operators also, classification of leasing or renting of vessel with master and crew (time charter) cannot be precluded from this heading. If classified under heading 9973, time charter of vessels would attract GST at the same rate as applicable on vessels, i.e. 5%. [It has been reported that ONGC is not ready to pay GST @18% to ship owners on time charter service under heading 9966 on the ground that time charter falls under heading 9973 and is thus taxable @5%.]</p> <p>In this regard, it is submitted that the major difference between bare boat charter on the one hand and time/voyage charter on the other hand, is the degree of effective control and possession over the ship: in the former it is with the charterer while in the latter it is with the ship owner. The difference between time charter and voyage charter it is the remuneration charged by the ship owner: in voyage charter is calculated as per the cargo carried while in time charter, it is calculated on the tonnage of the ship, i.e., the earning capacity of the ship. Thus, in effect, both</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
				<p>time and voyage charter are providing service of transportation of goods in a vessel and should be classified under section 6 of the scheme of classification of services and not under section 7.</p> <p>Conflict of interest:</p> <p>INSA has requested to classify Time Charter @18% as it has ITC of 5% paid on ships. FICCI has requested for a clarification on taxability of Time Charter Service. Oil Industry wants Time Charter to be classified at 5% as their output products are not in GST and any extra tax paid on inputs will have a cascading effect on final product. Federation of Indian Petroleum Industry (FIPI) has taken a similar view.</p> <p>Conclusion:</p> <p>It is felt that there is a conflict of interest between service providers and service recipients. There is no doubt that in pre GST regime on 30th June, 2017, bare Boat Charter attracted VAT at 5%, Voyage Charter attracted ST at 4.5% and Time Charter attracted ST at 15%. As a neutral umpire it is felt that, perhaps the rate of tax may not be determined with respect to the availability of ITC with service providers but taxation ought to be business neutral and not influence business decisions. Taxation should not influence business decisions. It is felt that since already BBC and Voyage Charter are taxed at 5% in GST and there is a lack of clarity on Time Charter, we may tax Time charter service also at 5%. No doubt this decision may lead to revenue loss in GST regime vis-a-vis pre-GST regime, but ultimately it will rationalise the issue.</p> <p>Fitment Decision:</p> <p>To tax time charter service at GST rate of 5%, that is at the same rate as applicable to voyage and bare boat charter, with the same conditions.</p>
41	1. Representation of General Insurance Council for Union Budget 2018-19.	1. Covering output services provided by corporate insurance agent to Insurance Companies under forward charge basis as	The objective of taxation of services under reverse charge mechanism is to tax the economic activity provided by the unorganized sector by way of collecting tax from the organized sector. Since the provision covers insurance	<p>2.1 Services supplied by an insurance agent to any person carrying on insurance business are chargeable to GST on reverse charge basis under section 9(3) of the CGST Act [Sr.No. 7 of notification No. 13/2017-CT(R) refers].</p> <p>2.2 Under CGST Act or Rules, insurance agent has not been defined. However, in Service Tax Rules, insurance agent had <i>the</i></p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
	2. Chairman, Indirect Tax Committee, Bengal Chamber of Commerce and Industry	has been done in the case of GTA. 2. A new definition of corporate agent adopted from IRDA Act may be introduced in GST.	<p>auxiliary services by insurance agents, a large number of corporate agents who are fully organized also stand covered by such provision and therefore the GST in respect to the said services being provided by them are taxed under RCM in hands of the insurance companies.</p> <p>In the course of providing such services, such Corporate Agents procure various types of services and goods from their vendors on which they either pay GST to the provider of such services or goods or discharge GST under reverse charge mechanism if so required under the law. Example of few such Goods/Services purchased by these agents is renting of property, security services, telephone, business travel, stationery, audit fee, consultancy charges, manpower procurement charges, etc. The quantum of such GST paid by the agents for the purpose of providing output services is reasonably large.</p> <p>Now, since output services of insurance agents are under RCM and paid by the Insurance Companies, these Corporate Insurance Agents cannot avail the ITC of the GST paid on goods/services purchased by them in the course of providing the output services. Consequently, all ITC become a part of their cost. This is cascading in nature resulting in significant additional cost</p>	<p><i>meaning assigned to it in clause (10) of section 2 of the Insurance Act, 1938.</i></p> <p>2.3 Section 2(10) of the Insurance Act, 1938 defines Insurance Agent to <i>mean an Insurance Agent licensed under Section 42 who agrees to receive payment by way of commission or other remuneration in consideration of his soliciting or procuring insurance business including business relating to the continuous common renewal or revival of policies of insurance.</i></p> <p>2.4 Section 2 (10B) of Insurance Act defines <i>intermediary or insurance intermediary to have the same meaning assigned to it in clause (f) of sub-section 2 of Insurance Regulatory and Development Authority Act, 1999.</i></p> <p>2.5 IRDA Act, 1999 has been amended in 2015 so as to define "Intermediary" or "insurance intermediary" under section 2 (1 (f) of IRDA Act to include insurance brokers, re-insurance brokers, insurance consultants, corporate agents, third party administrator, surveyors and loss assessors and such other entities, as may be notified by the Authority from time to time.</p> <p>2.6 A corporate agent is an insurance intermediary [Source: Regulation 2 (d) of Insurance Regulatory and Development Authority of India (Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries) Regulations 2016] for the purposes of the said regulations.</p> <p>2.7 Section 2(f) of the Insurance Regulatory and Development Authority of India (Registration of Corporate Agents), Regulations, 2015 defines Corporate Agents to mean any applicant specified in Clause 2(b) of Regulation who holds a valid certificate of registration issued by the Authority under these Regulations for solicitation and servicing of insurance business for any of the specified category of life, general and health. Clause 2(b) of the Regulation defines applicant to mean—</p> <p>i. A company formed under the Companies Act, 2013 (18 of 2013) or any enactment thereof or under any previous company law which was in force; or</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			which could have been otherwise set off by the availment of ITC and utilization thereof for the GST payable on the Insurance Auxiliary services under forward charge.	<p>ii. A limited liability partnership formed and registered under the Limited Liability Partnership Act, 2008; or</p> <p>iii. A Co-operative Society registered under Co-operative Societies Act, 1912 or under any law of registration of co-operative societies; or</p> <p>iv. a banking company as defined in clause (4A) of section 2 of the Act; or</p> <p>v. a corresponding new bank as defined under clause (da) of sub-section (I) of section 5 of the Banking Companies Act, 1949 (10 of 1949); or</p> <p>vi. a regional rural bank established under section 3 of the Regional Rural Banks Act, 1976 (21 of 1976); or</p> <p>vii. a Non-Governmental organisation or a micro lending finance organization covered under the Co-operative Societies Act, 1912 or a Non-Banking Financial Company registered with the Reserve Bank of India; or</p> <p>viii. Any other person as maybe recognized by the Authority to act as a corporate agent.</p> <p>2.8 Insurance Agent has been defined in Insurance Regulatory and Development Authority of India (Appointment of Insurance Agents) Regulations, 2016 to mean an individual appointed by an insurer for the purpose of soliciting or procuring of insurance business including business relating to the continuance, renewal or revival of policies of insurance.</p> <p>2.9 In short, insurance agent and corporate agent have different meaning and connotation. Once we define insurance agent in the reverse charge notification as in Service Tax rules to have <i>the meaning assigned to it in clause (10) of section 2 of the Insurance Act, 1938</i>, corporate agent would automatically get excluded from reverse charge.</p> <p>We may do so.</p> <p>Fitment Decision: To define insurance agent in the reverse charge notification to have <i>the same</i></p>

				<i>meaning as assigned to it in clause (10) of section 2 of the Insurance Act, 1938, so that corporate agent gets excluded from reverse charge.</i>
42	ISCON (through Hon'ble MOS (F&S)]	Services provided by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of building owned by an entity registered under section 12AA of Income Tax Act were exempt from service tax. So, these should be exempt under GST.	Hardship to these organizations.	<p>Services provided by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of building used for providing (for instance, centralized cooking or distributing) mid-day meal scheme by an entity registered under section 12AA of IT Act, may attract 12% concessional GST.</p> <p>Fitment Decision: Services provided by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of building owned by an entity registered under section 12AA of Income Tax Act, which is used for providing (for instance, centralized cooking or distributing) mid-day meal scheme, may be taxed at 12% concessional GST.</p>
43	CCT, Maharashtra	The revenue from taxation on lotteries should flow to the state in which the final buyer is located. For this, Option 1 is that it could be made mandatory that the distributor must be registered in the state under the Lottery Regulation Act, 1998 in which he is selling lottery to the final customer. This could be either by amendment of the Lottery Regulations of Centre or the Lottery rules of the States since	If the organizing State and the distributor are located in the same state, but the final buyer is in some other state, then the first supply would be an intra-state supply and the subsequent supply by the distributor to the final buyer would be an inter-state supply. In the first supply, the revenue would remain in the organizing state only even though the final buyer is located in some other state because subsequent stages are exempt. But then this could happen in case of reverse charge. This is not intended really.	<p>Option 2 may not be workable in case of paper lotteries. The only way to ensure that tax accrues to the State where lotteries are sold is to tax each transaction upto the last stage and not collect the entire tax on face value in the very first transaction.</p> <p>Fitment Decision: A small subcommittee consisting of the officials of the States where lottery is sold along with the States who authorize/organise such lotteries may be constituted to study the issues relating to taxation of lottery.</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>the Centre as well as the states are empowered u/S 11 and S 12 respectively to make rules “to carry out the provisions of the Act”. But it needs amendment in other laws by the Parliament and regulations there-under by Centre and all States. This may take long time.</p> <p><u>Option 2</u> is Modifications in the place of supply of provisions to provide that in case of lottery, the place of supply shall be the state in which the ultimate buyer is located or the state where he buys the ticket. Ensuring this is very simple for online lottery taking into account IP address of the computer terminal.</p> <p>Change in place of supply under IGST Act also seems to be very difficult task and also needs to be deliberated upon in detail so as to examine repercussions on other trade.</p>		
44	CCT, Maharashtra	Reverse charge on lotteries is	In GST, reverse charge is normally made applicable,	Ideally all supplies by the Government should be charged on forward charge basis.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		required to be done away with by deleting Entry no. 5 from Notification No. 4 /2017 Central Tax (Rate) and State Tax (Rate) and Integrated Tax (Rate) issued on 29 th June 2017, under respective CGST Act/ SGST/ IGST Act. Supply of Lottery should be brought under forward charge.	<p>when suppliers are in an unorganized sector but the recipients are organized. Logic for reverse charge (or even TDS) is that the revenue should be collected from a smaller number of entities, rather than the actual suppliers, who may be quite large in number. For example, in case of supply of cashew nuts, Bidi wrapper leaves (tendu) and silk yarn, the recipient registered person is notified to be liable for reverse charge, instead of agriculturist etc. For services such as GTA, sponsorship, director, insurance, recovery, author, music composer, photographer, artist etc. the recipients, who are better organized and are lesser in number are made liable for reverse charge. For government services, renting of immovable property, services by the Department of Posts by way of speed post, express parcel post, life insurance, agency services, aircraft or a vessel, transport of goods or passengers are liable for forward charge. Thus, it seems that for commercial activities of government, forward charge has been made applicable. The only deviation appears to be lottery tickets, where even though the distributors/agents could be more in number than the promoting governments, the recipient distributors have been made liable for reverse charge. One major advantage of this reverse charge is that the organizing governments</p>	<p>This will ensure collection of due revenue on such supplies, obviating any scope of evasion of tax on supplies by Govt. There is no doubt that Governments would be far more compliant taxpayers than a distributor/agent. This will also reduce disputes and litigation. Though, the compliance burden on Govt. departments would increase somewhat, it will promote ease of doing business. Govt. has qualified personnel who deduct TDS of income tax and earlier of VAT on works contract services. Presently, Govt. departments are paying GST on renting, transportation, postal services etc. on forward charge basis. Foreign jurisdictions such as New Zealand, Australia tax supply of goods and services by Govt. on forward charge basis. However, the reality is that services provided by government/local authority to business entity are under reverse charge barring supplies by Indian Railways, Postal Department, Air India. This is a larger issue which needs to be discussed with the States who authorize lotteries sold in Maharashtra, WB and Punjab.</p> <p>Fitment Decision:</p> <p>A small subcommittee consisting of the officials of the States where lottery is sold along with the States who authorize/ organise such lotteries may be constituted to study the issues relating to taxation of lottery.</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>are spared from registration and other GST compliances. But the flip side is that we would be required to deploy machinery to collect this revenue just to spare the government from some GST compliances, which even a small supplier having a miniscule turnover is expected to do. Secondly, under any circumstances, the Governments would be far more compliant taxpayers than a distributor/agent.</p> <p>Tax payment through RCM also gives the distributor an option to pay taxes under either SGST and CGST (showing the transaction as intra-state) or IGST (showing the transaction as inter-state). Since the onus to pay tax on supply of Lottery is cast upon the distributor through RCM, the distributor can very well refrain from showing the transaction inter-state and show it intra-state. As the subsequent sale whether intra-state or inter-state is exempt from payment of tax, no tax will flow to the actual consumption state (where lottery is actually being supplied).</p>	
45	CCT, Maharashtra	Exemption under IGST Act for certain supplies of Lottery may be done away with, by omitting Entry 149 (related to lottery) of Notification No. 2/2017-		<p>Exemption may be removed/ modified only if lottery is taxed at each stage of value addition on transaction value and not on face value in the very first transaction.</p> <p>Fitment Decision: A small subcommittee consisting of the officials of the states where lottery is sold along with the states who authorize/ organise such lotteries may be constituted to study the issues relating to taxation of lottery.</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		Integrated Tax(Rate). The exemption admissible under the IGST Act (vide the said notification) is required to be removed.		
46	CCT, Maharashtra	Exemption under SGST and CGST Act for certain supplies of Lottery may be modified, and the exemption should be made available only on further/subsequent Intra-State supplies of Lottery where SGST and CGST are paid in Govt. Treasury on the First Intra-State supply of the same transaction. Accordingly Entry 149 of Notification No. 11/2017 – Central Tax (Rate) dated 29th June, 2017 under CGST Act to be amended and redrafted as follows – <i>"Supply of lottery by any person subject to the condition that Central Tax and State Tax or Union Territory tax has been paid into Government treasury on the first intra state</i>		Condition will be difficult to comply with by the retailers down the chain. Fitment Decision: A small subcommittee consisting of the officials of the States where lottery is sold along with the States who authorise/organise such lotteries may be constituted to study the issues relating to taxation of lottery.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p><i>supply of such lottery in the state by the State Government or by the lottery distributor or selling agent appointed by any State Government or Union Territory or by any other person as the case may be."</i></p> <p>Similarly, Entry 149 of Notification No. 11/2017 – State Tax (Rate) dated on 29th June, 2017 under SGST Act to be amended and redrafted as follows –</p> <p><i>"Supply of lottery by any person subject to the condition that Central Tax and State Tax has been paid into Government treasury on the first intra state supply of such lottery in the state by the State Government or by the lottery distributor or selling agent appointed by any State Government or Union Territory or by any other person as the case may be."</i></p>		
47		Valuation of Lottery for the purpose of taxation should be done as per	At present, the value of supply is provided in the rate schedule so as to exclude the GST element to arrive at the net value on	The value of lottery has been prescribed in the notification (prescribing rates of 12%/28%) as 100/112 or 100/128 of the price of lottery ticket notified in the Gazette. Though powers under section 15 (5) of GST

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		mandate of sub-section 5 of Section 15 of GST Laws strictly.	<p>which GST is to be levied. Notification No. 11/2017 – Central Tax (Rate) has been issued under Sub-Section 1 Section 9, Sub section 1 of Section 11 and Sub Section 5 of Section 15 of the act. This notification does not provide clear picture and supply for the purpose of Sub section 5 of Section 15 of the Act needs to be issued separately. Further, for valuation of the specified Goods, i.e. Lottery- valuation rules need to be prescribed separately on lines of Para 3 of Notification No. 11/2017 – Central Tax (Rate) / State Tax (Rate). Valuation rule should be prescribed as valuation rule under Sub section 5 of Section 15 of the Act and not under Section 9. The rule may be drafted as follows-</p> <p><i>Rule: Notwithstanding anything contained in the provisions of this chapter, value of supply of lottery shall be 100/112 of the face value or the price notified in the Official Gazette by the organising State, whichever is higher, in case of lottery run by State Government and 100/128 of the face value or the price notified in the Official Gazette by the organising State, whichever is higher, in case of lottery authorised by State Government.</i></p>	<p>Act have been exercised in notification No 11/2017-CTR, these powers may also be exercised in the notification prescribing the goods rates.</p> <p>Fitment Decision:</p> <p>The value of lottery has been prescribed in the notification (prescribing rates of 12%/28%) as 100/112 or 100/128 of the price of lottery ticket notified in the Gazette. A provision to this effect may <i>be inserted in GST valuation rules under section 15 of Act.</i></p>
48	CCT, Maharashtra	It should be decided whether betting & gambling are goods (i.e. actionable	Section 2(1) “actionable claim” shall have the same meaning as assigned to it in section 3 of the Transfer of Property Act, 1882;	Casinos and racecourses like organizers of lotteries sell a chance to win, which the Supreme Court has very clearly held in the Sunrise case to be an actionable claim. Entry 6 of Schedule III, which includes <i>actionable claims, other than lottery, betting &</i>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		claims) and whether they are taxable as per entry 453 of Schedule III of Notification No. 1/2017-Cenral Tax (Rate) / State Tax (Rate). Separate entries, Entry 229 and Entry 230 for betting & gambling respectively may be inserted in Schedule IV of goods notification No. 1/2017 and be made taxable at 28% (14% each)	<p>Section 2(52) “goods” means every kind of movable property other than money and securities but includes actionable claim, growing crops, grass and things attached to or forming part of the land which are agreed to be severed before supply or under a contract of supply;</p> <p>Section 2(102) “services” means anything other than goods, money and securities but includes activities relating to the use of money or its conversion by cash or by any other mode, from one form, currency or denomination, to another form, currency or denomination for which a separate consideration is charged;</p> <p>As per Entry 6 of Schedule III, lottery, betting & gambling are treated as actionable claim. Definition of goods as per Sec. 2(52) is provided to include actionable claims. Thus, by combined reading of these provisions, it may be concluded that betting and gambling are goods along with lottery.</p>	<p><i>gambling</i> in activities or transactions that are neither supply of goods nor services, also supports this view. Therefore, betting and gambling may also be included in the goods schedule at 28%.</p> <p>Fitment Decision: Actionable claim in the form of chance to win in betting and gambling including horse racing should be added in the GST rate schedule for goods at 28%.</p>
49	CCT, Maharashtra	If betting and gambling are goods as per GST Law, then clarification is sought on what will be the rate of tax?	As per entry 453 of Notification No. 1/2017, goods which are not specified in Schedule I, II, IV, V or VI are taxable at 18%. In view of this, betting & gambling will be taxable as goods and rate of tax will be 18%.	<p>-DO-</p> <p>Fitment Decision: Actionable claim in the form of chance to win in betting and gambling including horse racing should be added in the GST rate schedule for goods at 28%.</p>
50	CCT, Maharashtra	The provision in rate schedule notification No. 11/2017-Central Tax (Rate) dated the 28th June	It is opinion of State of Maharashtra that, following services will be taxable as services at 28% (14% each).	All services listed in the proposal by Maharashtra are taxable at 28% except services given by race-course by way of license to bookmaker which is not a service by way of betting and gambling.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		2017 does not clearly state the tax base to levy GST on horse racing. This may be clarified.	<p>1. Services by way of admission to entertainment events or access to amusement facilities including casinos, race-course</p> <p>2. Ancillary services provided by casinos and race-course in relation to such admission.</p> <p>3. Services given by race-course by way of license to bookmaker in such club.</p> <p>4. Services given by race-course by way of totalisator (if given through some other person or charged separately as fees for using totalisator for purpose of betting). It may be argued that supply of betting and services by way of totalisator are two taxable supplies in the composite supply, supply of betting being a principal supply. In such situation any amount paid into totalisator will attract 18% GST. However, in the judgment by Hon'ble Supreme Court in case of Sunrise Associates Vs. Government of NCT of Delhi and Ors. dated 28th April 2006, relating to lottery it is upheld that admission to lottery and chance to win the lottery cannot be separated and treated as two different transactions. Same analogy applies in case of betting also. Services of race-club by way of totalisator cannot be treated as separate transaction from supply of betting. Therefore, the total transaction value will be taxable @ 18%.</p>	<p>Fitment Decision:</p> <p>It may be clarified that services by way of</p> <p>1. admission to entertainment events or access to amusement facilities including casinos, race-course;</p> <p>2. ancillary services provided by casinos and race-course in relation to such admission;</p> <p>3. services given by race-course by way of totalisator (if given through some other person or charged separately as fees for using totalisator for purpose of betting); are taxable at 28%. Services given by race-course by way of license to bookmaker which is not a service by way of betting and gambling, is taxable at 18%.</p>
51	CCT, Maharashtra	Clarification is sought on	Valuation of betting & gambling (goods) will be	Proposal of Maharashtra to insert following valuation rule in the rules may be accepted:

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p>valuation of supply of betting in Horse Racing. To provide clarity in the matter of valuation of these goods, provisions of section 15(5) may be invoked. Supply of Betting & Gambling is also required to be notified separately as per the mandate of Sub section 5 of Section 15 of the Act. Further, for valuation of the specified Goods, i.e. Betting & Gambling - valuation rules need to be prescribed separately on lines of Para 3 of Notification No. 11/2017 - Central Tax (Rate) / State Tax (Rate). Following rule 35A (2) may be inserted after Rule 35 in chapter IV, Determination of Value of Supply in CGST / SGST Rules, 2017.</p> <p><i>Rule 35A (2): Notwithstanding anything contained in the provisions of this chapter, value of supply of Betting & Gambling shall</i></p>	<p>under the provisions of Section 15(1) or Section 15(4) or Section 15(5). In view of the aforesaid sections and valuation rules, it is opinion of State of Maharashtra that since for betting & gambling, rules are not framed under Section 15(4) and 15(5), provisions of Section 15(1) will be applicable. But this provision may be mis-used by the trade by deducting the prize money from the amount paid for betting and treating the remaining amount as the transaction value liable to be taxed under Section 15(1). The same issue is applicable in case of lottery also. However, in case of lottery, the issue is handled by providing rule of valuation of lottery in Notification No. 11/2017- Central Tax (Rate). Similar rule is also required for valuation of betting in order to eliminate the possibility of deducting prize money from the bet amount for the purpose of valuation.</p>	<p><i>Notwithstanding anything contained in the provisions of this chapter, value of supply of Betting & Gambling shall be 100 % of the face value of the bet or the amount paid into the totalisator</i></p> <p>Fitment Decision: Following provision may be inserted in GST rules under section 15 of Act, - <i>Notwithstanding anything contained in the provisions of this chapter, value of supply of Betting & Gambling shall be 100 % of the face value of the bet or the amount paid into the totalizator.</i></p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		<p><i>be 100 % of the face value of the bet or the amount paid into the totalisator.</i></p> <p>(It is assumed that a new Rule 35A(1) for lottery on similar lines is inserted in CGST / SGST Rules, 2017)</p> <p>The whole discussion with respect to betting is equally applicable to gambling also. (Refer Entry (v) of Entry 35 in the Notification 11/2017-Central Tax (Rate) dated 28th June 2017). Hence, the amendments or the clarifications should be done considering gambling also. A legally binding clarification explaining taxation of lottery, betting & gambling be issued as per present provisions of Law.</p>		
52	Ministry of Sports	To exempt services provided by and to Fédération Internationale de Football Association (FIFA) and its subsidiaries directly or indirectly related	This is required in terms of government's guarantee extended to FIFA for hosting under-20 world cup 2019 in India.	<p>Already similar exemption from GST has been given for under-17 world cup that was held in 2017, based on the guarantee provided by GOI to FIFA.</p> <p>Fitment Decision: Agreed</p>

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
		to any of the events under FIFA U-20 World Cup to be hosted in India		
53	Ministry of Minority Affairs	To delete Ministry of External Affairs from the exemption at S. No 60 of notification No 12/2017-CTR, relating to Mansarovar Yatra and Haj pilgrimage	Haj pilgrimage is now handled by the Ministry of Minority Affairs and not MEA.	<p>The exemption presently reads thus: - <i>Services by a specified organization in respect of a religious pilgrimage facilitated by the Ministry of External Affairs, the Government of India, under bilateral arrangement</i></p> <p>We may delete MEA from the exemption entry. Only Government of India will remain, which covers both MEA and Ministry of Minority Affairs.</p> <p>Fitment Decision: Agreed</p>
54	MOPNG	To exempt government share in Profit Petroleum and clarify that cost petroleum is not taxable <i>per se</i>	<p>Profit Petroleum</p> <p>1. Petroleum and Natural Gas Rules, 1959 provide that subject to the Oilfields (Regulation & Development) Act (ORD Act), Rules made thereunder and the terms of agreement (Production Sharing Contract or PSC) between the Central Government and licensee or the lessee, every licensee shall have the exclusive right to carry out surveys, drilling operations for petroleum in the area covered by the license. The ORD Act provides that the holder of a mining lease shall pay royalty in respect of any mineral oil mined, quarried or collected by him from the leased area at the specified rates. The PSC provides for payment of a pre-determined share of profit petroleum to the Government as a condition for grant of mining lease. Therefore, like royalty, profit share paid to the Government by oil exploration companies for acquiring the right to explore and exploit</p>	The State representatives said that they need to consult with their CCTs. The issue may be discussed in the GST Council.

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>mineral oils is a payment for service and liable to Goods and Services Tax. In this case also, GST is leviable on reverse charge basis.</p> <p>2. This view though legally correct may not appear to be in harmony with the overall scheme of the production sharing contract under NELP (New Exploration Licensing Policy).</p> <p>3. $P = T - C$ P is profit petroleum T is value of petroleum produced in the year C is total cost of exploration, development and production of petroleum during the year ('C' includes taxes but not share of profit petroleum paid to the government). Production Sharing Contract (PSC) provides for payment of a pre-determined share of profit petroleum to the government as a condition for grant of mining lease. Therefore, the government's share in the profit petroleum is subjected to GST and not the entire profit petroleum. However, the government's share of profit petroleum is not allowed to be recovered as cost, i.e., part of cost petroleum. Therefore, it was proposed in the 20th GST Council meeting to exempt it from GST. Further, it is submitted that the liability to pay GST on profit petroleum is on the E&P companies (under reverse charge) and not the government. It is a tax</p>	

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>payable on an input service of E&P companies. Thus, there is no question of any reversal of ITC by the E&P companies. As for the Government, it does not take ITC.</p> <p>In so far as the past liability is concerned, the same may be addressed by way of Finance Act.</p> <p>Cost Petroleum</p> <p>1. As per the PSC between the Government and the contractors, in case of a commercial discovery of petroleum, the contractors are entitled to recover from the sale proceeds all expenses incurred in exploration, development, production and payment of royalty. Portion of the value of petroleum which the contractor is entitled to take in a year for recovery of these contract costs is called "Cost Petroleum". Having acquired the right to explore, exploit and sell petroleum in lieu of royalty and a share in profit petroleum, contractors carry out the exploration and production of petroleum for themselves and not as a service to the Government.</p> <p>2. It is sometimes argued that under Article 297 of the Constitution, all minerals beneath the ocean belong to the government and therefore, the E&P companies are providing mining/exploration service to the government.[Article 297 refers only to minerals beneath territorial waters, continental shelf and exclusive economic zone. It does not cover oil, coal and other minerals</p>	

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>beneath the territory of India.]</p> <p>In this regard, it is submitted that as per Article 27.1 of the Model Production Sharing Contract, government is the sole owner of the petroleum underlying the contract area except as regards that part of the crude oil/gas the title whereof has passed to the contractor or any other person in accordance with the provisions of the Production Sharing Contract. A harmonious reading of Article 297 of the Constitution and the Contract leads us to believe that government is the sole owner till the contractor mines it out and sells it, in which case the title passes to the buyer. Before sale to the buyer, the contractor is the owner of the crude mined so long as he pays royalty and profit petroleum to the government.</p> <p>The relationship between the Government and the contractor under PSC is not that of partners but of an assignor and assignee. Para 8.1 of the Production Sharing Contract states that subject to the provisions of the PSC, the Contractor shall have exclusive right to carry out Petroleum Operations to recover costs and expenses as provided in this Contract. Having acquired the right to explore, exploit and sell petroleum in lieu of royalty and a share in profit petroleum, contractors carry out the exploration and production of petroleum</p>	

Sl. No.	Represented By	Proposal	Justification	Comments of Fitment Committee
			<p>for themselves and not as a service to the Government. Hence, cost petroleum is not a consideration for service to GOI and thus not taxable per se.</p> <p>There is no doubt that the entire mineral wealth below the earth or the waters belong to the Governments all over the world. Different types of contract for oil and gas exploration and production have been developed to meet the different goals of governments. India follows the production sharing contract arrangement where the contractor bids for the rights to explore and exploit against payment of royalty and predetermined share in profit petroleum. India does not enter into a service agreement under which the State hires the services of mining from an oil and gas company or joint venture and <u>retains the risks and benefits of exploration and pays the oil and gas company only for its services.</u></p> <p>Cost petroleum could be a measure of value of mining/exploration service provided by the operating member to the joint venture, in a situation when details of cash calls or bills raised by the operator on the joint venture have not been made available to the tax authorities.</p>	

Agenda for 25th GST Council Meeting

Volume – 3

18 January 2018

File No: 297/25th GSTC Meeting/GSTC/2017
GST Council Secretariat

Room No.275, North Block, New Delhi
Dated: 22 December, 2017

Notice for the 25th Meeting of the GST Council scheduled on 18 January 2018

The undersigned is directed to refer to the subject cited above and to say that the 25th Meeting of GST Council will be held on **Thursday, 18 January 2018 from 12:20 pm onwards** at Hall No 2-3, Vigyan Bhavan, New Delhi. Before the meeting of the GST Council, Union Finance Minister will have discussions with the Finance Ministers of States on the budget proposals for the Union Budget 2018-19 from 10:00 am to 12:00 noon at the same venue.

2. The Meeting of the GST Council shall be followed by Cultural Programme and Dinner to be hosted by Government of NCT of Delhi from 7:00 pm to 10:00 pm on 18 January 2018.

3. The detailed agenda items for the 25th Meeting of the GST Council will be communicated in due course of time.

4. The main agenda in the GST Council Meeting will be to discuss the draft Amendment to CGST Act, SGST Act and IGST Act. In order to have detailed discussions on the draft proposals for amendment, Union Finance Secretary will take a separate meeting of Officers of State and Central Government from **11:00 am onwards on Thursday, 11 January 2018** at Hall No 2-3, Vigyan Bhavan, New Delhi.

5. Please convey the invitation to the Hon'ble Members of the GST Council to attend the Meeting on 18 January 2018.

(-Sd-)

1. PS to the Hon'ble Minister of Finance, Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
2. PS to Hon'ble Minister of State (Finance), Government of India, North Block, New Delhi with the request to brief Hon'ble Minister about the above said meeting.
3. The Chief Secretaries of all the State Governments, Delhi and Puducherry with the request to intimate the Minister in charge of Finance/Taxation or any other Minister nominated by the State Government as a Member of the GST Council about the above said meeting.
4. Chairperson, CBEC, North Block, New Delhi, as a permanent invitee to the proceedings of the Council.
5. Chairman, GST Network

Agenda Items for the 25th Meeting of the GST Council on 18 January 2018

1. Confirmation of the Minutes of 24th GST Council Meeting held on 16 December 2017
2. Revenue collected in the month of November and December 2017 under Goods and Services Tax, including the revenue accruing to Centre and States through settlement of funds
3. Deemed ratification by the GST Council of Notifications, Circulars and Orders issued by the Central Government
4. Decisions of the GST Implementation Committee (GIC) for information of the Council
5. Minutes of 4th and 5th Meeting of Group of Ministers (GoM) on IT Challenges in GST Implementation for information of the Council and discussion on GSTN issues
6. Recommendations of the 'Committee on Returns Filing' on Simplification of Returns under GST
7. Issues recommended by the Law Committee for consideration of the GST Council
8. Recommendations of the Committee on Handicrafts
9. Changes proposed to be made in the CGST Act, 2017, SGST Acts, the IGST Act, 2017 and the GST (Compensation to States) Act, 2017
10. Issues recommended by the Fitment Committee for the consideration of the GST Council
11. Carry forward items from the previous Council Meeting
 - i. Presentation on GST in Real Estate sector
 - ii. Incentivising Digital Payments in GST regime
12. Transfer of shares of Empowered Committee (EC) in GSTN to the State of Telangana
13. Any other agenda item with the permission of the Chairperson
14. Date of the next Meeting of the GST Council

Discussion on Agenda Items

Agenda Item 13: Any other agenda item with the permission of the Chairperson

Agenda Item 13(i): Proposal to declare the sale of goods in Customs bonded warehouse and goods sold as high sea sales as ‘no supply’ under Schedule III of the CGST Act, 2017

Goods imported into India are subjected to customs duties and integrated tax under section 3(7) of the Customs Tariff Act, 1975. In case the imported goods are stored in a Customs bonded warehouse and such goods are supplied domestically by the importer before their clearance from the warehouse, it has been clarified by the Customs Wing of CBEC vide Circular No. 46/2017-Customs dated 24.11.2017 that integrated tax will be payable first by the importer/seller (it being a supply of goods within India under section 5 of the IGST Act, 2017) and by the buyer at the time of clearance of goods from the warehouse (under section 3(7) of the Customs Tariff Act). It has been represented that in this scenario, the buyer is being saddled with double taxation and/or credit because of levy under two statutes.

2. In order to alleviate this problem, it is proposed to amend the valuation of the imported goods for the purposes of payment of integrated tax on such goods by amending the Customs Tariff Act. The amendment would result in integrated tax being levied on the enhanced sale value or last sale value in case of multiple sales or value determined under section 3(8) of the Customs Tariff Act, whichever is higher. Concomitantly, it is proposed to declare the sale of warehoused goods within the Customs bonded warehouse as ‘no supply’ under Schedule III of the CGST Act, 2017 in order to ensure that no integrated tax is paid at the time of supply of the warehoused goods from the importer to the buyer.

3. Further, the issue of leviability of integrated tax on high sea sales of imported goods was clarified by the Customs Wing of CBEC vide Circular No. 33/2017-Customs dated 01.08.2017. It was clarified that integrated tax shall be levied and collected only at the time of importation and that value addition accruing at each stage of high sea sale shall form part of the value on which integrated tax is paid at the time of clearance. In this regard, it is proposed to declare the high sea sale of goods as ‘no supply’ under Schedule III of the CGST Act, 2017.

4. Accordingly, the GST Council may approve the proposal of declaring the sale of warehoused goods within the Customs bonded warehouse and the high sea sale of goods as ‘no supply’ under Schedule III of the CGST Act, 2017.

Agenda Item 13(ii): Proposal to reduce penalty under section 122(1)(xiv) of CGST Act, 2017 (e-way bills) in exercise of powers under section 128 of the Act.

GST Council in its 24th meeting held on 16 December, 2017 recommended that e-Way Bill System for inter-State movement of goods will be implemented across the country with effect from 01.02.2018. For intra-State movement of goods, States would choose any date before 01.06.2018 for implementing the national e-Way Bill System and from 01.06.2018, it would be mandatory for all the States to implement the same for the intra-State movement of goods.

2. Clause (xiv) of sub-section (1) of Section 122 of the CGST Act, 2017 provides that if a taxable person transports any taxable goods without the cover of documents as may be specified in this behalf shall be liable to pay a penalty of Rs 10,000/- or an amount equivalent to the tax evaded, whichever is higher. Similar provision exists in the SGST Acts and UTGST Act. Hence, the offence in all such cases would lead to a minimum penalty of Rs. 20,000/-. E-Way Bill System under the GST laws is going to be implemented for the first time and it would take time for the stakeholders to be familiar with the various provisions of the same. Hence, in order to have smooth implementation of the e-Way Bill System and to overcome the teething problem, it is proposed that by exercising the power conferred under Section 128 of these Acts, the minimum penalty of Rs. 10,000/- for violation of clause (xiv) of subsection (1) of Section 122 under CGST Act, 2017 may be reduced to Rs. 500/- for the first six months. On similar line, the minimum amount of penalty may be reduced to Rs. 500/- under SGST Act / UTGST Act by the respective Governments.

3. Approval of the GST Council is sought to reduce the minimum amount of penalty to Rs. 500/- for the first six months under clause (xiv) of sub-section 1 of Section 122.

13	iii. Restriction of Transitional Credit in certain cases through the provisions for removal of difficulty under Section 172 of CGST Act	6
	iv. Exclusion of Cesses not specified in the list of eligible duties from transition	7

Discussion on Agenda Items

Agenda Item 13: Any other agenda item with the permission of the Chairperson

Agenda Item 13(iii): Restriction of Transitional Credit in certain cases through the provisions for removal of difficulty under Section 172 of CGST Act

Credit of taxes and duties paid under the existing law viz. Central Excise and Service Tax are allowed to be transitioned under section 140 of the CGST Act. It is proposed to clarify that in certain cases, credit of taxes and duties paid under the existing law shall not be allowed to be claimed as transitional credit. In this regard, following actions are being proposed:

- a. Ensure that the taxpayers do not avail of credit in cases under dispute (disputed credit) under the transition provisions.
 - b. Ensure that the taxpayers do not avail of any credit which has been blocked under sub-section (5) of section 17 of the CGST Act.
 - c. To take appropriate administrative steps as may be necessary to ensure that input tax credits which are not eligible for transition in terms of these orders or any other situation involving large revenue are not utilized for payment of tax.
2. Section 172 of the CGST Act, 2017 provides for removal of difficulties, if any difficulty arises in giving effect to any provisions of the Act, by an order on the recommendations of the GST Council. It is proposed to issue an order under section 172 to clarify and give effect to each of the actions proposed in the preceding para.
3. In view of above, approval of GST Council is sought to issue orders under section 172 of the CGST Act to remove difficulty and give effect to following actions:
- a. Ensure that the taxpayers do not avail of credit in cases under dispute (disputed credit) under the transition provisions.
 - b. Ensure that the taxpayers do not avail of any credit which has been blocked under sub-section (5) of section 17 of the CGST Act.
 - c. To take appropriate administrative steps as may be necessary to ensure that input tax credits which are not eligible for transition in terms of these orders or any other situation involving large revenue are not utilized for payment of tax.
 - d. As the issues are of urgent nature, after consulting the Ministry of Law, the orders would be issued and action taken along with the order issued would be submitted to the GSTC in the next meeting for information.

Agenda Item 13(iv): Exclusion of Cesses not specified in the list of eligible duties from transition

Section 140(1) of the CGST Act, 2017 provides for transition of credit in the electronic credit ledger based on the closing value of the CENVAT credit in the last return filed under the existing law. Explanation 1 and 2 to the section 140 provide the list of ‘eligible duties’ in respect of which credit can be transitioned and if any duty is not mentioned therein, the credit in relation to such duty under the existing law cannot be transitioned under various provisions of section 140. Both explanation 1 and 2 apply to various sub-sections of section 140, but inadvertently do not apply to sub-section (1) of section 140.

2. Further, it has been observed that huge amount of credit of cess such as Education cess, SHE cess, Krishi Kalyan cess has been claimed as transitional credit which is not allowed under the CGST law. Similarly, cesses which have been collected as additional duty of customs under section 3(1) of Customs Tariff Act, 1975 such as clean environment cess, are also being claimed as transition credit because the law does not specifically exclude them from the list of eligible duties. To prevent the credit of ‘cesses’ to be transitioned under section 140, it is suggested that credit of cesses may be specifically excluded from the list of ‘eligible duties’ under explanation 1 and 2 of section 140 to remove any ambiguity.

3. In view of above, approval of GST Council is sought to amend following provisions of section 140 of the CGST Act,

- i. Amend sub-section (1) of section 140 to provide that only credit of eligible duties can be transitioned.
- ii. Amend Explanation 1 and 2 of section 140 to include reference to sub-section (1) of section 140.
- iii. Insert an Explanation 3 to the section 140 of CGST Act, 2017 to clarify that that the expression “eligible duties and taxes” does not include any cess which has not been specified in Explanation 1 or Explanation 2 above and any cess which is collected as additional duty of customs under sub-section (1) of section 3 of the Customs Tariff Act, 1975.
- iv. The above changes shall apply retrospectively.
